**The Case for Christ A Journalist's Personal Investigation of the Evidence for Jesus** Is there credible evidence that Jesus of Nazareth really is the Son of God? Retracing his own spiritual journey from atheism to faith, Lee Strobel, former legal editor of the Chicago Tribune, cross-examines a dozen experts with doctorates from schools like Cambridge, Princeton, and Brandeis who are recognized authorities in their own fields. Strobel challenges them with questions like How reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event? Winner of the Gold Medallion Book Award and twice nominated for the Christian Book of the Year Award, Strobel's tough, point-blank questions read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure. The Case for Christ A Journalist's Personal Investigation of the Evidence for Jesus ReadHowYouWant.com The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own. The Case for Christ A Journalist's Personal Investigation of the Evidence for Jesus Zondervan A former reporter for The Chicago Tribune and former atheist presents a tough-minded investigation of Christian beliefs, interviewing today's scientists, historians, and philosophers to gather compelling evidence for the truth about Jesus. Simultaneous. The Case for Christ A Journalist's Personal Investigation of the Evidence for Jesus Zondervan A Seasoned Journalist Chases Down the Biggest Story in History Is there credible evidence that Jesus of Nazareth really is the Son of God? Retracing his own spiritual journey from atheism to faith, Lee Strobel, former legal editor of the Chicago Tribune, cross-examines a dozen experts with doctorates from schools like Cambridge, Princeton, and Brandeis who are recognized authorities in their own fields. Strobel challenges them with questions like How reliable is the New Testament? Does evidence for Jesus exist outside the Bible? Is there any reason to believe the resurrection was an actual event? Strobel's tough, point-blank questions make this Gold Medallion-winning book read like a captivating, fast-paced novel. But it's not fiction. It's a riveting quest for the truth about history's most compelling figure. What will your verdict be in The Case for Christ? "Lee Strobel probes with bulldog-like tenacity the evidence for the truth of biblical Christianity." Bruce M. Metzger, Ph.D., Professor of New Testament, Emeritus, Princeton Theological Seminary "Lee Strobel asks the questions a tough-minded skeptic would ask. His book is so good I read it out loud to my wife evenings after dinner. Every inquirer should have it." Phillip E. Johnson, Law Professor, University of California at Berkeley The Case for Christ A Journalist's Personal Investigation of the Evidence for Jesus Zondervan The strong public response to The Case for Christ--which hit #1 on the best-seller list and sold more than 600,000 copies in its first 18 months--precipitated an avalanche of requests for a version of the book for teenagers. Many parents who were radically impacted by Lee Strobel's spiritual journey from atheism to Christianity wanted a student-friendly edition to help their teenagers find Christ or deepen their faith. The Case for Christ--Student Edition is the response to this need: a highly readable, thoroughly engaging, and spiritually challenging version designed both for teenagers who are Christians and those seeking the truth about Jesus. This is not a watered-down version of the original book, but an entirely fresh approach to the same subject matter--with brand new material. Strobel partnered with Jane Vogel, a writer highly regarded for her ability to communicate with students, to customize the content of his book for a post-modern mindset. They've redefined courage in evangelism and moved it away from confronting someone about your faith to letting someone get close enough to you to see why you need Jesus' salvation. This creative and fast-paced book follows Strobel, an investigative reporter, on email interviews as he unearths convincing evidence that faith in Jesus Christ of Nazareth is not based on wishful thinking or fabricated legends, but on solid historical facts. Case for Christ for Kids 90-Day Devotional Zonderkidz Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. For kids who want to learn more about their faith so they can share with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus. Case for Christ Hc MM - Fcs Zondervan Publishing Company Using the dramatic scenario of an investigative journalist pursuing his story and leads, Strobel uses his experience as a reporter for the Chicago Times to interview experts about the evidence for Christ from the fields of science, philosophy, and history. The Case for Christ A Journalist Investigates the Toughest Questions to Christianity Harper Collins Who Was Jesus? A good man? A lunatic? God? There's little question that he actually lived. But miracles? Rising from the dead? Some of the stories you hear about him sound like just that--stories. A reasonable person would