KEY=COMMANDER - TALIAH ROBERTSON

When Couples Walk Together 31 Days to a Closer Connection Harvest House Publishers The demands of everyday life almost always pull husbands and wives in different directions. And even when they are together, there's very little opportunity to just be a couple. Work, children, and other commitments make it a constant challenge to find quality time alone. Hugh and Cindi McMenamain have put together an innovative devotional about meaningful ways that husbands and wives can draw closer together. Each reading in this 31-day book offers simple, helpful (and fun!) steps a husband and wife can take to nourish closeness and intimacy. Among the topics are the power of a note making a memory extending grace splurging on love finding a getaway lighten the load flirting again sharing your heart Key thoughts from Scripture are interwoven into each devotion, and each ends with "Points to Ponder Together" as well as a couple's prayer. Especially helpful are the frequent anecdotal tips from a woman's perspective (Cindi) and a man's (Hugh). **Miss Kay's Duck Commander Kitchen Faith, Family, and Food--Bringing Our Home to Your Table** Simon and Schuster The matriarch of the "Duck Dynasty" clan presents a collection of family recipes and stories while revealing favorite dishes for each of the Robertson men and their wives, in a volume complemented by scriptural excerpts. **Duck Commander Devotions for Kids** Thomas Nelson The first devotional for kids by the Robertson family of Duck Dynasty fame! With the Robertson clan's flair for down-home wisdom and their wholesome family values, this devotional reveals the heart and faith of this much-loved family from A&E's hit show Duck Dynasty. The more than 6-million moms, dads, and little ones who are loyal fans of the Duck Dynasty family will love this collection of inspirational messages. Each devotion contains a brief message, an anecdotal story from America's favorite family, a passage from Scripture, a prayer, and a Duck Commander in Action. Not only are the messages motivational, but they are also mixed with the characters' trademark wit and revelations from their personal faith journeys. An ideal companion product for Duck Dynasty fans, outdoor enthusiasts, and those who want to grow in their faith, Duck Commander Devotions for Kids is certain to inspire little ones in their faith journey. **A New Season A Robertson Family Love Story of Brokenness and Redemption** Simon and Schuster Alan and Lisa Robertson, members of America's favorite back woods family and the Duck Commander Clan, take on the topic of relationships as they share the secrets that saved their marriage. Infidelity, deceit, distrust, and shame. Unfortunately, these are recurring themes in many of today's marriages in America—even in the family-values-promoting, Christian-based Robertson family. With a romance that began in junior high, the couple got off to a rocky start but soon settled into married life and had two baby girls. Alan became a pastor in the church where his family had been members for years. Then, when Lisa had an affair, the heartache and the tension was very public. But this is not a book about a marriage gone wrong. It is a candid story of rescued love and renewed commitment. After nearly getting divorced, Alan and Lisa came to terms with what went wrong in their marriage and both began the hard work of making it right. Now married for twenty-nine years, Alan and Lisa counsel couples in trouble and speak across the country—openly sharing their hardships, their journey to renewed commitment, and a thriving marriage. **Desperate Forgiveness** NavPress Duck Dynasty stars Al and Lisa Robertson were desperate for their love to survive—and with God's help, they realized the only answer to marital and family betrayal is all-consuming, life-altering, desperate forgiveness. In their new book, they share this message with anyone who wants to exchange broken relationships for healing. The Robertsons know what they're talking about: They have lived through the pain of adultery and lack of communication in their marriage. And thanks to the healing they've experienced, they now help other couples find their own path to forgiveness. This former pastor of 22 years and his wife want you to arrive at a place where you, too, can give and receive forgiveness and find the beauty of reconciliation. By sharing true stories from friends and family, as well as biblical examples, Desperate Forgiveness provides the support you'll need on the hard road to forgiveness. You'll learn about the necessity and power of humility; the freedom found in letting go of bitterness; and the restoration and reclamation on the other side of desperation. Al and Lisa Robertson are living proof that choosing and living out forgiveness is worth the effort. Let Desperate Forgiveness show you the way to a changed life and revitalized marriage. **Jesus Politics How to Win Back the Soul of America** Thomas Nelson New York Times bestselling author and Duck Dynasty star Phil Robertson exposes the destructive nature of American politics and calls on Christians to actively participate in advancing the Kingdom of heaven on earth. We live in a fractured country, a country in which identity politics, creeping socialist policies, toxic social media, and the vast partisan divide threaten the very fabric of America. After decades of