## The Deliverance of Evil

**Quercus** Winner of the Scerbanenco Prize for the best Italian crime thriller, *The Deliverance of Evil* is a masterful psychological thriller about an edgy policeman's personal evolution--or devolution--as seen through the lens of a devilish case that consumed him early in his career and continues to haunt him twenty-four years later. With excitement over Berlusconi rise to power and Italy in a state of gleeful and frenzied anticipation over the national soccer team's improbable run to the 1982 World Cup, Italians are filled with hopeful feelings. The night before the big match, Elisa Sordi--an attractive eighteen year-old employed by the Vatican--vanishes. The case falls to a young, hedonistic post-Fascist officer named Michele Balistreri. Headstrong and ambivalent about spending his life as a policeman, Balistreri is annoyed to be interrupted during the festivities and takes the case lightly. But when Elisa's tortured corpse surfaces in the Tiber, Balistreri doubts he will ever be able to forgive himself for his inattention. After the man he arrested for the murder is exonerated, and tantalizing links to the Vatican and top right-wing politicians ignored, the case is never solved. Despondent, Michele spirals into drinking and depression. Twenty-four years later Italy is victorious once again in the World Cup, but the nation has changed. The balloon of optimism from the Eighties has deflated, and the now-gloomy nation suffers under the arrogant and corrupt Berlusconi government. A weak economy and chaotic immigration policies that have inflamed racist sentiments provide a stark contrast to the last time Italy tasted sweet soccer victory. Disturbingly, more lax divorce laws have spawned a trend of "revenge" violence against women who try to assert their independence. Suddenly Sordi's mother apparently commits suicide, and then a slew of female corpses begin to turn up all with a letter of the alphabet carved into their bodies. The apparent hate behind the murders causes Balistreri to realize that the case that has haunted for twenty-four years may be heating up again, and with a newfound sense of purpose he charges into his work: the opportunity to redeem the darkest part of his past. The murders continue, and what initially seemed to be the work of a lone psychopath reveals itself to be part of something much bigger and more dangerous. Finally Balistreri realizes that the letters marking each victim are spelling out a chilling message. From the Hardcover edition.

## The Root of All Evil

**Quercus** In the 1960s, post-colonial Libya fell prey to the sprawling industrial greed of the West, driven by the discovery of oil. While the modern quarter of Tripoli, built by the Italians, was small and affluent, the rest of the city--like the rest of the nation--was left to fend for itself amid the arid, sandy stretches of North Africa. As tensions mounted between eastern and western ideals, terror began to supplant justice, and acts of religiously motivated violence began to fill some of Tripoli's darkest corners. Against this backdrop, the teenaged Michele Balistreri--a smart young man plagued by thuggish tendencies and a youthful attraction to Fascism--suffered a succession of personal blows that would scar him for life: the death of his mother; a terrible tragedy that befell his best friend's family; and the consequences of his father's role in Gaddafi's rise to power. Worst of all, an innocent blood pact he made as a teenager would come to haunt him as an adult. Four decades later, journalist Linda Nardi is hard at work investigating the shadowy history of the Vatican Bank's involvement in Libya when she suddenly finds her attention diverted to an irresistible story assignment: covering the collapse of Colonel Gaddafi's forty-two year dictatorship. It is only a matter of time before Nardi's research and Balistreri's investigative work as a police commissario bring them into contact. Together they unearth a deadly conspiracy that goes to the top of Rome's power structure that neither of them will ever be able to forget.

## Deliverance

**Delta** "You're hooked, you feel every cut, grope up every cliff, swallow water with every spill of the canoe, sweat with every draw of the bowstring. Wholly absorbing [and] dramatic."—Harper's Magazine The setting is the Georgia wilderness, where the states most remote white-water river awaits. In the thundering froth of that river, in its echoing stone canyons, four men on a canoe trip discover a freedom and exhilaration beyond compare. And then, in a moment of horror, the adventure turns into a struggle for survival as one man becomes a human hunter who is offered his own harrowing deliverance. Praise for *Deliverance* "Once read, never forgotten."—Newport News Daily Press "A tour de force . . . How a man acts when shot by an arrow, what it feels like to scale a cliff or to capsize, the ironic psychology of fear: these things are conveyed with remarkable descriptive writing."—The New Republic "Freshly and intensely alive . . . with questions that haunt modern urban man."—Southern Review "A fine and honest book that hits the reader's mind with the sting of a baseball just caught in the hand."—The Nation "[James Dickey's] language has descriptive power not often matched in contemporary American writing."—Time "A harrowing trip few readers will forget."—Asheville Citizen-Times "A novel that will curl your toes . . . Dickey's canoe rides to the limits of dramatic tension."—New York Times Book Review "A brilliant and breathtaking adventure."—The New Yorker

