THE DAUGHTER'S WALK

A NOVEL

WaterBrook A mother's tragedy, a daughter's desire and the 7000 mile journey that changed their lives. In 1896 Norwegian American Helga Estby accepted a wager from the fashion industry to walk from Spokane, Washington to New York City within seven months in an effort to earn \$10,000. Bringing along her nineteen year-old daughter Clara, the two made their way on the 3500-mile trek by following the railroad tracks and motivated by the money they needed to save the family farm. After returning home to the Estby farm more than a year later, Clara chose to walk on alone by leaving the family and changing her name. Her decisions initiated a more than 20-year separation from the only life she had known. Historical fiction writer Jane Kirkpatrick picks up where the fact of the Estbys' walk leaves off to explore Clara's continued journey. What motivated Clara to take such a risk in an era when many women

struggled with the issues of rights and independence? And what personal revelations brought Clara to the end of her lonely road? The Daughter's Walk weaves personal history and fiction together to invite readers to consider their own journeys and family separations, to help determine what exile and forgiveness are truly about. "Kirkpatrick has done impeccable homework, and what she recreates and what she imagines are wonderfully seamless. Readers see the times, the motives, the relationships that produce a chain of decisions and actions, all rendered with understatement. Kirkpatrick is a master at using fiction to illuminate history's truths. This beautiful and compelling work of historical fiction deserves the widest possible audience." —Publishers Weekly (Starred Review)

PANIC

Harper Collins From New York Times bestselling author Lauren Oliver comes a captivating, thrilling novel of fear, friendship, courage, and hope that will leave readers gasping for air. Now a television series on Prime Video, starring Olivia Welch, Mike Faist, Jessica Sula, Enrique Murciano, Camron Jones, and Ray Nicholson! E. Lockhart, author of *We Were Liars*, calls *Panic* "a thrill a minute." Kirkus says: "Will have readers up until the wee hours," *School Library Journal* raves: "Fast-paced and captivating." *Panic* began as so many things do in Carp, a poor town of twelve thousand people in the middle of nowhere: because it was summer, and there was nothing else to do. Heather never thought she would compete in panic, a legendary game played by graduating seniors. She'd never thought of herself as fearless, the kind of person who would fight to stand out. His secret will fuel him, and get him all the way through the game; he's sure of it. But what he doesn't know is that he's not the only one with a secret. Everyone has something

to play for. For Heather and Dodge, the game will bring new alliances, unexpected revelations, and the possibility of first love for each of them—and the knowledge that sometimes the very things we fear are those we need the most. Read the book that inspired the series, which the New York Times described as “Reminiscent of ‘The Hunger Games’ but grounded in the real world.”

Her mother, beset by mental illness and overwhelmed by caring for Margaux, is grateful for the attention Peter lavishes on her, and he creates an imaginative universe for her, much as Lewis Carroll did for his real-life Alice. In time, he insidiously takes on the role of Margaux's playmate, father, and lover. Charming and manipulative, Peter burrows into every aspect of Margaux's life and transforms her from a child fizzing with imagination and affection into a brainwashed young woman on the verge of suicide. Told with lyricism, depth, and mesmerizing clarity, Tiger, Tiger vividly illustrates the healing power of memory and disclosure. This extraordinary memoir is an unprecedented glimpse into the psyche of a young girl in free fall and conveys to readers—including parents and survivors of abuse—just how completely a pedophile enchants his victim and binds her to him.
