KEY=WITH - KYLAN TREVON

The Crucible

"The Crucible" is a 1952 play by the American playwright Arthur Miller. It is a dramatization of the Salem witch trials that took place in the Province of Massachusetts Bay during 1692 and 1693. Miller wrote the play as an allegory of McCarthyism, when the US government blacklisted accused communists. Miller himself was questioned by the House of Representatives' Committee on Un-American Activities in 1956 and convicted of "contempt of Congress" for refusing to identify others present at meetings he had attended. It was first performed at the Martin Beck Theater on Broadway on January 22, 1953. Miller felt that this production was too stylized and cold and the reviews for it were largely hostile (although The New York Times noted "a powerful play in a driving performance"). Nonetheless, the production won the 1953 "Best Play" Tony Award. A year later a new production succeeded and the play became a classic. It is a central work in the canon of American drama. Fuji Books' edition of "The Crucible" contains supplementary texts: * "Tragedy And The Common Man", an essay by Arthur Miller. * Excerpts from Nathaniel Hawthorne's magnum opus "The Scarlet Letter", a narrative of the Salem Witch trials. * A few selected quotes of Arthur Miller.

A Break with Charity

A Story about the Salem Witch Trials

Houghton Mifflin Harcourt While waiting for a church meeting in 1706, Susanna English, daughter of a wealthy Salem merchant, recalls the malice, fear, and accusations of witchcraft that tore her village apart in 1692.

The Family Crucible

Harper Collins "If you have a troubled marriage, a troubled child, a troubled self, if you're in therapy or think that there's no help for your predicament, The Family Crucible will give you insights . . . that are remarkably fresh and helpful."—New York Times Book Review The classic groundbreaking book on family therapy by acclaimed experts Augustus Y. Napier, Ph.D., and Carl Whitaker, M.D. This extraordinary book presents scenarios of one family's therapy experience and explains what underlies each encounter. You will discover the general patterns that are common to all families—stress, polarization and escalation, scapegoating, triangulation, blaming, and the diffusion of identity—and you will gain a vivid understanding of the intriguing field of family therapy.

Carry On

St. Martin's Griffin #1 New York Times bestselling author! Booklist Editors' Choice 2015 - Youth! Named a "Best Book of 2015" by Time Magazine, School Library Journal, Barnes & Noble, NPR, PopSugar, The Millions, and The News & Observer! Simon Snow is the worst Chosen One who's ever been chosen. That's what his roommate, Baz, says. And Baz might be evil and a vampire and a complete git, but he's probably right. Half the time, Simon can't even make his wand work, and the other half, he starts something on fire. His mentor's avoiding him, his girlfriend broke up with him, and there's a magic-eating monster running around, wearing Simon's face. Baz would be having a field day with all this, if he were here -- it's their last year at the Watford School of Magicks, and Simon's infuriating nemesis didn't even bother to show up. Carry On is a ghost story, a love story and a mystery. It has just as much kissing and talking as you'd expect from a Rainbow Rowell story - but far, far more monsters.

A literary study guide that includes summaries and commentaries.

Gates of Fire

An Epic Novel of the Battle of Thermopylae

Bantam NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

Lucky Us

A Novel

Random House Incorporated Forging a life together after being abandoned by their parents, half sisters Eva and Iris share decades in and out of the spotlight in golden-era Hollywood and mid-20th-century Long Island. By the author of the National Book Award finalist, Come to Me. 125,000 first printing.

The Crucible of Doubt

Reflections on the Quest for Faith

This insightful book offers a careful, intelligent look at doubt—at some of its common sources, the challenges it presents, and the opportunities it may open up in a person's quest for faith.

Witches

The Absolutely True Tale of Disaster in Salem

National Geographic Books Tackling the same twisted subject as Stacy Schiff's much-lauded book *The Witches: Salem, 1692*, this Sibert Honor book for young readers features unique scratchboard illustrations, chilling primary source material, and powerful narrative to tell the true tale. In the little colonial town of Salem Village, Massachusetts, two girls began to twitch, mumble, and contort their bodies into strange shapes. The doctor tried every remedy, but nothing cured the young Puritans. He grimly announced the dire diagnosis: the girls were bewitched! And then the accusations began. The riveting, true story of the victims, accused witches, crooked officials, and mass hysteria that turned a mysterious illness affecting two children into a witch hunt that took over a dozen people's lives and ruined hundreds more unfolds in chilling, novelistic detail—complete with stylized black-white-and-red scratchboard illustrations of young girls having wild fits in the courtroom, witches flying overhead, and the Devil and his servants terrorizing the Puritans— in this young adult book by award-winning author and illustrator Rosalyn Schanzer. Taught in middle and high schools around the U.S., the 17th-century saga remains hauntingly resonant as people struggle even today with the urgent need to find someone to blame for their misfortunes. *Witches!* has been honored with many prestigious awards, including: Robert F. I, Tituba, Black Witch of Salem

