Rolling Thunder An Historical Novel of War and Politics Mark Berent As hostilities escalate in late 1965, the fates of three men intertwine in Vietnam. **Eagle Station** Mark Berent In danger of being overrun, Eagle Station, a bastion of safety for the fighter pilots, tank drivers, and others fighting in northern Laos, receives help in the person of Special Forces Colonel Wolf Lochert. 25,000 first printing. **Storm Flight** Mark Berent USAF Lieutenant Colonel Court Bannister, Special Forces Colonel Wolf Lochert, and USAF Captain Toby Parker face the ultimate test of their courage and skills during the Vietnam War **Phantom Leader** Mark Berent The Vietnam War comes to life through the American eyes of a stranded pilot, a POW, a general behind the lines, and others **Steel Tiger** Mark Berent Major Court Bannister, Major "Flak" Apple, General "Whitey" Whisenand, Colonel Wolf Lochert, and Toby Parker live dangerously while spending their second tours of duty in Vietnam **Revelation** Canongate Books The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. **On Glorious Wings The Best Flying Stories of the Century** Forge Books Since its invention in 1903, the airplane has become the dominant mode of transport, travel, and combat. It has brought the entire planet closer together and changed almost every aspect of how we live today. Along the way, the airplane has inspired writers in every decade of the twentieth century to celebrate this world-changing creation. From the wild first years of aviation when daredevil men challenged each other to set altitude records to the terrible three-

dimensional landscape of combat in the air through all the wars of this century, authors from around the world have written of the airplanes and the men and women who fly them. Now, bestselling author Stephen Coonts has collected some of the finest fiction about flying in one volume. On Glorious Wings contains stories and excerpts from world-renowned authors, including Dale Brown, Sir Arthur Conan Doyle, Louis L'Amour, James Michener, Joseph Heller, Len Deighton, Frederick Forsyth, William Faulkner, Ralph Peters and Stephen Coonts himself. From the rickety wire-and-wood contraptions of the 1920s to the possible future of warfare in 2020, this collection invites you to take to the skies with some of today's most acclaimed authors, including: "Five Weeks in a Balloon" by Jules Verne: Take a fanciful trip through the air as imagined by one of the great authors of the nineteenth century. "All of the Dead Pilots" by William Faulkner: One of America's greatest storytellers looks at Britain in World War II, where a brash American pilot and an unflappable British officer clash over the same woman. "Wings over Khabarovsk" by Louis L'Amour: The great Western writer also penned many tales for the pulp magazines of the 1930s and '40s, including this classic of the genre about an American pilot framed for spying on the far side of the world. "An Hour to San Francisco," from The High and the Mighty, by Ernest K. Gann: When a four-engine plane loses an engine over the Pacific Ocean, what had been an uneventful trip becomes a white-knuckle race for survival. "Corey Ford Buys the Farm," from Flight of the Intruder, by Stephen Coonts: During the Vietnam Conflict, pilots took lightly armed A-6 Intruders on harrowing near-suicide missions against the North Vietnamese army. Here, the master of the military thriller takes you along for the ride inside the cockpit as three Intruders head out to destroy some Russian MiG fighters grounded in Laos. "Power River MOA," from The Sky Masters, by Dale Brown: At the Powder River weapons-testing site, the jet fighters may fire blanks, but the air combat simulations are as real as can be. Strap yourself in for a ride in the latest in bomber technology-the EB-52 Megafortress. "Retaliation," from The War in 2020, by Ralph Peters: In the near future, America is threatened by a joint Iran-Japan military force that threatens the Middle East and Europe. Saddle up with the high-tech, hard-hitting cavalry soldiers of the future and their armored, fire-breathing future flying machines as they take to the air to raid on an enemy base. With an introduction and story notes written by Stephen Coonts, On Glorious Wings is a must-have for any aviation enthusiast. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Fahrenheit 451 A Novel** Simon and Schuster A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit. **How John Wrote the Book of Revelation: From Concept to Publication** Kim Mark Lewis How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted

it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works. **Lodestone Book One The Sea of Storms** Virtualbookworm.com Publishing Alli-Kar, a white-hole portal from another universe, rains meteoroids onto the surface of the planet Kelanni. But the so-called "lodestones" behave according to different physical laws, transforming Kelanni's society. With the aid of the fearsome Keltar in their flying cloaks, the Kelanni are being put to forced labor to mine the lodestones. Shann, an orphan with a fiery disposition, witnesses a battle between a Keltar and a stranger bearing a similar flying cloak. She tracks down the stranger, learning of the technology behind the Keltars' power and joining him on a mission to free the slaves and cut off their supply of lodestones. Meanwhile Keris, a Keltar, is sent on a mission to track down the rebels. She is attacked by a flying creature and saved by the enigmatic Chandara. At their Great Tree, she learns that a mysterious "Prophet" is out to destroy the Kelanni people. Their only hope is a powerful instrument hidden in the distant past. Pursued by Keltar, the party will encounter bizarre creatures, ancient technologies and terrifying dangers. Finally, they must seek to cross a massive storm barrier in order to reach the other side of their world, where a world-shaking revelation awaits. **Back to Venice** Michael Grant Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiouser and curiouser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art. **Alone In Vietnam** Robert B Boyd Jr **A Double Barrelled Detective Story** BoD - Books on Demand The first scene is in the country, in Virginia; the time, 1880. There has been a wedding, between a handsome young man of slender means and a rich young girl-a case of love at first sight and a precipitate marriage; a marriage bitterly opposed by the girl's widowed father. Jacob Fuller, the bridegroom, is twenty-six years old, is of an old but

unconsidered family which had by compulsion emigrated from Sedgemoor, and for King James's purse's profit, so everybody -some maliciously- the rest merely because they believed it. The bride is nineteen and beautiful. She is intense, high-strung, romantic, immeasurably proud of her Cavalier blood, and passionate in her love for her young husband. For its sake she braved her father's displeasure, endured his reproaches, listened with loyalty unshaken to his warning predictions, and went from his house without his blessing, proud and happy in the proofs she was thus giving of the quality of the affection which had made its home in her heart.

More Than a Game Createspace Independent Publishing Platform Here is a description of "More Than A Game" in the words of the protagonist, Carter Mason: I know what I look like: a stereotype; a fatherless black kid pinning his hopes on a football scholarship. But I've got the skills and the smarts to back it up. One night, and an innocent dance with a white girl, and my whole world and all my dreams start to unravel. The killing begins. People are looking at me. And the circle of people I can trust is getting smaller by the day. I can feel the net closing in. I have to find the killer before he finds me. I have to play the best football of my life. I have to stay alive long enough to get a ticket out of hell.

Adventures of Huckleberry Finn (Tom Sawyer's Comrade) 1914 and Other Poems London : Sidgwick & Jackson **The Arian**

Christian Bible Metaphysical Institute The Arian Christian Bible reflects the beliefs of Arian Christians. (The word 'Arian' should not be confused with the with the word 'Aryan' or racist 'Aryan' beliefs) Arian Christians believe that Jesus' highest teachings are contained in the New Testament in Jesus' own words as reported by the Gospels of Matthew, Mark and Luke (The Arian Christian Bible). The namesake of these beliefs, St Arius of Alexandria, rejected the politically generated divinity of Jesus that was imposed by the Council of Nicaea, which was convened at the behest of Roman Emperor Constantine I in 325 AD. The purpose of this Council was to bring the structure of the Christian Church into conformity with the structure of the Roman Empire as the State Religion, that is; one religion, the Catholic (universal) Church; one theology, the Holy Trinity; and one religious leader, the Pope, and to form a basis for the suppression of other brands of Christianity. Arius opposed these measures. The Arian Christian Bible is a 'must have' for all true Christians.

