KEY=A - DILLON LACEY

THE FRONTLINES OF PEACE

AN INSIDER'S GUIDE TO CHANGING THE WORLD

Oxford University Press At turns surprising, funny, and gut-wrenching, this is the hopeful story of the ordinary yet extraordinary people who have figured out how to build lasting peace in their communities The word "peacebuilding" evokes a story we've all heard over and over: violence breaks out, foreign nations are scandalized, peacekeepers and million-dollar donors come rushing in, warring parties sign a peace agreement and, sadly, within months the situation is back to where it started--sometimes worse. But what strategies have worked to build lasting peace in conflict zones, particularly for ordinary citizens on the ground? And why should other ordinary citizens, thousands of miles away, care? In *The Frontlines of Peace*, Severine Autesserre, award-winning researcher and peacebuilder, examines the well-intentioned but inherently flawed peace industry. With examples drawn from across the globe, she reveals that peace can grow in the most unlikely circumstances. Contrary to what most politicians preach, building peace doesn't require billions in aid or massive international interventions. Real, lasting peace requires giving power to local citizens. *The Frontlines of Peace* tells the stories of the ordinary yet extraordinary individuals and organizations that are confronting violence in their communities effectively. One thing is clear: successful examples of peacebuilding around the world, in countries at war or at peace, have involved innovative grassroots initiatives led by local people, at times supported by foreigners, often employing methods shunned by the international elite. By narrating success stories of this kind, Autesserre shows the radical changes we must take in our approach if we hope to build lasting peace around us--whether we live in Congo, the United States, or elsewhere.

DARFUR GENOCIDE: THE ESSENTIAL REFERENCE GUIDE

ABC-CLIO This important reference work offers students a comprehensive overview of the Darfur Genocide, with roughly 100 in-depth articles by leading scholars on an array of topics and themes, and more than a dozen key primary source documents. Stretching beyond Darfur to situate Sudan within the scope of its African, colonial, human rights, and genocidal history, this reference work explores every aspect of the Darfur Genocide. Covering hundreds of years, this book explores the religious, ethnic, and cultural roots of Sudanese identity-making and how it influenced the shape of the genocide that erupted in 2004. As the first reference guide on the Darfur Genocide, this text will enable readers to explore an array of critical topics related to the atrocities in Sudan. The book opens with seven key essays collectively providing an overview of the genocide, its causes and consequences, international reaction, and profiles on the main perpetrators, victims, and bystanders. These are followed by entries on such crucial topics as the African Union, child soldiers, the Janjaweed, and the Lost Boys and Girls of Sudan. Leading scholars offer perspective essays on the primary cause of the Darfur Genocide and on whether the conflict in Darfur is a just case for intervention. Expertly curated primary documents enrich readers' ability to understand the complexity of the genocide. Offers an indispensable resource for anyone interested in the Darfur Genocide specifically and genocide studies in general Explains the historical and modern contexts that drive the Darfur Genocide, shedding light on the cultural, political, and social factors that have allowed it to continue for more than 15 years Sketches the many complexities that help explain why the United Nations and international community at large have failed to stop the atrocities Features entries written by leading experts on the Darfur Genocide Provides the text of speeches by Sudanese leaders, national and foreign policy briefs, peace treaties, and United Nations Reports related to the Darfur Genocide

STRENGTHENING FORENSIC SCIENCE IN THE UNITED STATES

A PATH FORWARD

National Academies Press Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exonerated. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

THE OVERCOMING OF HISTORY IN WAR AND PEACE

Rodopi *The Overcoming of History in "War and Peace"* marks a radical departure from the critical tradition dominated by Sir Isaiah Berlin's view that the novel is deeply divided against itself, a majestically flawed contest of brilliant art and clumsy thought. To the contrary, Jeff Love argues that the apparently divided nature of the text, its multi-leveled negotiation between different kinds of representation, expresses the rich variety of the novel's very deliberate striving to capture the fluidity of change and becoming in the fixed forms of language. The inevitable failure of this striving, revealing the irreducible conflict between infinite desire and finite capacity, is at once the source of new beginnings and the repetition of old ones, a wellspring of continually renewed promises to achieve a synoptic vision of the whole that the novel cannot fulfill. This repetitive struggle between essentially comic and tragic conceptions of human action, far from being a pervasive flaw in the texture of the novel, in fact constitutes its dynamic center and principal trope as well as the productive origin of the unusual features that distinguish it as an uncommonly bold narrative experiment.

