To Kill a Mockingbird Harper Collins Voted America's Best-Loved Novel in PBS's The Great American Read Harper Lee's Pulitzer Prize-winning masterwork of honor and injustice in the deep South—and the heroism of one man in the face of blind and violent hatred One of the most cherished stories of all time, *To Kill a Mockingbird* has been translated into more than forty languages, sold more than forty million copies worldwide, served as the basis for an enormously popular motion picture, and was voted one of the best novels of the twentieth century by librarians across the country. A gripping, heart-wrenching, and wholly remarkable tale of coming-of-age in a South poisoned by virulent prejudice, it views a world of great beauty and savage inequities through the eyes of a young girl, as her father—a crusading local lawyer—risks everything to defend a black man unjustly accused of a terrible crime. **To Kill a Mockingbird Summary & Analysis** Warning: This is an independent addition to Luckiest Girl Alive, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. Scout gives voice to every social circle in Maycomb through her story, as the little witness who sees all the comings and goings in the town. Together with Jem, she is her father's watcher, inspiring Atticus Finch to commit all his greatest efforts to the Tom Robinson case, so he can show his children what it means to fight a losing battle. She is the teller of her brother's secrets, letting readers look in on the changing morality and maturation of a young person growing up in a southern town in 1935, giving an insight into what the adults of Maycomb will look like fifteen years later. With her childlike spite and surprising wit, we can trust Scout Finch to tell the whole truth and nothing but. The lessons of *To Kill a Mockingbird* are for Atticus Finch to teach and for us, through his littlest daughter's eyes, to learn. Available on PC, Mac, smart phone, tablet or Kindle device. (c) 2015 All Rights Reserved **Spark Notes to Kill a Mocking Bird** Spark Notes SparkNotes LLC. offers a study guide for the Pulitzer Prize-winning novel "*To Kill a Mockingbird*," written by American author Harper Lee (1926-). The guide, compiled by Ross Douthat, contains a plot overview, character analysis, chapter summaries, quotations, and more. **Just Mercy A Story of Justice and Redemption** One World #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn’t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer’s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, *The New York Review of Books* “Searing, moving . . . Bryan Stevenson may, indeed, be America’s Mandela.”—Nicholas Kristof, *The New York Times* “You don’t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. *Just Mercy* will make you upset and it will make you hopeful.”—Ted Conover, *The New York Times Book Review* “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—*The Washington Post* “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—*The Financial Times* “Brilliant.”—*The Philadelphia Inquirer* **Jasper Jones** Knopf Books for Young Readers A 2012 Michael L. Printz Honor Book Charlie Bucktin, a bookish thirteen year old, is startled one summer night by an urgent knock on his bedroom window. His visitor is Jasper Jones, an outcast in their small mining town, and he has come to ask for Charlie's help. Terribly afraid but desperate to impress, Charlie follows him into the night. Jasper takes him to his secret glade, where Charlie witnesses Jasper's horrible discovery. With his secret like a brick in his belly, Charlie is pushed and pulled by a town closing in on itself in fear and

suspicion. He locks horns with his tempestuous mother, falls nervously in love, and battles to keep a lid on his zealous best friend. In the simmering summer where everything changes, Charlie learns why the truth of things is so hard to know, and even harder to hold in his heart. **Mockingbird** Usborne Publishing Ltd Caitlin misses her brother every day. Since his death in a school shooting, she has no one to explain the world to her. And for Caitlin, the world is a confusing place. She hates it when colours get mixed up, prefers everything to be black-and-white, and needs to check her Facial Expressions Chart to understand emotions. So when Caitlin reads the definition of “closure”, she decides that’s what she needs. And as she struggles to find it, a world of colour begins to enter her black-and-white life... **Thank You for Arguing What Aristotle, Lincoln, and Homer Simpson Can Teach Us about the Art of Persuasion** Three Rivers Press (CA) An introduction to the art of rhetoric explains how persuasion can profoundly influence personal and professional successes and reveals an array of techniques employed by such personalities as Aristotle and Winston Churchill. **Let the Circle Be Unbroken** Penguin "This dramatic sequel to Roll of Thunder, Hear My Cry is a powerful novel . . .capable of touching