political decay and of losing sight of our first principles, the American people are suffering from runaway debt, increased rates of depression, broken families, moral decay, and more. In Jesus Politics, Phil Robertson provides an alternate path: a radical call for Christians to use their freedoms to advance the agenda of the King and win back the divided soul of America. Exploring the problems facing our country and how Jesus would respond to each, Robertson offers a clear strategy, showing us how to do good by King Jesus, bringing the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. Robertson also gives you the tools you need to apply the lessons of Jesus Politics in the voting booth and in our everyday lives, reminding us that above all, we're called to: Love God Love our neighbors Do whatever it takes to bring, maintain, and protect his kingdom on earth as it is in heaven Join Robertson as he takes a closer look at the problems facing America and shares how we can use our time, talents, resources, and votes to solve them as members of the kingdom. Explore a new way of thinking and acting, a way that protects and advances the policies of the King. And, if enough of us do, maybe we can become a nation that proclaims, "In the King we trust." **Sister Roar Claim Your Authentic Voice, Embrace Real Freedom, and Discover True Sisterhood** Thomas Nelson Duck Dynasty matriarch Miss Kay and her daughter-in-law Lisa encourage you to live your strongest, happiest, most fulfilled life centered around the only One who loves you perfectly: Jesus. Through faith-filled, poignant, and sometimes hilarious stories about the sisterhood they've built with each other and with other women they've met on their journey, Kay and Lisa's Scripture-infused message in Sister Roar emboldens you to embrace how God can transform your voice into the powerful tool it was meant to be; find inspiration, comfort, and encouragement through true stories of healed heartbreak; see how much you have in common with beloved women of the Bible, such as Lydia and the woman at the well; discover a place of sisterhood, where you are loved for who you are; and identify your own unique roar. A love letter to the sisterhood of believers around the world, Sister Roar reminds you beyond any doubt that you have a voice we need to hear. In fact, the world has never needed your voice more than it does at this moment. Set aside your loneliness, your mistakes, your disappointed expectations. Nothing can take away the voice God gave you! Your sisters are calling. Are you ready to roar? **Uncanceled Finding Meaning and Peace in a Culture of Accusations, Shame, and Condemnation** Thomas Nelson Win the War for Your Own Integrity After Phil Robertson quoted Scripture in an interview with a national magazine, his hit show, Duck Dynasty, put him on "indefinite hiatus." Phil immediately knew what had happened: he had become a target of cancel culture. Since that time, Phil has spoken out against public shaming, strategic campaigns to get Bible-believing employees fired, and other tactics that are wreaking havoc in our society. In a deeply divided country, with so many bent on condemning and silencing others, Phil calls for us to carry out the unifying message of Jesus Christ. In Uncanceled, Phil shares his own experiences with cancel culture as he encourages us to turn to Scripture as we navigate politics, personal conversations, and new cultural norms; helps us see the psychological and political motivations behind silencing conservative voices; reminds us that the goal is not to convince others to like us but to win the war for our own integrity by refusing to bow down to the god of political correctness; and shows us how to trade retaliation for the love and forgiveness that God offers. Uncanceled is a blueprint for standing up for the truth of Jesus Christ in a culture that has forgotten how to have respectful conversations. As Phil reminds us, when we embrace the truth that Jesus Christ already paid an enormous debt to cancel our sins, we find a path to redemption, a way to forgiveness, and a means for godly connection. **Find Your Miracle How the Miracles of Jesus Can Change Your Life Today** WaterBrook Discover the miracle you've been looking for through an exploration of nine miracles of Jesus, each filled with meaning, insight, and discovery for all who desperately need a miracle of their own. Healing the blind. Walking on water. Calming the storm. Feeding thousands with a few loaves and fish. Every miracle Jesus performed was for a purpose. There was provision for that specific moment in time. But what if each miracle was also embedded with the promise of future provision...for you? In Find Your Miracle, New York Times best-selling authors Kerry and Chris Shook take a fresh look at nine of Jesus's most incredible times of healing and supernatural intervention. The Shooks unpack these moments in modern language to usher you into the pain, desperation, breakthrough, and miracle of each encounter. Plus they reveal a "miracle map" that connects that moment long ago to our needs today for revelation, transformation, and restoration. Weaving together the biblical narrative with contemporary real-life application, Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus the Miracle Worker: the Healer, the Provider, the Storm Chaser, and the Life Giver. Rather than running from our