The Development of a Common Framework Scale of Language Proficiency

Peter Lang Pub Incorporated Scales describing language proficiency in a series of levels can provide orientation for educational programmes, criteria for assessment, and reporting to stakeholders. However, in most cases such instruments are produced just by expert opinion. A scale of language proficiency actually implies a descriptive scheme related to theory but usable by practitioners. It also implies a methodology for scaling content to different levels. This book describes the use of both qualitative and quantitative techniques to develop scales for the «Common Reference Levels» in the Common European Framework of Reference for modern languages. Short stand-alone descriptors were (i) developed and classified, (ii) refined and elaborated in workshops, and then (iii) scaled by analyzing the judgments of one hundred teachers on the English language proficiency of the learners in their classes.

Hopeful

Louise Bay A long time ago, Joel Wentworth told me he'd love me for infinity . . . and I can't give up hope that it might have been true. How long does it take to get over your first love? Eight years should be long enough. My mind knows that, but there's no convincing my heart. Guys like Joel weren't supposed to fall for girls like me. He had his pick of women at University, but somehow the laws of nature were defied and we fell crazy in love. After graduation, Joel left to pursue his career in New York. He wanted me to go with him but my life was in London. We broke up and my heart split in two. I haven't seen or spoken to him since he left. If only I'd known that I'd love him this long, this painfully, this desperately. I might have said yes all those years ago. He might have been mine all this time in between. Now, he's moving back to London and I need to get over him before he gets over here. But how do you forget someone who gave you so much to remember? *Hopeful* is a stand alone, sexy contemporary romance. What others are saying about *Louise Bay*: "A fabulous, smouldering love story" Katy Evans, NYT bestselling author "Insanely hot passion, and deliciously naughty and sweet characters.