readers of any age." --The Christian Science Monitor **Wolf Hollow** Penguin A Newbery Honor Book New York Times Bestseller “Wolf Hollow has stayed with me long after I closed the book. It has the feel of an instant classic.” —Linda Sue Park, Newbery Medalist and New York Times bestselling author of A Long Walk to Water “This book matters.” —Sara Pennypacker, New York Times bestselling author of Pax Despite growing up in the shadows cast by two world wars, Annabelle has lived a mostly quiet, steady life in her small Pennsylvania town. Until the day new student Betty Glengarry walks into her class. Betty quickly reveals herself to be cruel and manipulative, and though her bullying seems isolated at first, it quickly escalates. Toby, a reclusive World War I veteran, soon becomes the target of Betty’s attacks. While others see Toby’s strangeness, Annabelle knows only kindness. And as tensions mount in their small community, Annabelle must find the courage to stand as a lone voice for justice. The brilliantly crafted debut of Newbery Honor- and Scott O’Dell Award-winning author Lauren Wolk (Beyond the Bright Sea, Echo Mountain), Wolf Hollow is a haunting tale of America at a crossroads and a time when one girl’s resilience, strength, and compassion help to illuminate the darkest corners of history. **All But My Life A Memoir** Hill and Wang All But My Life is the unforgettable story of Gerda Weissmann Klein's six-year ordeal as a victim of Nazi cruelty. From her comfortable home in Bielitz (present-day Bielsko) in Poland to her miraculous survival and her liberation by American troops—including the man who was to become her husband—in Volary, Czechoslovakia, in 1945, Gerda takes the reader on a terrifying journey. Gerda's serene and idyllic childhood is shattered when Nazis march into Poland on September 3, 1939. Although the Weissmanns were permitted to live for a while in the basement of their home, they were eventually separated and sent to German labor camps. Over the next few years Gerda experienced the slow, inexorable stripping away of "all but her life." By the end of the war she had lost her parents, brother, home, possessions, and community; even the dear friends she made in the labor camps, with whom she had shared so many hardships, were dead. Despite her horrifying experiences, Klein conveys great strength of spirit and faith in humanity. In the darkness of the camps, Gerda and her young friends manage to create a community of friendship and love. Although stripped of the essence of life, they were able to survive the barbarity of their captors. Gerda's beautifully written story gives an invaluable message to everyone. It introduces them to last century's terrible history of devastation and prejudice, yet offers them hope that the effects of hatred can be overcome. **The Changeling A Novel** One World “Mesmerizing . . . a dark fairy tale of New York, full of magic and loss, myth and mystery, love and madness.”—Marlon James, author of the Dark Star trilogy IN DEVELOPMENT AS AN APPLE TV+ SERIES STARRING LAKEITH STANFIELD • ONE OF TIME’S 100 BEST FANTASY BOOKS OF ALL TIME Winner of an American Book Award, a Locus Award for Best Horror Novel, a British Fantasy Award for Best Horror Novel, a World Fantasy Award for Best Novel • Nominated for a Shirley Jackson Award, an International Dublin Literary Award, a Mythopoeic Award for Literature When Apollo Kagwa’s father disappeared, he left his son a box of books and strange recurring dreams. Now Apollo is a father himself—and as he and his wife, Emma, settle into their new lives as parents, exhaustion and anxiety start to take their toll. Apollo’s old dreams return and Emma begins acting odd. At first Emma seems to be exhibiting signs of postpartum depression. But before Apollo can do anything to help, Emma commits a horrific act and vanishes. Thus begins Apollo’s quest to find a wife and child who are nothing like he’d imagined. His odyssey takes him to a forgotten island, a graveyard full of secrets, a forest where immigrant legends still live, and finally back to a place he thought he had lost forever. NAMED ONE OF PASTE’S BEST HORROR BOOKS OF THE DECADE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times • USA Today • The New York Public Library • NPR • BuzzFeed • Kirkus Reviews • Book Riot “The thriller you won’t be able to put down.”—O: The Oprah Magazine “Intense, riveting . . . The story is a long, slow burn with a lingering sizzle.”—Los Angeles Review of Books “A modern-day tale of terror rooted in ancient myth and folklore, brimming with magical revelation and emotional truth.”—San Francisco Chronicle **The Night Diary** Penguin A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." -Kirkus, starred review In the vein of Inside Out and Back Again and The War That Saved My Life comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, The Night Diary is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future. **Think Again The Power of Knowing What You Don't Know** Penguin #1 New York Times Bestseller “THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I’ve never felt so hopeful about what I don’t know.” —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set

