THE PIANO SHOP ON THE LEFT BANK

DISCOVERING A FORGOTTEN PASSION IN A PARIS ATELIER

Random House A warm and intuitive portrait of the secret Paris—one closed to all but a knowing few—*The Piano Shop on the Left Bank* is the perfect book for music lovers, or for anyone who longs to recapture a lost passion. Thad Carhart never realized there was a gap in his life until he happened upon Desforges Pianos, a demure little shopfront in his Paris neighborhood that seemed to want to hide rather than advertise its wares. Like Alice in Wonderland, he found his attempts to gain entry rebuffed at every turn. An accidental introduction finally opened the door to the quartier's oddest hangout, where locals—from university professors to pipefitters—gather on Friday evenings to discuss music, love, and life over a glass of wine. Luc, the atelier's master, proves an excellent guide to the history of this most gloriously impractical of instruments. A bewildering variety passes through his restorer's hands: delicate ancient pianofortes, one perhaps the onetime possession of Beethoven. Great hulking beasts of thunderous voice. And the modest piano "with the heart of a lion" that was to become Thad's own.

Also, this publication does not supersede or modify any provision of those laws and regulations. Legislative and administrative changes are always under consideration and can occur at any time. Quota limitations on commodities are also subject to change. Therefore, reliance solely on the information in this book may not meet the "reasonable care" standard required of importers.