## The Memory of Evil

*The Memory of Evil* is the final instalment in Roberto Costantini's internationally bestselling crime trilogy, and revisits Commissario Balistreri in 2011, five years on from the events of *The Deliverance of Evil*. Now head of Homicide in Rome, Michele Balistreri is forced again to team up with investigative journalist Linda Nardi, as the pair follow a malevolent trail that stretches from Nairobi to San Francisco, and which will eventually lead Balistreri back to the island of La Moneta, the scene of his mother's apparent suicide in the summer of 1969, where a secret and sinister truth that has evaded him for five decades lies sickeningly in wait.

## Root of All Evil

## The Cambridge History of Judaism: Volume 2, The Hellenistic Age

**Cambridge University Press** Vol. 4 covers the late Roman period to the rise of Islam. Focuses especially on the growth and development of rabbinic Judaism and of the major classical rabbinic sources such as the Mishnah, Jerusalem Talmud, Babylonian Talmud and various Midrashic collections.

## The China Study Cookbook

## Over 120 Whole Food, Plant-Based Recipes

**BenBella Books** Features over one hundred plant-based recipes, including muesli, black-eyed pea salad, German sauerkraut soup, coconut curry rice, and savory spaghetti squash.

## The Prague Cemetery

**HarperCollins** *The Prague Cemetery* is the #1 international bestseller from the award-winning and New York Times best-selling author of *The Name of the Rose*, Umberto Eco. "Vintage Eco...the book is a triumph."—*New York Review of Books* Nineteenth-century Europe—from Turin to Prague to Paris—abounds with the ghastly and the mysterious. Jesuits plot against Freemasons. Italian republicans strangle priests with their own intestines. French criminals plan bombings by day and celebrate Black Masses at night. Every nation has its own secret service, perpetrating forgeries, plots, and massacres. Conspiracies rule history. From the unification of Italy to the Paris Commune to the Dreyfus Affair to *The Protocols of the Elders of Zion*, Europe is in tumult and everyone needs a scapegoat. But what if behind all of these conspiracies, both real and imagined, lay one lone man? "Choreographed by a truth that is itself so strange a novelist need hardly expand on it to produce a wondrous tale...Eco is to be applauded for bringing this stranger-than-fiction truth vividly to life."—*New York Times*

## Clark and Division

**Soho Press** A New York Times Best Mystery Novel of 2021 Set in 1944 Chicago, Edgar Award-winner Naomi Hirahara's eye-opening and poignant new mystery, the story of a young woman searching for the truth about her revered older sister's death, brings to focus the struggles of one Japanese American family released from mass incarceration at Manzanar during World War II. Chicago, 1944: Twenty-year-old Aki Ito and her parents have just been released from Manzanar, where they have been detained by the US government since the aftermath of Pearl Harbor, together with thousands of other Japanese Americans. The life in California the Itos were forced to leave behind is gone; instead, they are being resettled two thousand miles away in Chicago, where Aki's older sister, Rose, was sent months earlier and moved to the new Japanese American neighborhood near Clark and Division streets. But on the eve of the Ito family's reunion, Rose is killed by a subway train. Aki, who worshipped her sister, is stunned. Officials are ruling Rose's death a suicide. Aki cannot believe her perfect, polished, and optimistic sister would end her life. Her instinct tells her there is much more to the story, and she knows she is the only person who could ever learn the truth. Inspired by historical events, *Clark and Division* infuses an atmospheric and heartbreakingly real crime with rich period details and delicately wrought personal stories Naomi Hirahara has gleaned from thirty years of research and archival work in Japanese American history.

