THOUGHTS FROM THE HEART OF THE SOUL

MEDITATIONS ON EMOTIONAL AWARENESS

Simon and Schuster Anger. Pain. Longing. Fear. Despair. These are all negative emotions we tend to try to keep at bay and pretend don't exist. And yet bestselling author Gary Zukav, who has been working in the field of emotions for over a decade, suggests we should and can bring these unmentionables out of the closet and deal with them. Not to do so is like trying to prevent water flowing downstream. You can dam it for so long, but then it's likely to flood. Hence the prevalence of road rage, stress, alcoholism and various other addictions in our society. Now, in **THOUGHTS FROM THE HEART OF THE SOUL** the authors offer a collection of meditations to help us understand our emotions and live healthily and happily in harmony with them. Both a companion piece to **THE HEART OF THE SOUL** and a stand-alone book that offers insight into who we are and all that we can become, this enlightening compilation of reflections and meditations will be cherished by readers for years to come.

UNIVERSAL HUMAN

CREATING AUTHENTIC POWER AND THE NEW CONSCIOUSNESS

Simon and Schuster "The author of the legendary #1 New York Times bestseller *The Seat of the Soul* shows us step-by-fascinating-step how to create a life of love and where that now leads"--

HEART OF THE SOUL

EMOTIONAL AWARENESS

Simon and Schuster In *THE SEAT OF THE SOUL*, Gary Zukav brilliantly set forth his concepts, explaining how the expansion of human perception beyond the five senses leads to a new understanding of 'authentic power'. Then, in *SOUL STORIES*, he revealed how such concepts as intuition, harmony, sharing and forgiveness actually express themselves in other people's lives. And now, in *THE HEART OF THE SOUL*, Zukav, together with his coauthor and spiritual partner, Linda Francis, takes the next important step in showing us how to actually apply these crucial concepts in our daily lives. Zukav reveals how true emotional awareness can transform the human experience. Although it is challenging and difficult, because it means becoming aware of suppressed pain, it is also enormously rewarding. But first the determination to explore every aspect of consciousness, and to cultivate those that contribute the most to life, must replace the desire to bury painful emotions. Ultimately emotional awareness can free us from the compulsions, fixations, obsessions and addictions that block our spiritual development - among them anger, workaholism, perfectionism, obsessive eating, alcohol, drugs, sex - and allow us to live a fulfilling and meaningful life. *THE HEART OF THE SOUL* will be a revelation for readers - a soul tool with which we can forge a greater emotional awareness to enable us to use our emotions in the creation of authentic power. It is a book to read not once, but several times, for it is a life-changing work that can transform our lives for the better.

THE SEAT OF THE SOUL

25TH ANNIVERSARY EDITION WITH A STUDY GUIDE

Simon and Schuster Explores a new phase of human evolution that reflects a growing understanding about authentic, spiritual power based on cooperative beliefs and a reverence for life.

SOUL STORIES

Simon and Schuster In his bestselling book, THE SEAT OF THE SOUL, Gary Zukav's driving concept was 'multi-sensory perception', an innate sense that allows people to experience the world beyond the five senses, to listen harder to who they are and ultimately to save one's life. Now in SOUL STORIES, Gary Zukav brings this concept and many others vividly alive, with marvellous true stories of how they manifest themselves in individual lives. This book is enormously

practical in the way the author builds on each specific story to a discussion of its application to the reader's needs, leading to a deeper understanding of authentic power and inner peace. And best of all, it is wonderfully readable and even more accessible than **THE SEAT OF THE SOUL**.

THE SEAT OF THE SOUL

Simon and Schuster The anniversary edition of this beloved bestseller is celebrated in Prefaces by Oprah Winfrey and Maya Angelou and contains a new Foreword by the author, website links, and a new Study Guide to help readers find even deeper meaning and fulfillment. *The Seat of the Soul* encourages you become the authority in your own life. It will change the way you see the world, interact with other people, and understand your own actions and motivations.

Beginning with evolution, Gary Zukav takes you on a penetrating exploration of the new phase humanity has entered: we are evolving from a species that understands power as the ability to manipulate and control—external power—into a species that understands power as the alignment of the personality with the soul—authentic power. Our evolution requires each of us to make the values of the soul our own: harmony, cooperation, sharing, and reverence for Life. Using his scientist's eye and philosopher's heart, Zukav shows us how to participate fully in this evolution, enlivening our everyday activities and all of our relationships with meaning and purpose. The Seat of the Soul has sold millions of copies around the globe, and as it changes lives, more and more people begin to live by the values of the spirit. Indeed, a new world is emerging, and this book brings its message to you.

EVERY BODY MATTERS

STRENGTHENING YOUR BODY TO STRENGTHEN YOUR SOUL

Zondervan Few pastors or Christian writers have dared to approach the subject of how proper eating and an active lifestyle can affect how we serve God. Author Gary Thomas does just that. And he reaches all the way back to the apostle Paul, who wrote that we need to prime our bodies to become, "an instrument for noble purposes, made holy, useful to the Master and prepared to do any good work." To illustrate the body/soul correlation, Thomas presents engaging and diverse stories that include a young mom who got fit through volleyball and reaped spiritual rewards in her marriage, a 300-pound pastor who realized his obesity was eroding his ministry impact, and a woman who gained the spiritual strength to survive a contentious divorce by training for a marathon. In every instance, Thomas makes a direct connection between the physical challenge and its spiritual consequence. This book is a must read for anyone seeking new and compelling motivation for strengthening their bodies and fortifying their souls.

With a blend of masterful storytelling and dozens of practical tips, MicroShifts suggests simple, small changes across many aspects of our lives—everything from how we greet others, how we sleep, and how we deal with the incessant chatter in our own heads—to generate big results physically, mentally, and spiritually. SACRED PARENTING

HOW RAISING CHILDREN SHAPES OUR SOULS

Zondervan Parenting is a school for spiritual formation, says author Gary Thomas, and our children are our teachers. The journey of caring for, rearing, training, and loving our children profoundly alters us forever...even when the journey is sometimes a rough one. Sacred Parenting is unlike any other parenting book on the market. This is not a "how-to" book that teaches readers the ways to discipline their kids or help them achieve their full potential. Instead of a discussion about how parents change their children, Sacred Parenting turns the tables and demonstrates how God uses children to change their parents. Stepping beyond the overly-tilled soil of method books, parents can learn a whole new side of parenting. They'll be encouraged by stories that tell how other parents handled the challenges and difficulties of being a parent—and how their children transformed their relationship with God. The lessons the author writes about are timeless. But in this edition, Thomas adds in some additional insights and stories that he's learned and lived over the past fifteen years of his own parenting. Gary has found that the lessons have remained much the same but there are new applications for the readers in this generation who are just now coming to his book.
