While Neil's wealth and privilege make adjusting to her new situation easier, Sophie finds herself rebuilding her life around an uncertain future. Zade's secrets and the struggle to choose between Mac or Jackson creates reckless tension during the grand finale of the show. Using Chaos magick, which is known for being unpredictable, she tests her abilities as a spellcaster farther than she's ever tried and finds herself at death's door. Her fate is left in the hands of a mortal who does not believe in a world of real magick, a fortuneteller who knew one day Zade would put herself in danger and a dagger with mystical powers"--

Nightmare Born

Conceived in dream. Born a nightmare. There are a lot of things I know: story structure, Hollywood trivia, what makes a director great... It's the stuff I didn't know-who my real father was, that my uncle is a demon, the fact that I'm not human-that's gotten me into so much trouble. After ripping my crush's heart out-literally-I discover that I'm not just a normal autistic seventeen-year-old. I'm the daughter of the King of Nightmares, the cruel and excessively goth ruler of the Nether. Now, I'm stuck at Miss Perkins's School for Girls, learning how to exist in a world where things really do go bump in the night. Dangerous magic, treacherous enemies, unfairly hot vampires, and magic schools are all tropes I love in movies. But throw them into my real life? Hard pass. And I still have to deal with queen bees and bullies while unraveling a conspiracy that could crumble the very foundations of reality as we know it? That's bullsh-

Afterburn / Aftershock

Sylvia Day LLC Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took *Jackson Rutledge* as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of *Lei Yeung*, one of the sharpest businesswomen in New York, I had picked up a thing or two since *Jax* walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was *Jax's* playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

Such Sweet Sorrow

Entangled: Teen Such Sweet Sorrow by Jenny Trout Never was there a tale of more woe than this of Juliet and her Romeo... But true love never dies. Though they're parted by the veil between the world of mortals and the land of the dead, Romeo believes he can restore Juliet to life, but he'll have to travel to the underworld with a thoroughly infuriating guide. Hamlet, Prince of Denmark, may not have inherited his father's crown, but the murdered king left his son a much more important responsibility---a portal to the Afterjord, where the souls of the dead reside. When the determined Romeo asks for help traversing the treacherous Afterjord, Hamlet sees an opportunity for adventure and the chance to avenge his father's death. In an underworld filled with leviathan monsters, ghoulish shades, fire giants, and fierce Valkyrie warriors, Hamlet and Romeo must battle their way through jealousy, despair, and their darkest fears to rescue the fair damsel. Breaking Him

Entangled: Scorched **Folks in town call him a monster—say he’s dangerous. But I know him simply as Elijah Hays, the quiet, gentle giant who works with the horses on my ranch. I can feel him watching me, that steady, intense gaze making me crave things I don’t quite understand, burn in a way that frightens me. He’s always kept his distance...until that night. I remember him coming to my rescue, me following him into the barn, giving him his first taste of a woman, and his inexperienced yet barely reined touch turning me to ash. Now all I can think about is exposing the dark desire I see deep inside him—having him turn those dark desires on me. That low, gritty voice rasping orders in my ear. Those huge, rough hands holding me down when a storm blows in. I want his surrender. His control. I want to break him...and have him break me...**