GROWING IN CHRIST WHILE HELPING OTHERS PARTICIPANT'S GUIDE 4

A RECOVERY PROGRAM BASED ON EIGHT PRINCIPLES FROM THE BEATITUDES

Zondervan A Program for Implementing a Christ-Centered Recovery Ministry in Your Church Alcoholism - Divorce - Sexual Abuse - Codependency - Domestic Violence - Drug Addiction - Sexual Addiction - Food Addiction - Gambling Addiction and many more! There is a way the church can help the hurting move beyond their wounds to experience the healing and forgiveness of Christ. Since 1991, more than 200,000 people have participated in the Celebrate Recovery programs offered at more than 3,500 churches, prisons, and rescue missions. Drawn from the Beatitudes, Celebrate Recovery helps people resolve painful problems in the context of the church as a whole. Newly updated, the kit includes: •1 20-minute DVD introductory guide for leaders •1 leader's guide •1 of each participant's guide (4 total) •CD-ROM with 25 lessons •CD-ROM with sermon transcripts and reproducible promotional materials •4-volume audio CD sermon series "And then there's pastor John Baker, the founder of Celebrate Recovery... Big John and I shared something in common. We used to drink too much. And our hearts changed, and then we quit. That is a tried-and-true formula. The problem is government is not good at changing hearts. But people like John Baker have been good about it and successful doing that." —President George W. Bush on Celebrate Recovery and its founder, John Baker, at the Faith-Based and Community Initiatives Conference, March 3, 2004.

CELEBRATE RECOVERY LEADER'S GUIDE

A RECOVERY PROGRAM BASED ON EIGHT PRINCIPLES FROM THE BEATITUDES

Harper Collins Congratulations on making one of the most rewarding choices of your life! Your decision to lead the Celebrate Recovery program affords you the matchless experience of seeing broken people transformed by the power of Christ. As a leader, you are about to make a difference in the most direct way possible -- helping others discover hope and change they'd thought was beyond their reach. Your own life, too, will never be the same, as you see your investment of time and care returned in ways you've never imagined. This Leader's Guide gives you everything you need to facilitate the life-changing Celebrate Recovery lessons. We've done our best to simplify your job. The clear, easy-to-follow format minimizes your preparation time and virtually walks you through each meeting. Besides the ability to follow basic instructions, a willing heart is all you need to successfully conduct this proven, life-changing program.

STUDY AND TEACHING GUIDE FOR THE HISTORY OF THE RENAISSANCE WORLD

Peace Hill Press Turn Susan Wise Bauer's *The History of the Renaissance World* into a high-school history course. Susan Wise Bauer's narrative world history series is widely used in advanced high school history classes, as well as by home educating parents. The Study and Teaching Guide, designed for use by both parents and teachers, provides a full high-school-level curriculum in late medieval-early Renaissance history. It includes: Study questions and answers Critical thinking assignments Map exercises Essay topics and instructor grading rubrics Teaching tips and explanations for answers The Study and Teaching Guide, designed by historian and teacher Julia Kaziewicz in cooperation with Susan Wise Bauer, makes *The History of the Renaissance World* even more accessible to educators and parents alike.

THE FOUR AGREEMENTS

A PRACTICAL GUIDE TO PERSONAL FREEDOM

Hay House, Inc In *The Four Agreements*, bestselling author don Miguel Ruiz reveals the source of self-limiting beliefs that rob us of joy and create needless suffering. Based on ancient Toltec wisdom, *The Four Agreements* offer a powerful code of conduct that can rapidly transform our lives to a new experience of freedom, true happiness, and love. • A New York Times bestseller for over a decade • Translated into 46 languages worldwide "This book by don Miguel Ruiz, simple yet so powerful, has made a tremendous difference in how I think and act in every encounter." — Oprah Winfrey "Don Miguel Ruiz's book is a roadmap to enlightenment and freedom." — Deepak Chopra, Author, *The Seven Spiritual Laws of Success* "An inspiring book with many great lessons." — Wayne Dyer, Author, *Real Magic* "In the tradition of Castaneda, Ruiz distills essential Toltec wisdom, expressing with clarity and impeccability what it means for men and women to live as peaceful warriors in the modern world." — Dan Millman, Author, *Way of the Peaceful Warrior*

