It will not waste your time. bow to me, the e-book will categorically aerate you additional business to read. Just invest little time to right to use this on-line notice **The Ira Tim Pat Coogan** as with ease as evaluation them wherever you are now.

KEY=COOGAN - BURCH PATRICK

THE IRA

Palgrave Macmillan *This updated edition of Coogan's bestselling history of the IRA now includes behind-the-scenes information on the recent advances made in the peace process. Meticulously researched and featuring interviews with past and present members of the organization, this is a compelling account of modern Irish history. Four 8-page photo sections.*

THE IRA

A HISTORY

Roberts Publishing Company Limited *The complete history of the Irish Republican Army, including extensive interviews with figures from both sides of the sectarian divide in Northern Ireland.*

THE IRA

HarperCollins UK *This updated edition of the history of the IRA now includes behind-the-scenes information on the recent advances made in the peace process. Coogan examines the IRA's origins, its foreign links, the bombing campaigns, and hunger strikes.*

THE IRA

"The fourth edition of this most authoritative study takes the IRA story of infliction and endurance from its origins in the nineteenth century to today's peace process. Completely revised and updated, it provides not only a history of the IRA but an understanding of modern Ireland, of the complex Anglo-Irish relationship and of the religious and social forces from which the IRA evolved." "Tim Pat Coogan provides detailed information on everything connected with the IRA, from its training and court martial proceedings, to how its volunteers and prisoners think and act, to an in-depth portrait of Sinn Fein president, Gerry Adams."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. THE TWELVE APOSTLES

MICHAEL COLLINS, THE SQUAD, AND IRELAND'S FIGHT FOR FREEDOM

Simon and Schuster *The acclaimed author of Michael Collins examines the Irish Republican Army's counterintelligence unit during and after the Irish War of Independence. Ireland, 1919: When Sinn Féin proclaims Dáil Éireann the parliament of the independent Irish republic, London declares the new assembly to be illegal, and a vicious guerilla war breaks out between republican and crown forces. Michael Collins, intelligence chief of the Irish Republican Army, creates an elite squad whose role is to assassinate British agents and undercover police. The so-called 'Twelve Apostles' will create violent mayhem, culminating in the events of 'Bloody Sunday' in November 1920. Bestselling historian Tim Pat Coogan not only tells the story of Collins' squad, he also examines the remarkable intelligence network of which it formed a part, and which helped to bring the British government to the negotiating table.*

THE I.R.A.

THE FAMINE PLOT

ENGLAND'S ROLE IN IRELAND'S GREATEST TRAGEDY

St. Martin's Press *During a Biblical seven years in the middle of the nineteenth century, Ireland experienced the worst disaster a nation could suffer. Fully a quarter of its citizens either perished from starvation or emigrated, with so many dying en route that it was said, "you can walk dry shod to America on their bodies." In this grand, sweeping narrative, Ireland's best-known historian, Tim Pat Coogan, gives a fresh and comprehensive account of one of the darkest chapters in world history, arguing that Britain was in large part responsible for the extent of the national tragedy, and in fact engineered the food shortage in one of the earliest cases of ethnic cleansing. So strong was anti-Irish sentiment in the mainland that the English parliament referred to the famine as "God's lesson." Drawing on recently uncovered sources, and with the sharp eye of a seasoned historian, Coogan delivers fresh insights into the famine's causes, recounts its unspeakable events, and delves into the legacy of the "famine mentality" that followed immigrants across the Atlantic to the shores of the United States and had lasting effects on the population left behind. This is a broad, magisterial history of a tragedy that shook the nineteenth century and still impacts the worldwide Irish diaspora of nearly 80 million people today.*

WHEREVER GREEN IS WORN

THE STORY OF THE IRISH DIASPORA

Head of Zeus Ltd *The population of Ireland is five million, but 70 million people worldwide call themselves Irish. Here, Tim Pat Coogan travels around the globe to tell their story. Irish emigration first began in the 12th century when the Normans invaded Ireland. Cromwell's terrorist campaign in the 17th century drove many Irish to France and Spain, while Cromwell deported many more to the West Indies and Virginia. Millions left due to the famine and its aftermath between 1845 and 1961. Where did they all go? From the memory of the wild San Patricios Brigade soldiers who deserted the American army during the Mexican War to fight on the side of their fellow Catholics to Australia's Irish Robin Hood: Ned Kelly, Coogan brings the vast reaches of the Irish diaspora to life in this collection of vivid and colourful tales. Rich in characterization and detail, not to mention the great Coogan wit, this is an invaluable volume that belongs on the bookshelf of every Celtophile.*