## Wings for Our Courage

## Gender, Erudition, and Republican Thought

**Univ of California Press** On January 6, 1537, Lorenzino de' Medici murdered Alessandro de' Medici, the duke of Florence. This episode is significant in literature and drama, in Florentine history, and in the history of republican thought, because Lorenzino, a classical scholar, fashioned himself after Brutus as a republican tyrant-slayer. *Wings for Our Courage* offers an epistemological critique of this republican politics, its invisible oppressions, and its power by reorganizing the meaning of Lorenzino's assassination around issues of gender, the body, and political subjectivity. Stephanie H. Jed brings into brilliant conversation figures including the Venetian nun and political theorist Archangela Tarabotti, the French feminist writer Hortense Allart, and others in a study that closely examines

the material bases—manuscripts, letters, books, archives, and bodies—of writing as generators of social relations that organize and conserve knowledge in particular political arrangements. In her highly original study *Jed* reorganizes republicanism in history, providing a new theoretical framework for understanding the work of the scholar and the social structures of archives, libraries, and erudition in which she is inscribed.

## Staging Holiness

### The Case of Hospitaller Rhodes (ca. 1309-1522)

**Mediterranean Art Histories** "In *Staging Holiness. The Case of Hospitaller Rhodes (ca. 1309-1522)* Sofia Zoitou offers a study of the history of relic collections, devotional rituals and sites invested with special meaning in Rhodes, during a time when the island became one of the most frequented ports of call for ships carrying pilgrims from Venice to the Holy Land. Scrutinizing late medieval travel reports by pilgrims from all over Europe along with extant historical, archaeological, visual and material evidence, Sofia Zoitou traces the various forms of the Rhodian cultic sites' evolution and perception, ultimately considered as an overall artistic strategy for the staging of the sacred"--

## Fables of the Law

### Fairy Tales in a Legal Context

**Walter de Gruyter GmbH & Co KG** What can fables and fairytales tell us of law, its practices and ideals? Drawing on real and metaphorical literary and jurisprudential accounts and practices of law, this volume reveals that law has recourse to fables and fairytales as moral exempla, as a new form of law and literature, found in diverse sources ranging from the fables of de La Fontaine and fairytales of Perrault and Grimm to the modern fairytales of *True Blood* and *Harry Potter*.

## Italian Literature since 1900 in English Translation

### An Annotated Bibliography, 1929–2016

**University of Toronto Press** Providing the most complete record possible of texts by Italian writers active after 1900, this annotated bibliography covers over 4,800 distinct editions of writings by some 1,700 Italian authors. Many entries are accompanied by useful notes that provide information on the authors, works, translators, and the reception of the translations. This book includes the works of Pirandello, Calvino, Eco, and more recently, Andrea Camilleri and Valerio Manfredi. Together with *Robin Healey's Italian Literature before 1900 in English Translation*, also published by University of Toronto Press in 2011, this volume makes comprehensive information on translations from Italian accessible for schools, libraries, and those interested in comparative literature.

## Classical Masculinity and the Spectacular Body on Film

### The Mighty Sons of Hercules

**Springer** The muscle-bound male body is a perennial feature of classically-inflected action cinema. This book reassesses these films as a cinematic form, focusing on the depiction of heroic masculinity. In particular, Hercules in his many incarnations has greatly influenced popular cultural interpretations of manliness and the exaggerated male form.

### Italian Gothic Horror Films, 1970–1979

**McFarland** Italian Gothic horror films of the 1970s were influenced by the violent giallo movies and adults-only comics of the era, resulting in a graphic approach to the genre. Stories often featured over-the-top violence and nudity and pushed the limits of what could be shown on the screen. The decade marked the return of specialist directors like Mario Bava, Riccardo Freda and Antonio Margheriti, and the emergence of new talents such as Pupi Avati (*The House with the Laughing Windows*) and Francesco Barilli (*The Perfume of the Lady in Black*). The author examines the Italian Gothic horror of the period, providing previously unpublished details and production data taken from official papers, original scripts and interviews with filmmakers, scriptwriters and actors. Entries include complete cast and crew lists, plot summaries, production history and analysis. An appendix covers Italian made-for-TV films and mini-series.

## The Rabbit Factory

**Anchor Canada** Rambunctious Rabbit--Rambo to his fans--is an American icon and a theme park's biggest draw. When the actor inside the Rambo costume and two other theme park employees are murdered, LAPD detectives must catch the madman before he brings the family entertainment giant to its knees.