THE DIVORCED CATHOLIC'S GUIDE TO PARENTING

Our Sunday Visitor In *The Divorced Catholic's Guide to Parenting*, Catholic author, speaker, and licensed clinical professional counselor and pastoral counselor Lynn Cassella-Kapusinski, herself a child of divorce, takes parents step by step through these challenges. Drawing on her own story and professional experience, she helps Catholic parents walk with their children through the heartbreak of divorce into the healing, peace, and even joy that is possible in their lives. In this groundbreaking work, readers will: Uncover the emotional effects and challenges that divorce or separation may have on children and find concrete, developmentally appropriate ways to address them Understand common problems children face as a result of coparenting difficulties or a parent's personal issues and learn how to communicate constructively about them Navigate circumstances that arise in the later stages of divorce when a parent is absent, or when one or both parents date or remarry Explore ways to use the divorce as a Catholic teaching tool on God, forgiveness, and the beauty of the Sacrament of Matrimony Find outside resources and additional support Throughout this book, Lynn's thoughtful advice reveals how the Catholic Faith and its teachings are the key to loving your children through divorce and preparing them to live full, joyful lives. "I commend Lynn Cassella-Kapusinski for shining light on a common, but difficult to address, topic. She offers wisdom for parents on how, with God's grace, to raise their children after the pain of separation. Not only does she communicate the teaching of the Church, but she also offers insightful, practical details, stemming from her own experience as a counselor, that will greatly benefit divorced parents in supporting and guiding their children." — Archbishop Samuel J. Aquila, Archdiocese of Denver "The Divorced Catholics Guide to Parenting is a welcome follow-up to Lynn's earlier works. Drawing from the best of the psychological sciences, the Church's teachings, and her own experiences, this newest addition demonstrates a thoughtful coincidence of wisdom with approachability and practicality. Lynn's book and ministry are great gifts to the Archdiocese of Baltimore and beyond." — Archbishop William E. Lori, Baltimore "Lynn Cassella-Kapusinski's book, *The Divorced Catholic's Guide to Parenting*, is an answer to the calling of the whole Christian community to accompany with attention and care those who have endured the effects of divorce. Offering professional and personal insights, it is a timely resource particularly to help treat and heal the wounds suffered by the most innocent and vulnerable — the children of divorce." — Archbishop Wilton D. Gregory, Archdiocese of Washington, D.C. "A very impressive, easy-to-use guide for divorced parents to help with their children's journey. Lynn shares her experience as a child of divorce and counselor to families and provides specific tools and the gifts of our Catholic Church to minimize the trauma of divorce for children. This guide addresses any stage your family is struggling through and can be revisited as dynamics change. As a Family Therapist, I recommend this book for parents who are looking for answers and support to ease the pain." — Kelly Klaus, MA, LMFT, Executive Director of Catholic Divorce Ministry "A remarkable book to aid divorced parents in pastorally walking with their child who has been affected by divorce. Lynn once more writes a great resource for families who seek healing. She provides practical and poignant steps that divorced parents can take to aid their child. Lynn captures the reality that it is faith in God that will be an anchor for all dealing with loss and pain." — Michael Donaldson, MTS, Parish Development Director, Saint Oscar Romero Catholic Community, Eastvale CA ABOUT THE AUTHOR Lynn Cassella-Kapusinski, LCPC, NCC, is a licensed clinical professional counselor, pastoral counselor, and a leading figure in Catholic pastoral care of children from divorced or separated families. Her work has been recognized by Pope Emeritus Benedict XVI, the Pontifical John Paul II Institute for Studies on Marriage and the Family, the Knights of Columbus, and various dioceses. She has appeared on EWTN and Relevant Radio and speaks at conferences around the country.

