KEY=CHANNEL - SNYDER HERRERA

The First, the Few, the Only How Women of Color Can Redefine Power in Corporate America

HarperCollins A deeply personal call to action for women of color to find power from within and to join together in community, advocating for a new corporate environment where we all belong—and are accepted—on our own terms. Women of color comprise one of the fastest-growing segments in the corporate workforce, yet often we are underrepresented—among the first, few, or only ones in a department or company. For too long, corporate structures, social zeitgeist, and cultural conditioning have left us feeling exhausted and downtrodden, believing that in order to “fit in” and be successful, we must hide or change who we are. As a former senior partner at a large global services firm, Deepa Purushothaman experienced these feelings of isolation and burnout. She met with hundreds of other women of color across industries and cultural backgrounds, eager to hear about their unique and shared experiences. In doing so, she has come to understand our collective setbacks—and the path forward in achieving our goals. Business must evolve—and women of color have the potential to lead that transformation. We must begin by pushing back against toxic messaging—including the things we tell ourselves—while embracing the valuable cultural viewpoints and experiences that give us unique perspectives at work. By fully realizing our own strengths, we can build

collective power and use it to confront microaggressions, outdated norms, and workplace misconceptions; create cultures where belonging is never conditional; and rework corporations to be genuinely inclusive to all. *The First, the Few, the Only* is a road map for us to make a profound impact within and outside our organizations while ensuring that our words are heard, our lived experiences are respected, and our contributions are finally valued.

Bevelations

Lessons from a Mutha, Auntie, Bestie

Andy Cohen Books "Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book."
 —Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes." —Pharrell Williams
 From the host of the fabulous and popular show *Bevelations* on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and unapologetic life—and how you can, too. Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), *Bevelations* candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes.

Radio

Taylor & Francis An invaluable advantage over your competition, this "cheat-sheet" for the radio programmer includes practical advice regarding: Radio as a career--from tips on getting started to job negotiations Programming--talk radio and music, from format science to picking the hits Relationships with listeners--everything from staying in touch with your audience to public image Branding, marketing, and advertising the radio station Research--music tests, audience analysis, ratings, and more Practical information about management policies Radio realities--information on rules and regulations This latest edition has been updated to include: Important updates on an ever-evolving field Essential forms for radio station functions--production orders, personnel files, absentee reports, PSA schedules, format clocks, remote schedule, and more& to be accompanied by an on-line section of electronic forms for convenience Ideas for successfully programming in new radio formats like satellite, internet, and cable In such a competitive industry where formal training can be hard to come by, **Radio: The Book, 4e**, is a short-cut to the fast track for current and future programmers and program directors

My Home, My Money Pit

Your Guide to Every Home Improvement Adventure

Rowman & Littlefield THE MONEY PIT®, hosted by Tom Kraeutler and Leslie Segrete, is a syndicated home improvement call-in radio program that airs every weekend all over North America on more than 200 stations, as well as on XM Satellite Radio. Tom and Leslie give homeowners like you real information on how to get things done the right way by alerting you to what you need to know before you start a project. Room by room, Tom and Leslie share their extensive experience in home improvement, decorating, and remodeling in kitchens, bathrooms, bedrooms, family spaces, basements, and laundry rooms. They tell you secrets about lowering your energy bills. They've got great ideas about curb appeal and making exterior maintenance easier. And they give the best counsel anywhere on home safety and security, insurance, and preparing your home for sale. Before you start your next project, get advice from Tom and Leslie.

Mad World

An Oral History of New Wave Artists and Songs That Defined the 1980s

Abrams Mad World is a highly entertaining oral history that celebrates the New Wave music phenomenon of the 1980s via new interviews with 35 of the most notable artists of the period. Each chapter begins with a discussion of their most popular song but leads to stories of their history and place in the scene, ultimately painting a vivid picture of this colorful, idiosyncratic time. Mixtape suggestions, fashion sidebars, and quotes from famous contemporary admirers help fill out the fun. Participants include members of Duran Duran, New Order, The Smiths, Tears for Fears, Adam Ant, Echo and the Bunnymen, Devo, ABC, Spandau Ballet, A Flock of Seagulls, Thompson Twins, and INXS.

Become a Better You Journal

A Guide to Improving Your Life Every Day

Simon and Schuster The perfect companion to Osteen's #1 "New York Times" bestseller "Become a Better You," this journal helps readers integrate his seven simple yet profound principles into their hearts on a day-to-day basis.