overwhelming situations, the Shooks encourage us to remain steady, fully trusting that Jesus stands ready to guide us to the miracle we most need, and possibly least expect. **The Writing Revolution Cuneiform to the Internet** John Wiley & Sons In a world of rapid technological advancements, it can be easy to forget that writing is the original Information Technology, created to transcend the limitations of human memory and to defy time and space. The Writing Revolution picks apart the development of this communication tool to show how it has conquered the world. Explores how writing has liberated the world, making possible everything from complex bureaucracy, literature, and science, to instruction manuals and love letters Draws on an engaging range of examples, from the first cuneiform clay tablet, Egyptian hieroglyphs, and Japanese syllabaries, to the printing press and the text messaging Weaves together ideas from a number of fields, including history, cultural studies and archaeology, as well as linguistics and literature, to create an interdisciplinary volume Traces the origins of each of the world's major written traditions, along with their applications, adaptations, and cultural influences **Hoosiers and the American Story** Indiana Historical Society A supplemental textbook for middle and high school students, Hoosiers and the American Story provides intimate views of individuals and places in Indiana set within themes from American history. During the frontier days when Americans battled with and exiled native peoples from the East, Indiana was on the leading edge of America's westward expansion. As waves of immigrants swept across the Appalachians and eastern waterways, Indiana became established as both a crossroads and as a vital part of Middle America. Indiana's stories illuminate the history of American agriculture, wars, industrialization, ethnic conflicts, technological improvements, political battles, transportation networks, economic shifts, social welfare initiatives, and more. In so doing, they elucidate large national issues so that students can relate personally to the ideas and events that comprise American history. At the same time, the stories shed light on what it means to be a Hoosier, today and in the past. **The history of Oswestry A History of Sinai unPHILtered The Way I See It** Simon and Schuster The beloved patriarch of A&E's® Duck Dynasty® series, Phil Robertson, shares his thoughtful—and opinionated—philosophy on life. In Phil Robertson's #1 New York Times bestseller, Happy, Happy, Happy, we learned about Phil's colorful past and the wild road to becoming the beloved patriarch of A&E's smash hit show, Duck Dynasty. Now, he returns to share his philosophy on life, which can be summed up in five short words. Love God, love your neighbor. In this inspirational and entertaining book, you will learn what makes Phil Robertson tick. Robertson shares his views on faith—and how it has totally changed his way of life and how he treats others; family—how he raised his kids and is raising grandkids while teaching them the life principles he lives by; ducks—and the business principles that started the Duck Commander empire; marriage—including what he's learned from his own marriage; and of course, his opinions on controversial topics like gun control, taxes, prayer in school, and the government. UnPHILtered is the ultimate guide to everything Phil Robertson believes in. Balancing his sometimes off-the-wall comments with his strong focus on home and family life, it is sure to spark discussion, laughs, and a sincere appreciation for Phil's unique approach to life. **Chaucer And His England**

Routledge First published in 2005. Routledge is an imprint of Taylor & Francis, an informa company. **Dramatic Technique** Boston ; New York : Houghton Mifflin Company **Wonders and the Order of Nature, 1150-1750** A rich exploration of how European naturalists used wonder and wonders (oddities and marvels) to envision and explain the natural world. **Highways and Byways in Sussex** Good Press "Highways and Byways in Sussex" by E. V. Lucas. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format. **Fandom as Methodology A Sourcebook for Artists and Writers** MIT Press An illustrated exploration of fandom that combines academic essays with artist pages and experimental texts. Fandom as Methodology examines fandom as a set of practices for approaching and writing about art. The collection includes experimental texts, autobiography, fiction, and new academic perspectives on fandom in and as art. Key to the idea of “fandom as methodology” is a focus on the potential for fandom in art to create oppositional spaces, communities, and practices, particularly from queer perspectives, but also through transnational, feminist and artist-of-color fandoms. The book provides a range of examples of artists and writers working in this vein, as well as academic essays that explore the ways in which fandom can be theorized as a methodology for art practice and art history. Fandom as Methodology proposes that many artists and art writers already draw on affective strategies found in fandom. With the current focus in many areas of art history, art writing, and performance studies around affective engagement with artworks and imaginative potentials, fandom is a key methodology that has yet to be explored. Interwoven into the