THE MIDDLE EAST, ABSTRACTS AND INDEX

A PRACTICAL GUIDE TO THE LOGIC, PHILOSOPHY AND THOUGHTS OF CHRISTIANITY

APD SKEG Pte Ltd Why do so many people on this planet believe in a divine being? Is it logical to believe in one? There are so many claims by so many religions, so which is real and logical? Religious sects cannot even agree amongst themselves on doctrines, how can there be a One true divine being then? Why do Christians believe this? Can 'evolution' and 'God' co-exist? This book uses logic and modern day examples to explain the numerous questions that may flood atheists, agnostics and Christians alike. As society progresses in the direction of science and technology, logic and scientific validation plays an increasing role in everyday thought processes. In the scientific and logical world, religion, faith, and beliefs get continuously challenged. Many once-faithful Christians may begin to question their Christian beliefs, or get confused on the validity of the numerous doctrines and teachings of various Christian sects. Similarly, the agnostic is thrown into confusion amongst the claims of the many Christian sects on the 'Truth'. On the other end of the spectrum, the hard-core atheist begins to increasingly question the intelligence of these individuals that still believe in some sort of divine being(s). To address these, this book utilizes logical arguments, and expositions of modern day examples in hopes to bring a clearer picture to issues dealing with a divine creator, the search for the truth, and certain issues in Christianity.

LIBERAL PEACE AND POST-CONFLICT PEACEBUILDING IN AFRICA

Springer The book makes theoretical and empirical contributions to recent debates on hybrid forms of peace and 'post-liberal' peace. In applying concepts of power, hybridity and resistance, and providing different kinds of hybridity and resistance to explore post-conflict peacebuilding in Sierra Leone, the author makes an original contribution to existing literature by providing various ways in which power can be exercised not just between locals and internationals, but also among locals themselves and the nature of peace that is produced. This volume provides various ways in which hybridity and resistance can be manifested. A more rigorous development of these concepts not only offers a better understanding of the nature of these concepts, but also helps us to distinguish forms of hybridity and resistance that are emancipatory or transformatory from those that result in people accommodating themselves to their situation. This book is an invaluable resource for scholars and students of peacebuilding, peace and conflict studies, International Relations and African Studies, and practitioners of peacebuilding and post-conflict reconstruction.

CHILD SOLDIERS AS AGENTS OF WAR AND PEACE

A RESTORATIVE TRANSITIONAL JUSTICE APPROACH TO ACCOUNTABILITY FOR CRIMES UNDER INTERNATIONAL LAW

Springer This book deals with child soldiers' involvement in crimes under international law. Child soldiers are often victims of grave human rights abuses, and yet, in some cases, they also participate actively in inflicting violence upon others. Nonetheless, the international discourse on child soldiers often tends to ignore the latter dimension of children's involvement in armed conflict and instead focuses exclusively on their role as victims. While it might seem as though the discourse is therefore beneficial for child soldiers as it protects them from blame and responsibility, it is important to realize that the so-called passive victim narrative entails various adverse consequences, which can hinder the successful reintegration of child soldiers into their families, communities and societies. This book aims to address this dilemma. First, the available options for dealing with child soldiers' participation in crimes under international law, such as transitional justice and criminal justice, and their shortcomings are analyzed in depth. Subsequently a new approach is developed towards achieving accountability in a child-adequate way, which is called restorative transitional justice. This book is in the first place aimed at researchers with an interest in child soldiers, children and armed conflict, as well as international criminal law, transitional justice, juvenile justice, restorative justice, children's rights, and international human rights law. Secondly, professionals working on issues of transitional justice, juvenile justice, international criminal law, children's rights, and the reintegration of child soldiers will also find the subject matter of great relevance to their practice. Dr. Leonie Steinl, LL.M. (Columbia) is a Researcher and Lecturer at the Faculty of Law of the Humboldt-Universität in Berlin.

