Bourne thought he had Lennon cornered in Iceland, only to have the killer escape in a fiery explosion. Now Lennon's trail leads Bourne to New York and then to Washington - and the body count rises with each deadly encounter. But who is Lennon working for? Originally created by bestselling author Robert Ludlum, now New York Times bestselling writer Eric Van Lustbader carries on Ludlum's legacy with a new novel about the rogue secret agent who has lost his memory . . . Jason Bourne has been pursued by powerful governments--and escaped. Hunted by the most skilled assassins in the world--and outsmarted them. Targeted by terrorists--and defeated their plans for global chaos. But now, Bourne wants only one thing: retribution. **THE BOURNE RETRIBUTION** Bourne's friend Eli Yadin, head of Mossad, learns that Ouyang Jidan, a senior member of China's Politburo, and a major Mexican drug lord may have been trafficking in something far more deadly than drugs. Yadin needs Bourne to investigate. Bourne agrees, but only because he has a personal agenda: Ouyang Jidan is the man who ordered Rebeke--one of the only people Bourne has ever truly cared about--murdered. Bourne is determined to avenge her death, but in the process he becomes enmeshed in a monstrous world-wide scheme involving the Chinese, Mexicans, and Russians. Bourne's increasingly desperate search for Ouyang takes him from Tel Aviv to Shanghai, Mexico City, and, ultimately, a village on China's coast where a clever trap has been laid for him. Bourne finds himself pursued on all sides and unsure whom he can trust. As he moves closer to Ouyang, closer to avenging the woman he loved, he also moves ever closer to his own death . . . **Kindred Intentions** Rita Carla F. Monticelli 24 hours. 2 people. 1 target. Her mission was to investigate a series of murders involving some well-known lawyers in the City. Her target, an elusive hired killer who had been of interest to the police for months. But her plan is doomed to fall apart before it even starts. In less than twenty-four hours Amelia will be the prey in a man hunt and her destiny will become entwined with Mike Connor's. Their intentions, apparently similar, may prove to be opposite, but the affinity binding them goes beyond what they think they know about each other. One day to survive. One day to let go of the past. This book is written in British English. **Robert Ludlum's The Bourne Treachery** Penguin The world's most ruthlessly efficient assassin, Jason Bourne, is facing the one force he can't defeat--his own past--in the latest thrilling entry in Robert Ludlum's New York Times bestselling series. Three years ago, Jason Bourne embarked on a mission in Estonia with his partner and lover, a fiery Treadstone agent code-named Nova. Their job was to rescue a Russian double agent who'd been smuggled out of St. Petersburg in the midst of an FSB manhunt. They failed. The Russian died at the hands of a shadowy assassin known only by the nickname Lennon. Now everything has changed for Bourne. Nova is gone, killed in a mass shooting in Las Vegas. Bourne is a lone operative, working in the shadows for Treadstone, when he's called in for a new mission in London--to prevent another assassination masterminded by Lennon. But nothing about this mission is what it seems. As Bourne engages in a cat-and-mouse game with Lennon across the British countryside, he discovers that everything he thought he knew about the past was a lie. And with the body count rising, he comes to an inevitable conclusion: Some secrets should stay buried. **Das Bourne Ultimatum Robert Ludlum's (TM) The Bourne Objective** Grand Central Publishing A Jason Bourne novel from the #1 New York Times bestselling author Facing down mercenaries in Africa, Jason Bourne witnesses the death of an art dealer named Tracy Atherton. Her killing dredges up snatches of Bourne's impaired memory, in particular the murder of a young woman on Bali who entrusted him with a strangely engraved ring--an artifact of such powerful significance that people have killed to obtain it. Now he's determined to find the ring's owner and purpose. But Bourne never knows what terrible acts he'll discover he committed when he digs into the past. The trail will lead him through layers of conspiracy to a vicious Russian mercenary, Leonid Arkadin, who was also a graduate of the Central Intelligence training program Treadstone. A covert course designed to create ruthless assassins for C.I., it was shuttered by Congress for corruption. Yet before it was dismantled, it produced Bourne and Arkadin, giving them equal skills, equal force, and equal cunning. As Bourne's destiny circles closer to Arkadin's, it becomes clear that the eventual collision of these men is not of their own making. Someone else has been watching and manipulating them. Someone who wants to know, Who is the more deadly agent? **Robert Ludlum's (TM) The Bourne Betrayal** Grand Central Publishing Already devastated by loss, Bourne is shattered by a report that his last friend in the world, Martin Lindros has gone missing. A CI deputy director, Lindros was in Ethiopia tracking suspicious shipments of yellowcake uranium and atomic bomb weaponry. His last lifeline to humanity, Bourne will not let Lindros go. Despite his hatred for CI, Bourne sets out to rescue his