academic essays are lavishly designed artist pages in which artists offer an introduction to their use of fandom as methodology. Contributors Taylor J. Acosta, Catherine Grant, Dominic Johnson, Kate Random Love, Maud Lavin, Owen G. Parry, Alice Butler, Soojin Lee, Jenny Lin, Judy Batalion, Ika Willis. Artists featured in the artist pages Jeremy Deller, Ego Ahaiwe Sowinski, Anna Bunting-Branch, Maria Fusco, Cathy Lomax, Kamau Amu Patton, Holly Pester, Dawn Mellor, Michelle Williams Gamaker. **The Women of Colour Index Reading Group, Liv Wynter, Zhiyuan Yang** **The Duck Commander Family How Faith, Family, and Ducks Built a Dynasty** Simon and Schuster Presents a behind-the-scenes look at the Robertson family, documenting the teenage romance and marriage of Willie and Korie Robertson, their success as a multi-million dollar hunting equipment business, and their rise to stardom on reality television. **Raising Resilient MKs Resources for Caregivers, Parents, and Teachers** **Digital Storytelling A creator's guide to interactive entertainment** CRC Press Digital Storytelling shows you how to create immersive, interactive narratives across a multitude of platforms, devices, and media. From age-old storytelling techniques to cutting-edge development processes, this book covers creating stories for all forms of New Media, including transmedia storytelling, video games, mobile apps, and second screen experiences. The way a story is told, a message is delivered, or a narrative is navigated has changed dramatically over the last few years. Stories are told through video games, interactive books, and social media. Stories are told on all sorts of different platforms and through all sorts of different devices. They're immersive, letting the user interact with the story and letting the user enter the story and shape it themselves. This book features case studies that cover a great spectrum of platforms and different story genres. It also shows you how to plan processes for developing interactive narratives for all forms of entertainment and non-fiction purposes: education, training, information and promotion. **Digital Storytelling** features interviews with some of the industry's biggest names, showing you how they build and tell their stories. **Mapping Global Theatre Histories** Springer This textbook provides a global, chronological mapping of significant areas of theatre, sketched from its deepest history in the evolution of our brain's 'inner theatre' to ancient, medieval, modern, and postmodern developments. It considers prehistoric cave art and built temples, African trance dances, ancient Egyptian and Middle-Eastern ritual dramas, Greek and Roman theatres, Asian dance-dramas and puppetry, medieval European performances, global indigenous rituals, early modern to postmodern Euro-American developments, worldwide postcolonial theatres, and the hyper-theatricality of today's mass and social media. Timelines and numbered paragraphs form an overall outline with distilled details of what students can learn, encouraging further explorations online and in the library. Questions suggest how students might reflect on present parallels, making their own maps of global theatre histories, regarding geo-political theatrics in the media, our performances in everyday life, and the theatres inside our brains. **Faith Commander Living Five Family Values from the Parables of Jesus** Exploring the most-loved parables of Jesus, the stars of the top rated TV show *Duck Dynasty*, with their trademark humor and a whole bunch of fun, share the five faith-based values that have shaped their family. **The Encyclopedia of World Religions** Infobase Publishing Contains nearly 600 brief entries on the world's religious traditions. **Introduction to Biblical Hermeneutics The Search for Meaning** Zondervan Academic Since its publication in 1994, *An Introduction to Biblical Hermeneutics* has become a standard text for a generation of students, pastors, and serious lay readers. This second edition has been substantially updated and expanded, allowing the authors to fine-tune and enrich their discussions on fundamental interpretive topics. In addition, four new chapters have been included that address more recent controversial issues: • The role of biblical theology in interpretation • How to deal with contemporary questions not directly addressed in the Bible • The New Testament's use of the Old Testament • The role of history in interpretation The book retains the unique aspect of being written by two scholars who hold differing viewpoints on many issues, making for vibrant, thought-provoking dialogue. What they do agree on, however, is the authority of Scripture, the relevance of personal Bible study to life, and why these things matter. **Old English Libraries The Making, Collection and Use of Books During the Middle Ages** **Happy, Happy, Happy My Life and Legacy as the Duck Commander** Simon and Schuster This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original *Duck Commander* and *Duck Dynasty*® star, from early childhood through the founding of a family business. *LIVING THE DREAM* Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he's quick to say, “Faith, family, ducks—in that order.” It isn't often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil's is the remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always wanted. If you ever