of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom. **Sleeping Freshmen Never Lie** Penguin While navigating his first year of high school and awaiting the birth of his new baby brother, Scott loses old friends and gains some unlikely new ones as he hones his skills as a writer. **Code of the Street: Decency, Violence, and the Moral Life of the Inner City** W. W. Norton & Company Unsparing and important. . . . An informative, clearheaded and sobering book.—Jonathan Yardley, *Washington Post* (1999 Critic's Choice) Inner-city black America is often stereotyped as a place of random violence, but in fact, violence in the inner city is regulated through an informal but well-known code of the street. This unwritten set of rules—based largely on an individual's ability to command respect—is a powerful and pervasive form of etiquette, governing the way in which people learn to negotiate public spaces. Elijah Anderson's incisive book delineates the code and examines it as a response to the lack of jobs that pay a living wage, to the stigma of race, to rampant drug use, to alienation and lack of hope. **Lord of the Flies** Penguin Golding's iconic 1954 novel, now with a new foreword by Lois Lowry, remains one of the greatest books ever written for young adults and an unforgettable classic for readers of any age. This edition includes a new Suggestions for Further Reading by Jennifer Buehler. At the dawn of the next world war, a plane crashes on an uncharted island, stranding a group of schoolboys. At first, with no adult supervision, their freedom is something to celebrate. This far from civilization they can do anything they want. Anything. But as order collapses, as strange howls echo in the night, as terror begins its reign, the hope of adventure seems as far removed from reality as the hope of being rescued. **Shovel Bum Comix of Archaeological Field Life** Rowman Altamira "Shovel bums" endure weeks of flea-bitten motel beds, greasy roadhouse food, temperamental field vehicles, and long stretches of boredom to practice that most romantic of intellectual endeavors--archaeology. Ignored by the profession, working for low wages and little respect, they represent the vast majority of practicing archaeologists in North America. But, unlike unwed welfare mothers and highway underpass junkies, their plight is unknown and unheralded. No longer. The comix *Shovel Bum*, developed by de Boer and others in those late night beer sessions at the Motel 6, has now become a book, outlining the trials and tribulations of these unsung heroes of archaeology. Which SUV works best in the mud? How do you survey in a field of unexploded military ordnance? Which motel has the biggest breakfast? How do you construct your own trowel pouch? For an entertaining look at archaeology as it is really practiced in the United States, pick up a copy of *Shovel Bum*. **In Cold Blood** Modern Library Selected by the Modern Library as one of the 100 best nonfiction books of all time From the Modern Library's new set of beautifully repackaged hardcover classics by Truman Capote—also available are *Breakfast at Tiffany's* and *Other Voices, Other Rooms* (in one volume), *Portraits and Observations*, and *The Complete Stories* Truman Capote's masterpiece. *In Cold Blood*, created a sensation when it was first published, serially, in *The New Yorker* in 1965. The intensively researched, atmospheric narrative of the lives of the Clutter family of Holcomb, Kansas, and of the two men, Richard Eugene Hickock and Perry Edward Smith, who brutally killed them on the night of November 15, 1959, is the seminal work of the "new journalism." Perry Smith is one of the great dark characters of American literature, full of contradictory emotions. "I thought he was a very nice gentleman," he says of Herb Clutter. "Soft-spoken. I thought so right up to the moment I cut his throat." Told in chapters that alternate between the Clutter household and the approach of Smith and Hickock in their black Chevrolet, then between the investigation of the case and the killers' flight, Capote's account is so detailed that the reader comes to feel almost like a participant in the events. **A Time to Kill A Novel** Anchor #1 NEW YORK TIMES BESTSELLER • The master of the legal thriller probes the savage depths of racial violence in this searing courtroom drama featuring the beloved Jake Brigance. "John Grisham may well be the best American storyteller writing today."