This wild and entertaining novel expands on the true story of the West Indian slave Tituba, who was accused of witchcraft in Salem, Massachusetts, arrested in 1692, and forgotten in jail until the general amnesty for witches two years later. Maryse Condé brings Tituba out of historical silence and creates for her a fictional childhood, adolescence, and old age. She turns her into what she calls "a sort of female hero, an epic heroine, like the legendary 'Nanny of the maroons,'" who, schooled in the sorcery and magical ritual of obeah, is arrested for healing members of the family that owns her. CARAF Books:Caribbean and African Literature Translated from French This book has been supported by a grant from the National Endowment for the Humanities, an independent federal agency.

Leadership in the Crucible of Work: Discovering the Interior Life of an Authentic Leader

The Scarlet Letter

A Romance

Because It's Israel

An Aliyah Odyssey

Jewishselfpublishing After thirty-five years of annual visits to Israel, Arthur Miller finally fulfills his dream of making aliyah. His keen observations and hysterical sense of humor are a recipe for a unique aliyah experience. This fascinating chronicle will have you laughing, crying, and getting in touch with the infatuation that we all share for our beloved Land.

The Exorcist

A Novel

Harper Collins Originally published in 1971, *The Exorcist* remains one of the most controversial novels ever written and went on to become a literary phenomenon. Inspired by a true story of a child's demonic possession in the 1940s, William Peter Blatty created an iconic novel that focuses on Regan, the eleven-year-old daughter of a movie actress residing in Washington, D.C. A small group of overwhelmed yet determined individuals must rescue Regan from her unspeakable fate, and the drama that ensues is gripping and unfailingly terrifying. Two years after its publication, *The Exorcist* was, of course, turned into a wildly popular motion picture, garnering ten Academy Award nominations. On opening day of the film, lines of the novel's fans stretched around city blocks. In Chicago, frustrated moviegoers used a battering ram to gain entry through the double side doors of a theater. In Kansas City, police used tear gas to disperse an impatient crowd who tried to force their way into a cinema. The three major television networks carried footage of these events; CBS's Walter Cronkite devoted almost ten minutes to the story. *The Exorcist* was, and is, more than just a novel and a film: it is a true landmark. Purposefully raw and profane, *The Exorcist* still has the extraordinary ability to disturb readers and cause them to forget that it is "just a story." Published here in this beautiful fortieth anniversary edition, it remains an unforgettable reading experience and will continue to shock and frighten a new generation of readers.

Lord of the Flies

Penguin Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new *Suggestions for Further Reading* by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued.

Year of Wonders

A Novel of the Plague

In 1666, a young woman comes of age during an extraordinary year of love and death. Inspired by the true story of Eyam, a "plague village" in the rugged hill country of England, "Year of Wonders" is a richly detailed evocation of a singular moment in history, written by the author of "Nine Parts of Desire: The Hidden World of Islamic Women."

The Lost Art of Connecting: The Gather, Ask, Do Method for Building Meaningful Business Relationships

McGraw Hill Professional Uncover a new way to network and build relationships that last! Networking is often considered a necessary evil for all working professionals. With social media platforms like LinkedIn, Twitter, Instagram, and Facebook at our disposal, reaching potential investors or employers is much easier. Yet, these connections often feel transactional, agenda-driven, and dehumanizing, leaving professionals feeling burnt out and stressed out. Instead, we should connect on a human level and build authentic relationships beyond securing a new job or a new investor for your next big idea. To build real and meaningful networking contacts, we need to go back to basics, remembering that technology is a tool and not a means and end. We need to tap into our humanity and learn to be more intentional and authentic. As a "serial connector" and communications expert, Susan McPherson has a lifetime of experience building genuine connections in and out of work. Her methodology is broken down into three simple steps 1. Gather: Instead of waiting for the perfect networking opportunity to come to you, think outside the box and create your own opportunity. Host your own dinner party, join a local meet-up group, or volunteer at your neighborhood food pantry. Anyone from your local barista to a fellow parent at your daughter's elementary school can lead to another connection that you just might need. 2. Ask: Instead of leading with our own rehearsed elevator pitches asking for help, ask to help, opening the door to share resources, experience, contacts, and perspectives that add diversity to your own vision. 3. Do: Turn new connections into meaningful relationships by taking these newly formed relationships deeper. Follow through on the promises you made, keep in touch, and learn to move past small talk by embracing your vulnerability and having conversations that matter. Woven together with helpful tips and useful advice on making the most out of every step, the book draws on the real-life success stories of friends, and clients, as well as McPherson's own experience as a renowned "serial connector." Filled with humor, humility, and wisdom, *The Lost Art of Connecting* is the handbook we all need to foster personal and professional relationships that blur the lines between work and play—and enrich our lives in every way.

