#### DISCIPLESHIP IN A DIGITAL AGE

*WestBow Press Discipleship in a Digital Age is an inspired spiritual and Christian lifestyle guidebook that exhorts present-day believers to rekindle a spirit of mentorship and discipleship such that the church can become strengthened in a day where direction and leadership is often lacking (WestBow Editorial Review). Discipleship in a Digital Age aims at teaching or instructing Christians to personal and practical ways of living for the Lord daily in a digital age. It is a discoverya talent huntthat laces traditional discipleship blueprints with the reality of todays demanding moments of technology and Internet. It uses the basic tenets of discipleship to model the Christian mans approach to life in the face of our changing culture. it emphasizes the need for mentoring, training and sustainable weaning and learning in the wake of Christian engagement without due process to ministry assignment.*

#### WORKERS IN TRAINING MANUAL

*Createspace Independent Publishing Platform Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen*

#### THE DISCIPLE'S MANUAL

*What every disciple is called to is as radical as it comes. For more than half a century, practicing and proclaiming biblical discipleship has been the author's heart-beat. This is that life's ministry captured for you in a book.*

#### THE GREAT OMISSION

#### RECLAIMING JESUS'S ESSENTIAL TEACHINGS ON DISCIPLESHIP

*Zondervan The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to "make disciples of all the nations." But Christians have responded by making "Christians," not "disciples." This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. "The word disciple occurs 269 times in the New Testament," writes Willard. "Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God." Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.*

#### GOSPEL-CENTERED KIDS MINISTRY

#### HOW THE GOSPEL WILL TRANSFORM YOUR KIDS, YOUR CHURCH, YOUR COMMUNITY, AND THE WORLD

*B&H Publishing Group The story of Jesus interacting with the Emmaus disciples after his resurrection provides an outline for what a gospel-centered kids ministry looks like: gospel-centered teaching that points to Jesus in every session, gospel-centered transformation that positions the gospel to change a child's heart and then his or her behavior, and gospel-centered mission where kids join in on the big story of Jesus that continues to unfold. Seven out of ten kids will walk away from church after they turn eighteen. About five will return when they have families of their own. But two will never return. Clearly, something isn't connecting with our kids. As kids ministry leaders, we need to take a hard look at what we are missing in our kids ministries and provide kids the one thing that will satisfy them and keep them connected to the church--the gospel. Gospel-Centered Kids Ministry also addresses how to communicate with and encourage gospel-centered leaders and parents as part of your ministry.*

#### NOT YET MARRIED

#### THE PURSUIT OF JOY IN SINGLENESS AND DATING

*Crossway Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.*

#### AFRICAN INITIATED CHRISTIANITY AND THE DECOLONISATION OF DEVELOPMENT

#### SUSTAINABLE DEVELOPMENT IN PENTECOSTAL AND INDEPENDENT CHURCHES

*Routledge This book investigates the substantial and growing contribution which African Independent and Pentecostal Churches are making to sustainable development in all its manifold forms. Moreover, this volume seeks to elucidate how these churches reshape the very notion of sustainable development and contribute to the decolonisation of development. Fostering both overarching and comparative perspectives, the book includes chapters on West Africa (Nigeria, Ghana, and Burkina Faso) and Southern Africa (Zimbabwe and South Africa). It aims to open up a subfield focused on African Initiated Christianity within the religion and development discourse, substantially broadening the scope of the existing literature. Written predominantly by scholars from the African continent, the chapters in this volume illuminate potentials and perspectives of African Initiated Christianity, combining theoretical contributions, essays by renowned church leaders, and case studies focusing on particular churches or regional contexts. While the contributions in this book focus on the African continent, the notion of development underlying the concept of the volume is deliberately wide and multidimensional, covering*

economic, social, ecological, political, and cultural dimensions. Therefore, the book will be useful for the community of scholars interested in religion and development as well as researchers within African studies, anthropology, development studies, political science, religious studies, sociology of religion, and theology. It will also be a key resource for development policymakers and practitioners.

## **LORD, BREAK ME**

---

*In Lord, Break Me!* William MacDonald explains that God puts a premium on broken things -- especially on broken people. That is why we read such verses as: "The Lord is nigh unto them that are of a broken heart; and saveth such as be of a contrite spirit" (Psalm 34:18). "The sacrifices of God are a broken spirit: a broken and a contrite heart, O God, thou wilt not despise" (Psalm 51:17). God knows how to resist the proud and haughty, but He cannot resist a person who is humble and contrite. God opposes the proud, but gives grace to the humble (James 4:6). There is something in our brokenness that appeals to His compassion and power. And so part of His wonderful purpose for our lives is that we should be broken in heart, broken in spirit, and broken even in body. Think what it would mean in our individual lives, in our homes, in the local church and in the business world if we were all broken as we should be. What is meant by true brokenness? How does it manifest itself in a believer's life? The daily prayer of the submissive saint is reflected in the words of the hymn: Have Thine own way, Lord! Have Thine own way! Thou art the Potter; I am the clay. Mould me and make me after Thy will, While I am waiting, yielded and still. A word about the author, William MacDonald (1917-2007): William (Bill) MacDonald was born in Massachusetts. His parents were from the Isle of Lewis. When he was six years old, his family moved to Stornoway, Scotland, later moving back to Massachusetts. A commended worker for sixty years, a teacher, preacher, mentor, and author of eighty-four books, including the *Believer's Bible Commentary*, William MacDonald was a man who said and wrote much. Yet, for the those who knew him well, it was his life that left the greatest impression. - ChristianAudio.com.

---

### **HOW TO HELP OTHERS FOLLOW JESUS**

---

*Crossway* Before ascending to heaven, Jesus instructed his followers to "make disciples of all nations." But what does this command actually entail? What does it look like for Christians to care for one another's spiritual well-being and growth? In this introduction to the basics of discipling, veteran pastor and author Mark Dever uses biblical definitions and practical examples to show how Christians can help one another become more like Christ every day. The eighth volume in the 9Marks: Building Healthy Churches series, this short book explains how discipling should function in the context of the local church, teaching pastors and church leaders how to cultivate a culture of edification and growth in their congregations.

### **TRANSNATIONAL RELIGIOUS SPACES**

---

---

### **RELIGIOUS ORGANIZATIONS AND INTERACTIONS IN AFRICA, EAST ASIA, AND BEYOND**

---

*Walter de Gruyter GmbH & Co KG* This volume, bringing together work by scholars from Europe, East Asia, North America, and West Africa, investigates transnational religious spaces in a comparative manner by juxtaposing East Asian and African examples. It highlights flows of ideas, actors, and organizations out of, into, or within a given continental space. These flows are patterned mainly by colonialism or migration. The book also examines cases where the transnational space in question encompasses both East Asia and Africa, notably in the development of Japanese new religions in Africa. Most of the studies are located in the present; a few go back to the late nineteenth century. The volume is rounded off by Thomas Tweed's systematic reflections on categories for the study of transnationalism; his chapter "Flows and Dams" critically weighs the metaphorical language we use to think, speak, and write about transnational religious spaces.