friend and finish the job: dismantling a terrorist network determined to build nuclear armaments by cutting off their source of money. But Bourne doesn't realize that these men, Islamic supremacists, are leaders of an incredibly dangerous, technologically savvy group with ties from Africa, across the Middle East, and into Eastern Europe and Russia. They have predicted Bourne's every move, and are counting on his unwitting help in their plans to destroy America. **Robert Ludlum's (TM) The Bourne Imperative** Grand Central Publishing The man Jason Bourne fishes out of the freezing sea is near death, half-drowned and bleeding profusely from a gunshot wound. He awakens with no memory of who he is or why he was shot--and Bourne is eerily reminded of his own amnesia. Then Bourne discovers that the Mossad agent named Rebeke is so determined to find this injured man that she has gone off the grid, cut her ties to her agency, and is now being stalked by Mossad's most feared killer. Do the answers to these mysteries lie back in southeast Lebanon, in a secret encampment to which Bourne and Rebeke escaped following a firefight weeks ago? The complex trail links to the mission given to Treadstone directors Peter Marks and Soraya Moore: find the semi-mythic terrorist assassin known as Nicodemo. In the course of Bourne's desperate, deadly search for a secret that will alter the future of the entire world, he will experience both triumph and loss, and his life will never be the same. Now everything turns on the amnesiac. Bourne must learn his identity and purpose before both he and Rebeke are killed. From Stockholm to Washington, D.C., from Mexico City to Beijing, the web of lies and betrayals extends into a worldwide conspiracy of monumental proportions. **The Scarlatti Inheritance** In Washington, word is received that an elite member of Nazi High Command is willing to defect and divulge information that will shorten the war. But his defection entails the release of the ultra top-secret file on the Scarlatti Inheritance - a file whose contents will destroy many of the Western world's greatest and most illustrious reputations if they are made known... **Robert Ludlum's the Treadstone Resurrection** G.P. Putnam's Sons The first novel in an explosive new series inspired by Robert Ludlum's Bourne universe, *The Treadstone Resurrection* introduces an unforgettable hero and the shadowy world that forged him... Treadstone made Jason Bourne an unstoppable force, but he's not the only one. Operation Treadstone has nearly ruined Adam Hayes. The top-secret CIA Black Ops program trained him to be an all but invincible assassin, but it also cost him his family and any chance at a normal life. Which is why he was determined to get out. Working as a carpenter in rural Washington state, Adam thinks he has left Treadstone in the past, until he receives a mysterious email from a former colleague, and soon after is attacked by an unknown hit team at his job site. Adam must regain the skills that Treadstone taught him--lightning reflexes and a cold conscience--in order to discover who the would-be killers are and why they have come after him now. Are his pursuers enemies from a long-ago mission? Rival intelligence agents? Or, perhaps, forces inside Treadstone? His search will unearth secrets in the highest levels of government and pull him back into the shadowy world he worked so hard to forget. **The Bourne Legacy** St. Martin's Press In Robert Ludlum's ground-breaking career, no other character so captured and held the world's imagination as Jason Bourne. He appeared in three of Robert Ludlum's own #1 bestselling novels - *The Bourne Identity*, *The Bourne Supremacy*, and *The Bourne Ultimatum* - and they remain amongst Ludlum's most-read and most-loved books to this day. Now, for the first time ever, the Estate of Robert Ludlum has acceded to the demands of readers around the world, turning to bestselling author Eric Van Lustbader to bring Jason Bourne back to life in a thrilling new novel. Jason Bourne is known and feared in the deadly world of covert-ops as one of the most highly skilled assassins for hire. Bourne, however, was merely an identity assumed by CIA agent David Webb, a personality implanted by the CIA to facilitate a dangerous operation, but one that threatened to subsume David Webb entirely. Years after the events of *The Bourne Identity*, Webb is no longer an active CIA agent and is now a professor of Eastern Studies at Georgetown University, living a quiet life, far from the dangers of his previous life. Until one day he finds himself the target of an assassin nearly as skilled as himself and is framed for the brutal murder of his two closest associates and friends. Fighting for his life against unseen assailants, as well as the full resources of the CIA who believe he has gone dangerously rogue, the Bourne identity asserts itself, leaving Jason Bourne in control. Now Bourne must use all his skills to stay alive as he battles against a determined assassin, the combined skills of the world's intelligence networks, and a shadowy figure in the background, skillfully manipulating events and people, in a far deadlier and more dangerous game than any of them realize. **Robert Ludlum's (TM) The Bourne Enigma** Grand Central Publishing A NEW JASON BOURNE NOVEL!