Unbeatable Mind

Forge Resiliency and Mental Toughness to Succeed at an Elite Level

CreateSpace With over 100 Five-Star Reviews, *Unbeatable Mind* (2nd Edition) has deeply impacted the lives of thousands of people seeking strength in their thinking, mental-state, and self-development with a curated package of tools and techniques not easily found anywhere else. your spiritual self.

Fever 1793

Simon and Schuster It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

The Two Georges

A Novel of an Alternate America

Tor Books A story of murder, intrigue, and a stolen painting portrays America as it might have been, had George Washington surrendered to George III

Just Folks

The Dressmaker

A Novel

Penguin A darkly satirical novel of love, revenge, and 1950s haute couture—now a major motion picture starring Kate Winslet, Judy Davis, Liam Hemsworth, and Hugo Weaving After twenty years spent mastering the art of dressmaking at couture houses in Paris, Tilly Dunnage returns to the small Australian town she was banished from as a child. She plans only to check on her ailing mother and leave. But Tilly decides to stay, and though she is still an outcast, her lush, exquisite dresses prove irresistible to the prim women of Dungatar. Through her fashion business, her friendship with Sergeant Farrat—the town's only policeman, who harbors an unusual passion for fabrics—and a budding romance with Teddy, the local football star whose family is almost as reviled as hers, she finds a measure of grudging acceptance. But as her dresses begin to arouse competition and envy in town, causing old resentments to surface, it becomes clear that Tilly's mind is set on a darker design: exacting revenge on those who wronged her, in the most spectacular fashion.

The Wonders of the Invisible World

Being an Account of the Tryals of Several Witches Lately Executed in New England

The Devil in Massachusetts

A Modern Inquiry into the Salem Witch Trials

Pickle Partners Publishing This dramatic and deeply moving book combines a narrative that has the pace and excitement of a novel, a timeless portrait of bigotry and a self-righteousness, and an authentic history of the Salem witch trials. It stands alone in applying modern psychiatric knowledge to the witchcraft hysteria. Nearly three hundred years ago the fate of Massachusetts was delivered into the hands of a pack of young girls. Because of the fantasies and hysterical antics of unbalanced teenagers, decent men and women were sent to the gallows. Medical science that day had no better explanation than “the evil eye”; and so Massachusetts was precipitated into a reign of terror that did not end until the highest in the land had been accused of witchcraft—ministers, a judge, the Governor's lady. One by one were brought to the gallows such diverse personalities as a decent grandmother; a rakish, pipe-smoking female tramp; a plain farmer who thought only to save his wife from molestation; a lame old man whose toothless gums did not deny expression to a very salty vocabulary. But from the very beginning some fought the hysteria, pitting sanity against insanity, and eventually forced the community to atone for its tragic error. Written with sly humor, much of the book reads like a novel. In the end, one is pretty sure what was wrong with Cotton Mather, the august judges, and the tormented young girls. “The Devil in Massachusetts is a vivid and compassionate reconstruction of the Salem witchcraft hysteria. Marion Starkey has written history which illustrates the past and at the same time packs and important contemporary moral.”—Arthur Schlesinger, Jr. “It is certainly a ‘one sitting’ sort of book, with the dramatic appeal of the well-told story and the significances of good human history.”—Gerald Warner Brace “A fresh and full narration...of one of the most lurid, pitiful and deeply significant episodes in American history....”—Odell Shepard

Your Best Destiny

Becoming the Person You Were Created to Be

NavPress When you imagine what it would take for your life to be truly great—for you to become your best, most fulfilled self—do you dream of something more than what you have now? More money . . . more attention . . . more significance? Start today on the path to a truly great life, and step into your God-given destiny. (Includes an access code to the *Your Best Destiny* Personal Assessment Tool to reveal your personal strengths and areas for growth.)

