THE CONTRACEPTION DECEPTION: CATHOLIC TEACHING ON BIRTH CONTROL

Emmaus Road Publishing The Contraception Deception: Catholic Teaching on Birth Control by author Patrick Coffin is a comprehensive assessment of the Church’s sexual ethic. In this expanded revised edition of Sex Au Naturel: What It is and Why It’s Good for Your Marriage, Coffin demonstrates how the rejection of Humanae Vitae impacts more than just our national birthrates. With relevant insight into the development and reception of Paul VI’s landmark 1968 encyclical, Coffin explains why Humanae Vitae is more timely than ever. In The Contraception Deception, you’ll learn where exactly the Bible teaches against birth control, the differences between contraception and natural family planning (hint: they’re more profound than you think), why other reproductive technologies fall short of God’s vision for marriage and family, and—most importantly—how to rely on the ever-present grace of God rather than your own strength in faithfully following this challenging, life-giving aspect of Christian discipleship.
