Containing the best of Manhattan Prep's expert strategies, this book will train you to approach the LSAT as a law student would approach a legal text—actively and with a purpose. The Reading Comprehension LSAT Strategy Guide teaches you how to recognize the core argument and then use it as a framework on which to organize the entire passage, improving the speed and clarity with which you read. To further improve your reading, it walks you through the process of annotation, discussing where and how to take notes in order to maximize your comprehension without eating up precious time. It also looks at what types of questions the LSAT asks and then arms you with the skills you need to spot issues and identify correct answers. Each chapter in the Reading Comprehension LSAT Strategy Guide features drills and full practice sets—made up of real LSAT questions—to help you absorb and apply what you've learned, while numerous, in-depth solutions walk you through the process of selecting the right answer and help you to achieve mastery. Further practice sets and other additional resources are included online and can be accessed through the Manhattan Prep website.