THE TROUBLES: IRELAND'S ORDEAL AND THE SEARCH FOR PEACE

Palgrave Macmillan *The tortured history of Ireland from the beginning of the civil rights movement of the 1960s, through the long, horrible years of violence and up to the attempts to find peace.*

MICHAEL COLLINS

A BIOGRAPHY

Head of Zeus Ltd *When President of the Irish Republic Michael Collins signed the Anglo-Irish Treaty in December 1921, he remarked to Lord Birkenhead, 'I may have signed my actual death warrant.' In August 1922 during the Irish Civil War, that prophecy came true – Collins was shot and killed by a fellow Irishman in a shocking political assassination. So ended the life of the greatest of all Irish nationalists, but his visions and legacy lived on. This authoritative and comprehensive biography presents the life of a man who became a legend in his own lifetime, whose idealistic vigour and determination were matched only by his political realism and supreme organisational abilities. Coogan's biography provides a fascinating insight into a great political leader, whilst vividly portraying the political unrest in a divided Ireland, that can help to shape our understanding of Ireland's recent tumultuous socio-political history.*

THE TROUBLES

IRELAND'S ORDEAL 1966-1995 AND THE SEARCH FOR PEACE

Head of Zeus Ltd *The Troubles refers to a violent thirty-year conflict, at the heart of which lay the constitutional status of Northern Ireland. Over 3,000 people were killed on all sides, and many more damaged by a legacy that continued long past 1998. After looking at the roots of Catholic discrimination of the Northern Irish state, Coogan points to Orange prejudice in housing, education and jobs and the lack of a Catholic outlet for peaceful protest. He argues that the war in the North started as a civil rights demonstration, but that radical Orange response soon turned protest into war. He takes a close look at Ian Paisley 'the great pornographer'; John Hume, the quiet peacemaker; Gerry Adams, gunman turned peacemaker; and Albert Reynolds, the first prime minister to insist on peace. In this controversial volume, Coogan covers all parts of the war, from Bloody Sunday in 1972 to the Bobby Sands hunger strike. Although written from a nationalist viewpoint, Coogan has taken a complicated history and explained it simply, with grace and wit.*

THE I.R.A.

Describes the origins, growth and activities of the Irish Republican Army, a group of fiery nationalists organized after the Easter Rebellion of 1916.

THE GAA AND THE WAR OF INDEPENDENCE

Head of Zeus Ltd *Founded in 1884 to promote Irish identity and revive the traditional sports of hurling, football and handball, the GAA enjoyed an intimate relationship with the nationalist movement from the turn of the twentieth century onwards. In 1914, the Irish Volunteers drilled with hurley sticks in the absence of rifles; after the 1916 Rising many of those interned by the British were GAA members; and on 21 November 1920, a Gaelic football match between Dublin and Tipperary at Croke Park was interrupted by a raid by British crown forces that left fourteen dead in Ireland's first 'Bloody Sunday'. With affection and authority, Tim Pat Coogan traces the stirring story of an institution which, from modest beginnings as a grass-roots sporting organisation, has grown into a cornerstone of Irish society both North and South. The Gaelic Athletic Association is, Coogan argues, the most socially valuable organisation in Ireland, whose ideal of voluntarism has contributed to a distinctive sense of national identity that flourishes wherever green is worn.*

ON THE BLANKET

THE INSIDE STORY OF THE IRA PRISONERS' "DIRTY" PROTEST

Palgrave Macmillan *The H Block protest is one of the strangest and most controversial issues in the tragic history of Northern Ireland. Republican prisoners, convicted of grave crimes through special courts and ruthless interrogation procedures, campaigned for political status by refusing to wear prison clothes and daubing their cell with excrement. Were they properly convicted criminals, or martyrs to political injustice? In a masterpiece of investigative journalism, Coogan provides us with the only first-hand account of the protest. His investigation led deep into the social, cultural, and economic maze of Northern Ireland's history to give readers an unmatched analysis of a troubled place and its sorrowful history.*