Traveled Turning Your Retirement Worries Into an Excursion of a Lifetime Money represents more than the paper it's printed on. It is the embodiment of your time, your talents, and your commitments. It buys the food you eat, the house you sleep in, the car you drive, and the clothes you wear. It also helps provide you with the lifestyle you want to live once you retire. You have spent a lifetime earning it, spending it, and hopefully, accumulating it. When the time comes for retirement, you want your money to provide you with a comfortable lifestyle and stable income after your working days are done. You might also have other desires, such as traveling, purchasing property, or moving to be closer to your family (or farther away). You may also want your assets to provide for your loved ones after you are gone. The truth is that it takes more than just money to fulfill those needs and desires. Your income, your plans for retirement, your future healthcare expenses, and the continued accumulation of your assets after you stop working and drawing a paycheck all rely on one thing: You.

The Soul's Mark: Found Ashley Stoyanoff Books When Amelia Caldwell tries to begin a new life, she discovers that her birthmark means more than it seems. Mitchell Lange has been searching almost a century for his soulmate and is determined not to let Amelia go. Since Amelia has no intention of belonging to anyone, they both become trapped on an emotional rollercoaster. As Amelia searches for answers, she becomes caught in the middle of a deadly game of revenge and is forced to realize that you can't run from destiny.

Return of the Eagles Createspace Independent Publishing Platform Mark L. Richards's Legions of the Forest painstakingly crafted the world of AD 9 under the Roman Empire. He invites you back to ancient Europe in his sequel, Return of the Eagles. In the Teutoburg Forest, three Roman legions are ambushed and killed under the orders of Arminius, the leader of a united confederation of German tribes. It is a political disaster for Rome and a personal one for Tribune Valerius Maximus and Centurion Marcellus Veronus, two of the few survivors of the attack. Both are given an opportunity to take their revenge on the barbarians. It's an opportunity given by Germanicus Caesar, a rising star of the empire and nephew to Emperor Tiberius. As Germanicus begins raising an army, Valerius immerses himself in the German language and customs, and Marcellus trains soldiers in the ways of their enemies. While Valerius and Marcellus understand the ambush tactics of their adversaries, many of the army's senior leadership underestimate the barbarian tribes. Valerius and Marcellus are not the same men they were in Legions of the Forest. Will their newfound experience, strength, and spirit be enough to lead Rome to victory? Or will they once again fall prey to the German barbarians?

Just Keep Rowing Lesson from the Atlantic Ocean by Youngest Person to Row It Alone Just Keep Rowing is a self-empowerment book written by Katie and co-author, Mark Bowles, with 70 life lessons that parallel the number of days Katie spent alone at sea rowing across the Atlantic Ocean. The book is a personal conversation between you and Katie. During her journey she learned many vital life lessons from the Atlantic. As she found out, an ocean is a great teacher of the meaning of life. Katie became its student, sometimes reluctantly but often enthusiastically, and she wants to communicate these lessons because she believes they can be valuable for everyone. From students to business executives, and to people just wanting to find new ways to live life to the

fullest, these lessons from the Atlantic will help you see the world from a new perspective. **Distant Thunder Book Two of the Coming Storm Trilogy** Createspace Independent Publishing Platform You can take the dead girl out of the country... Giving You "Clean Slate" To Obtain, Health, Wealth And Most Importantly... Peace of Mind! Let me introduce myself. My name is Dr. Mark Tong and I am a Spiritual Healer and Teacher that has developed a "Process" to identify the "Life Lessons" each individual is dealing with. Let's face it, we are all here learning and dealing with Spiritual lessons. The challenge with these lessons is having the awareness and knowing what these lessons are and what is needed to complete the lesson(s). As you know, by looking back at your own life, these "lessons" continue to repeat and seem to get

harder and harder until we learn what we need to learn from them. You find them in your struggles with relationships, abundance, physical conditions and other various aspects of your life. BUT NOW YOU CAN DO SOMETHING... Seeing and understanding your own "Life Lessons" is difficult, and it can be challenging to identify and understand, let alone learn from them. HERE'S WHERE I COME IN... I have developed a special online audio and video program, where you will hear all about "Life Lessons" and how to identify, and more importantly, learn from the lessons so they will never repeat. AND IF THAT'S NOT ENOUGH... As part of the program you will receive an "Emotional Inventory Worksheet" along with the "Answer Key" that will lead you through your life events and associate each event with specific "Life Lessons" for that event. Not only is this a valuable resource for your Spiritual growth, but you will learn how to begin helping others with their own "Life Lessons" (priceless). This online program will help you identify: Your remaining "Life Lessons" Who is involved How many times it's repeated The Spiritual concepts tied to the "lessons" Plus: You will receive the tools to begin to "walk through" those "lessons."