—*The Philadelphia Inquirer* The life of a ten-year-old black girl is shattered by two drunken and remorseless white men. The mostly white town of Clanton in Ford County, Mississippi, reacts with shock and horror at the inhuman crime—until the girl's father acquires an assault rifle and takes justice into his own hands. For ten days, as burning crosses and the crack of sniper fire spread through the streets of Clanton, the nation sits spellbound as defense attorney Jake Brigance struggles to save his client's life—and then his own. Don't miss any of John Grisham's gripping books featuring Jake Brigance: *A TIME TO KILL* • *SYCAMORE ROW* • *A TIME FOR MERCY* • *SPARRING PARTNERS* **Before We Were Yours A Novel** Ballantine Books THE BLOCKBUSTER HIT—Over two million copies sold! *A New York Times*, *USA Today*, *Wall Street Journal*, and *Publishers Weekly* Bestseller "Poignant, engrossing."—*People* • "Lisa Wingate takes an almost unthinkable chapter in our nation's history and weaves a tale of enduring power."—Paula McLain *Memphis*, 1939. Twelve-year-old Rill Foss and her four younger siblings live a magical life aboard their family's Mississippi River shantyboat. But when their father must rush their mother to the hospital one stormy night, Rill is left in charge—until strangers arrive in force. Wrenched from all that is familiar and thrown into a Tennessee Children's Home Society orphanage, the Foss children are assured that they will soon be returned to their parents—but they quickly realize the dark truth. At the mercy of the facility's cruel director, Rill fights to keep her sisters and brother together in a world of danger and uncertainty. Aiken, South Carolina, present day. Born into wealth and privilege, Avery Stafford seems to have it all: a successful career as a federal prosecutor, a handsome fiancé, and a lavish wedding on

the horizon. But when Avery returns home to help her father weather a health crisis, a chance encounter leaves her with uncomfortable questions and compels her to take a journey through her family's long-hidden history, on a path that will ultimately lead either to devastation or to redemption. Based on one of America's most notorious real-life scandals—in which Georgia Tann, director of a Memphis-based adoption organization, kidnapped and sold poor children to wealthy families all over the country—Lisa Wingate's riveting, wrenching, and ultimately uplifting tale reminds us how, even though the paths we take can lead to many places, the heart never forgets where we belong. Publishers Weekly's #3 Longest-Running Bestseller of 2017 • Winner of the Southern Book Prize • If All Arkansas Read the Same Book Selection This edition includes a new essay by the author about shantyboat life. **To Kill a Mockingbird 100 Page Summary** 100 Page Summaries Don't have time to read To Kill a Mockingbird but still want all the details? With 100 Page Summaries, you get a professional grade summary with just enough depth to understand all the important themes, characters, and plots. Why pay a premium for other discount summary books when 100 Page Summaries has more quality and a cheaper price. Not convinced? Take a look inside the book to see for yourself. This book offers: Overall Summary of the entire book Chapter by chapter summaries Chapter by chapter analysis Chapter by chapter key takeaways Character list and description Themes found throughout the book About the book About the Author **Glory Be** Scholastic Inc. A Mississippi town in 1964 gets riled when tempers flare at the segregated public pool. As much as Gloriana June Hemphill, or Glory as everyone knows her, wants to turn twelve, there are times when Glory wishes she could turn back the clock a year. Jesslyn, her sister and former confidante, no longer has the time of day for her now that she'll be entering high school. Then there's her best friend, Frankie. Things have always been so easy with Frankie, and now suddenly they aren't. Maybe it's the new girl from the North that's got everyone out of sorts. Or maybe it's the debate about whether or not the town should keep the segregated public pool open. Augusta Scattergood has drawn on real-life events to create a memorable novel about family, friendship, and choices that aren't always easy. **The theme of racism in Harper Lee's "To Kill a Mockingbird"** GRIN Verlag Seminar paper from the year 2019 in the subject Didactics - English - Literature, Works, grade: 4.1, , language: English, abstract: In Harper Lee's "To Kill a Mockingbird", the theme of racism is highlighted in various interactions between the characters. The story is narrated through the eyes of the protagonist, Scout, who resides in a fictional town in Alabama named Maycomb with her father Atticus and brother Jem. In the novel, various aspects of the vice are depicted, mainly in the conflict between the whites and the African-American community. Most of the misunderstandings in the town are caused by stereotypes that are told by members of opposing races. Thus, the narration details how prejudices and injustices along racial lines can impede social harmony. The discrimination against individuals based on their race was a common phenomenon