PROGRAMMING CHALLENGES

THE PROGRAMMING CONTEST TRAINING MANUAL

Springer Science & Business Media There are many distinct pleasures associated with computer programming. Craftsmanship has its quiet rewards, the satisfaction that comes from building a useful object and making it work. Excitement arrives with the flash of insight that cracks a previously intractable problem. The spiritual quest for elegance can turn the hacker into an artist. There are pleasures in parsimony, in squeezing the last drop of performance out of clever algorithms and tight coding. The games, puzzles, and challenges of problems from international programming competitions are a great way to experience these pleasures while improving your algorithmic and coding skills. This book contains over 100 problems that have appeared in previous programming contests, along with discussions of the theory and ideas necessary to attack them. Instant online grading for all of these problems is available from two WWW robot judging sites. Combining this book with a judge gives an exciting new way to challenge and improve your programming skills. This book can be used for self-study, for teaching innovative courses in algorithms and programming, and in training for international competition. The problems in this book have been selected from over 1,000 programming problems at the Universidad de Valladolid online judge. The judge has ruled on well over one million submissions from 27,000 registered users around the world to date. We have taken only the best of the best, the most fun, exciting, and interesting problems available.

ZEN AND THE ART OF MOTORCYCLE MAINTENANCE

AN INQUIRY INTO VALUES

Harper Collins THE CLASSIC BOOK THAT HAS INSPIRED MILLIONS A penetrating examination of how we live and how to live better Few books transform a generation and then establish themselves as touchstones for the generations that follow. Zen and the Art of Motorcycle Maintenance is one such book. This modern epic of a man's search for meaning became an instant bestseller on publication in 1974, acclaimed as one of the most exciting books in the history of American letters. It continues to inspire millions. A narration of a summer motorcycle trip undertaken by a father and his son, Zen and the Art of Motorcycle Maintenance becomes a personal and philosophical odyssey into fundamental questions on how to live. The narrator's relationship with his son leads to a powerful self-reckoning; the craft of motorcycle maintenance leads to an austere beautiful process for reconciling science, religion, and humanism. Resonant with the confusions of existence, this classic is a touching and transcendent book of life. This new edition contains an interview with Pirsig and letters and documents detailing how this extraordinary book came to be.

THE ROCKET INTO PLANETARY SPACE

Walter de Gruyter GmbH & Co KG For all being interested in astronautics, this translation of Hermann Oberth's classic work is a truly historic event. GRAMMAR GALAXY

YELLOW STAR: MISSION MANUAL

The Grammar Galaxy Yellow Star Mission Manual is the workbook that is part of a complete language arts curriculum for fourth to sixth graders. The Grammar Galaxy Yellow Star text (required and purchased separately) uses short, comical stories to teach concepts in a memorable way. Students discover the havoc that ensues when the evil Gremlin tampers with the English language. Metaphors are sworn to tell the truth for jury duty on planet Sentence and become reality. Hackers Prefix and Suffix confuse the galaxy's vocabulary. Everyone is using double negatives when the Buddy System on planet Vocabulary goes into effect. The royal English children invite students to become fellow grammar guardians in order to save the galaxy from crises like these. After students or teachers read one of the mysteries from the separate text, young guardians complete a corresponding mission with three short steps in this manual. The Grammar Galaxy Yellow Star Mission Manual is especially appropriate for readers at a fourth-grade level or those who have completed Grammar Galaxy Protostar. Missions for Advanced Guardians make it flexible enough to use with students through sixth grade. Grammar Galaxy Yellow Star, the third in a series of language arts texts for third to sixth graders, teaches: *literary concepts *vocabulary *spelling *grammar *composition and *speaking Grammar Galaxy Yellow Star is a great choice for homeschoolers, teachers, and parents: *Whose student can read and write at about a fourth-grade level *Who want their student to have excellent reading, writing, and speaking skills *Who want their student to spend less time doing seatwork and more time reading and writing for fun Homeschooling mother, Elizabeth, writes: You really did it. You truly made grammar fun. I didn't think it was possible but you obviously deserve some kind of medal! THANK YOU!

THE DARE

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.