never believe them, let alone the claim that he's the only way to God! But a reasonable person would also make sure that he or she understood the facts before jumping to conclusions. That's why Lee Strobel--an award-winning legal journalist with a knack for asking tough questions--decided to investigate Jesus for himself. An atheist, Strobel felt certain his findings would bring Christianity's claims about Jesus tumbling down like a house of cards. He was in for the surprise of his life. Join him as he retraces his journey from skepticism to faith. You'll consult expert testimony as you sift through the truths that history, science, psychiatry, literature, and religion reveal. Like Strobel, you'll be amazed at the evidence--how much there is, how strong it is, and what it says. The facts are in. What will your verdict be in The Case for Christ? The Case for Miracles A Journalist Investigates Evidence for the Supernatural Zondervan New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, The Case for Miracles shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: The Case for Miracles Spanish edition, kids' edition, and student edition. Case for Christ for Kids Zondervan Explains in plain terms who Jesus was according to the Bible, and suggests reasons why the Bible should be believed. Today's Moment of Truth Devotions to Deepen Your Faith in Christ Zondervan Why do you believe what you believe? How can you know your faith is credible? Many Christians today struggle to answer these questions. Though you may know what you believe, the why and how behind the thought can be complex, confusing, and even mysterious. In Today's Moment of Truth, bestselling author Lee Strobel articulates in 180 easy-to-read devotions the reasons why Christians believe what they believe. Combining his expertise in apologetics with his journalistic approach to parsing out the details, this devotional will leave you deeply encouraged and well-informed. Topics range from scientific discoveries to theological explanations, and each devotion is followed by a brief reflection and prayer for meditation. The time has come to walk confidently in your faith. Today's Moment of Truth will be an invaluable tool as you grow in your understanding of and faith in Christ. The Case for a Creator A Journalist Investigates Scientific Evidence That Points Toward God Zondervan Discover the astonishing evidence for intelligent design in this New York Times bestselling book by award-winning journalist Lee Strobel. "My road to atheism was paved by science . . . but, ironically, so was my later journey to God," Strobel says. During his academic years, Lee Strobel became convinced that God was obsolete, a belief that colored his journalism career. Science had made the idea of a Creator irrelevant--or so Strobel thought. But today science points in a different direction. A diverse and impressive body of research has increasingly supported the conclusion that the universe was intelligently designed. At the same time, Darwinism has faltered in the face of concrete facts and hard reason. Has science discovered God? At the very least, it's giving faith an immense boost, as new findings emerge about the incredible complexity of our universe. Join Strobel as he reexamines the theories that once led him away from God. Through his compelling and highly readable account, you'll encounter the mind-stretching discoveries from cosmology, cellular biology, DNA research, astronomy, physics, and human consciousness that present compelling evidence in The Case for a Creator. Also available: The Case for a Creator small group video study and study guide, Spanish edition, kids' edition, student edition, and more. The Case for Christ Devotions for Kids 365 Days with Jesus Zonderkidz The tough questions kids 8-12 ask about faith, Jesus, and Christianity are investigated and answered in this 365-day devotional that uses the historical facts and theological truths found in The Case for Christ to help young readers develop their faith and understand what it means to be a Christian. The Case for Heaven A Journalist Investigates Evidence for Life After Death Zondervan Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death? Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come. The Case for Christ Answer Booklet Zondervan Lee Strobel is best known for his bestselling books and lectures on the topic of apologetics. After being featured in God's Not Dead 2, his own life is now the subject for a full-length feature film from Pure Flix

Entertainment. He is excited about the possibility of trimming the existing Case for Christianity Answer Book into a booklet-sized product that will help lift the visibility of several projects: the parent book (the Answer Book), the newly recover Case for Christ that will release in tandem with the movie, as well as promoting the movie itself. The Case for Christianity Answer Book Zondervan Answers to the most-asked questions about Christian faith! The Case for