wind up sitting face-to-face with Phil, you'll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you've watched the exceedingly popular A&E® program *Duck Dynasty*®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of *Duck Commander* duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don't know is his life before the show. In the pages of this book, you'll learn of Phil's colorful past and his wild road to the “happy, happy, happy” life he leads today. Before the “happy,” Phil's passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of “romping, stomping, and ripping” for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a “called” man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you'll find stories that will shock you, as well as those that will inspire you. You'll get to know the man behind the legend, and you'll come away better for it. **Prime Time Preachers The Rising Power of Televangelism** Reading, Mass. : Addison-Wesley Publishing Company **Combatting Cult Mind Control** Describes the psychological techniques cults use to indoctrinate their members and discusses deprogramming. **Devotions from the Garden Finding Peace and Rest in Your Busy Life** Thomas Nelson Is the garden your happy place? Does gardening give you peace? *Devotions from the Garden* takes you to that place where dewdrops settle and butterflies gather to witness the miracles of God's creation bloom and grow. *Devotions from the Garden*: Includes 90 devotions that explore the parallels of life with the elements of the garden to help you see God, sense His presence, soothe your soul, and help you rest in knowing He is with you throughout each day Is perfect for gardeners, flower enthusiasts, and nature lovers Is ideal for garden club meetings and anyone looking for inspirational content to start their day Includes beautiful photographs with a fresh, contemporary design for timeless appeal Come to the garden alone, and fill your soul with His presence. There's nothing on earth like the peace and loveliness of a magnificent garden. It's the place where Adam and Eve first fellowshiped with God, and where you, too, can escape from this chaotic world into His loving arms of beauty and serenity. **The Blackwell Guide to the Philosophy of Religion** John Wiley & Sons *The Blackwell Guide to the Philosophy of Religion* features fourteen new essays written by some of the most prominent philosophers working in the field. Contributors include Linda Zabzeski, Hugh McCann, Brian Leftow, Gareth B. Matthews, William L. Rowe, Elliott Sober, Derk Pereboom, Alfred J. Freddoso, William P. Alston, William J. Wainwright, Peter van Inwagen, Philip Kitcher and Philip Quinn. Features fourteen newly commissioned essays. Provides a comprehensive treatment of the major problems in the philosophy of religion. Surveys the field and presents distinctive arguments. **The Theft of America's Soul Blowing the Lid Off the Lies That Are Destroying Our Country** Thomas Nelson It's time to take back what the devil has stolen and put God back into our culture. *The Theft of America's Soul* is a prophetic wake-up call for all who desire to see our nation thrive, challenging readers to exchange these ten lies for truths that will bring peace of mind, harmony, and prosperity back to our country—an invitation to experience the life-giving, peace-filling, wholly-transforming love of God. Phil Robertson, patriarch of A&E's *Duck Dynasty* and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies—such as that God is dead, truth is relative, and unity is impossible—that have brought discord, division and protest. But Phil also believes that things can change. Writing with captivating storytelling and unflinching honesty, Phil shows how to make America a God-honoring nation once more: by dropping the ten central lies that rule our day, including God is dead There is no Devil Truth is relative Sex is for self-gratification **The News at the Ends of the Earth The Print Culture of Polar Exploration** Duke University Press From Sir John Franklin's doomed 1845 search for the Northwest Passage to early twentieth-century sprints to the South Pole, polar expeditions produced an extravagant archive of documents that are as varied as they are engaging. As the polar ice sheets melt, fragments of this archive are newly emergent. In *The News at the Ends of the Earth* Hester Blum examines the rich, offbeat collection of printed ephemera created by polar explorers. Ranging from ship newspapers and messages left in bottles to menus and playbills, polar writing reveals the seamen wrestling with questions of time, space, community, and the environment. Whether chronicling weather patterns or satirically reporting on penguin mischief, this writing provided expedition members with a set of practices to help them survive the perpetual darkness and harshness of polar winters. The extreme climates these explorers experienced is continuous with climate change today. Polar exploration writing, Blum contends, offers strategies for confronting and reckoning with the extreme environment of the present. **The History of Science Fiction** Springer *The History of Science Fiction* traces the origin and development of science fiction from Ancient Greece up to the present day. The author is both an academic literary critic and acclaimed creative writer of the genre. Written in lively, accessible prose it