Punk Rock Blitzkrieg

My Life as a Ramone

Simon and Schuster The "entertaining and enlightening" (Stephen King) final word on the genius and mischief of the Ramones, told by the man who created the beat behind their iconic music and lived to tell about it. When punk rock reared its spiky head in the early seventies, Marc Bell had the best seat in the house. Already a young veteran of the prototype American metal band Dust, Bell took residence in artistic, seedy Lower Manhattan, where he played drums in bands that would shape rock music for decades to come, including Wayne County, who pioneered transsexual rock, and Richard Hell and the Voidoids, who directly inspired the entire early British punk scene. If punk had royalty, in 1978 Marc became part of it when he was knighted "Marky Ramone" by Johnny, Joey, and Dee Dee of the iconoclastic Ramones. The band of tough misfits were a natural fit for Marky, who dressed punk before there was punk, and who brought his

“blitzkrieg” style of drumming as well as the studio and stage experience the band needed to solidify its lineup. Together, they changed the world. But Marky Ramone changed, too. The epic wear and tear of a dysfunctional group (and the Ramones were a step beyond dysfunction) endlessly crisscrossing the country and the world in an Econoline—practically a psychiatric ward on wheels—drove Marky from partying to alcoholism. When his life started to look more out of control than Dee Dee’s, he knew he had a problem. Marky left music in the mid-eighties to enter recovery and eventually returned to help the Ramones finally receive their due as one of the greatest and most influential bands of all time. Covering in unflinching detail the cult film Rock ‘N’ Roll High School to “I Wanna Be Sedated” to Marky’s own struggles, Punk Rock Blitzkrieg is an authentic and always honest look at the people who reinvented rock music, and not a moment too soon.

Meeting Your Half-Orange

An Utterly Upbeat Guide to Using Dating Optimism to Find Your Perfect Match

Running Press Adult How would you like to have a wonderfully well-suited, kind, adoring half-orange who feels like a teammate, a partner in crime, a true other half? “Half-Orange” refers to the Spanish term *mi media naranja*, which describes one’s sweetheart, that perfect other half. What if you heard he or she would be coming along soon? Would you be relieved? Excited? Happy? Well those are the feelings that dating optimism can give you. Rather than admonishing readers to make themselves more available, or turn dating into a full-time job, Spencer’s program of dating optimism is a fun, results-oriented way to find a healthy happy relationship, based on brain science and psychology that can help you become a more positive dater. She’ll guide you through sowing the orange seed of your ideal relationship and growing it to “fruit-ion.” In essence, by focusing positively about dating, you can actually change your brain, which changes everything from your body language to the way you perceive others and what you ultimately attract. Meeting Your Half-Orange is the pep talk that puts finding true love back into your own hands. It will guide you toward becoming so focused on the relationship you want and so happy in your own skin, the right person will be naturally drawn straight to you. You’ve never read a dating guide like this before. But best of all, it will be the last one you’ll ever need.

Let's Play Doctor

The Instant Guide to Walking, Talking, and Probing Like a Real M.D.

Just \$14.95. Enroll today! It's time to play doctor!

The Pocket Idiot's Guide to Satellite Radio

Alpha Books We all have our favourite radio stations-the ones we listen to each morning on the way to work or school, at night as we relax or get ready to go out. But when we travel too far from the signal, we wind up with static, and find ourselves scanning through countless stations to find something-anything-to listen to. With satellite radio, however, our favourite stations are available to us from one end of the country to the other, playing the music or talk shows we like 24 hours a day, 7 days a week . . . all virtually uninterrupted by commercials. The Pocket Idiot's Guide to Satellite Radioprovides an essential introduction to the world of satellite radio. Whether you're considering making the purchase and are confused by the options and equipment available or are already a user looking for installation guidance and tips and tricks for getting the most out of your purchase, this book is designed to help you navigate through

the sometimes-complicated world of satellite radio.

The Awesome Guide to Life

Get Fit, Get Laid, Get Your Sh*t Together

Harper Collins From the New York Times bestselling author, pro skater, satellite radio star and host of The Jason Ellis Show comes The Awesome Guide to Life, a hilarious follow-up full of no-holds-barred advice to help you get the most out of life. Drawing from his own experiences, Ellis offers the wisdom he's accumulated to help you handle any situation. Laugh-out-

loud funny, told in the irreverent voice that draws legions of fans to his radio show, *The Awesome Guide to Life* teaches you how to create your signature look, how to party, how get laid, how to maintain a relationship, how to pick up a hooker—and more. But to maximize the opportunities that life has to offer you have to have confidence, Ellis argues—the confidence to define what you want, pursue your passion, and make your dreams a reality. In *The Awesome Guide to Life* Jason Ellis shows you how to develop the positive attitude you need to truly make things happen.

