QB VII

Trinity

Harper Collins From the acclaimed author who enthralled the world with Exodus, Battle Cry, QB VII, Topaz, and other beloved classics of twentieth-century fiction comes a sweeping and powerful epic adventure that captures the "terrible beauty" of Ireland during its long and bloody struggle for freedom. It is the electrifying story of an idealistic young Catholic rebel and the valiant and beautiful Protestant girl who defied her heritage to join his cause. It is a tale of love and danger, of triumph at an unthinkable cost -- a magnificent portrait of a people divided by class, faith, and prejudice -- an unforgettable saga of the fires that devastated a majestic land . . . and the unquenchable flames that burn in the human heart.

QB VII [by] Leon Uris

Armageddon; a Novel of Berlin,

The Haj

Bantam Examines the tragic history of the Middle East in an epic tale that recreates the turbulent era from World War I to the early decades of the existence of the state of Israel

The Angry Hills

Leon Uris

Life of a Best Seller

University of Texas Press The first biography of the massively popular author of Exodus and Trinity, who "was as feisty as any of his fictional creations" (Publishers Weekly). As the #1 New York Times-bestselling author of Exodus, Mila 18, QB VII, and Trinity, Leon Uris blazed a path to celebrity with books that readers couldn't put down. Uris's thirteen novels sold millions of copies, appeared in fifty languages, and were adapted into equally successful movies and TV miniseries. Few writers equaled his fame in the mid-twentieth century. His success fueled the rise of mass-market paperbacks, movie tie-ins, and author tours. Beloved by the public, Uris was, not surprisingly, dismissed by literary critics. Until now, his own life—as full of drama as his fiction—has never been the subject of a book. Now Ira Nadel traces Uris from his disruptive youth to his life-changing experiences as a marine in World War II. These experiences,

coupled with Uris's embrace of his Judaism and desire to write, led to his unprecedented success and the lavish excesses of a career as a best-selling author. Nadel reveals that Uris lived the adventures he described, including his war experiences in the Pacific (*Battle Cry*), life-threatening travels in Israel (*Exodus*), visit to Communist Poland (*Mila 18*), libel trial in Britain (*QB VII*), and dangerous sojourn in fractious Northern Ireland and the Irish Republic (*Trinity*). Nadel also demonstrates that Uris's talent for writing action-packed yet thoroughly researched novels meshed perfectly with the public's desire to revisit and understand the tumultuous events of recent history—making him far more popular (and wealthier) than more literary authors—while paving the way for future blockbuster writers such as Irving Wallace and Tom Clancy.

Mitla Pass

Writer Gideon Zadok leaves the glitter of Hollywood for the newly created State of Israel, where he learns much about himself and love on a dangerous military operation he covers as a war correspondent.

QB VII

A Novel

A God in Ruins

Harper Collins *A God in Ruins* Spanning the decades from World War II to the 2008 presidential campaign, *A God in Ruins* is the riveting story of Quinn Patrick O'Connell, an honest, principled, and courageous man on the brink of becoming the second Irish Catholic President of the United States. But Quinn is a man with an explosive secret that can shatter his political ambitions, threaten his life, and tear the country apart—a secret buried for over a half century—that even he does not know...

Battle Cry

Blackstone Publishing *Battle Cry* is the riveting Marine epic by the bestselling author of such classics as *Trinity* and *Exodus*. Originally published in 1953, Leon Uris's *Battle Cry* is the raw and exciting story of men at war from a legendary American author. This is the story of enlisted men—Marines at the beginning of World War II. They are a rough-and-ready tangle of guys from America's cities and farms and reservations. Led by a tough veteran sergeant, these soldiers band together to emerge as part of one of the most elite fighting forces in the world. With staggering realism and detail we follow them into intense battles—Guadalcanal and Tarawa—and through exceptional moments of camaraderie and bravery, *Battle Cry* does not extol the glories of war, but proves itself to be one of the greatest war stories of all time.

