The Big Win

An Unofficial Novel for Fans of Animal Crossing

Simon and Schuster The second installment of a new adventure series for fans of Animal Crossing by bestselling author Winter Morgan! When Janey the cat arrives on Furtopia and announces a fishing contest, Alana is reluctant to join. Alana knows she can become hyper-focused on winning contests and is trying to change her competitive ways. Also, Alana just learned how to fish, and she doesn't think she has the skills to catch enough fish to win the contest. She joins the contest anyway, and soon finds herself spending so much time preparing for the contest that she doesn't have any time for her friends. Lar's birthday party is coming, and Happy and Carl can't get Alana to help them plan it. All of Alana's problems seem to be solved when her new friend Bobby, a sporty bear, convinces Alana to hire him as her trainer. Bobby's training plan allows Alana enough time to help her friends and possibly win the contest. However, she soon realizes that Bobby's way of winning might not be honest. There's not much time left, and Alana must decide between playing fairly or playing to win.

Time Traveling with a Hamster

Schwartz & Wade Back to the Future meets The Curious Incident of the Dog in the Night-Time in this original, poignant, race-against-time story about a boy who travels back to 1984 to save his father's life. My dad died twice. Once when he was thirty-nine and again four years later, when he was twelve. On his twelfth birthday, Al Chaudhury receives a letter from his dead father. It directs him to the bunker of their old house, where Al finds a time machine (an ancient computer and a tin bucket). The letter also outlines a mission: travel back to 1984 and prevent the go-kart accident that will eventually take his father's life. But as Al soon discovers, whizzing back thirty years requires not only imagination and courage, but also lying to your mom, stealing a moped, and setting your school on fire—oh, and keeping your pet hamster safe. With a literary edge and tons of commercial appeal, this incredible debut has it all: heart, humor, vividly imagined characters, and a pitch-perfect voice.

Harriet the Invincible

Dial Books for Young Readers Harriet Hamsterbone is not your average princess. For one thing, she's a hamster. For another, she prefers sword-fighting and fractions to sighing and fainting. So when Harriet finds out that she was cursed at birth to fall into a deep sleep at the age of twelve, she doesn't exactly react the way her parents were expecting. After all, no good curse goes to waste, and so until the age of twelve, Harriet realizes she's . . . invincible! Of courses, there is still that whole curse thing, but she'll worry about that later.

Uncle Wally's Old Brown Shoe

Orca Book Publishers Uncle Wally's Old Brown Shoe, inspired by the familiar nursery rhyme The House That Jack Built, follows the course of one very unusual shoe as it travels through a fascinating, imaginative world to encounter an assortment of quirky characters. The imaginative text and cumulative story are sure to enthrall young readers, as will the detailed illustrations. Children and adults will delight in finding the whimsical objects and hidden meanings in the layered colorful artwork, reminiscent of Wallace Edwards's first book, Alphabeasts.

Dwarf Hamster. Dwarf Hamsters as Pets. Dwarf Hamsters Book for Care, Costs, Feeding, Housing and Health.

Dwarf hamsters are cute, tiny rodents that have only recently become popular with pet owners and differ from the more common Syrian hamster because of their small size. On average, adult dwarf hamsters measure 9 centimetres or 4 inches in length. They first appeared on the domestic small pet scene sometime around the early 1970's but were not common-place and had to be obtained from breeders. They appeared in the commercial pet trade on a large scale in the mid-1990's and have since grown in popularity with small pet owners. There are three recognised species of dwarf hamsters, namely Campbell's, Roborovski and Russian Winter White. Since their growth in popularity there are many hybrid dwarf hamsters available as well, bred to create different colour variations. Although they are small, they are not suitable pets for small children. Their fragile composition makes caring for dwarf hamsters a commitment of careful care, a gentle touch and ensuring that they stay well fed, watered and healthy. Veterinary treatment of such tiny animals is very difficult, so prevention of injury or sickness is key. If you decide to commit to caring for one of these tiny, cute little animals you will be rewarded with endless hours of entertainment as many of these cuties can become quite loving if treated properly. Although dwarf hamsters might not be the best pet for just anyone, if you are that right someone then educating yourself on how to care for them will be the first step towards what will be the most rewarding and fascinating journey as you get to know your little dwarf hamster with its quirky personality and amusing daily routines. Covered in this book: - Body Language - Breeding - Buying - Characteristics - Classification - Costs - Daily care - Feeding - Fighting - General facts - Health - Housing - Origin - Personality and much more.

Inside Out and Back Again

Harper Collins *Inside Out and Back Again* is a #1 New York Times bestseller, a Newbery Honor Book, and a winner of the National Book Award! Inspired by the author's childhood experience as a refugee—fleeing Vietnam after the Fall of Saigon and immigrating to Alabama—this coming-of-age debut novel told in verse has been celebrated for its touching child's-eye view of family and immigration. Hà has only ever known Saigon: the thrills of its markets, the joy of its traditions, and the warmth of her friends close by. But now the Vietnam War has reached her home. Hà and her family are forced to flee as Saigon falls, and they board a ship headed toward hope—toward America. This moving story of one girl's year of change, dreams, grief, and healing received four starred reviews, including one from *Kirkus* which proclaimed it "enlightening, poignant, and unexpectedly funny." An author's note explains how and why Thanhha Lai translated her personal experiences into Hà's story. This updated digital edition also includes an interview with the author, an activity you can do with your family, tips on writing poetry, and discussion questions.
