HEALTH, AND THE LAW OF ATTRACTION CARDS

THE TEACHINGS OF ABRAHAM

"Every part of your life is experienced through the perspective of your physical body, and when you feel good, everything you see looks better. And so, there are few things of greater value than the

achievement of health and physical well-being. "Not only does a good-feeling body promote positive thoughts, but, also, positive thoughts promote a good-feeling body. It is our expectation that as you ponder these cards, a new point of attraction will begin to be activated within you that eventually can lead to a wonderful mood or attitude, for if you are able to find feelings of relief even when your body is hurting or sick, you will find physical improvement, because your thoughts create your reality." — Esther & Jerry

SARA

Hay House, Inc "Do you believe in ghosts?" Annette just sort of blurted out. Sara and Seth both looked up with surprise. "Well," Sara stalled, "I guess I do." She remembered the night Solomon had visited her in her bedroom after Jason and Jimmy had shot him, but she hadn't really thought about him being a ghost that night; she'd just been so glad to see her beloved feathered friend. Sara and Seth looked at each other. Both of them knew that if anything would fall into the category of ghosts, Solomon would most likely be it, but they didn't say anything, uncertain about telling their new friend their special secret. "Well, do you believe in ghosts?" Seth asked, looking intently at Annette's serious face. Annette looked at Seth and then at Sara, who both sat quietly, each waiting to hear the answer. "No, I just wondered if you did," Annette answered abruptly. "Hey, let's swing." And without taking the time to execute a perfectly calculated leap from the platform as she usually did, Annette grabbed the swinging rope and jumped off as if she couldn't do so fast enough. . . .Get ready for an exciting new adventure in joy with Sara, Seth, Solomon, and their new friend!

In this collection of true stories from the emergency room, Dr. Michael relates his experiences with dying patients and angels that invariably attend this critical rite of passage. Eventually he began communicating with an angel who was sent to aid us in our human evolution. Evolution, as Dr. Michael describes it in *The Evolution Angel*, is a "quantum leap, a jump to a completely new and higher level of being." What exactly is that higher level of being, and how do we achieve it? *The Evolution Angel* provides fascinating lessons, wisdom, and insight into turning our human journey into one where we can not only communicate with the spirit world but also access this otherworldly wisdom in our lives at any moment.