ON THE BLANKET

THE H-BLOCK STORY

Head of Zeus *The H Block protest is one of the strangest and most controversial issues in the tragic history of Northern Ireland. Republican prisoners, convicted of grave crimes through special courts and ruthless interrogation procedures, campaigned for political status by refusing to wear prison clothes and daubing their cell with excrement. Were they properly convicted criminals, or martyrs to political injustice? In this masterpiece of investigative journalism, Coogan provides us with the only first-hand account of the protest. His investigation led deep into the social, cultural, and economic maze of Northern Ireland's history to give readers an unmatched analysis of a troubled place and its sorrowful history.*

IRELAND IN THE 20TH CENTURY

Random House *Ireland's bestselling popular historian tells the story of contemporary Ireland - controversial, authoritative and highly readable. Tim Pat Coogan's biographies of Michael Collins and DeValera and his studies of the IRA, the Troubles and the Irish Diaspora have transformed our understanding of contemporary Ireland, and all have been massive bestsellers. Now he has produced a major history of Ireland in the twentieth century. Covering both South and North and dealing with cultural and social history as well as political, this enthralling work will become the definitive single-volume account of the making of modern Ireland.*

A SECRET HISTORY OF THE IRA

W. W. Norton & Company *A portrayal of the Irish Republican Army includes coverage of its associations with Qaddafi's regime, Margaret Thatcher's secret diplomacy with Gerry Adams, the Catholic church's negotiations with Republican leadership, and undisclosed activities by the Clinton administration. Reprint. 20,000 first printing.*

THE I.R.A.

EAMON DE VALERA

THE MAN WHO WAS IRELAND

SINN FEÍN

A HUNDRED TURBULENT YEARS

Univ of Wisconsin Press *Sinn Féin ("ourselves alone") is one of the most controversial political movements in Ireland. Here, for the first time, is the complete story of the rise and fall—and rise again—of a party that repeatedly has reshaped its identity over the course of a hundred years, moving from dual monarchy to dual strategy—the gun and the ballot box. From Arthur Griffith to Gerry Adams, this is a roll-call of major personalities from Irish and British history and politics, including Eamon de Valera, Countess Constance Markievicz, David Lloyd George, Michael Collins, Ruairí Ó Brádaigh, Cathal Goulding, Tomás MacGiolla, Margaret Thatcher, and Martin McGuinness. Now at the beginning of the twenty-first century, Sinn Féin seems poised to play a pivotal role in the Irish political arena, north and south, well into the future. Its place in history is still being written. Copublished with the O'Brien Press, Dublin. The Wisconsin edition is for sale only in North America and the Philippines.*

1916: ONE HUNDRED YEARS OF IRISH INDEPENDENCE

FROM THE EASTER RISING TO THE PRESENT

Macmillan *There's before 1916 and then there's after. Between them lies the Easter Rising, when Irish republicans took up arms against British rule and changed the course of their country's history forever. For though the resistance failed, it failed gloriously; the rebels were no longer a group of cranks and troublemakers in the public eye, but martyrs and national heroes, their example set the way for others and their mission lived on through the century to come. But what sort of country did the Rising create? And how does post-1916 Ireland compare with the aspirations of the rebellion's leaders, the hopes of Thomas MacDonagh and John MacBride, of James Connolly and Patrick Pearse? One hundred years later, Tim Pat Coogan offers a personal perspective on the Irish experience that followed the Rising. He charts a flawed history that is marked as much by complacency, corruption, and institutional abuse as it is by the building of a nation and the sacrifices of the Republic's founding fathers.*

THE IRISH CIVIL WAR

Weidenfeld & Nicolson *An examination of five years in the birth of a nation - from the break-up of the Irish parliament into pro- and anti-treaty factions in the summer of 1921 to the aftermath of the bloody fighting in 1924 - preserved by the camera lens. George Morrison shows the photographs he has amassed - many restored to enhance detail - in context, recording who photographed them, when, and for what purpose. Tim Pat Coogan provides a text which sets the events of the Civil War in their chronological order. The book includes a chapter on propaganda photography.*