## The Stone Girl: A Novel

**W. W. Norton & Company** *The Stone Girl* is a riveting tale of deception, vengeance, and power set against the haunting beauty of the Adirondack wilderness. Deep in the Adirondack Mountains lies a speck of a town called Rangeley. There isn't much to this tiny town, but it is at the crossroads of serene fishing streams off the Mink River, pristine hunting grounds in the surrounding mountains, and vast estates of the extremely rich. It is also the gateway to the Mohawk Club, which houses the Lost Boys, an exclusive group of wealthy and powerful men with global influence and a taste for depravity. Raised wild and poor in the shadows of the Mohawk Club, Evie Quimby was a teenager when she first fell victim to the Lost Boys. Seventeen years later, she is now a world-renowned art restorer famous for repairing even the most-broken statues. After spending half her life in Paris, establishing her reputation and raising her daughter Chloé, Evie has come a long way from the girl who left Rangeley behind. But when Chloé receives a visit from an elegant stranger who claims to be an old friend of her mother's, the ghosts of Evie's past return in full force, pulling her back to the North Country of her girlhood and into the tangled, intricate web of the Lost Boys. Evie bands together with her formidable mother and an embattled heiress, both victims of the Lost Boys, in pursuit of an unusual and heart-stopping vengeance.

## I Am Pilgrim

### A Thriller

**Simon and Schuster** "The astonishing story of one man's breakneck race against time ... and an implacable enemy. An anonymous young woman murdered in a run-down hotel, all identifying characteristics dissolved by acid. A father publicly beheaded in the blistering heat of a Saudi Arabian public square. A notorious Syrian biotech expert found eyeless in a Damascus junkyard. Smoldering human remains on a remote mountainside in Afghanistan. A flawless plot to commit an appalling crime against humanity. One path links them all, and only one man can make the journey. *Pilgrim*"--

## Encyclopedia of Religion and Film

**ABC-CLIO** *Comprising 91 A-Z entries, this encyclopedia provides a broad and comprehensive introduction to the topic of religion within film.* • Presents 91 A-Z entries that illuminate topics of geographic and regional interest, biographic data, categories common in the study of religion, and examinations of specific films or film-related events • Contains contributions from a remarkable group of distinguished, well-published authorities and younger scholars, all with relevant backgrounds in religion, film, culture, or multiple areas of expertise • Includes images of important film directors as well as film stills • Provides selected bibliographic information regarding the intersection of religion and film that supplements the "for further reading" section of each entry • Offers an indexed filmography of works noted throughout the encyclopedia, providing significant information about each film, such as year released, director, and major actors

## The Scottish Connection

### A Kate Benedict Paranormal Mystery

**Booksbnimble** *Kate's holiday at the Scottish castle of her boyfriend's uncle is complicated by her sighting of an aura above the uncle's head. The auras Kate sees mean that death is imminent, so Josh's favorite uncle will die in a matter of days unless they can discover the source of the danger.*

## Death in a Cold Climate

### A Guide to Scandinavian Crime Fiction

**Springer** *Barry Forshaw, the UK's principal crime fiction expert, presents a celebration and analysis of the Scandinavian crime genre, from Sjöwall and Wahlöö's Martin Beck series through Henning Mankell's Wallander to Stieg Larsson's demolition of the Swedish Social Democratic ideal in the publishing phenomenon The Girl with the Dragon Tattoo .*

## The Esoteric Secrets of Surrealism

### Origins, Magic, and Secret Societies

**Simon and Schuster** *A profound understanding of the surrealists' connections with alchemists and secret societies and the hermetic aspirations revealed in their works* • Explains how surrealist paintings and poems employed mythology, gnostic principles, tarot, voodoo, alchemy, and other hermetic sciences to seek out unexplored regions of the mind and recover lost "psychic" and magical powers • Provides many examples of esoteric influence in surrealism, such as how Picasso's *Demiselles d'Avignon* was originally titled *The Bath of the Philosophers* Not merely an artistic or literary movement as many believe, the surrealists rejected the labels of artist and author bestowed upon them by outsiders, accepting instead the titles of magician, alchemist, or--in the case of Leonora Carrington and Remedios Varo--witch. Their paintings, poems, and other works were created to seek out unexplored regions of the