My Morning Routine

How Successful People Start Every Day Inspired

Penguin ONE OF AMAZON'S BEST BUSINESS BOOKS OF 2018 ONE OF THE FINANCIAL TIMES BUSINESS BOOKS OF THE MONTH ON RELEASE ONE OF BUSINESS INSIDER'S BEST BUSINESS BOOKS TO READ THIS SUMMER A guide to the early morning habits that boost your productivity and relax you—featuring interviews with leaders like Arianna Huffington, General Stanley McChrystal, Marie Kondo, and more. Marie Kondo performs a quick tidying ritual to quiet her mind before leaving the house. The president of Pixar and Walt Disney Animation Studios, Ed Catmull, mixes three shots of espresso with three scoops of cocoa powder and two sweeteners. Fitness expert Jillian Michaels doesn't set an alarm, because her five-year-old jolts her from sleep by jumping into bed for a cuddle every morning. Part instruction manual, part someone else's diary, the authors of *My Morning Routine* interviewed sixty-four of today's most successful people, including three-time Olympic gold medalist Rebecca Soni, Twitter cofounder Biz Stone, and General Stanley McChrystal—and offer timeless advice on creating a routine of your own. Some routines are all about early morning exercise and spartan living; others are more leisurely and self-indulgent. What they have in common is they don't feel like a chore. Once you land on the right routine, you'll look forward to waking up. This comprehensive guide will show you how to get into a routine that works for you so that you can develop the habits that move you forward. Just as a Jenga stack is only as sturdy as its foundational blocks, the choices we make throughout our day depend on the intentions we set in the morning. Like it or not, our morning habits form the stack that our whole day is built on. Whether you want to boost your productivity, implement a workout or meditation routine, or just learn to roll with the punches in the morning, this book has you covered.

Curve Benders

How Strategic Relationships Can Power Your Non-linear Growth in the Future of Work

John Wiley & Sons A personal growth roadmap guiding you into the future of relationships in work, life, play, and giving *Curve Benders* is a personal growth roadmap. It will guide you through the complicated intersection of work, life, play, and giving. Countless new forces will shape the future, so the strategic relationships we form in these areas of life are, of necessity, changing. This book will show you how to move into the future and dramatically alter your growth trajectory in both its direction and ultimate destination. David Nour, the author of *Relationship Economics* and a top thought leader on business relationships, has identified 15 forces that will heavily influence what we do and how and where we engage

our current and prospective relationships to create value and make a difference in the lives of others. This book aims to provide you with a step-by-step guide for personal, professional, and organizational growth. The author highlights how certain relationships enable a non-linear growth trajectory. These relationships, in addition to augmenting what we can accomplish, often shape who we become. These relationships are “curve benders,” and this book will show you who and where they are, how to find and engage them, and, equally valuable, how you can become a curve bender to impact the lives and livelihoods of others profoundly. Gain insight into the value of your current strategic relationships and how they help you achieve your work, life, and giving goals. Reconceptualize relationships to identify the people with the power, not only to help you achieve but to change who you become. Learn how to become a “curve bender” who makes an outsized impact in the lives of others. Become better at finding and engaging people, navigating the 15 forces that are reshaping our world. This book is about strategic relationship planning, personal growth, and, ultimately, about you. Read *Curve Benders* to launch yourself into your best future.

Echoes Down the Corridor

Collected Essays, 1944-2000

Penguin Books For some fifty years now, Arthur Miller has been not only America's premier playwright, but also one of our foremost public intellectuals and cultural critics. *Echoes Down the Corridor* gathers together a dazzling array of more than forty previously uncollected essays and works of reportage. Here is Arthur Miller, the brilliant social and political commentator—but here, too, Miller the private man behind the internationally renowned public figure. Witty and wise, rich in artistry and insight, *Echoes Down the Corridor* reaffirms Arthur Miller's standing as one of the greatest writers of our time.

Becoming

Crown "Oprah's Book Club 2018 selection"—Jacket.

Self-Compassion in Psychotherapy: Mindfulness-Based Practices for Healing and Transformation

W. W. Norton & Company Applying the art and science of self-compassion to day-to-day therapy work. This lucidly written guide integrates traditional Buddhist teachings and mindfulness with cutting-edge science from several distinct fields—including neurobiology, cognitive neuroscience, psychotherapy outcome research, and positive psychology—to explain how clinicians can help clients develop a more loving, kind, and forgiving attitude through self-compassion. The practice of self-compassion supports effective therapy in two vital ways: (1) It helps clients become a source of compassion for themselves; and (2) it helps therapists be happier and generate more compassion for their clients. Researchers now understand that self-compassion is a skill that can be strengthened through deliberate practice, and that it is one of the strongest predictors of mental health and wellness. The brain's compassion center, which neuroscientists call the Care Circuit, can be targeted and fortified using specific techniques. Filled with illuminating case examples, *Self-Compassion in Psychotherapy* shows readers how to apply self-compassion practices in treatment. The first two chapters illuminate what self-compassion is, the science behind it, and why it is so beneficial in therapy. The rest of the book unpacks practical clinical applications, covering not only basic clinical principles but also specific, evidence-based techniques for building affect tolerance, affect regulation, and mindful thinking, working with self-criticism, self-sabotage, trauma, addiction, relationship problems, psychosis, and more, and overcoming common roadblocks. Readers do not need to have any background in mindfulness in order to benefit from this book. However, those that do will find that self-compassion practices have the capacity to add new layers of depth to mindfulness-based therapies such as Dialectical Behavior Therapy (DBT), Acceptance and Commitment Therapy (ACT), Mindfulness-Based Stress Reduction (MBSR), and Mindfulness-Based Cognitive Therapy (MBCT).

