More Than Words (Daughters of Amana Book #2)

Bethany House Gretchen Kohler is an Amana storekeeper's daughter with a secret passion for writing. But artistic pursuits are frowned upon in her conservative Amana village, so she confines her poems and stories to her journals, letting only close friends read them. When a young reporter comes into her store, she believes she's found a kindred spirit. She shares a few of her stories with him--only to have her trust betrayed in the worst of ways, resulting in trouble for her entire community. The scandal is made even worse by the fact that gypsies have camped nearby and seem to be preying upon the Amanans' compassionate, pacifist nature. Will Gretchen lose her job, her reputation, and the love of her childhood beau all because of one bad decision?