The Bad Canadian IN A PLACE OF PEACE DURING A TIME OF WAR THE UNFORGIVEN WILL NOT GO FORGOTTEN. Edenville, 1940. In a rural hamlet where the majority of men are overseas to fight Hitler's Nazi war machine, someone is killing veterans of the first world war. Wartime Special Constable 'Lame' Eddie Sommers, a crippled rich boy and the butt of derision, is doing his best to fill a uniform he believes in, yet wears too large. Inexperienced and out of his depth, he turns to a former detective and veteran of the western front for assistance. Involving Marshall Geary might be his biggest mistake. Marshall wears a copper mask, as much to hide behind as to conceal his disfigurements. He struggles against howling flashbacks and the lingering stench of his own concealed crimes. In a town meant for sanctuary, repressed horrors awaken like worms in a collapsing coffin. The closer they get to the truth, the nearer everyone is dragged to their limits, their failings and their buried pasts.

But six years ago, I met my wife a Filipina from Manila, and there I discovered the wonderful and gracious people of the Philippines. After realizing I would have children of mixed racial birth. I decided I wanted to give them a hero to look up to from their own culture. I then re-did all nine books; this time the racial, religious and cultural differences gave the book a more defined nature, one of which I was proud. I had given up long ago on trying to get an agent or a publisher to take interest in my book, but that was never my goal. My goal was to give my children a hero of their own heritage, and to inspire them. Win or lose, they win. The Year is 2079 and the earth has recently been discovered by a ruthless alien race known as the T-Challa. Their plan is to enslave the population and to strip the earth of all its resources to maintain and expand their vast empire. However the earth is not without hope, another alien race called the X'ena's have sent a symbiotic probe to earth to help defend her from the T-Challa. The Probe which takes the name Paladin merges with a human named Caleb Ocoda as well as an ancient battleship from a century ago and transforms both into a force to protect the earth. Caleb then man's his ship with the best the earth has to offer as they go out and defend the earth successfully defeating the small fleet sent by the T-Challa. Unfortunately the ship suffers damage and it affects Caleb wounding him, it is quickly discovered that Caleb is dying and with him the mighty ship named Paladin, the only defense of earth. After searching all possible answers to save himself and protect the earth, Caleb decides to find the X'ena to see if they can cure him before his death, but time is short and the single ship must travel through the heart of the T-Challa Empire to find the X'ena and save Caleb. Will they succeed? **The New Magnified Version of Isaiah in Plain English! The Understandable Version of the Book of Isaiah!** Createspace Independent Publishing Platform The Book of Isaiah is very Rich with Metaphors and Similes, if you are in Love with them, or not; but, most Poor People are not; beCause the Metaphors are far too "Foggy" for them to Understand, which Means that they must Practice Reading all such Books, just to get a Good Understanding of them. At any rate, this Version of Isaiah is by far the Best in the World, and is Rated as "Extremely Good" by Well-Educated People. Therefore, it is a "must read" Book, if anyone is Interested in Actually Understanding the Bible. Most People are not; but, that is not a Problem: because most People were not Born to be Masters. Indeed, most were Born to be Good Servants of Good Masters, which is Good: because the Masters are like the Head of the Body of Good Government, which Body must have many other Working Parts and Organs, just to Function Correctly as a Body. Therefore, do not let the Hands Despise the Eyes: beCause, what could the Hands Do without Eyes to Guide them, even if the Eyes belong to some other Person, who can See what is Needed. We suggest that Readers of this Inspired Book take their Sweet Time, and read only a few Chapters each Day, and do not attempt to read the entire Book during one Day, even though it will be Tempting to Finish it, quickly, just to Discover those Precious