A View from the Bridge

Penguin America's greatest playwright weaves "a vivid, crackling, idiomatic psychosexual horror tale." —Frank Rich, *The New York Times* Winner of the 2016 Tony Awards for Best Revival of a Play and Best Direction of a Play: Ivo van Hove. In *A View from the Bridge* Arthur Miller explores the intersection between one man's self-delusion and the brutal trajectory of fate. Eddie Carbone is a Brooklyn longshoreman, a hard-working man whose life has been soothingly predictable. He hasn't counted on the arrival of two of his wife's relatives, illegal immigrants from Italy; nor has he recognized his true feelings for his beautiful niece, Catherine. And in due course, what Eddie doesn't know—about her, about life, about his own heart—will have devastating consequences. "The play has moments of intense power. . . . Miller plays on the audience with the skill of a master." —Clive Barnes, *New York Post*

Staring Down the Wolf

7 Leadership Commitments That Forge Elite Teams

St. Martin's Press A leadership book by former Navy SEAL and *New York Times* bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team which commits to them deeply in order to forge the character worthy of uncommon success. Retired Navy SEAL Commander, entrepreneur and *New York Times* bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team, and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these commitments. Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA (volatility, uncertainty, complexity, ambiguity) environments, no matter your background or leadership experience. Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team. "Mark Divine has a gift for creating highly effective dynamic teams. Mark interleaves key aspects of leadership, mental toughness, resiliency and cultivating higher plains of existence into a foundational concept of being an authentic 'Leader of leaders.' This book is indispensable for anyone looking to lead, build and foster an elite culture." —Mike Magaraci, retired Force Master Chief of Naval Special Warfare "From his time as a Commander in the SEAL Teams to building several successful multimillion dollar businesses, Mark Divine is an authority on building elite teams and leaders capable of tapping their fullest potential." —David Goggins, Retired Navy SEAL, author of *New York Times* Bestseller *Can't Hurt Me* "To grow to your fullest capacity in your life and as a leader, we need to challenge ourselves. There's no one I know who's challenged himself more than Mark Divine. He's the perfect visionary to help get you out of your comfort zone and shattering the status quo." —Joe De Sena, Founder and CEO of Spartan

Vinegar Tom

Samuel French, Inc. The play examines gender and power relationships through the lens of 17th-century witchcraft trials in England.

Nickel and Dime

On (Not) Getting By in America

Metropolitan Books The *New York Times* bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly "unskilled," that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you want to live indoors. *Nickel and Dime* reveals low-rent America in all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how "prosperity" looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, *Nickel and Dime* is more relevant than ever.

Romantic Shakespeare

Quotes from the Bard on Love and Lovers

Crucible

A Thriller

William Morrow In the race to save one of their own, Sigma Force must wrestle with the deepest spiritual mysteries of mankind in this mind-expanding adventure from the #1 New York Times bestselling author, told with his trademark blend of cutting edge science, historical mystery, and pulse-pounding action. Arriving home on Christmas Eve, Commander Gray Pierce discovers his house ransacked, his pregnant lover missing, and his best friend's wife, Kat, unconscious on the kitchen floor. With no shred of evidence to follow, his one hope to find the woman he loves and his unborn child is Kat, the only witness to what happened. But the injured woman is in a semi-comatose state and cannot speak—until a brilliant neurologist offers a radical approach to "unlock" her mind long enough to ask a few questions. What Pierce learns from Kat sets Sigma Force on a frantic quest for answers that are connected to mysteries reaching back to the Spanish Inquisition and to one of the most reviled and blood-soaked books in human history—a Medieval text known as the Malleus Maleficarum, the Hammer of Witches. What they uncover hidden deep in the past will reveal a frightening truth in the present and a future on the brink of annihilation, and force them to confront the ultimate question: What does it mean to have a soul?