mind and recover lost “psychic” and magical powers. They used creative expression as the vehicle to attain what André Breton called the “supreme point,” the point at which all opposites cease to be perceived as contradictions. This supreme point is found at the heart of all esoteric doctrines, including the Great Work of alchemy, and enables communication with higher states of being. Drawing on an extensive range of writings by the surrealists and those in their circle of influence, Patrick Lepetit shows how the surrealists employed mythology, gnostic principles, tarot, voodoo, and alchemy not simply as reference points but as significant elements of their ongoing investigations into the fundamental nature of consciousness. He provides many specific examples of esoteric influence among the surrealists, such as how Picasso’s famous *Demaiselles d’Avignon* was originally titled *The Bath of the Philosophers*, how painter Victor Brauner drew from his father’s spiritualist vocation as well as the Kabbalah and tarot, and how doctor and surrealist author Pierre Mabille was a Freemason focused on finding initiatory paths where “it is possible to feel a new system connecting man with the universe.” Lepetit casts new light on the connection between key figures of the movement and the circle of adepts gathered around Fulcanelli. He also explores the relationship between surrealists and Freemasonry, Martinists, and the Elect Cohen as well as the Grail mythos and the Arthurian brotherhood.

## As You Law It - Negotiating Shakespeare

**Walter de Gruyter GmbH & Co KG** Shakespeare was fascinated by law, which permeated Elizabethan everyday life. The general impression one derives from the analysis of many plays by Shakespeare is that of a legal situation in transformation and of a dynamically changing relation between law and society, law and the jurisdiction of Renaissance times. Shakespeare provides the kind of literary supplement that can better illustrate the legal texts of the sixteenth and early seventeenth centuries. There was a strong popular participation in the system of justice, and late sixteenth-century playwrights often made use of forensic models of narrative. Uncertainty about legal issues represented a rich potential for causing strong reactions in the public, especially feelings concerning the resistance to tyranny. The volume aims at highlighting some of the many legal perspectives and debates emplotted in Shakespearean plays, also taking into consideration the many texts that have been produced during the latest years on law and literature in the Renaissance.

## Animated 'Worlds'

**Indiana University Press** What do we mean by the term “animation” when we are discussing film? Is it a technique? A style? A way of seeing or experiencing “a world” that has little relation to our own lived experience of “the world”? In *Animated Worlds*, contributors reveal the astonishing variety of “worlds” animation confronts us with. Essays range from close film analyses to phenomenological and cognitive approaches, spectatorship, performance, literary theory, and digital aesthetics. Authors include Vivian Sobchack, Richard Weihe, Thomas Lamarre, Paul Wells, and Karin Wehn.

## Under the Wide and Starry Sky

### A Novel

**Ballantine Books** NEW YORK TIMES BESTSELLER • TODAY SHOW BOOK CLUB PICK • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND ST. LOUIS POST-DISPATCH From the New York Times bestselling author of *Loving Frank* comes a much-anticipated second novel, which tells the improbable love story of Scottish writer Robert Louis Stevenson and his tempestuous American wife, Fanny. At the age of thirty-five, Fanny Van de Grift Osbourne has left her philandering husband in San Francisco to set sail for Belgium—with her three children and nanny in tow—to study art. It is a chance for this adventurous woman to start over, to make a better life for all of them, and to pursue her own desires. Not long after her arrival, however, tragedy strikes, and Fanny and her children repair to a quiet artists’ colony in France where she can recuperate. Emerging from a deep sorrow, she meets a lively Scot, Robert Louis Stevenson, ten years her junior, who falls instantly in love with the earthy, independent, and opinionated “belle Americaine.” Fanny does not immediately take to the slender young lawyer who longs to devote his life to writing—and who would eventually pen such classics as *Treasure Island* and *The Strange Case of Dr. Jekyll and Mr. Hyde*. In time, though, she succumbs to Stevenson’s charms, and the two begin a fierce love affair—marked by intense joy and harrowing darkness—that spans the decades and the globe. The shared life of these two strong-willed individuals unfolds into an adventure as impassioned and unpredictable as any of Stevenson’s own unforgettable tales. Praise for *Under the Wide and Starry Sky* “A richly imagined [novel] of love, laughter, pain and sacrifice . . . *Under the Wide and Starry Sky* is a dual portrait, with Louis and Fanny sharing the limelight in the best spirit of teamwork—a romantic partnership.”—USA Today “Powerful . . . flawless . . . a perfect example of what a man and a woman will do for love, and what they can accomplish when it’s meant to be.”—Fort Worth Star-Telegram “Horan’s prose is gorgeous enough to keep a reader transfixed, even if the story itself weren’t so compelling. I kept re-reading passages just to savor the exquisite wordplay. . . . Few writers are as masterful as she is at blending carefully researched history with the novelist’s art.”—The Dallas Morning News “A classic artistic bildungsroman and a retort to the genre, a novel that shows how love and marriage can simultaneously offer inspiration and encumbrance.”—The New York Times Book Review

