Hard Sell

eBook Partnership **Market pitchers routinely transform a patch of bare ground into a sea of eager purchasers using little more than their 'gift of**

the gab' and some homespun 'psychology' to convince passers-by to stop and buy their goods. Employing some of the world's most successful selling techniques, in one of the oldest and most difficult of all marketing situations, their rhetoric and social skills have to equal that employed by the most accomplished salespersons, politicians and professional persuaders. Between 1984 and 1994 sociologists Clark and Pinch recorded over 75 pitching routines on street markets and other sales sites throughout the UK, mainland Europe and the United States. Using examples of pitchers attracting a crowd, describing and demonstrating their goods, building bargains, cajoling the unconvinced to make a purchase and coping with problem customers, the authors reveal, for the very first time, the reasons for these traders' extraordinary success-both on and away from the markets. Comparing their findings with more orthodox sales situations-direct response TV home shopping and infomercials, as well as other forms of grass-roots selling (fly pitching, the mock auction sales con, street entertaining and urban 'hustling')-the authors highlight many important lessons that have relevance for everyone involved in all types of marketing, advertising and persuasion. In this revised, updated and extended edition the authors also reveal why, today, pitching on markets appears to have become a dying art. Original, authoritative and highly readable, *The Hard Sell* is an essential and often hilarious guide for anyone who wants to understand how real-life selling really works.

Dear Santa

A Novel

Ballantine Books **NEW YORK TIMES BESTSELLER** • A special holiday wish list brings about hope, love, and second chances in this nostalgic novel from the queen of Christmas stories, Debbie Macomber. Lindy Carmichael isn't feeling particularly joyful when she returns home to Wenatchee, Washington, for Christmas. The man she thought was "the one" has cheated on her with her best friend, and she feels completely devoid of creativity in her graphic-design job. Not even carolers or Christmas cookies

can cheer her up—but Lindy’s mother, Ellen, remembers an old tradition that might lift her daughter’s spirits. Reading through a box of childhood letters to Santa and reminiscing about what she’d wished for as a young girl may be just the inspiration Lindy needs. With Ellen’s encouragement, she decides to write a new letter to Santa, one that will encourage her to have faith and believe just as she’d done all those years ago. Little does Lindy know that this exercise in gratitude will cause her wishes to unfold before her in miraculous ways. And, thanks to some fateful twists of Christmas magic—especially an unexpected connection with a handsome former classmate—Lindy ultimately realizes that there is truly no place like home for the holidays. In *Dear Santa*, Debbie Macomber celebrates the joys of Christmas blessings, old and new.