THE COMMITTEE

POLITICAL ASSASSINATION IN NORTHERN IRELAND

Roberts Rinehart Pub *The author relates his investigation into a secret Loyalist organization responsible for the murders of Irish Republicans and nationalists, and discusses his controversial documentary about this organization*

1916: THE MORNINGS AFTER

Head of Zeus *The 1916 Easter Rising and its aftermath changed Ireland for ever. The British government's execution of 14 republican rebels transformed a group hitherto perceived as cranks and troublemakers into national heroes. Those who avoided the British firing squads of May 1916 went on to plan a new – and ultimately successful – struggle for Ireland's independence, shaping their country's destiny for the century to come. But what sort of country did they create? And to what extent does post-1916 Ireland measure up to the hopes and aspirations of 'MacDonagh and MacBride / And Connolly and Pearse'? Best-selling historian Tim Pat Coogan offers a strongly personal perspective on the Irish century that followed the Rising – charting a flawed history that is marked as much by complacency, corruption and institutional and clerical abuse, as it is by the sacrifices and nation-building achievements of the Republic's founding fathers.*

THE IRISH REPUBLICAN ARMY

The Rosen Publishing Group, Inc *The profoundly sad and bitter story of Irish resistance to Britain's occupation and administration of the six counties of Northern Ireland extends over 800 years and encompasses suffering on both sides of the conflict. The Catholic Irish, the Protestant Irish, and the British armed forces have, until recently, seemed caught up in an unbreakable cycle of violence and tragedy. Susie Derkins untangles this long history of grievance and retribution, while carefully examining the latest and most promising efforts by all sides to find peace and reconciliation.*

THE PROVISIONAL IRA

FROM INSURRECTION TO PARLIAMENT

Pluto Press *This book analyzes the underlying reasons behind the formation of the Provisional Irish Republican Army (IRA), its development, where this current in Irish republicanism is at present and its prospects for the future. Tommy McKearney, a former IRA member who was part of the 1980 hunger strike, challenges the misconception that the Provisional IRA was only, or even wholly, about ending partition and uniting Ireland. He argues that while these objectives were always the core and headline demands of the organization, opposition to the old Northern Ireland state was a major dynamic for the IRA's armed campaign. As he explores the makeup and strategy of the IRA he is not uncritical, examining alternative options available to the movement at different periods, arguing that its inability to develop a clear socialist program has limited its effectiveness and reach. This authoritative and engaging history provides a fascinating insight into the workings and dynamics of a modern resistance movement.*

IRISH FREEDOM

A HISTORY OF NATIONALISM IN IRELAND

Pan Macmillan *Richard English's brilliant new book, now available in paperback, is a compelling narrative history of Irish nationalism, in which events are not merely recounted but analysed. Full of rich detail, drawn from years of original research and also from the extensive specialist literature on the subject, it offers explanations of why Irish nationalists have believed and acted as they have, why their ideas and strategies have changed over time, and what effect Irish nationalism has had in shaping modern Ireland. It takes us from the Ulster Plantation to Home Rule, from the Famine of 1847 to the Hunger Strikes of the 1970s, from Parnell to Pearse, from Wolfe Tone to Gerry Adams, from the bitter struggle of the Civil War to the uneasy peace of the early twenty-first century. Is it imaginable that Ireland might – as some have suggested – be about to enter a post-nationalist period? Or will Irish nationalism remain a defining force on the island in future years? 'a courageous and successful attempt to synthesise the entire story between two covers for the neophyte and for the exhausted specialist alike' Tom Garvin, Irish Times*

THE MAN WHO MADE IRELAND

THE LIFE AND DEATH OF MICHAEL COLLINS

Roberts Rinehart Pub *Traces the life of the man who negotiated for Irish independence and describes the political background of the times*

MICHAEL COLLINS

THE MAN WHO MADE IRELAND

Denver Museum of *An early leader of the Irish Republican Army, Collins negotiated and signed the Anglo-Irish Treaty that eventually led to the creation of the Republic of Ireland.*

THE TWELVE APOSTLES

Ireland, 1919: When Sinn Féin proclaims Dáil Éireann the parliament of the independent Irish republic, London declares the new assembly to be illegal, and a vicious guerilla war breaks out between republican and crown forces. Michael Collins, intelligence chief of the Irish Republican Army, creates an elite squad whose role is to assassinate British agents and undercover police. The so-called 'Twelve Apostles' will create violent mayhem, culminating in the events of 'Bloody Sunday' in November 1920. Bestselling historian Tim Pat Coogan not only tells the story of Collins' squad, he also examines the remarkable intelligence network of which it formed a part, and which helped to bring the British government to the negotiating table.