## A Death at the Palace

**Old Street Publishing** Reporter Rex Tracey has just recovered from his affair with Lithuanian artist Milda Majauskas when she disappears. He's got other concerns, not least an anti-immigration group spreading hate across Tottenham, and a string of attacks on young women at the local beauty spot, Alexandra Palace. But when Milda's body is found, and Rex becomes a murder suspect, he is forced to seek answers.

## The Italian Encounter with Tudor England

### A Cultural Politics of Translation

**Cambridge University Press** *The small but influential community of Italians that took shape in England in the fifteenth century initially consisted of ecclesiastics, humanists, merchants, bankers and artists. However, in the wake of the English Reformation, Italian Protestants joined other continental religious refugees in finding Tudor England to be a hospitable and productive haven, and they brought with them a cultural perspective informed by the ascendancy among European elites of their vernacular language. This study maintains that questions of language are at the centre of the circulation of ideas in the early modern period. Wyatt first examines the agency of this shifting community of immigrant Italians in the transmission of Italy's cultural patrimony and its impact on the nascent English nation; Part Two turns to the exemplary career of John Florio, the Italo-Englishman who worked as a language teacher, lexicographer and translator in Elizabethan and Jacobean England.*

### Popes, Cardinals and War

## The Military Church in Renaissance and Early Modern Europe

**Lippincott Williams & Wilkins** *Can Christian clergy - supposedly men of peace - also be warriors? In this lively and compelling history D.S. Chambers examines the popes and cardinals over several centuries who not only preached war but also put it into practice as military leaders. Satirised by Erasmus, the most notorious - Julius II - was even refused entrance to heaven because he was 'bristling and clanking with bloodstained armour'. Popes, Cardinals and War investigates the unexpected commitment of the Roman Church, at its highest level of authority, to military force and war as well as - or rather than - peace-making and the avoidance of bloodshed. Although the book focuses particularly on the fifteenth and sixteenth centuries, a notoriously belligerent period in the history of the papacy, Chambers also demonstrates an extraordinary continuity in papal use of force, showing how it was of vital importance to papal policy from the early Middle Ages to the nineteenth century. Popes, Cardinals and War looks at the papacy's stimulus and support of war against Muslim powers and Christian heretics but lays more emphasis on wars waged in defence of the Church's political and territorial interests in Italy. It includes many vivid portraits of the warlike clergy, placing the exceptional commitment to warfare of Julius II in the context of the warlike activities and interests of other popes and cardinals both earlier and later. Engaging and stimulating, and using references to scripture and canon law as well as a large range of historical sources, Chambers throws light on these extraordinary and paradoxical figures - men who were peaceful by vocation but contributed to the process of war with surprising directness and brutality - at the same time as he illuminates many aspects of the political history of the Church.*

### Waiting for Sunrise

**A&C Black** *Vienna, 1913. It is a fine day in August when Lysander Rief, a young English actor, walks through the city to his first appointment with the eminent psychiatrist Dr Bensimon. Sitting in the waiting room he is anxiously pondering the particularly intimate nature of his neurosis when a young woman enters. She is clearly in distress, but Lysander is immediately drawn to her strange, hazel eyes and her unusual, intense beauty. Her name is Hettie Bull. They begin a passionate love affair and life in Vienna becomes tinged with a powerful frisson of excitement for Lysander. He meets Sigmund Freud in a café, begins to write a journal, enjoys secret trysts with Hettie and appears - miraculously - to have been cured. Back in London, 1914. War is imminent, and events in Vienna have caught up with Lysander in the most damaging way. Unable to live an ordinary life, he is plunged into the dangerous theatre of wartime intelligence - a world of sex, scandal and spies, where lines of truth and deception blur with every waking day. Lysander must now discover the key to a secret code which is threatening Britain's safety, and use all his skills to keep the murky world of suspicion and betrayal from invading every corner of his life. Moving from Vienna to London's West End, from the battlefields of France to hotel rooms in Geneva, Waiting for Sunrise is a feverish and mesmerising journey into the human psyche, a beautifully observed portrait of wartime Europe, a plot-twisting thriller and a literary tour de force from the bestselling author of Any Human Heart, Restless and Ordinary Thunderstorms.*