is specifically designed to bridge the worlds of academic criticism and SF fandom. **Preparing Your Heart for Marriage Devotions for Engaged Couples** Zondervan The wedding is planned, but are you spiritually prepared for your wedding day? Trusted relationship author Gary Thomas coaches engaged couples on how to grow closer to the Lord in the days leading up to the wedding as a means of preparing them for all the days after the wedding. Engagement is bursting with promise, hope, joy, and anticipation of all kinds. It can also be one of the busiest times your life. For some, planning a wedding, with all the decisions involved, can feel less like the exciting onset of marriage and more like a tedious to-do list. Amidst the busyness, this devotional is designed to encourage and guide you through the spiritual priorities and challenges that lie ahead in order to grow a joy-filled marriage filled with love, grace, and God's blessing. In addition to helping you celebrate the joys of marriage and become radically connected as you create an even deeper passionate relationship, this lovely book also provides encouraging entries that will help you deal with common issues such as: Building physical and emotional intimacy Repairing trust Celebrating differences Being a team player Managing finances With a special section on the marriage vows and thoughtful meditations for the bride and groom, *Preparing Your Heart for Marriage* will help you grow in your relationship as a couple on your journey from “me” to “we.” **The Language of Composition Reading, Writing, Rhetoric** Macmillan Higher Education For over a decade, *The Language of Composition* has been the most successful textbook written for the AP® English Language and Composition Course. Now, its esteemed author team is back, giving practical instruction geared toward training students to read and write at the college level. The textbook is organized in two parts: opening chapters that develop key rhetoric, argument, and synthesis skills; followed by thematic chapters comprised of the finest classic and contemporary nonfiction and visual texts. With engaging readings and reliable instruction, *The Language of Composition* gives every student the opportunity for success in AP® English Language. AP® is a trademark registered and/or owned by the College Board, which was not involved in the production of, and does not endorse, this product. **Strong and Kind Raising Kids of Character** Thomas Nelson It has never been more important to teach your children well. Many parents want to see positive character traits in their children but wonder how to instill them. As stars of the hit reality show “*Duck Dynasty*”, Korie and Willie Robertson receive loads of letters and messages from fans asking how did they raise such good kids. As Korie will tell you, it wasn't easy, but it is possible. A straightforward approach to parenting, *Strong and Kind* helps parents identify the character traits they want to see in their children along with the tools for putting them in

place. For instance, strong means “resilient” and “sturdy.” In the same way that muscles can be resilient and sturdy, our inner confidence can and should be too. Kindness to others always requires good manners, sharing, patience, forgiveness, and joyfulness, which are also character traits we want our children to possess. Then there’s treating others with respect and love, which is the second greatest command. “Strong and Kind also covers the ways parents can implement these positive traits. Korie identifies nine specific character traits that parents will want to focus in on with their kids. Besides strong and kind they include: self-control, honesty, loyalty, humility, compassion, patience, and being joyful. And by modeling the best behavior, parents will increase the chances of their kids catching on. Ultimately, the stars of “Duck Dynasty” recommend you do what they do at the end of every episode: hand your children over to God’s loving arms in prayer every day. **Statesmanship, Character, and Leadership in America** Springer Newell examines noted Americans at seven critical turning points in American history to look at what it takes to be a statesman. Through a powerful speech and the events preceding and following it, they show us how they grappled with conflicting values, varying demands, and the uncertainties of trying to forge a good society. **Attributing Authorship An Introduction** Cambridge University Press Recent literary scholarship has seen a shift of interest away from questions of attribution. Yet these questions remain urgent and important for any historical study of writing, and have been given a powerful new impetus by advances in statistical studies of language and the coming on line of large databases of texts in machine-searchable form. The present book is the first comprehensive survey of the field from a literary perspective to appear for forty years. It covers both traditional and computer based approaches to attribution, and evaluates each in respect of their potentialities and limitations. It revisits a number of famous controversies, including those concerning the authorship of the Homeric poems, books from the Old and New Testaments, and the plays of Shakespeare. Written with wit as well as erudition Attributing Authorship will make this intriguing field accessible for students and scholars alike.
