The Fair Fight

A Novel

Penguin NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL *The Crimson Petal and the White* meets *Fight Club*: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.

Ayurveda Detox

How to cleanse, balance and revitalize your body

[Welbeck Publishing Group](#) Packed with recipes, detox plans, routines and remedies, Ayurveda Detox will help you cleanse your body of toxins and restore you to your natural state of health and happiness. The ancient principles of Ayurveda, or the 'Science of Life', are rooted in the idea that everything is interconnected: we cannot separate our body from our mind, and we cannot separate ourselves from the world we live in. The concepts of interconnectedness and balance underpin all Ayurvedic thinking. According to Ayurveda, our natural state is one of health, happiness and an inner sense of wellbeing. 'Health' is defined as the body being clear of toxins, the mind at peace, our emotions balanced, our wastes eliminated and our organs functioning normally. Imbalances cause ill-health and make us more susceptible to disease. Maintaining health and preventing disease while coping with the hectic, often toxic world we live in is challenging, but by following the natural cycles and rhythms of the seasons and our own bodies, we can find balance and optimize our wellbeing. Detoxing - essentially removing excess waste - is one of the most important ways we can attain balance and the comfort and wellbeing that go with it. In this book you will learn how to understand your own constitution and use the daily and seasonal cycles of nature to discard waste and toxic build up. You will discover how to boost your own ability to self-regulate based on your specific body type, or in Sanskrit, 'dosha'. With easy-to-follow instructions to help you detox safely at home, Ayurveda Detox is a comprehensive guide filled with plans, routines, recipes and home remedies, to help you achieve your natural state of health and happiness.

When the Blue Shift Comes

[Gollancz](#) In the far future, Earth is about to be swallowed by a black hole in this sweeping SF epic from one of the masters of the genre. In a time so far from our own that we cannot comprehend it, humanity has spread amongst the stars and changed in more ways than we can count. But they have never forgotten their birthplace - Earth. But now Earth stands on the brink of catastrophe, at risk of being swallowed by a black hole. One man, Hanosz Prime, ruler of his world, is determined to visit Earth before it is destroyed. His abdication from his throne and his wanderlust are to prove the beginning of a much longer journey - one that will see him fall in love, meet the Oracles of Earth and perhaps, if he is very lucky, provide a means to save the cradle of humanity. Originally started by Robert Silverberg more than 20 years ago but never completed, Hanosz's story is taken up by Alvaro Zinos-Amaro. Silverberg hand-picked Zinos-Amaro to complete the book, and provided notes and guidance. The result is a remarkable collaboration between one of the masters of SF and one of the most exciting new voices in the genre.

Koine Greek Grammar

A Beginning-Intermediate Exegetical and Pragmatic Handbook

Koine Greek Grammar and its accompanying Workbook and Answer Key & Guide have been in the making for decades. It was first a small manual Kairos Greek Grammar; then it grew into a fully integrated and hyperlinked CD that has been published by Logos Bible Software (2005). Now, this current handbook--KOINE GREEK GRAMMAR: A BEGINNING-INTERMEDIATE EXEGETICAL AND PRAGMATIC HANDBOOK--has been thoroughly expanded to include my more explicit description of marked, emphatic, prominent, and pragmatic features of Greek, ideas that were nascent in KAIROS, but now grounded in a communication theory informed by Relevance Theory (Dan Sperber and Deirdre Wilson), Prominence Theory with reference to translation (Kathleen Callow), and Discourse Grammar and Pragmatics (Stephen Levinsohn, Stanley Porter, and Steven Runge). Exegetically significant aspects of Greek syntax and the use of the Greek language (i.e., pragmatics) occur strategically throughout KOINE GREEK GRAMMAR and include the following: - conjunctions and their constraints - point/counterpoint sets - polysyndeton, asyndeton, correlative emphasis, and lists - fronted modifiers for emphasis (genitive, demonstrative, quantitative) - vocatives as thematic address - appositional statements - the historic present and the verb tense options in narrative - metacomments as orienting statements - interjections as attention getting devices - quantitative, qualitative, interrogative, negative, and comparative types of emphasis - special uses of the noun cases - participle uses, including periphrastic and genitive absolutes - special uses of the Moods - left-(dis)locations - discourse pragmatic uses of the article - conditional and exception clauses Some of these discussions will have extended Intermediate-level treatments that are placed within greyed boxes. Other significant enhancements are the inclusion of CHECK POINTS that give students a chance to practice what is being learned in each chapter along with (SUGGESTED) ANSWERS that immediately follow. Scattered throughout KOINE GREEK GRAMMAR are images of ancient realia, i.e., remnants of Mediterranean material culture including biblical and non-biblical papyri fragments, vase paintings, coins, bas-reliefs, imperial artifacts, inscriptions, funerary stele, statues, gems, temples, maps, and reconstructed scenes of life in the polis. The language and syntax of the Greek NT is contextually located in these worlds. Still present (but improved) are the CASE IN POINTS at the end of each chapter that briefly describe how particular points of Greek grammar just presented helps us when interpreting the Greek NT. In other words, the CASE IN POINT illustrates how Greek grammar is valuable as a tool for the study of the NT. In addition to having a full APPENDIX, VOCABULARY OF WORDS OCCURRING 20 TIMES OR MORE, and INDICES, KOINE GREEK GRAMMAR has a separate extensive WORKBOOK AND ANSWER KEY & GUIDE. that has been carefully crafted with many exercises drawn directly from biblical expressions and actual verses.
