BLESSED

A HISTORY OF THE AMERICAN PROSPERITY GOSPEL

Oxford University Press 'Blessed' offers a comprehensive history of the rise of the American prosperity gospel. What began as diverse metaphysical, pentecostal, and self-help conceptions about the power of the mind became one of the most influential popular religious movements of the last century. The book follows how the movement took shape after World War II in pentecostal healing revivals and exploded onto the national scene through televangelists with big hair and bigger promises. It survived the scandals of the late 1980s and remade its image as a therapeutic and effective theology of modern living. Now thriving in the 21st century megachurch movement, the prosperity gospel reigns as a full-fledged cultural phenomenon.

PROSPERITY

Cosimo, Inc. American mystic CHARLES FILLMORE (1854-1948) was a founder of Unity Church, part of the early "New Age" movement called New Thought that was popular in the late 19th and early 20th centuries. Unity adheres to a "positive, practical Christianity," and this 1940 edition embodies that philosophy: it preaches that poverty is a sin, and that God wants us to be rich...a strain that has been picked up by some modern fundamentalist preachers in a way not entirely faithful to Fillmore's beliefs. Fillmore's lessons encompass... From exploring the "law of motive" (work motivated by love brings satisfaction) to highlighting the "law of preparation" (being wise managers of the resources God provides leads to abundance in many areas), 7 Laws of True Prosperity shows people how following God's principles leads to more joy, more satisfaction, and more opportunities to make a difference.

IT'S NOT ABOUT THE MONEY

A FINANCIAL GAME PLAN FOR STAYING SAFE, SANE, AND CALM IN ANY ECONOMY

Harper Collins What do the latest financial thinking and ancient spiritual teachings reveal to us about financial freedom? Top financial advisor Brent Kessel insists financial success and security is "not about the money." Rather, it's about what's inside us—first understanding your emotional relationship to money, and only then taking action. It's Not About the Money expertly and compassionately guides you along the path to financial security and true peace of mind. Kessel, founder of two top wealth-management firms, has the inside scoop on the higher wisdom of personal finances, and he wants to share it with you. Through extensive experience as a financial advisor and spiritual seeker, Kessel has discovered that people need to understand their core financial story in order to make meaningful changes. Some of us are savers or caretakers, says Kessel, while others are pleasure seekers and spend like Hollywood stars; some people are idealists who place greater value on creativity or compassion than on financial security; some of us innocently believe our finances will work out without effort; and others obsess about building empires with lasting value. It's Not About the Money will help you identify your money type, providing information and resources as well as exercises and meditations to inspire a fresh approach to your relationship with money that will change your life.

HAVE YOU HEARD OF THE FOUR SPIRITUAL LAWS?

One of the most effective evangelistic tools ever developed.

PROSPERITY PROMISES

THE 48 LAWS OF POWER

Profile Books THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power. _____ (From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

THE ART OF ABUNDANCE

TEN RULES FOR A PROSPEROUS LIFE

Penguin A life of wholeness and purpose are well within our reach--The Art of Abundance outlines ten rules, or practices, that lay the foundation for a life worth living. Whether we're striving for a new job, a higher salary, or a stronger relationship, Dennis Merritt Jones explains in The Art of Abundance that we all essentially want the same things: freedom, inner peace, and a life filled with purpose and meaning. He shows that a life of wholeness and peaceful satisfaction is readily available to us--we just need the eyes to see it and the faith to claim it. The problem is that most people don't know where to look for such a life. This book will help readers open their eyes to the limitless abundance that lies waiting just beyond their current belief system. In The Art of Abundance, Jones identifies ten rules, or practices that, when followed faithfully, lay the foundation for a life worth living. In order to make each rule as easy to apply as possible, Jones lays out the premise, the problem, the principle, the practice, and the payoff of each. These practices assist readers in creating a greater flow of goodness into their lives--in ways they may have never considered.

HEALTH, WEALTH, AND HAPPINESS

HOW THE PROSPERITY GOSPEL OVERSHADOWS THE GOSPEL OF CHRIST

Kregel Publications Be faithful in your giving and God will reward you financially. It's not always stated that blatantly but the promises of the Prosperity Gospel--or the name-it-and-claim-it gospel, the health-and-wealth gospel, the word of faith movement, or positive

confession theology--are false. Yet its message permeates the preaching of well-known Christian leaders: Joyce Meyer, T. D. Jakes, Joel Osteen, Creflo Dollar, Kenneth and Gloria Copeland, and many more. The appeal of this teaching crosses racial, gender, denominational, and international boundaries. Why are otherwise faithful Christians so easily led astray? Because the Prosperity Gospel contains a grain of biblical truth, greatly distorted. For anyone who knows that Prosperity Gospel theology is wrong but has trouble articulating and refuting the finer points, this concise edition contains all the robust arguments of the hard-hitting original edition in a shorter, more accessible form.

THE INNER PATH TO WEALTH

Harmony An enlightening guide to success, fulfillment, wholeness, and plenty, offering practical advice on how to cultivate a sense of abundance in times of fear and insecurity, from New York Times bestselling author Deepak Chopra "To attain wealth of the lasting kind, the kind that gives your life meaning, value, and sustenance, base your daily existence on the generosity of spirit."—Deepak Chopra Many of us live and operate from a mind-set of lack, scarcity, and limitation. We focus on what we don't have—financial security, confidence, an intimate relationship—which keeps us feeling insecure and inadequate. We think "if only I could have those things, I could be happy." But measuring wealth by money or material possessions leaves us feeling drained and spiritually empty. Constantly striving for more often means our ego is driving our thoughts, actions, and reactions, which prevents us from reaching something greater: a true sense of inner peace, acceptance, and fulfillment. Yet, there is an inner path to prosperity and wealth that, once charted and explored, provides access to the great riches of the universe and life's unbounded possibilities. In Abundance, international bestselling author Deepak Chopra illuminates this road to success and wholeness, helping readers tap into a deeper sense of awareness to become agents of change in their own lives. Mixing ancient teachings and spiritual practices with the wisdom he's garnered over four decades as the leading figure in mind-body medicine, Deepak demonstrates how to transcend self-generated feelings of limitation and fear in order to experience true abundance in all aspects of life. To do so, he offers a seven-step plan along with meditations and mindfulness techniques to help you focus and direct your attention, energy, and intuition so you can experience stability, affluence, insight, creativity, love, and true power.

BILL BRIGHT AND CAMPUS CRUSADE FOR CHRIST

THE RENWAL OF EVANGELICALISM IN POSTWAR AMERICA

ReadHowYouWant.com Founded as a local college ministry in 1951, Campus Crusade for Christ has become one of the world's largest evangelical organizations, today boasting an annual budget of more than \$500 million. Nondenominational organizations like Campus Crusade account for much of modern evangelicalism's dynamism and adaptation to mainstream American culture. Despite the importance of these "parachurch" organizations, says John Turner, historians have largely ignored them. Turner offers an accessible and colorful history of Campus Crusade and its founder, Bill Bright, whose marketing and fund-raising acumen transformed the organization into an international evangelical empire. Drawing on archival materials and more than one hundred interviews, Turner challenges the dominant narrative of the secularization of higher education, showing how Campus Crusade helped reestablish evangelical Christianity as a visible subculture on American campuses Beyond the campus, Bright expanded evangelicalism's influence in the worlds of business and politics. As Turner demonstrates, the story of Campus Crusade reflects the halting movement of evangelicalism into mainstream American society: its awkward marriage with conservative politics, its hesitancy over gender roles and sexuality, and its growing affluence. JOHN G. TURNER is assistant professor of history at the University of South Alabama.
