New Orleans Mourning Fawcett When the smiling King of Carnival is killed at Mardi Gras, policewoman Skip Langdon is on the case. She knows the upper-crust family of the victim and that it hides more than its share of glittering skeletons. But nothing could prepare her for the tangled web of clues and ancient secrets that would mean danger for her--and doom for the St. Amants.... "Smith is a gifted writer." THE WASHINGTON POST BOOK WORLD The Axeman's Jazz Ballantine Books "Julie Smith not only firmly establishes her claim to the New Orleans crime scene, but she explores an intriguing new franchise for the serial killer." Sue Grafton For detective Skip Langdon, the murder of a multiple self-help group member is no fun. Even if the guilty character is claiming the mantle last held by the Axeman, a notorious New Orleans serial killer of seventy years ago. Yet as Skip threads her fascinated way from one self-help group to another, she finds she has more in common with the twelve-steppers than just the murder. And she knows what they do not: that among their anonymous numbers is a deadly murderous, and dangerously attractive -- psychopath.... From the Paperback edition. Jazz Funeral A Skip Langdon Mystery Booksnimble NEW ORLEANS JAZZFEST PRODUCER STABBED! TEENAGE SISTER MISSING!Everybody loved easygoing Ham Brocato, producer of the famed New Orleans JazzFest. So how did he end up stabbed to death on his kitchen floor?New Orleans Homicide Detective Skip Langdon just happens to be on hand when Ham's body is discovered in the middle of his own party the evening before the Fest. To complicate the already murky case, the victim's sixteen-year-old blues musician sister has disappeared, and Skip suspects that if the young woman isn't the murderer, she's in mortal danger from the person who is. So Task One is finding Melody, ambitious, unhappy at home, and determined to break from her family.In this tale of southern kinships gone awry, she's assisted by her long-distance love, Steve Steinman, and her gay landlord, Jimmy Dee. Meanwhile, Melody's dangerous yet exhilarating journey tugs at the heart and raises the pulse rate. Crescent City Kill Skip Langdon, a New Orleans police detective, encounters death in her own hometown when the local police superintendent is gunned down and then the murderer is killed by a group who goes by the name of "the Jury" Therapeutic Stretching Human Kinetics Therapeutic Stretching focuses on the use of both active and passive stretching as part of the rehabilitation of common musculoskeletal conditions and injuries. Covering all forms of stretches for the able-bodied, injured, and selected special populations, Therapeutic Stretching is a comprehensive resource for practitioners and students working in massage therapy, osteopathy, physical therapy, occupational therapy, rehabilitation, and personal and athletic training. With both active and passive stretches outlined for a range of musculoskeletal conditions and injuries, Therapeutic Stretching offers a range of rehabilitative stretches for the foot and ankle, knee and leg, hip and thigh, upper limb, shoulder, elbow, wrist, hand and fingers, and back and neck. Author Jane Johnson, a practicing physiotherapist, sport massage therapist, and body work instructor, provides information on incorporating passive stretching as a treatment option and selecting appropriate active stretches for clients to practice at home. Heavily illustrated with more than 230 color photos, Therapeutic Stretching provides excellent visual instruction on client positioning and the most effective handholds for the application of passive stretches to various joints and soft tissues. A user-friendly format, clear explanations of stretching techniques, and visual guidance from photos help students and practitioners readily incorporate these stretches into their practice. Therapeutic Stretching outlines the rationale for stretching after musculoskeletal injury along with general safety guidelines and an overview of the musculoskeletal conditions addressed in the text. Also included is a discussion of the differences between and applications of passive, active, and advanced forms of stretching such as muscle energy technique (MET) and soft tissue release (STR). Readers of Therapeutic Stretching will find a 10-step process for designing, implementing, and assessing a stretching program. The text discusses applications of therapeutic stretching for three special populations: elderly clients, pregnant women, and athletes. For each, a listing of common physiological factors or characteristics that might affect a stretching program is included, along with tips on modifications to employ when working with these individuals. Following this foundational information are three chapters with photos and descriptions of active and passive stretches for musculoskeletal injuries and conditions of the lower limbs, upper limbs, and trunk. Here readers will find stretches useful for treating injuries and conditions such as sprained ankles, shin splints, runner's knee, tight calves or hamstrings, adhesive capsulitis, lateral epicondylitis, stiff wrists, kyphosis, low back pain, stiff neck, and whiplash. Special Tip boxes throughout the text offer guidance on modifying the stretches and techniques to meet the needs of individual clients. Tables detail the passive and active stretches covered in each chapter and indicate whether a stretch is contraindicated for a particular injury or condition. Following most chapters are five Quick Questions that assist readers in gauging their understanding of the content. In addition, Therapeutic Stretching includes a visual guide to stretching routines that could be performed in the prone, supine, and seated positions. These suggested routines assist students and practitioners new to therapeutic stretching in learning to apply these stretches in an efficient manner and without excessive repositioning of the client. Therapeutic Stretching offers a range of stretches to assist both current and future practitioners in safely treating clients rehabilitating from musculoskeletal conditions and injuries. Delivering the most up-to-date stretching techniques, this guide is a valuable resource for professionals in health care, rehabilitation, fitness, and body work seeking tools to assist their clients in alleviating muscular pain, reducing joint stiffness, and speeding recovery from injury. Therapeutic Stretching is part of the Hands-On Guides for Therapists series, providing tools of