Some Enchanted Eclair Penguin FLOUR POWER When Hollywood invades Savannah's historic district to film a Revolutionary War movie, magical baker Katie Lightfoot, and her witches' coven, the Spellbook Club, take a break from casting spells for casting calls. One of the witches snags a part as an extra, while Katie's firefighter boyfriend, Declan, acts as on-set security. Katie and her aunt Lucy decide to stay out of the action, but after the movie's "fixer" fires the caterer, the Honeybee Bakery comes to the rescue, working their magic to keep the hungry crew happy. But when someone fixes the fixer—permanently—and a spooky psychic predicts Katie will find the killer, the charming baker and her fellow conjurers step in to sift through the suspects...before someone else winds up on the cutting room floor.... **Brownies and Broomsticks A Magical Bakery Mystery Penguin** Katie Lightfoot's tired of loafing around as the assistant manager of an Ohio bakery. So when her aunt Lucy and uncle Ben open a bakery in Savannah's quaint downtown district and ask Katie to join them, she enthusiastically agrees. While working at the Honeybee Bakery—named after Lucy's cat—Katie notices that her aunt is adding mysterious herbs to her recipes. Turns out these herbal enhancements aren't just tasty—Aunt Lucy is a witch and her recipes are actually spells! When a curmudgeonly customer is murdered outside the Honeybee Bakery, Uncle Ben becomes the prime suspect. With the help of handsome journalist Steve Dawes, charming firefighter Declan McCarthy, and a few spells, Katie and Aunt Lucy stir up some toil and trouble to clear Ben's name and find the real killer. **Charms and Chocolate Chips A Magical Bakery Mystery Penguin A HALF-BAKED HEX** Between brewing magically spiced treats at Honeybee Bakery and volunteering with a local conservation group, Katie Lightfoot barely has time to see her firefighter boyfriend, Declan McCarthy, much less delve further into her destiny as a witch. When a fellow volunteer for the conservation group is found dead, Katie's mystical senses tell her that there's more to the death than meets the eye. Her suspicions are confirmed when members of her coven are targeted next. Katie will have to embrace her powers quickly...or she may find herself chewed up and spit out by some serious black magic. **Bewitched, Bothered, and Biscotti A Magical Bakery Mystery Penguin** Witchy baker Katie Lightfoot's search for a killer gets her into a sticky situation with a secret society in this Magical Bakery mystery... As a new witch—not to mention owner of Savannah's most enchanting bakery—Katie Lightfoot is still getting used to casting spells, brewing potions, and mastering her magical powers. But that doesn't mean she can't find time to enjoy a picnic with firefighter Declan McCarthy...until she stumbles upon a corpse. The dead man's tattoo reveals he was a member of a secret society—and it turns out he's missing an object that was very important to the group. When Katie learns the killer was after more than the man's life, she and her Aunt Lucy leave the baked goods on the rack to cool and set off in hot pursuit of a killer. **Spells and Scones Penguin** There's a body in the bookshop in this latest novel from the New York Times bestselling author of the Magical Bakery mysteries... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime." —The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic. **Give Up the Ghost Berkley** From the New York Times bestselling author of *Keeper of the Castle*, San Francisco contractor and ghost whisperer Mel Turner must solve a murder mystery at a haunted mansion in the Pacific Heights... After a famous psychic is called in, she informs the Stirlings that their multi-million-dollar renovations to "update" the home have left its resident ghost extremely agitated. So contractor Mel Turner is engaged to track down and replace some of the original features of the house. But when the beautiful psychic is found stabbed, it appears someone had a very human motive for murder. Now Mel must use her ghost whispering gift to uncover the secrets of the haunted house on the hill, and her sleuthing skills to catch a killer. **Encyclopedia of Early Cinema Taylor & Francis** This encyclopedia presents a wealth of information on early cinema history, with coverage of the techniques and equipment of film production, profiles of the pioneering directors and producers, analysis of individual films and the rapid growth of distinct film genres, and the emergence of something the world had never seen before - the movie star.