THE ONLY GUIDE TO ALTERNATIVE INVESTMENTS YOU'LL EVER NEED

THE GOOD, THE FLAWED, THE BAD, AND THE UGLY

John Wiley and Sons The rewards of carefully chosen alternative investments can be great. But many investors don't know enough about unfamiliar investments to make wise choices. For that reason, financial advisers Larry Swedroe and Jared Kizer designed this book to bring investors up to speed on the twenty most popular alternative investments: Real estate, Inflation-protected securities, Commodities, International equities, Fixed annuities, Stable-value funds, High-yield (junk) bonds, Private equity (venture capital), Covered calls, Socially responsible mutual funds, Precious metals equities, Preferred stocks, Convertible bonds, Emerging market bonds, Hedge funds, Leveraged buyouts, Variable annuities, Equity-indexed annuities, Structured investment products, Leveraged funds The authors describe how the investments work, the pros and cons of each, which to consider, which to avoid, and how to get started. Swedroe and Kizer evaluate each investment in terms of: Expected returns Volatility Distribution of returns Diversification potential Fees Trading and operating expenses Liquidity Tax efficiency Account location Role in an asset-allocation program Any investor who is considering or just curious about investment opportunities outside the traditional world of stocks, bonds, and bank certificates of deposit would be well-advised to read this book.

PEACE IN THEIR TIME

I.B. Tauris This volume analyses and charts the tortuous process of negotiation leading to the present flawed but largely welcomed peace in the troubled territories of northern Ireland and southern Africa.

NICOMACHEAN ETHICS

Phoemixx Classics Ebooks *Nicomachean Ethics* Aristotle - The *Nicomachean Ethics* is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the *Ethics* that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's *Ethics* in his political philosophy as a whole. The *Nicomachean Ethics* has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

MACHIAVELLI REDEEMED

RETRIEVING HIS HUMANIST PERSPECTIVES ON EQUALITY, POWER, AND GLORY

Lehigh University Press "The true Machiavelli is not to be found in extremist interpretations. The fault for these misperceptions is partly his own: he spoke in provocative paradoxes to challenge sacred truths, and this makes it easy for observers to ignore the obvious. In this portrait, the obvious dominates our vision, and he emerges as a Renaissance humanist. Like all of us, Machiavelli was a flawed being with strains of greatness mixed with baser ingredients. But his political insights and recognition of the emergence of a new reality qualify him as a political genius. Neither devil nor saint, Machiavelli has languished too long in the Purgatory of the human imagination and deserves redemption."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

MINIONS OF THE MOON

Tor Books Kevin Grierson has a Shadow with a mind of its own. It likes thrills, it likes power, it likes the rush of drugs and danger. From the suburbs of Boston to the streets of New York, from the false glamour of advertising to the dark glamour of hustling and drug-dealing, Grierson's Shadow keeps him walking the edge of destruction and madness. Then a simple robbery goes horribly wrong. With the help of a flawed saint named Leo Dunn, Grierson struggles to banish his Shadow, and succeeds. Temporarily. Years later, sober and settled, at peace with his world, Kevin Grierson meets his Shadow again. And this time it won't go away.

APOCALYPSE NEVER

WHY ENVIRONMENTAL ALARMISM HURTS US ALL

HarperCollins Now a National Bestseller! Climate change is real but it's not the end of the world. It is not even our most serious environmental problem. Michael Shellenberger has been fighting for a greener planet for decades. He helped save the world's last unprotected redwoods. He co-created the predecessor to today's Green New Deal. And he led a successful effort by climate scientists and activists to keep nuclear plants operating, preventing a spike of emissions. But in 2019, as some claimed "billions of people are going to die," contributing to rising anxiety, including among adolescents, Shellenberger decided that, as a lifelong environmental activist, leading energy expert, and father of a teenage daughter, he needed to speak out to separate science from fiction. Despite decades of news media attention, many remain ignorant of basic facts. Carbon emissions peaked and have been declining in most developed nations for over a decade. Deaths from extreme weather, even in poor nations, declined 80 percent over the last four decades. And the risk of Earth warming to very high temperatures is increasingly unlikely thanks to slowing population growth and abundant natural gas. Curiously, the people who are the most alarmist about the problems also tend to oppose the obvious solutions. What's really behind the rise of apocalyptic environmentalism? There are powerful financial interests. There are desires for status and power. But most of all there is a desire among supposedly secular people for transcendence. This spiritual impulse can be natural and healthy. But in preaching fear without love, and guilt without redemption, the new religion is failing to satisfy our deepest psychological and existential needs.