### Confessions of an Illuminati, Volume I

## The Whole Truth About the Illuminati and the New World Order

**CCC Publishing** *In English for the first time, a guide to the true secret structure of the Illuminati and their invisible network made of various power structures, author Leo Lyon Zagami uses their internal documents and reveals confidential and top-secret events. His book contends that the presence of numerous Illuminati brotherhoods and secret societies—just as those inside the most prestigious U.S. universities such as Yale or Harvard—have always been guides to the occult. From the Ordo Templi Orientis (OTO)'s infiltration of Freemasonry to the real Priory of Sion, this book exposes not only the hidden structure of the New World Order and the occult*

practices but also their connections to the intelligence community and the infamous Ur-Lodges.

## Artpolitik

### Social Anarchist Aesthetics in an Age of Fragmentation

*Literary Nonfiction. Politics. Art History. ARTPOLITIK examines the relationship between art and politics, focusing on radical political aesthetics in western culture since the end of the nineteenth century. Drawing from Surrealism, Socialist Realism, the Situationist International, capitalist consumer aesthetics, and critical theory, Neala Schleuning elaborates a social anarchist approach to aesthetics. ARTPOLITIK is not a history of radical art production but an exploration of the core ideas inspiring radical art. This provocative book is guaranteed to both challenge and inform, reframing radical aesthetics for the challenges of the present. It features an exploration of ideas and techniques employed by artists for more effective communication of radical political ideas. Art has played a central role in revolutionary change throughout history, and our own times call for a revitalization of art in the service of liberatory politics. This book is an effort to understand how new ideas seeking to position themselves vis a vis the aesthetic tradition while simultaneously reflecting the transformation of political and social movement cultures in new directions. "ARTPOLITIK can be the basis of fruitful discussions among artists and activists alike about the role, character and communicative value of art in our struggle for a better world. Each period of artistic expression she analyzes, and specifically those that were consciously political, prod us to think about and rethink today's art through these lenses."*—Wayne Nealis

## The Last Policeman

### A Novel

**Quirk Books** "[The] weird, beautiful, unapologetically apocalyptic Last Policeman trilogy is one of my favorite mystery series."—John Green, author of *The Fault in Our Stars* and *Paper Towns* Winner of the 2013 Edgar® Award Winner for Best Paperback Original! What's the point in solving murders if we're all going to die soon, anyway? Detective Hank Palace has faced this question ever since asteroid 2011GV1 hovered into view. There's no chance left. No hope. Just six precious months until impact. *The Last Policeman* presents a fascinating portrait of a pre-apocalyptic United States. The economy spirals downward while crops rot in the fields. Churches and synagogues are packed. People all over the world are walking off the job—but not Hank Palace. He's investigating a death by hanging in a city that sees a dozen suicides every week—except this one feels suspicious, and Palace is the only cop who cares. The first in a trilogy, *The Last Policeman* offers a mystery set on the brink of an apocalypse. As Palace's investigation plays out under the shadow of 2011GV1, we're confronted by hard questions way beyond "whodunit." What basis does civilization rest upon? What is life worth? What would any of us do, what would we really do, if our days were numbered? Ebook contains an excerpt from the anticipated second book in the trilogy, *Countdown City*.

## Silver Pebbles

**Bitter Lemon Press** A hunt for drug gang diamonds is keeping Basel Inspector Hunkeler on tenterhooks. Basel, nestled at the border of Switzerland with Germany and France, has been hammered by a huge snowstorm, cars and trams can barely move, trees are groaning under the weight of the recent snowfall, the cathedral and city roofs are smothered. An elegant young Lebanese man carrying diamonds in his bag is on the train from Frankfurt to Basel, a drug mule on the return journey. At the Basel train station, Inspector Hunkeler is waiting for him after a tipoff from the German police. The courier manages to get to the station toilet and flushes the stones away. Erdogan, a young Turkish sewage maintenance worker, finds the diamonds in the pipes under the station. To him they mean wealth and the small hotel he always wanted to buy near his family village. To his older Swiss girl-friend Erika, employed at a supermarket checkout counter, the stones signify the end of their life together. She knows that Erdogan has a wife and children in Turkey. For the courier, finding the stones is a matter of life and death. His employers are on their way to "tidy things up". For Hunkeler the stones are the only way to get to the people behind the drug trade. They turn out to include not only the bottom-feeding drug gangs but bankers and politicians very high up the Basel food chain.

