LESSONS FROM THE KALAHARI

TRACKING TEACHERS' PROFESSIONAL DEVELOPMENT

Cambridge Scholars Publishing **Lessons from the Kalahari: Tracking Teachers' Professional Development** explores how Northern Cape teachers, who were enrolled in a Bachelor of Education (in-service) course, responded to three professional-development modules specialising in mathematics education, English language teaching, and Foundation Phase teaching, respectively. Mainly through fine-grained analyses of their classroom practice, the studies in this volume demonstrate how these teachers grappled with new content knowledge and pedagogical innovations to improve the quality of teaching in their classrooms. The chapters include case studies that range across a variety of pedagogical topics, including mathematics and English teachers' classroom practices, involvement of parents of Foundation Phase learners, and learners' autonomous mathematics learning. The book makes an original, empirically-based contribution to the understanding of the challenges confronting primary and secondary school teachers in remote rural parts of Northern Cape province, South Africa.

THE NEW TRIBE

Heinemann **From best-selling author Holly Webb comes a brand new series full of mystery and intrigue following the adventures of a very determined heroine and her dog! Holly Webb fans will be thrilled to pieces to discover the adventures of Maisie Hitchins, the pluckiest little detective in Victorian London. Maisie Hitchins lives in her grandmother's boarding house, longing for adventure. She idolizes the famous detective, Gilbert Carrington, and follows his every case. But Maisie is about to be given the opportunity of a lifetime: her own mystery to solve! In the first book in this fantastic new series, Maisie rescues a puppy in peril whilst running an errand, and adopts him. She decides to investigate the puppy's original cruel owner, but instead gets tangled up in an intriguing plot involving stolen sausages, pilfered halfpennies and a fast-paced bicycle chase. The streets of Victorian London are never safe, but Maisie's on the case!**

MOTHER TO MOTHER

Beacon Press **Sindiwe Magona's novel Mother to Mother** explores the South African legacy of apartheid through the lens of a woman who remembers a life marked by oppression and injustice. Magona decided to write this novel when she discovered that Fulbright Scholar Amy Biehl, who had been killed while working to organize the nation's first ever democratic elections in 1993, died just a few yards away from her own permanent residence in Guguletu, Capetown. She then learned that one of the boys held responsible for the killing was in fact her neighbor's son. Magona began to imagine how easily it might have been her own son caught up in the wave of violence that day. The book is based on this real-life incident, and takes the form of an epistle to Amy Biehl's mother. The murderer's mother, Mandisi, writes about her life, the life of her child, and the colonized society that not only allowed, but perpetuated violence against women and impoverished black South Africans under the reign of apartheid. The result is not an apology for the murder, but a beautifully written exploration of the society that bred such violence.

DENNIS THE MENACE--JUST FOR FUN

THINGS FALL APART

Penguin UK Okonkwo is the greatest warrior alive, famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in Arrow of God and No Longer at Ease.

THE POWER OF POSITIVE THINKING

The Power of Positive Thinking is one of the most widely read and widely referenced books in Modern American History. It is so widely known that it has actually become part of the English Language. If somebody you know feels down and out and thinks that he just cannot do any thing right, what you say to him is: "Try the Power of Positive Thinking" or you might say, "Read Norman Vincent Peale." Here is what President Bill Clinton said upon hearing of the death of Norman Vincent Peale: The name of Dr. Norman Vincent Peale will forever be associated with the wondrously American values of optimism and service. Dr. Peale was an optimist who believed that, whatever the antagonisms and complexities of modern life brought us, anyone could prevail by approaching life with a simple sense of faith. And he served us by instilling that optimism in every Christian and every other person

who came in contact with his writings or his hopeful soul. In a productive and giving life that spanned the 20th century, Dr. Peale lifted the spirits of millions and millions of people who were nourished and sustained by his example, his teaching, and his giving. While the Clinton family and all Americans mourn his loss, there is some poetry in his passing on a day when the world celebrates the birth of Christ, an idea that was central to Dr. Peale's message and Dr. Peale's work. He will be missed.

DREAMING OF LIGHT

Regile is a zama-zama working illegally in an abandoned mine near Barberton. He has moved up the ranks and is now paid a salary to keep the other child workers in line. Towards the end of a three-month stint underground, a fourteen-year-old boy from Mozambique, Taiba, starts asking questions about their rescue. Taiba constantly reaffirms his belief that they will be saved: by the police, by the private security firms that guard the mines, or maybe even by the mythical Spike Maphosa. Regile knows that such hope is dangerous.

MHUDI

AN EPIC OF SOUTH AFRICAN NATIVE LIFE A HUNDRED YEARS AGO

ENGLISH MECHANIC AND WORLD OF SCIENCE

PRINCIPLES AND PRACTICE IN SECOND LANGUAGE ACQUISITION

Pergamon The present volume examines the relationship between second language practice and what is known about the process of second language acquisition, summarising the current state of second language acquisition theory, drawing general conclusions about its application to methods and materials and describing what characteristics effective materials should have. The author concludes that a solution to language teaching lies not so much in expensive equipment, exotic new methods, or sophisticated language analysis, but rather in the full utilisation of the most important resources - native speakers of the language - in real communication.

THE MARK

Sarah Lotz, internationally acclaimed author of *The Three*, and *Day Four*, describes *The Mark* as: "An entrancing, truly original novel packed with twists you won't see coming and a heroine that breaks the mould. Unputdownable." In the future, the world has flipped. Ravaged by the Conflagration, the State of Mangeria is a harsh place where the sun beats down, people's lives are run by a heartless elite and law is brutally enforced. A mark at the base of the spine controls each person's destiny. The Machine decides what work you will do and who your life partner will be. Juliet Seven - "Ettie" - will soon turn 15 and her life as a drudge will begin, her fate-mate mate will be chosen. Like everyone else, her future is marked by the numbers on her spine. But Ettie decides to challenge her destiny. And in so doing, she fulfills the prophecy that was spoken of before she even existed.

BURGER'S DAUGHTER

Penguin This is the moving story of the unforgettable Rosa Burger, a young woman from South Africa cast in the mold of a revolutionary tradition. Rosa tries to uphold her heritage handed on by martyred parents while still carving out a sense of self. Although it is wholly of today, *Burger's Daughter* can be compared to those 19th century Russian classics that make a certain time and place come alive, and yet stand as universal celebrations of the human spirit. Nadine Gordimer, winner of the 1991 Nobel Prize in Literature, was born and lives in South Africa.

AND STILL I RISE

A BOOK OF POEMS

Random House Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. *And Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to

recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes.”

AN AFRICAN ELEGY

Random House Dreams are the currency of Okri's writing, particularly in this first book of poems, *An African Elegy*, but also in his books of short stories and prize-winning novel *The Famished Road*. Okri's dreams are made on the stuff of Africa's colossal economic and political problems, and reading the poems is to experience a constant succession of metaphors of resolution in both senses of the word. Virtually every poem contains an exhortation to climb out of the African miasma, and virtually every poem harvests the dream of itself with an upbeat restorative ending' - Giles Foden, *Times Literary Supplement*