assessment and treatment that fall well within the realm of massage therapists but may be useful for other body workers, such as osteopaths and fitness instructors. The guides include full-color instructional photographs, Tips sections that provide advice on adjusting massage techniques, Client Talk boxes that present ideas for creatively applying techniques for various types of clients, and questions that test knowledge and skill. New Orleans Noir The Classics Akashic Books "Explores the dark corners of our city . . . set both pre- and post-Katrina . . . harrowing reading, to be sure, but it's pure page-turning pleasure, too." —The Times-Picayune Residents of the Big Easy are proud of its unique history and character. Resourceful and resilient, they are survivors—of natural disasters, as well as everyday tragedies. For off the beaten path, where tourists never travel, is a city that revels in scandal, sin, and seduction. New Orleans Noir includes stories by Ace Atkins, Laura Lippman, Patty Friedmann, Barbara Hambly, Tim McLoughlin, Olympia Vernon, David Fulmer, Jervey Tervalon, James Nolan, Kalamu ya Salaam, Maureen Tan, Thomas Adcock, Jeri Cain Rossi, Christine Wiltz, Greg Herren, Julie Smith, Eric Overmyer, and Ted O'Brien. "A vivid series of impressions of the city in moments that brought out either the best or worst in people . . . a thrilling read and a harbinger of what should be an interesting stream of works." —Gambit Weekly "When you've waded through these anguished pages, you can begin to understand why—as corrupt as it is, as broken as it is—so many of New Orleans's refugees still long to go home." —Mystery Scene "Excellent . . . Appropriately, Smith divides the book into pre- and post-Katrina sections, and many of the more powerful tales describe the disaster's hellish aftermath." —Publishers Weekly The Big Crazy A Skip Langdon Mystery Booksnimble August 29, 2005 - Doomsday: New Orleans is eighty per cent underwater, with no electricity, no phones, no 911 service, no rules. Facing the complete breakdown of systems and normality, New Orleans homicide Detective Skip Langdon is on her own to interpret and execute the only direction she's given: Get out there and keep the peace. With communications down and all emergency services on search and rescue, all Skip can hope to accomplish is helping the person right in front of her. More than once that person turns out to be Billy, a gutsy 15-year-old from Treme who's in greater danger of being swamped by his chaotic home life than the Cat 5 hurricane Skip shelters him from. When she escorts him home and discovers the scene of a possible homicide, homicide detecting must take a back seat to maintaining order--if not peace. Outrageous rumors are swirling, stirring up unrest, but what really bothers her is the one about a police department order to use the chaos as a cover for "cleaning up" by rounding up criminals and assassinating them. Now that just can't be true. Can it? But after she hears it for the third time, Skip teams up with the only cop in the city she's positive she can trust, her former partner, movie-star handsome, kickass, praline-sweet Adam Abasolo. They may not be able to fix everything, but, as the bodies pile up, they are damn sure going to hit back at the guys who're giving their department a black eye. On any regular weekday, New Orleans lives up to its billing as The Big Crazy. In post-Katrina New Orleans, where the dirty cops and lunatics are running the asylum, author Julie Smith also takes us inside the actual asylum, Charity Hospital emergency psych unit, an unexpected oasis of comfort in stark contrast to endless amounts of ever-present filthy water and hordes of half-drowned people. Smith strikes just the right note, capturing the massive tragedy of the events and the inevitable comedy as the survivors struggle to make sense of the closest thing to hell squared that any of them has ever seen. Mystery fans who love hard-boiled women sleuths, lots of action and adventure, and offbeat police procedurals will love Detective Skip Langdon. New Orleans Beat Fawcett Detective Skip Langdon believes that TOWN, a computer bulletin board community, holds the key to the "accidental" death of Geoff, a computer genius A Confederacy of Dunces Grove/Atlantic, Inc. Winner of the Pulitzer Prize "A masterwork . . . the novel astonishes with its inventiveness . . . it is nothing less than a grand comic fugue."—The New York Times Book Review A Confederacy of Dunces is an American comic masterpiece. John Kennedy Toole's hero, one Ignatius J. Reilly, is "huge, obese, fractious, fastidious, a latter-day Gargantua, a Don Quixote of the French Quarter. His story bursts with wholly original characters, denizens of New Orleans' lower depths, incredibly true-to-life dialogue, and the zaniest series of high and low comic adventures" (Henry Kisor, Chicago Sun-Times). Louisiana Hotshot A Talba Wallis Novel Macmillan Talba Wallis--fledgling African-American private detective, poet laureate, and leader of New Orleans's caT society--is hired by veteran sleuth Eddie Valentino to find a dangerous lothario who seduces teenage black girls who then mysteriously vanish. Reprint. Affective Health and Masculinities in South Africa An Ethnography of (In)vulnerability Routledge Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health. Axeman of New Orleans The True Story Chicago Review Press From 1910 to 1919, New Orleans suffered at the hands of a serial killer. The story has been the subject of short stories, novels, and the television series American Horror Story. But the full story of gruesome murders, accused innocents, public panic, the New Orleans Mafia, and a mysterious killer has never been written—until now. The Axeman broke into the homes of Italian grocers in the dead of night, leaving his victims in a pool of blood. Iorlando Jordano and his son Frank were wrongly accused of one of those murders; corrupt officials convicted them with coerced testimony. Miriam C. Davis here expertly tells the story of the search for the Axeman and of the exoneration of the Jordanos. She proves that the person suspected of being the Axeman was not the killer—and that the Axeman continued killing after leaving New Orleans in 1919. Boneyard Blues For New Orleans police detective Skip Langdon, her nemesis is evangelical preacher Errol Jacomine. As the leader of his own army of converts he, now wants to become president of the United States. But his campaign methods include theft and multiple murder.