in the 1930s. In history, people of color, particularly the blacks, were not accepted in white society. The white majority exercised supremacy over the black minority, and the latter was mainly involved in manual labor. **Magpie Murders A Novel** HarperCollins Soon to be a series on PBS MASTERPIECE! "A double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers." —Janet Maslin, The New York Times New York Times bestseller | Winner of the Macavity Award for Best Novel | #1 Indie Next Pick | NPR best book of the Year | Washington Post best book of the Year | Esquire best book of the Year From the New York Times bestselling author of Moriarty and Trigger Mortis, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery. When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pünd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job. Conway's latest tale has Atticus Pünd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder. Masterful, clever, and relentlessly suspenseful, **Magpie Murders** is a deviously dark take on vintage English crime fiction in which the reader becomes the detective. **The Outsiders** Pearson UK The struggle of three brothers to stay together after their parent's death and their quest for identity among the conflicting values of their adolescent society. **Ironweed** Simon and Schuster The beloved Pulitzer Prize-winning novel, basis of the film starring Jack Nicholson and Meryl Streep. Francis Phelan, ex-big-leaguer, part-time gravedigger, full-time bum with the gift of gab, is back in town. He left Albany twenty-two years earlier after he dropped his infant son accidentally, and the boy died. Now he's on the way back to the wife and home he abandoned, haunted at every corner by the ghosts of his violent life. Francis; his wino ladyfriend of nine years, Helen; and his stumblebum pal, Rudy, shuffle their ragtag way through the city's bleakest streets, surviving on gumption, muscatel, and black wit. estiny is not their business. 'The premise of Ironweed was so unpromising, that in marketing terms the writer still to this day finds it funny: the story of a bunch of itinerant alcoholics, knocking around Kennedy's hometown, falling out, having visions, trying to pass for sober to cadge a bed for the night in the homeless shelter.' Guardian 'But for all the rich variety of prose and event, from hallucination to bedrock realism to slapstick and to blessed quotidian peace, "Ironweed" is more austere than its predecessors. It is more fierce, but also more forgiving.' Quoted from the classic New York Times review of Ironweed, which made it an overnight sensation. **Fools Crow** Penguin The 25th-anniversary edition of "a novel that in the sweep and inevitability of its events...is a major contribution to Native American literature." (Wallace Stegner) In the Two Medicine Territory of Montana, the Lone Eaters, a small band of Blackfoot Indians, are living their immemorial life. The men hunt and mount the occasional horse-taking raid or war party against the enemy Crow. The women tan the hides, sew the beadwork, and raise the children. But the year is 1870, and the whites are moving into their land. Fools Crow, a young warrior and medicine man, has seen the future and knows that the newcomers will punish resistance with swift retribution. First published to broad acclaim in 1986, Fools Crow is James Welch's stunningly evocative portrait of his people's bygone way of life. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators. **To Kill a Mockingbird Good Kids, Bad City A Story of Race and Wrongful Conviction in America** Picador

From award-winning investigative journalist Kyle Swenson, *Good Kids, Bad City* is the true story of the longest wrongful imprisonment in the United States to end in exoneration, and a critical social and political history of Cleveland, the city that convicted them. In the early 1970s, three African-American men—Wiley Bridgeman, Kwame Ajamu, and Rickey Jackson—were accused and convicted of the brutal robbery and murder of a man outside of a convenience store in Cleveland, Ohio. The prosecution's case, which resulted in a combined 106 years in prison for the three men, rested on the more-than-questionable testimony of a pre-teen, Ed Vernon. The actual murderer was never found. Almost four decades later, Vernon recanted his testimony, and Wiley, Kwame, and Rickey were released. But while their exoneration may have ended one of American history's most disgraceful miscarriages of justice, the corruption and decay of the city responsible for their imprisonment remain on trial. Interweaving the dramatic details of the case with Cleveland's history—one that, to this day, is fraught with systemic discrimination and racial tension—Swenson reveals how this outrage occurred and why. *Good Kids, Bad City* is a work of astonishing empathy and insight: an immersive exploration of race in America, the struggling Midwest, and how lost lives can be recovered.