## The Jewish Gauchos of the Pampas

"Reprint, with minor changes, of the 1955 translation of Gerchunoff's 1910 classic volume about Jewish immigrants in rural Argentina. Twenty-six vignettes, with some inter-related characters, tell stories of customs, love, death, religion, prejudice, and assimilation. Skillful translation captures bilingual (Spanish-Yiddish) flavor of original. Stavans' essay provides useful historical and literary background"--*Handbook of Latin American Studies*, v. 58.

## Italian Gothic Horror Films, 1957-1969

**McFarland** The "Gothic" style was a key trend in Italian cinema of the 1950s and 1960s because of its peculiar, often strikingly original approach to the horror genre. These films portrayed Gothic staples in a stylish and idiosyncratic way, and took a daring approach to the supernatural and to eroticism, with the presence of menacing yet seductive female witches, vampires and ghosts. Thanks to such filmmakers as Mario Bava (*Black Sunday*), Riccardo Freda (*The Horrible Dr. Hichcock*), and Antonio Margheriti (*Castle of Blood*), as well the iconic presence of actress Barbara Steele, Italian Gothic horror went overseas and reached cult status. The book examines the Italian Gothic horror of the period, with an abundance of previously unpublished production information drawn from

official papers and original scripts. Entries include a complete cast and crew list, home video releases, plot summary and the author's analysis. Excerpts from interviews with filmmakers, scriptwriters and actors are included. The foreword is by film director and scriptwriter Ernesto Gastaldi.

## Le Corbusier: the Chapel at Ronchamp

**Springer Science & Business Media** *The pilgrimage church Notre-Dame-du-Haut in Ronchamp (1950-54), an icon of modern architecture, represents one of the central buildings of Le Corbusier's late period. Like all the guides in this series, this book is indispensable both for a specialist audience and for tourists interested in architecture and modern art.*

## A Cross Too Heavy

## Pope Pius XII and the Jews of Europe

**Palgrave Macmillan** *The papacy of Pius XII (1939-1958) has been a source of near-constant debate and criticism since his death over half a century ago. Powerful myths have arisen around him, and central to them is the dispute surrounding his alleged silence during the years of the Holocaust. In this groundbreaking work, historian Paul O'Shea examines the papacy as well as the little-studied pre-papal life of Eugenio Pacelli in order to illuminate his policies, actions, and statements during the war. Drawing carefully and comprehensively on the historical record, O'Shea convincingly demonstrates that Pius was neither an anti-Semitic villain nor a "lamb without stain." Ultimately, Pius's legacy reveals the moral crisis within many parts of the fractured Christian Commonwealth as well as the personal culpability of Pacelli, the man and pope.*

## The Palgrave Handbook of Contemporary Gothic

**Springer Nature** *"Simply put, there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays. Not only is it impossible to imagine a more comprehensive view of the subject, most readers - even specialists in the subject - will find that there are elements of the Gothic genre here of which they were previously unaware." - Barry Forshaw, Author of British Gothic Cinema and Sex and Film* *The Palgrave Handbook of Contemporary Gothic is the most comprehensive compendium of analytic essays on the modern Gothic now available, covering the vast and highly significant period from 1918 to 2019. The Gothic sensibility, over 200 years old, embraces its dark past whilst anticipating the future. From demons and monsters to post-apocalyptic fears and ecological fantasies, Gothic is thriving as never before in the arts and in popular culture. This volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world. The chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre. Each chapter is packed with analysis of the Gothic in both theory and practice, as the genre has mutated and spread over the last hundred years. Starting in 1918 with the impact of film on the genre's development, and moving through its many and varied international incarnations, each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes, television and theatre. The volume also looks at how Gothic intersects with fashion, music and popular culture: a multi-layered, multi-ethnic, even a trans-gendered experience as we move into the twenty first century.*

## Vatican Assassins

"wounded in the House of My Friends" : the Diabolical History of the Society of Jesus : Including, Its Second Thirty Years' War, 1914-1945, Its Cold War, 1945-1990, and Its Assassination of America's First Roman Catholic President, John Fitzgerald Kennedy, 1963