The New York Times Guide to Essential Knowledge

A Desk Reference for the Curious Mind

Macmillan A latest edition of a popular guide features updated and expanded entries in nearly 50 categories and incorporates new material for topics ranging from atheism and discoveries to beer and digital media.

Guide to Digital Home Technology Integration

Cengage Learning The most complete, up-to-date resource for home technology integration and home automation available, *Residential Integrator's Guide to Digital Home Technology Integration* explores how the latest high-tech systems converge to create integrated, whole-home unified systems. With a focus on installation, troubleshooting, and maintenance, coverage includes LANs, internet connectivity, video and audio systems, telephone systems, security systems, lighting controls, and more. The book first focuses on the basics of each technology segment, what it does, and how its various components work, and then progresses to explain how to connect these components into a unified working system that accomplishes a specific function. This instruction culminates in the ultimate in home technology integration fundamentals: it reveals how all home technologies can be integrated in a single home automation and communication system that provides maximum performance in all areas, while staying within the budget of the average home owner. Designed for the professional installer who wants to obtain DHTI+ certification or do-it-yourself home owners, the book's straightforward writing style and comprehensive approach make this a valuable resource. Important Notice: Media content referenced within the product description or the product

text may not be available in the ebook version.

Petty

The Biography

Henry Holt and Company The New York Times Bestseller *One of Rolling Stone's 10 Best Music Books of 2015* An exhilarating and intimate account of the life of music legend Tom Petty, by an accomplished writer and musician who toured with Petty No one other than Warren Zanes, rocker and writer and friend, could author a book about Tom Petty that is as honest and evocative of Petty's music and the remarkable rock and roll history he and his band helped to write. Born in Gainesville, Florida, with more than a little hillbilly in his blood, Tom Petty was a Southern shit kicker, a kid without a whole lot of promise. Rock and roll made it otherwise. From meeting Elvis, to seeing the Beatles on Ed Sullivan, to producing Del Shannon, backing Bob Dylan, putting together a band with George Harrison, Dylan, Roy Orbison, and Jeff Lynne, making records with Johnny Cash, and sending well more than a dozen of his own celebrated recordings high onto the charts, Tom Petty's story has all the drama of a rock and roll epic. Now in his mid-sixties, still making records and still touring, Petty, known for his reclusive style, has shared with Warren Zanes his insights and arguments, his regrets and lasting ambitions, and the details of his life on and off the stage. This is a book for those who know and love the songs, from "American Girl" and "Refugee" to "Free Fallin'" and "Mary Jane's Last Dance," and for those who want to see the classic rock and roll era embodied in one man's remarkable story. Dark and mysterious, Petty manages to come back, again and again, showing us what the music can do and where it can take us.

Hyena

Simon and Schuster "In the vein of Charles Bukowski, Augusten Burroughs and Hunter S. Thompson is Jude Angelini, host of Sirius Radio's wildly popular "The All Out Show", and his collection of brutally honest and blackly comical autobiographical essays"--

Personally Speaking

Catholic Book Publishing Corporation This latest collection of essays by columnist and tlak show host, Father Jim Lisante, provides lively discussion material for individuals and groups searching for a Catholic response to contemporary issues.

Glitter Up the Dark

How Pop Music Broke the Binary

University of Texas Press Why has music so often served as an accomplice to transcendent expressions of gender? Why did the query "is he musical?" become code, in the twentieth century, for "is he gay?" Why is music so inherently queer? For Sasha Geffen, the answers lie, in part, in music's intrinsic quality of subliminal expression, which, through paradox and contradiction, allows rigid gender roles to fall away in a sensual and ambiguous exchange between performer and listener. *Glitter Up the Dark* traces the history of this gender fluidity in pop music from the early twentieth century to the present day. Starting with early blues and the Beatles and continuing with performers such as David Bowie, Prince, Missy Elliot, and Frank Ocean, Geffen explores how artists have used music, fashion, language, and technology to break out of the confines mandated by gender essentialism and establish the voice as the primary expression of gender transgression. From glam rock and punk to disco, techno, and hip-hop, music helped set the stage for today's conversations about trans rights and recognition of nonbinary and third-gender identities. *Glitter Up the Dark* takes a long look back at the path that led here.