Parts that make it so Famous and Controversial among Religious Scholars, some of whom are very Perplexed by it: because no one can Rightly Deny that God, himself, is Speaking through "Isaiah," who may have been Reincarnated! Indeed, there is the Possibility of it; but, do not let that "Buck you Out of the Saddle," as a Cowboy might say. Remember that this is a Companion Book of: "The New MAGNIFIED Version of The Book of MOORMUN!" (The Story of the White and Dark Indians in the Americas!), Book 040, which is perhaps the Best Modern Book in the whole World! Yes, unlike the Mutilated Bible, the Book of Mormon is much more Understandable, being "a New Revelation from God," you might say; but, it is nothing quite as Enlightening as the New MAGNIFIED Version, which most Definitely contains New Revelations from the Supreme Ruler of this Heaven and Earth. Therefore, do not let the Sun Set on another Day of Deprivation; but, PLEASE, for your own Sake, Educate yourself with all such Good Books: beCause that is True Wisdom on your part, which will make you Glad that you did. Guaranteed! **Alexandria Rising** Createspace Independent Publishing Platform His grandfather left him with one task. Destroy a map that had been kept hidden for centuries. He could never imagine the journey it would lead him on and the secrets he would discover. This action adventure novel has a dose of historical fiction to keep the reader glued to the page and is the first in a trilogy. While its content is unique, author Mark Wallace Maguire's style and storytelling has been compared to Robert Ludlum, Tom Clancy and Dan Brown. **The Battle Of Atlanta; And Other Campaigns, Addresses, Etc.** Alpha Edition The Battle Of Atlanta; And Other Campaigns, Addresses, Etc., has been considered important throughout the human history, and so that this work is never forgotten we have made efforts in its preservation by republishing this book in a modern format for present and future generations. This whole book has been reformatted, retyped and designed. These books are not made of scanned copies of their original work and hence the text is clear and readable. **The Forgotten Unit of Iwo Jima 386th Asg, Usaaf.** CreateSpace It was the first and only time during combat operations in the Pacific theater that an Army Air Force unit would land with U.S. Marine assault elements across a hostile beach. The date was February 24, 1945 (D+5), and the beach on which the men of the 386th Air Service Group (ASG), U.S. Army Air Force (USAAF) landed was given the name of a color - Red. They possessed few of the combat skills Marine infantrymen would have had. They weren't trained to close with and destroy an enemy through close combat. They were specialists, trained in skills totally alien to the Marine "grunts" swarming ashore. Their skills, however, were critical to the successful execution and completion of Operation Detachment (code name for the island and battle destined to become legendary in the history of World War II). Red beach was one of the black sand beaches on the eastern shore of the island named - Iwo Jima. This is a brief history of the 386th ASG, USAAF. Their story could have been lost to history except for the tenacity of a few of the units veterans and their descendants. It's the account of a group of men who could accomplish almost anything asked of them. They worked 24/7 for months, without complaint, in an environment fraught with danger and instant death. They were part of a generation of Americans whose self-sacrifice, courage, and love of country set them apart from every other generation. These men were members of the generation that saved civilization as we know it, "The Greatest Generation," and they are nearly all gone now.

Fortunately, their story survives and should serve as an inspiration to those generations of Americans who follow after them. **Rolling Thunder Jet Combat from World War II to the Gulf War** Simon and Schuster Chronicles the evolution of modern aerial warfare, from World War II, through the Cold War, to the Middle East Gulf crisis, and describes the development of the quintessential fighter pilot **The Encyclopedia of the Vietnam War: A Political, Social, and Military History, 2nd Edition [4 volumes]** **A Political, Social, and Military History** ABC-CLIO Now in its second edition, this comprehensive study of the Vietnam War sheds more light on the longest and one of the most controversial conflicts in U.S. history. • Includes many photographs and illustrations that bring the Vietnam War to life • Contains more than 200 primary sources in a separate documents volume, with full introductions for each • Presents an extensive chronology of historic events and a glossary of terms • Provides cross-references and bibliographies that facilitate further research **Naval Aviation News**