Redemption

Epic Story of Trinity Continues..., The

Harper Collins Master storyteller Leon Uris, internationally acclaimed author of such bestsellers as *Exodus*, *Topaz*, *QB VII*, *Trinity*, *the Haj* and *Mitla Pass*, continues the epic story of the Irish struggle for freedom in *Redemption*. A dramatic saga set against the backdrop of growing unrest in Ireland and a world on the brink of the First World War, *Redemption* weaves together a cast of unforgettable characters that form the heart and soul of three extraordinary Irish families. They love freedom more than life, and they will fight to the death to win it. From the magnificence of New Zealand's green mountains, to the bloody beaches and cliffs of Gallipoli, to the streets of Dublin and the shipyards of Belfast, *Redemption* follows three Irish Patriots on their odysseys of freedom and passion— in a monumental tale of the men and women who loved, fought, and died for the chance to be free.

O'Hara's Choice

Harper Collins Fifty years after his first novel, *Battle Cry*, took the world by storm, Leon Uris returns to the topic that first inspired him to write books that captivate, educate, and thrill -- the Marine Corps. In the years following the Civil War, first-generation Irish-American Zachary O'Hara, son of a legendary Marine and a force of a man in his own right, finds himself playing a critical role in the very future of the Marines. If he can persuade the Secretary of the Navy that the Marines are more crucial than ever to America's safety and security -- all the while hefting a heavier secret weight in his heart -- he'll save the corps and make his career. But there's an obstacle in his path that this warrior had not planned on. Amanda Blanton Kerr, the daughter of a ruthless industrialist, is a woman on a mission of her own; passionate, obstinate, and whip-smart, she's an heiress poised to blaze a trail for her sex. *O'Hara's Choice* is the story of the inevitable collision of these two handsome, fighting spirits. Getting their souls' desire could jeopardize everything they -- and their parents before them -- scraped and struggled to achieve. Duty to country, love of family, and a tormented passion intertwine in this latest epic by Leon Uris, international bestselling author of such classics as *Exodus*, *Trinity*, and *Battle Cry*. A riveting, sweeping tale in inimitable Uris style, *O'Hara's Choice* is this master of the

historical novel at his most brilliant.

The Suspect

Felony & Mayhem Press This Edgar Award-winning debut kicks off a cult favorite crime series with a noirish tale of murder set along Canada's Sunshine Coast. To Karl Alberg, the coastal town of Sechelt, just north of Vancouver, looks like the perfect place to soothe a psyche that's been battered by big-city police work. Bees buzz among the roses, and the local librarian is attractive, intriguing, and unattached. Perhaps he has at last come in from the cold. But sunny towns can conceal a lot of secrets—some of them bleak enough to make a man yearn for some nice straightforward urban crime. In 1986 L.R. Wright's *The Suspect* became the first Canadian novel to win an Edgar award, beating out titles by Ruth Rendell and Jonathan Kellerman. It went on to become a cult favorite among mystery fans, who prized its delicately etched sense of melancholy and intriguing character studies of the cop, his quarry, and the enigmatic librarian who proves an unlikely bridge between the two.

For the Relief of Unbearable Urges

Stories

Vintage Energized, irreverent, and deliciously inventive stories from Pulitzer-nominated, bestselling author of *What We Talk About When We Talk About Anne Frank*. In the collection's hilarious title story, a Hasidic man gets a special dispensation from his rabbi to see a prostitute. "The Wig" takes an aging wigmaker and makes her, for a single moment, beautiful. In "The Tumblers," Englander envisions a group of Polish Jews herded toward a train bound for the death camps and, in a deft, imaginative twist, turns them into acrobats tumbling out of harm's way. *For the Relief of Unbearable Urges* is a work of startling authority and imagination--a book that is as wondrous and joyful as it is wrenchingly sad. It heralds the arrival of a remarkable new storyteller.