Stuff You Should Know

An Incomplete Compendium of Mostly Interesting Things

Flatiron Books From the duo behind the massively successful and award-winning podcast Stuff You Should Know comes an unexpected look at things you thought you knew. Josh Clark and Chuck Bryant started the podcast Stuff You Should Know back in 2008 because they were curious—curious about the world around them, curious about what they might have missed in their formal educations, and curious to dig deeper on stuff they thought they understood. As it turns out, they aren't the only curious ones. They've since amassed a rabid fan base, making Stuff You Should Know one of the most popular podcasts in the world. Armed with their inquisitive natures and a passion for sharing, they uncover the weird, fascinating, delightful, or unexpected elements of a wide variety of topics.

The pair have now taken their near-boundless "whys" and "hows" from your earbuds to the pages of a book for the first time—featuring a completely new array of subjects that they've long wondered about and wanted to explore. Each chapter is further embellished with snappy visual material to allow for rabbit-hole tangents and digressions—including charts, illustrations, sidebars, and footnotes. Follow along as the two dig into the underlying stories of everything from the origin of Murphy beds, to the history of facial hair, to the psychology of being lost. Have you ever wondered about the world around you, and wished to see the magic in everyday things? Come get curious with *Stuff You Should Know*. With Josh and Chuck as your guide, there's something interesting about everything (...except maybe jackhammers).

The Grace Message

Is the Gospel Really This Good?

Simon and Schuster What Is God's Grace—and What Does It Mean for You? Grace. It's a word we've heard since the very first step in our faith journey—but do we really believe in God's grace? Grace raises eyebrows. It begs questions. Grace turns everything upside down. **The Grace Message** invites you to discover the best flavor of Christianity and celebrate the good news of the Gospel to the fullest. Here, you'll learn: • how to abandon rule-based living and stop trying to measure up • why your new identity in Jesus matters more than you can imagine • how you can now enjoy God's New Covenant way of grace **Bestselling author and radio host Andrew Farley's no-nonsense straight talk will awaken you to a revolutionary perspective every healthy Christian should have. Life is too short to miss out on God's best—and what you don't know can hinder you from experiencing Jesus in every area of your life. So if you've been weighed down by ruthless religion, or you've been searching for that high-octane version of the Gospel that you know must be out there somewhere, here it is. This thought-provoking book will challenge you to dismiss the lies you've believed and to make up your own mind about how big God's grace really is. "Andrew Farley shows why the good news is actually great news. This extraordinary, battle-tested message of hope and freedom has a proven track record of transforming lives. The Grace Message is bursting with truth. The love of God practically drips from its pages. Read it and see for yourself!" —Bart Millard, singer/songwriter for MercyMe**

Why Do Men Have Nipples?

Hundreds of Questions You'd Only Ask a Doctor After Your Third Martini

Crown Archetype **Is There a Doctor in the House?** Say you're at a party. You've had a martini or three, and you mingle through the crowd, wondering how long you need to stay before going out for pizza. Suddenly you're introduced to someone new, Dr. Nice Tomeetya. You forget the pizza. Now is the perfect time to bring up all those strange questions you'd like to ask during an office visit with your own doctor but haven't had the guts (or more likely the time) to do so. You're filled with liquid courage . . . now is your chance! If you've ever wanted to ask a doctor . . . •How do people in wheelchairs have sex? •Why do I get a killer headache when I suck down my milkshake too fast? •Can I lose my contact lens inside my head forever? •Why does asparagus make my pee smell? •Why do old people grow hair on their ears? •Is the old adage "beer before liquor, never sicker, liquor before beer . . ." really true? . . . then **Why Do Men Have Nipples?** is the book for you. Compiled by Billy Goldberg, an emergency medicine physician, and Mark Leyner, bestselling author and well-known satirist, **Why Do Men Have Nipples?** offers real factual and really funny answers to some of the big questions about the oddities of our bodies.

The book includes statistical tables covering revenues for several industry sectors. Purchasers of either the book or PDF version can receive a free copy of the company profiles database on CD-ROM, enabling key word search and export of key data.