POLITICAL SCIENCE ABSTRACTS

1996 ANNUAL SUPPLEMENT

Springer Science & Business Media The 1996 Supplement of Political Science Abstracts contains 10,000 carefully prepared abstracts of materials from public affairs magazines, major newspapers, professional journals, and books devoted to politics and political analysis. The organization of the preceding volumes has been retained intact, as has the recently added list of subdisciplinary descriptors. Users of earlier volumes will be on familiar ground, while those new to Political Science Abstracts will find the instructions on page ix easy to master. CONTENTS Volume 1 (This Volume) How to Use This Supplement . ix Political Science Subdisciplinary Descriptors xi Index of Terms xiii Abstracts of Documents in This Supplement. Volume 2 Bibliographic Index to the Abstracts (ABILITY-MINNESOTA) . 821 Volume 3 Bibliographic Index to the Abstracts (MINORITY-ZULU) 1565 Author Index. 2119 List of Periodicals Abstracted in This Supplement. 2121 HOW TO USE THIS SUPPLEMENT Three simple steps are all that are needed to introduce the user to this easily accessible indexing system. STEP 1: Turn to the Index of Terms and locate as many terms as possible that deal with your subject. If you are interested in coverage of a more generic nature, you may instead turn to the next page, where key descriptors are listed that are associated with the major subject areas in political science and with their subdivisions. Note that the index includes methodological as well as topical terms. Numerical listings (e.g., 24TH/PAR/C) are located at the end of the alphabetical listing.

A HISTORY OF THE RECTANGULAR SURVEY SYSTEM

TALLINN MANUAL 2.0 ON THE INTERNATIONAL LAW APPLICABLE TO CYBER OPERATIONS

Cambridge University Press Tallinn Manual 2.0 expands on the highly influential first edition by extending its coverage of the international law governing cyber operations to peacetime legal regimes. The product of a three-year follow-on project by a new group of twenty renowned international law experts, it addresses such topics as sovereignty, state responsibility, human rights, and the law of air, space, and the sea. Tallinn Manual 2.0 identifies 154 'black letter' rules governing cyber operations and provides extensive commentary on each rule. Although Tallinn Manual 2.0 represents the views of the experts in their personal capacity, the project benefitted from the unofficial input of many states and over fifty peer reviewers.

WAGING HEAVY PEACE

A HIPPIE DREAM

Penguin The perfect gift for music lovers and Neil Young fans, telling the story behind Neil Young's legendary career and his iconic, beloved songs. "I think I will have to use my time wisely and keep my thoughts straight if I am to succeed and deliver the cargo I so carefully have carried thus far to the outer reaches."—Neil Young, from *Waging Heavy Peace* Legendary singer and songwriter Neil Young's storied career has spanned over forty years and yielded some of the modern era's most enduring music. Now for the first time ever, Young reflects upon his life—from his Canadian childhood, to his part in the sixties rock explosion with Buffalo Springfield and Crosby, Stills, Nash & Young, through his later career with Crazy Horse and numerous private challenges. An instant classic, *Waging Heavy Peace* is as uncompromising and unforgettable as the man himself.

THE TREATY OF VERSAILLES

A REASSESSMENT AFTER 75 YEARS

Cambridge University Press This text scrutinizes the motives, actions, and constraints that informed decision making by the various politicians who bore the principal responsibility for drafting the Treaty of Versailles.

Apes And Angels 7. From Observables to Unobservables in Science and Philosophy 8. The Mad Lover About the Book: The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is

hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive. About the Author : Richard Edward Connell, Jr. was an American author and journalist, best known for his short story "The Most Dangerous Game." Connell was one of the best-known American short story writers of his time and his stories appeared in the Saturday Evening Post and Collier's Weekly. Connell had equal success as a journalist and screenwriter. He was nominated for an Academy Award in 1942 for best original story for the film Meet John Doe.

KLIA TT YOUNG ADULT PAPERBACK BOOK GUIDE

FLAWED SUCCESSION

RUSSIA'S POWER TRANSFER CRISES

Lexington Books This authoritative study examines twentieth-century Russia's four key succession crises: after Stalin's death, throughout Khrushchev's primacy, during the economic and geographic implosion of the USSR, and the end of the Yeltsin presidency. The distinguished contributors to this volume argue that the common denominator throughout has been the absence of a transparent, nonarbitrary, and generally accepted mechanism for the transfer of political power.