THE EYE IN THE DOOR

Penguin *The second installment in the Regeneration Trilogy It is the spring of 1918, and Britain is faced with the possibility of defeat*

by Germany. A beleaguered government and a vengeful public target two groups as scapegoats: pacifists and homosexuals. Many are jailed, others lead dangerous double lives, the "the eye in the door" becomes a symbol of the paranoia that threatens to destroy the very fabric of British society. Central to this novel are such compelling, richly imagined characters as the brilliant and compassionate Dr. William Rivers; his most famous patient, the poet Siegfried Sassoon; and Lieutenant Billy Prior, who plays a central role as a domestic intelligence agent. With compelling, realistic dialogue and a keen eye for the social issues that have gone overlooked in mainstream media, *The Eye in the Door* is a triumph that equals *Regeneration* and the third novel in the trilogy, the 1995 Booker Prize-winning *The Ghost Road*, establishing Pat Barker's place in the very forefront of contemporary novelists.

DECODING THE IRA

Mercier Press Ltd A look at the unraveled communications codes between the IRA And The USA in the 20s and 30s, revealing the day-to-day accounts of a paramilitary group.

A MEMOIR

Hachette UK From the personal to the political, this is the much-awaited memoir from Tim Pat Coogan. Ireland's best-known journalist, broadcaster, historian and bestselling biographer Tim Pat Coogan has not only reported the news - he's been the news. Through the *Irish Press*, where he served as editor for twenty years, he is renowned for bringing social and political change to Ireland. He went on to play a vital role in bringing the IRA/Sinn Fein to the peace talks table, and has always been uniquely placed to comment authoritatively - if not controversially - on all aspects of Irish current affairs. From personal to political, his revelatory memoir gives genuine insight into the life and high-profile career of a man at the centre of Irish politics and society.

FREE IRELAND

TOWARDS A LASTING PEACE

Roberts Rinehart Gerry Adams' personal statement on the meaning, importance, and inspiration of modern Irish republicanism.

1916: THE EASTER RISING

Weidenfeld & Nicolson The Easter Rising began at 12 noon on 24 April, 1916 and lasted for six short but bloody days, resulting in the deaths of innocent civilians, the destruction of many parts of Dublin and the true beginning of Irish independence. The 1916 Rising was born out of the Conservative and Unionist parties' illegal defiance of the democratically expressed wish of the Irish electorate for Home Rule; and of confusion, mishap and disorganisation, compounded by a split within the Volunteer leadership. Tim Pat Coogan introduces the major players, themes and outcomes of a drama that would profoundly affect twentieth-century Irish history. Not only is this the story of a turning point in Ireland's struggle for freedom, but also a testament to the men and women of courage and conviction who were prepared to give their lives for what they believed was right.

THE [IRISH REPUBLICAN ARMY] I.R.A

TEN MEN DEAD

THE STORY OF THE 1981 IRISH HUNGER STRIKE

Atlantic Monthly Press A portrait of strife-torn Northern Ireland chronicles the events that occurred when jailed IRA members demanded to be recognized as political prisoners in 1981, events that saw ten men starve themselves to death.

THE TROUBLES

IRELAND'S ORDEAL, 1966-1996 AND THE SEARCH FOR PEACE

Random House Tim Pat Coogan's classic and controversial study new brought up to date to cover the collapse of the IRA ceasefire. [back cover].

MICHAEL COLLINS AND THE MAKING OF A NEW IRELAND

London : G.G. Harrap [1926]

THE I.R.A. AND ITS ENEMIES

VIOLENCE AND COMMUNITY IN CORK, 1916-1923

Oxford University Press What is it like to be in the IRA - or at their mercy? This study explores the lives and deaths of the enemies and victims of the County Cork IRA between 1916 and 1923.