Media Ownership and Concentration in America

Oxford University Press The concentration of private power over media has been the subject of intense public debate around the world. Critics have long feared waves of mergers creating a handful of large media firms that would hold sway over public opinion and endanger democracy and innovation. But others believe with equal fervor that the Internet and deregulation have opened the media landscape significantly. How concentrated has the American information sector really become? What are the facts about American media ownership? In this contentious environment, Eli Noam provides a comprehensive and balanced survey of media concentration with a methodical, scientific approach. He assembles a wealth of data from the last 25 years about mass media such as radio, television, film, music, and print publishing, as well as the Internet, telecommunications, and media-related information technology. After examining 100 separate media and network industries in detail, Noam

provides a powerful summary and analysis of concentration trends across industries and major media sectors. He also looks at local media power, vertical concentration, and the changing nature of media ownership through financial institutions and private equity. The results reveal a reality much more complex than the one painted by advocates on either side of the debate. They show a dynamic system that fluctuates around long-term concentration trends driven by changing economics and technology. *Media Ownership and Concentration in America* will be essential reading and a trove of information for scholars and students in media, telecommunications, IT, economics, and the history of business, as well as media industry professionals, business researchers, and policy makers around the world. Critics and defenders of media trends alike will find much that confirms and refutes their world view. But the next round of their debate will be shaped by the facts presented in this book.

Do You Love Football?!

Winning with Heart, Passion, and Not Much Sleep

Harper Collins When Jon Gruden asks his Tampa Bay Bucs, "Do you love football?!" it's to remind them why they pull on their shoulder pads every Sunday morning. It's not about the money or the fame; it's about their passion for what they do. And passion is something that has fueled Gruden's entire career. From his college playing days and his climb through the coaching ranks -- from college to assistant coaching jobs with the NFL's elite teams, to his first head coach job with the Oakland Raiders, and finally, with the Tampa Bay Bucs -- his meteoric rise is unparalleled. Underneath it all, though, he's just a humble, hardworking, no-nonsense guy who has no hobbies: "I'm not a scratch golfer. I don't know how to bowl. I can't read the stock market. Hell, I have a hard time remembering my wife's cell phone number. But I can call 'Flip Right Double X Jet 36 Counter Naked Waggle at 7 X Quarter' in my sleep." Now, in this motivational memoir, Gruden provides insight into what makes him tick. *Do You Love Football?!* is an intimate look at his life as a player, coach, and head coach, as well as the principles that have made him the hottest coach in the NFL.

Unconscious Putting

Dave Stockton's Guide to Unlocking

Your Signature Stroke

Penguin "The Pro Tours' Hottest Coach" (Golf Digest) reveals the secrets that helped Phil Mickelson win the 2010 Masters and can utterly transform every player's game. When a resurgent Phil Mickelson won the Tour Championship in September 2009, he was quick to credit a series of simple putting lessons from veteran golf champion and instructor Dave Stockton. As a top coach, Stockton has taught a long list of pro players-including Annika Sorenstam, Yani Tseng (winner of four LPGA tournaments), Adam Scott (Texas Open champion), Hunter Mahan (Phoenix Open champion), and Morgan Pressel (World Ladies Championship of Japan winner)-the putting strategies that finessed their game. Stockton's breakthrough concept is that every player has their own Signature Stroke, which is unconscious. Good putting comes from the mind, Stockton says, not from a series of stiff mechanical positions. With visualization, the right frame of mind, an efficient pre-putt routine, and connection to the individual internal stroke signature, any player can make far more putts. Putting has always been taught as an offshoot to the full swing, when in reality it is far different- almost a different game. Unconscious Putting will help players get out of the rigid, mechanical, overthinking trap. In Unconscious Putting, Stockton shows how players at every handicap level-from pros to weekend golfers-can putt effortlessly and with confidence by integrating a new mental approach with a few simple physical routines that will keep them locked on target. Readers will also gain invaluable advice on reading greens and equipment. Illustrated throughout and filled with anecdotes about how Stockton's lessons have helped today's leading players, Unconscious Putting is a must-have golf book and a category classic-in-the-making.

Vault Guide to the Top Media & Entertainment Employers

Vault Inc. With this new Guide created for the many job seekers drawn to the glamorous and exciting world of media and entertainment.

Now What?