Girls Like Us Penguin From the New York Times bestselling author of *The Banker's Wife*, worlds collide when an FBI agent investigates a string of grisly murders on Long Island and faces the impossible question: What happens when the primary suspect is your father? FBI agent Nell Flynn hasn't been home in ten years. Nell and her father, Homicide Detective Martin Flynn, have never had much of a relationship. And Suffolk County will always be awash in memories of her mother, Marisol, who was murdered when Nell was just seven. When Martin dies in a motorcycle accident, Nell returns to the house where she grew up so that she can spread her father's ashes and close his estate. At the behest of her father's partner, Detective Lee Davis, Nell becomes involved in an investigation into the murders of two young women in Suffolk County. The further Nell digs, the more likely it seems to her that her father should be the prime suspect—and that his friends on the police force are covering his tracks. Plagued by doubts about her mother's murder, and her own role in exonerating her father in that case, Nell can't help but ask questions about who killed the two women and why. But she may not like the answers she finds—not just about those she loves, but about herself.

These Truths: A History of the United States W. W. Norton & Company New York Times Bestseller In the most ambitious one-volume American history in decades, award-winning historian and New Yorker writer Jill Lepore offers a magisterial account of the origins and rise of a divided nation, an urgently needed reckoning with the beauty and tragedy of American history. Written in elegiac prose, Lepore's groundbreaking investigation places truth itself—a devotion to facts, proof, and evidence—at the center of the nation's history. The American experiment rests on three ideas—"these truths," Jefferson called them—political equality, natural rights, and the sovereignty of the people. And it rests, too, on a fearless dedication to inquiry, Lepore argues, because self-government depends on it. But has the nation, and democracy itself, delivered on that promise? *These Truths* tells this uniquely American story, beginning in 1492, asking whether the course of events over more than five centuries has proven the nation's truths, or belied them. To answer that question, Lepore traces the intertwined histories of American politics, law, journalism, and technology, from the colonial town meeting to the nineteenth-century party machine, from talk radio to twenty-first-century Internet polls, from Magna Carta to the Patriot Act, from the printing press to Facebook News. Along the way, Lepore's sovereign chronicle is filled with arresting sketches of both well-known and lesser-known Americans, from a parade of presidents and a rogues' gallery of political mischief makers to the intrepid leaders of protest movements, including Frederick Douglass, the famed abolitionist orator; William Jennings Bryan, the three-time presidential candidate and ultimately tragic populist; Pauli Murray, the visionary civil rights strategist; and Phyllis Schlafly, the uncredited architect of modern conservatism. Americans are descended from slaves and slave owners, from conquerors and the conquered, from immigrants and from people who have fought to end immigration. "A nation born in contradiction will fight forever over the meaning of its history," Lepore writes, but engaging in that struggle by studying the past is part of the work of citizenship. "The past is an inheritance, a gift and a burden," *These Truths* observes. "It can't be shirked. There's nothing for it but to get to know it."

Code Orange While conducting research for a school paper on smallpox, Mitty finds an envelope containing 100-year-old smallpox scabs and fears that he has infected himself and all of New York City.

The Seven Husbands of Evelyn Hugo A Novel Simon and Schuster The epic adventures Evelyn creates over the course of a lifetime will leave every reader mesmerized. A Deadly Wandering A Mystery, a Landmark Investigation, and the Astonishing Science of Attention in the Digital Age Harper Collins "Deserves a spot next to *Fast Food Nation* and *To Kill a Mockingbird* in America's high school curriculums. To say it may save lives is self-evident." —New York Times Book Review (Editor's Choice) NEW YORK TIMES BESTSELLER • A BEST BOOK OF THE YEAR: San Francisco Chronicle, Christian Science Monitor, Kirkus, Winnipeg Free Press One of the decade's most original and masterfully reported books, *A Deadly Wandering* by Pulitzer Prize-winning New York Times journalist Matt Richtel interweaves the cutting-edge science of attention with the tensely plotted story of a mysterious car accident and its aftermath to answer some of the defining questions of our time: What is technology doing to us? Can our minds keep up with the pace of change? How can we find balance? On the last day of summer, an ordinary Utah college student named Reggie Shaw fatally struck two rocket scientists while texting and driving along a majestic stretch of highway bordering the Rocky Mountains. *A Deadly Wandering* follows Reggie from the moment of the tragedy, through the police investigation, the state's groundbreaking prosecution, and ultimately, Reggie's wrenching admission of responsibility. Richtel parallels Reggie's journey with leading-edge scientific findings on the impact technology has on our brains, showing how these devices play to our deepest social instincts. A propulsive read filled with surprising scientific detail, riveting narrative tension, and rare emotional depth, *A Deadly Wandering* is a book that can change—and save—lives.