Christianity Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a Christian? Challenging the Verdict A Cross-Examination of Lee Strobel's the Case for Christ In the face of modern critical scholarship, which is steadily eroding the historical reliability of the Gospels and their presentation of Jesus, conservative writers have been making valiant attempts to re-establish confidence in the Christian record and doctrine. The most prominent of these, in popular exposure and commercial success, has been Lee Strobel, in his 1998 book 'The Case for Christ'. In that book, Lee Strobel, an ex-court journalist, conducts a series of 14 interviews with well-known conservative and evangelical scholars of the New Testament, such as Craig Blomberg, William Lane Craig and Gary Habermas, in an attempt to establish the reliability of the Gospel account and the truth of the Resurrection. Within the context of a scholarly critique, Earl Doherty, author of 'The Jesus Puzzle' takes quotations from those interviews and sets up his own dialogue with them, as though cross-examining Strobel and his witnesses in a courtroom before judge and jury. This makes for gripping reading, a strong atmosphere and an effective way to present the case in favour of a more rational and coherent view of the Christian record and the origins of Christianity. This book exposes the deficiencies, the fallacies, the selective and misleading use of evidence inherent in 'The Case for Christ', and offers more reasonable alternatives. The Case Against the Case for Christ A New Testament Scholar Refutes Lee Strobel Case for Christ for Kids 90-Day Devotional Zondervan Answers difficult questions that youngsters might have about God, explores the life of Jesus, and explains what it means to be a Christian. The Case for Grace A Journalist Explores the Evidence of Transformed Lives Zondervan Join investigative journalist and bestselling author Lee Strobel as he embarks on his life-changing quest to solve the riddle of grace. Along the way, you'll find the undeniable evidence of grace in the true stories of racists, addicts, and even murderers who have found new hope and purpose--all through the redemptive power of God's amazing grace. In The Case for Grace, Lee offers an accessible explanation of the theology of God's grace, shown through the incredible, dramatic, can't-put-it-down stories of people whose lives were changed by the gift of grace--true accounts of people whose transformation and renewal are so radical that they seem to be best explained as the work of a gracious God. Lee draws upon his own journey from atheism to Christianity to explore the depth and breadth of God's redeeming love for spiritually wayward people, traveling thousands of miles to capture the inspiring stories of everyday people whose values have been radically changed and who have discovered the "how" and "why" behind God's amazing grace. Each story that Strobel shares in The Case for Grace contributes a piece to the puzzle of grace, showing us: How grace goes beyond forgiveness to acceptance and even adoption by God How it restores hope when none is left; how it extends to the most heinous circumstances How it allows us to forgive those who caused our most intimate wounds--and even to forgive ourselves Through it all, you will be encouraged as you see how God's grace can revolutionize your life--starting today. Evidence for the Resurrection What It Means for Your Relationship with God Baker Books When Jesus died on the cross, it seemed that all had been lost. Death had won. But after three days in a rich man's tomb, Jesus appeared...alive! The news was so shocking that his followers refused to believe it until they saw him with their own eyes and touched his wounds with their own hands. Then Jesus made an amazing claim: In the future, they too would have resurrected bodies like his, bodies that would never deteriorate, age, or perish. They would have new life without death or pain in the presence of a loving God forever. But can we really believe His promise? For that matter, can we really believe that the promise was made by a man who rose from the dead? In this fascinating look at the claims of the Gospel writers and 2,000 years of believing Christians, bestselling author Josh McDowell and his son Sean examine the compelling evidence and conclude that Jesus Christ conquered death and the grave. In clear, concise, and accessible chapters, Josh and Sean present the facts about the resurrection and what it means for readers today. The Case for Easter A Journalist Investigates Evidence for the Resurrection Zondervan Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for--and against--the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. He examines: The Medical Evidence: Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body: Was Jesus' body really absent from his tomb? The Evidence of Appearances: Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, The Case for Easter probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.