A Guide for New (and Not-So-New)

Catholics

Franciscan Media You've joined the Church or rediscovered your faith: Now what? If you're at a loss about how to participate fully in the Church, connect with your local parish, and understand all those "quirky" Catholic things they didn't cover in your catechism classes, this book can help. It offers practical advice and clears up misconceptions about what it means to be Catholic. Patrick Madrid is the perfect coach—able to offer encouragement when things seem odd or difficult, explain why Catholics say and do (and don't say or do) certain things, and help new converts fully live their Catholic faith. Here is a practical guide for all those who feel out of their element now that they are in the Catholic Church.

Insight Guides United States on the Road

Apa Publications (UK) Limited Plan the perfect road trip with **Insight Guide USA On The Road**, an inspiring, full-colour travel guide to the ultimate American travel experience - taking you to the open road across the USA: An inspirational Best of the United States section illustrates on-the-road highlights, making sure you don't miss anything these spectacular trips have to offer, from historical sites to best diners. 'Insight Guides has spawned many imitators but is still the best of its type.' - Wanderlust Magazine

Media Management and Economics Research in a Transmedia Environment

Routledge This landmark work centers on media management and economics within a diverse, international, historical and constantly changing environment. The chapters herein reflect the current state of research and present directions for future study. Developed at the 2012 Research Symposium in conjunction with the annual convention of the Broadcast Education Association, it represents the most current theory and research in the area.

Dancing with Myself

Simon and Schuster A Rolling Stone Top 10 Best Music Books of the Year
 “That’s what I’m talking about...Of all these memoirs, *Dancing With Myself* was the only one that stimulated my envy—made me want to be Billy Idol for five minutes....He’s a genuine romantic, writing in a kind of overheated journalese about his London punk rock roots...and then falling head over heels for America” (James Parker, *The New York Times Book Review*). An early architect of punk rock’s sound, style, and fury, whose lip-curling sneer and fist-pumping persona vaulted him into pop’s mainstream as one of MTV’s first megastars, Billy Idol remains, to this day, a true rock ‘n’ roll icon. Now, in his *New York Times* bestselling autobiography, *Dancing with Myself*, Idol delivers an electric, “refreshingly honest” (*Daily News, New York*) account of his journey to fame—from his early days as front man of the pioneering UK punk band *Generation X* to the decadent life atop the dance-rock kingdom he ruled—delivered with the same in-your-face attitude and fire his fans have embraced for decades. Beyond adding his uniquely qualified perspective to the story of the evolution of rock, Idol is a brash, lively chronicler of his own career. A survivor’s tale at its heart, this sometimes chilling and always riveting account of one man’s creative drive joining forces with unbridled human desire is unmistakably literary in its character and brave in its sheer willingness to tell. With it, Billy Idol is destined to emerge as one of the great writers among his musical peers. “I am hopelessly divided between the dark and the good, the rebel and the saint, the sex maniac and the monk, the poet and the priest, the demagogue and the populist. Pen to paper, I’ve put it all down, every bit from the heart. I’m going on out a limb here, so watch my back.” —Billy Idol

Music, Lyrics, and Life

A Field Guide for the Advancing Songwriter

Rowman & Littlefield Music, Lyrics, and Life is the songwriting class you always wish you'd taken, taught by the professor you always wish you'd had. It's a deep dive into the heart of questions asked by songwriters of all levels, from how to begin journaling to when you know that a song is finished. With humor and empathy, acclaimed singer-songwriter Mike Errico unravels both the mystery of songwriting and the logistics of life as a songwriter. For years, this set of tools, prompts, and ideas has inspired students on campuses including Yale, Wesleyan, Berklee, Oberlin, and NYU's Clive Davis Institute of Recorded Music. Alongside his own lessons, Errico interviews the writers, producers, and A&R executives behind today's biggest hits and investigates the larger questions of creativity through lively conversations with a wide range of innovative thinkers: astrophysicist Janna Levin explains the importance of repetition, both in choruses and in the exploration of the universe; renowned painter John Currin praises the constraints of form, whether it's within a right-angled canvas or a three-minute pop song; bestselling author George Saunders unpacks the hidden benefit of writing, and revising, authentically; and much more. The result is that Music, Lyrics, and Life ends up revealing as much about the art of songwriting as it does about who we are, and where we may be going. This is a book for songwriters, future content creators, music lovers, and anyone who wants to understand how popular art forms are able to touch us so deeply. Mike Errico has honed these lessons over years of writing, performing, teaching, and mentoring, and no matter where you are on your songwriting journey, Music, Lyrics, and Life will help you build a creative world that's both intrinsic to who you are, and undeniable to whoever is listening.
