Our material is available for a less than the cost of a good pair of running shoes ... more on that in a moment. Practice Makes Perfect Amy understood the same thing that many successful PSB takers understand. The more questions you see, the more likely you are to pass the test. And between our study guide and practice tests, you'll have over 400 practice questions that cover every category. You can fine-tune your knowledge in areas where you feel comfortable and be more efficient in improving your problem areas. Our test has been developed by our dedicated team of experts. All the material in the study guide, including every practice question, is designed to engage the critical thinking skills that are needed to pass the PSB

Exam. They will not be the exact same questions you'll find on the exam, but they are similar. And like the PSB exam, the practice tests are weighted differently so you will be exposed to questions in all areas. Study When and Where You Want! The printed version of our PSB Study Guide comes with a FREE ebook version! You can practice your questions after working out at the gym, while you're waiting on a friend for lunch, or over your morning cup of coffee. Whenever you have those spare moments, you can consistently build your confidence. There's no need to deprive your body of the sleep and energy you'll need when the test day arrives. Why not do everything you can to get the best score on the PSB?"

That means 150 of the questions you answer will count toward your score. Scoring You cannot pass or fail the TEAS exam. Instead, you will receive a score report that details the number of questions you got right in each section and also gives your percentile rank, which shows how you did in comparison with other test takers. Each school has its own entrance requirements, so be sure to check the requirements of the institutions you want to attend, so you can set appropriate goals for yourself. About Trivium Test Prep Trivium Test Prep's study materials are created by industry and educational experts. Other TEAS exam prep study guides simply tell you what is on the test, not how that material is applied or, more importantly, HOW TO STUDY FOR IT. Trivium's TEAS exam book is different. Our dedicated professionals know how people think and learn, and have created our TEAS test book based on what research has shown to be the fastest, easiest, and most effective way to prepare for the exam. Unlike other study guides that are stamped out in a generic fashion, our TEAS exam study guide are specifically tailored for your exact needs.
