Japan Report

Tai-Pan

Dell "A fabulous epic of the Far East that will disturb and excite you . . . a thrilling and enticing tale of adventure and human relationships . . . dramatic episodes, exotic vignettes and heady descriptive passages."—Baltimore Sun It is the early 19th century, when European traders and adventurers first began to penetrate the forbidding Chinese mainland. And it is in this exciting time and exotic place that a giant of an Englishman, Dirk Straun, sets out to turn the desolate island of Hong Kong into an impregnable fortress of British power, and to make himself supreme ruler...Tai-Pan! Praise for Tai-Pan "Unforgettable."—Chicago Tribune "[James] Clavell is, as always, a matchless tale-spinner."—Cosmopolitan "Every five or six years there appears on the horizon a book so vast in scope, so peopled with bold, colorful characters, it eclipses other efforts. . . . Such a book is Tai-Pan."—Pittsburgh Press "Grand entertainment...packed with action...gaudy and flamboyant with blood and sin, treachery and conspiracy, sex and murder...fresh and vigorous." —The New York Times

How Successful People Think

Change Your Thinking, Change Your Life

Center Street Gather successful people from all walks of life-what would they have in common? The way they think! Now you can think as they do and revolutionize your work and life! A Wall Street Journal bestseller, HOW SUCCESSFUL PEOPLE THINK is the perfect, compact read for today's fast-paced world. America's leadership expert John C. Maxwell will teach you how to be more creative and when to question popular thinking. You'll learn how to capture the big picture while focusing your thinking. You'll find out how to tap into your creative potential, develop shared ideas, and derive lessons from the past to better understand the future. With these eleven keys to more effective thinking, you'll clearly see the path to personal success.

Alaska

A Novel

Dial Press In this sweeping epic of the northernmost American frontier, James A. Michener guides us through Alaska's fierce terrain and history, from the long-forgotten past to the bustling present. As his characters struggle for survival, Michener weaves together the exciting high points of Alaska's story: its brutal origins; the American acquisition; the gold rush; the tremendous growth and exploitation of the salmon industry; the arduous construction of the Alcan Highway, undertaken to defend the territory during World War II. A spellbinding portrait of a human community fighting to establish its place in the world, Alaska traces a bold and majestic saga of the enduring spirit of a land and its people. BONUS: This edition includes an excerpt from James A. Michener's Hawaii. Praise for Alaska "Few will escape the allure of the land and people [Michener] describes. . . . Alaska takes the reader on a journey through one of the bleakest, richest, most foreboding, and highly inviting territories in our Republic, if not the world. . . . The characters that Michener creates are bigger than life."—Los Angeles Times Book Review "Always the master of exhaustive historical research, Michener tracks the settling of Alaska [in] vividly detailed scenes and well-developed characters."—Boston Herald "Michener is still, sentence for sentence, writing's fastest attention grabber."—The New York Times