All about Anne

In this book, the Anne Frank Foundation has answered the questions asked most frequently about Anne Frank, the persecution of Jews and World War II. The Anne Frank Foundation has compiled the questions asked by children and young people over several years. In this book we answer the questions asked most frequently about Anne Frank, the persecution of Jews and World War II. But you might have a few more questions too? Sometimes the answers can be found in Anne's life story, sometimes in the special half pages with extra information. With about a hundred photographs, as well as the beautiful illustrations created by Huck Scarry for this book, you are given an impressive picture of Anne's life, her diary and the Secret Annex. Everything about Anne for your essay or your presentation.

Exodus Revisited

Redemption

Ireland

A Terrible Beauty

Blackstone Publishing Photographs and text combine to provide a tour of the cities, towns, and rural areas of the Republic and of Ulster and of their history and current troubles.

Topaz

Blackstone Publishing A #1 New York Times bestseller, Topaz follows French intelligence chief André Devereaux and NATO intelligence chief Michael Nordstrom. On the eve of the Cuban Missile Crisis in Paris, 1962, Devereaux and Nordstrom uncover Soviet plans to ship nuclear arms. But when nobody acts after sharing his findings, Devereaux becomes the target of an assassination attempt and soon realizes the plot extends far beyond Cuba--and himself. A thrilling and well-paced novel filled with Cold War intrigue, Topaz features two agents on a journey around the world to save NATO and themselves.

Epic Television Miniseries

A Critical History

McFarland To paraphrase silent movie queen Norma Desmond in Billy Wilder's classic 1950 film Sunset Boulevard, "The epic miniseries are big! It's television that got small!" This is especially true when one compares such iconic epic miniseries as Rich Man, Poor Man (1976), Roots (1977), Holocaust (1978), Shogun (1980), The Winds of War (1983), War and Remembrance (1988-89) and Angels in America (2003) to today's ordinary television programming. This work traces the historical trajectory of the epic miniseries and delves into the character archetypes and themes that recur in the genre, giving close critical attention to more than 40 miniseries. A filmography is included.

Screen Gems Presents The Douglas S. Cramer

Belonging and Genocide

Hitler's Community, 1918-1945

Yale University Press No one has ever posed a satisfactory explanation for the extreme inhumanity of the Holocaust. What was going on in the heads and hearts of the millions of Germans who either participated in or condoned the murder of the Jews? In this provocative book, Thomas Kuhne offers a new answer. A genocidal society was created not only by the hatred of Jews or by coercion, Kuhne contends, but also by the love of Germans for one another, their desire for a united "people's community," the Volksgemeinschaft. During the Third Reich, Germans learned to connect with one another by becoming brother and sisters in mass crime.

You Are One of Them

A Novel About Secrets, Betrayal, and the Friend Who Got Away

Penguin "A hugely absorbing first novel from a writer with a fluid, vivid style and a rare knack for balancing the pleasure of entertainment with the deeper gratification of insight. More, please." —Maggie Shipstead, *The New York Times Book Review* (Editors' Choice) "A story about Russia, the United States, friendship, identity, defection, and deception that is smart, startling, and worth reading regardless of when you were born." —Kathryn Schulz, *New York Magazine* "Holt's beguiling debut... in which there is no difference between personal and political betrayal, vividly conjures the anxieties of the Cold War without ever lapsing into nostalgia." —*The New Yorker* Sarah Zuckerman and Jennifer Jones are best friends in an upscale part of Washington, D.C., in the politically charged 1980s. Sarah is the shy, wary product of an unhappy home: her father abandoned the family to return to his native England; her agoraphobic mother is obsessed with fears of nuclear war. Jenny is an all-American girl who has seemingly perfect parents. With Cold War rhetoric reaching a fever pitch in 1982, the ten-year-old girls write letters to Soviet premier Yuri Andropov asking for peace. But only Jenny's letter receives a response, and Sarah is left behind when her friend accepts the Kremlin's invitation to visit the USSR and becomes an international media sensation. The girls' icy relationship still hasn't thawed when Jenny and her parents die tragically in a plane crash in 1985. Ten years later, Sarah is about to graduate from college when she receives a mysterious letter from Moscow suggesting that Jenny's death might have been a hoax. She sets off to the former Soviet Union in search of the truth, but the more she delves into her personal Cold War history, the harder it is to separate facts from propaganda. *You Are One of Them* is a taut, moving debut about the ways in which we define ourselves against others and the secrets we keep from those who are closest to us. In her insightful forensic of a mourned friendship, Holt illuminates the long lasting sting of abandonment and the measures we take to bring back those we have lost.