TROUBLING TOPICS, SACRED TEXTS

READINGS IN HEBREW BIBLE, NEW TESTAMENT, AND QUR'AN

Walter de Gruyter GmbH & Co KG Abrahamic scriptures serve as cultural pharmakon, prescribing what can act as both poison and remedy. This collection shows that their sometimes veiled but eternally powerful polemics can both destroy and build, exclude and include, and serve as the ultimate justification for cruelty or compassion. Here, scholars not only excavate these works for their formative and continuing cultural impact on communities, identities, and belief systems, they select some of the most troubling topics that global communities continue to navigate. Their analysis of both texts and their reception help explain how these texts promote norms and build collective identities. Rejecting the notion of the sacred realm as separate from the mundane realm and beyond critical challenge, this collection argues—both implicitly and sometimes transparently—for the presence of the sacred within everyday life and open to challenge. The very rituals, prayers, and traditions that are deemed sacred interweave into our cultural systems in infinite ways. Together, these authors explore the dynamic nature of everyday life and the often-brutal power of these texts over everyday meaning.

THE CASE FOR PEACE

HOW THE ARAB-ISRAELI CONFLICT CAN BE RESOLVED

Wiley In *The Case for Peace*, Dershowitz identifies twelve geopolitical barriers to peace between Israel and Palestine—and explains how to move around them and push the process forward. From the division of Jerusalem and Israeli counterterrorism measures to the security fence and the Iranian nuclear threat, his analyses are clear-headed, well-argued, and sure to be controversial. According to Dershowitz, achieving a lasting peace will require more than tough-minded negotiations between Israelis and Palestinians. In academia, Europe, the UN, and the Arab world, Israel-bashing and anti-Semitism have reached new heights, despite the recent Israeli-Palestinian movement toward peace. Surveying this outpouring of vilification, Dershowitz deconstructs the smear tactics used by Israel-haters and shows how this kind of anti-Israel McCarthyism is aimed at scuttling any real chance of peace.

THE TONGUE AND QUILL

AFH 33-337

The Tongue and Quill has been a valued Air Force resource for decades and many Airmen from our Total Force of uniformed and civilian members have contributed their talents to various editions over the years. This revision is built upon the foundation of governing directives and user's inputs from the unit level all the way up to Headquarters Air Force. A small team of Total Force Airmen from the Air University, the United States Air Force Academy, Headquarters Air Education and Training Command (AETC), the Air Force Reserve Command (AFRC), Air National Guard (ANG), and Headquarters Air Force compiled inputs from the field and rebuilt The Tongue and Quill to meet the needs of today's Airmen. The team put many hours into this effort over a span of almost two years to improve the content, relevance, and organization of material throughout this handbook. As the final files go to press it is the desire of The Tongue and Quill team to say thank you to every Airman who assisted in making this edition better; you have our sincere appreciation!

THINKING CLEARLY WITH DATA

A GUIDE TO QUANTITATIVE REASONING AND ANALYSIS

Princeton University Press An engaging introduction to data science that emphasizes critical thinking over statistical techniques An introduction to data science or statistics shouldn't involve proving complex theorems or memorizing obscure terms and formulas, but that is exactly what most introductory quantitative textbooks emphasize. In contrast, *Thinking Clearly with Data* focuses, first and foremost, on critical thinking and conceptual understanding in order to teach students how to be better consumers and analysts of the kinds of quantitative information and arguments that they will encounter throughout their lives. Among much else, the book teaches how to assess whether an observed relationship in data reflects a genuine relationship in the world and, if so, whether it is causal; how to make the most informative comparisons for answering questions; what questions to ask others who are making arguments using quantitative evidence; which statistics are particularly informative or misleading; how quantitative evidence should and shouldn't influence decision-making; and how to make better decisions by using moral values as well as data. Filled with real-world examples, the book shows how its thinking tools apply to problems in a wide variety of subjects, including elections, civil conflict, crime, terrorism, financial crises, health care, sports, music, and space travel. Above all else, *Thinking Clearly with Data* demonstrates why, despite the many benefits of our data-driven age, data can

never be a substitute for thinking. An ideal textbook for introductory quantitative methods courses in data science, statistics, political science, economics, psychology, sociology, public policy, and other fields. Introduces the basic toolkit of data analysis—including sampling, hypothesis testing, Bayesian inference, regression, e