Study Guide The False Prince (Super Summary) SuperSummary, a modern alternative to SparkNotes and CliffsNotes, offers high-quality study guides for challenging works of literature. Featured content includes commentary on major characters, 24 important quotes, essay topics, and key themes like The Fluidity of Identity and Morality, Survival, and Freedom.

Go Set a Watchman A Novel HarperCollins #1 New York Times Bestseller "Go Set a Watchman is such an important book, perhaps the most important novel on race to come out of the white South in decades." — New York Times A landmark novel by Harper Lee, set two decades after her beloved Pulitzer Prize-winning masterpiece, *To Kill a Mockingbird*. Twenty-six-year-old Jean Louise

Finch—"Scout"—returns home to Maycomb, Alabama from New York City to visit her aging father, Atticus. Set against the backdrop of the civil rights tensions and political turmoil that were transforming the South, Jean Louise's homecoming turns bittersweet when she learns disturbing truths about her close-knit family, the town, and the people dearest to her. Memories from her childhood flood back, and her values and assumptions are thrown into doubt. Featuring many of the iconic characters from *To Kill a Mockingbird*, *Go Set a Watchman* perfectly captures a young woman, and a world, in painful yet necessary transition out of the illusions of the past—a journey that can only be guided by one's own conscience. Written in the mid-1950s, *Go Set a Watchman* imparts a fuller, richer understanding and appreciation of the late Harper Lee. Here is an unforgettable novel of wisdom, humanity, passion, humor, and effortless precision—a profoundly affecting work of art that is both wonderfully evocative of another era and relevant to our own times. It not only confirms the enduring brilliance of *To Kill a Mockingbird*, but also serves as its essential companion, adding depth, context, and new meaning to an American classic. **Night Sparknotes Literature Guide** Spark Notes *The Holocaust*. **Go Set a Watchman Teaching Guide Teaching Guide and Sample Chapters** HarperCollins Written in the 1950s but unpublished until recently, *Go Set a Watchman* is neither a prequel nor a sequel to *To Kill a Mockingbird*, and attempting to read it as a simple continuation of the story does not do the work justice. As the adult Jean Louise, "Scout," returns to Macomb to visit Atticus, *Go Set a Watchman* perfectly captures a young woman, and a world, in painful yet necessary transition out of the illusions of the past—a journey that can only be guided by one's own conscience. While many characters appear in both novels, some significant characters, like Boo Radley and Hank Clinton, exist in only one of the texts. *Go Set a Watchman* is also strikingly different in style and tone. Thematically complex and highly allusive, it is a novel that demands active and close reading. This ebook contains sample chapters from *Go Set a Watchman* and a teaching guide to help educators lead their students through an exploration of the themes, structure, and allusive references in *Go Set a Watchman*. Questions in the Guided Reading and Discussion section will help highlight the development of plot, character, and theme. Because the text features allusions that students are likely to be unfamiliar with, the guide also includes an index of annotated allusions to help facilitate close reading. Prompts for Writing and Research provide topics for longer writing tasks or research projects. Finally, this guide features an additional section that explores the writer's craft by looking at both *To Kill a Mockingbird* and *Go Set a Watchman*. **The Tea Girl of Hummingbird Lane** Simon and Schuster A thrilling new novel from #1 New York Times bestselling author Lisa See explores the lives of a Chinese mother and her daughter who has been adopted by an American couple. Li-yan and her family align their lives around the seasons and the farming of tea. There is ritual and routine, and it has been ever thus for generations. Then one day a jeep appears at the village gate—the first automobile any of them have seen—and a stranger arrives. In this remote Yunnan village, the stranger finds the rare tea he has been seeking and a reticent Akha people. In her biggest seller, *Snow Flower and the Secret Fan*, See introduced the Yao people to