The Secret Woman

Sourcebooks, Inc. "One of the best romantic-suspense novelists."—Associated Press The ship and her captain were supposed to be her salvation, but they both may end up leaving her in deep water Anna Brett fears she's doomed to be a governess to an English family for the rest of her life. But when the dashing captain Redvers Stretton struts back into her life, she is whisked away from the bleak English countryside forever. But is that such a good thing? While the charming blue-eyed captain makes Anna forget her troubled past, he is hiding dark secrets of his own. It's no coincidence that Stretton's ship is named *The Secret Woman*. During their voyage to the South Seas, with a murder dogging her steps and the mystery of a missing treasure haunting her dreams, Anna is forced to confront the clever captain—a man who may have just as many secrets as she.

The Waterworks

A Novel

Random House "An elegant page-turner of nineteenth-century detective fiction." —*The Washington Post Book World* One rainy morning in 1871 in lower Manhattan, Martin Pemberton a freelance writer, sees in a passing stagecoach several elderly men, one of whom he recognizes as his supposedly dead and buried father. While trying to unravel the mystery, Pemberton disappears, sending McIlvaine, his employer, the editor of an evening paper, in pursuit of the truth behind his freelancer's fate. Layer by layer, McIlvaine reveals a modern metropolis surging with primordial urges and sins, where the Tweed Ring operates the city for its own profit and a conspicuously self-satisfied nouveau-riche ignores the poverty and squalor that surrounds them. In E. L. Doctorow's skilled hands, *The Waterworks* becomes, in

the words of The New York Times, "a dark moral tale . . . an eloquently troubling evocation of our past." "Startling and spellbinding . . . The waters that lave the narrative all run to the great confluence, where the deepest issues of life and death are borne along on the swift, sure vessel of [Doctorow's] poetic imagination." -The New York Times Book Review "Hypnotic . . . a dazzling romp, an extraordinary read, given strength and grace by the telling, by the poetic voice and controlled cynical lyricism of its streetwise and world-weary narrator." -The Philadelphia Inquirer "A gem of a novel, intimate as chamber music . . . a thriller guaranteed to leave readers with residual chills and shudders." -Boston Sunday Herald "Enthralling . . . a story of debauchery and redemption that is spellbinding from first page to last." -Chicago Sun-Times "An immense, extraordinary achievement." -San Francisco Chronicle

Holocaust, Genocide, and the Law

A Quest for Justice in a Post-Holocaust World

Oxford University Press A great deal of contemporary law has a direct connection to the Holocaust. That connection, however, is seldom acknowledged in legal texts and has never been the subject of a full-length scholarly work. This book examines the background of the Holocaust and genocide through the prism of the law; the criminal and civil prosecution of the Nazis and their collaborators for Holocaust-era crimes; and contemporary attempts to criminally prosecute perpetrators for the crime of genocide. It provides the history of the Holocaust as a legal event, and sets out how genocide has become known as the "crime of crimes" under both international law and in popular discourse. It goes on to discuss specific post-Holocaust legal topics, and examines the Holocaust as a catalyst for post-Holocaust international justice. Together, this collection of subjects establishes a new legal discipline, which the author Michael Bazylar labels "Post-Holocaust Law."
