Since going public in 1992, it has grown yearly revenues to more than \$6.5 billion, achieved a stock price increase of more than 6,500%, and opened over 11,000 locations worldwide. But for a company that has accomplished so much, outsiders really know very little about the Starbucks secrets to success. That's because much of the company's sage advice and weathered truisms exist solely in the hearts and minds of longtime Starbucks employees. This so-called "tribal knowledge" includes pithy quotes uttered by Starbucks executives, mantras used by Starbucks project groups, learnings from failed pilot programs, and "ah-ha" moments from successful projects. It's company stories passed down from one generation of employees to the next. It's intense. It's poignant. It's thought provoking. It's actionable. It's a language of Starbucks "tribal knowledge" that has never been written - only spoken - and only within the Starbucks tribe. Until now. In Tribal Knowledge: Business Wisdom Brewed from the Grounds of Starbucks Corporate Culture, longtime Starbucks marketer John Moore shares untold, behind-the-scenes stories of the processes, the programs, and the products that have made Starbucks a remarkable business success, including:* · Why Starbucks was purpose driven to make a difference in the world. · How Starbucks goes beyond simply having a mission statement to living its mission statement. · How the Starbucks principled, innovative, and cause-related approach to marketing built an endearing and enduring brand. · Why efforts to extend the Starbucks brand into lifestyle offerings such as a literary magazine and full-service restaurants failed. · How the Starbucks approach to employee career growth has created a passionate workforce. · How to apply the Starbucks "tribal knowledge" to your business, entrepreneurial venture, or project group. Tribal Knowledge gives you unprecedented access to the many business lessons that helped Starbucks find prosperity by selling a commodity - all from a marketer who lived inside the Starbucks tribe. **Murder on the Orient Espresso Severn House/ORIM** *It's November and Maggy Thorsen, co-owner of the Wisconsin gourmet coffeehouse, Uncommon Grounds, is in South Florida at an annual crime-writers' conference with her beau, local sheriff Jake Pavlik, who is due to speak as a 'forensics expert'. Maggy's pledge to behave solely as a tourist becomes trickier than she anticipated when the conference's opening night event turns out to be a re-enactment of Agatha Christie's classic, Murder on the Orient Express. As Maggy and Jake reluctantly set off on the night train to the Everglades to solve the 'crime', it's clear that, as in the original novel, nothing is quite what it seems. And amidst rumours of careers taken, manuscripts stolen and vows broken, it seems that in the Everglades - as in life - the predator all too often becomes the prey.* **Mixed Up Createspace Independent Publishing Platform** *Dirty cocktails, deadly enemies with a red-hot attraction, and one big, crazy, Greek family--what could possibly go wrong? I'm only lying in a hospital bed with more split ends than I've ever had, almost all my Earthly possessions have turned to ash, and apparently, they don't serve wine to patients in this place. But like I said, it's fine. Until he walks in. The guy who saved my life. My hero. Noah Jacobs. And the universe is amusing itself at my expense, because the dirty photo I woke up to on Monday? It's his. **Water A Novel Based on the Film by Deepa Mehta** Offers a look at the changing attitudes of Hindi women during Gandhi's rise to power in India. **Yuletide Enchantment (InterMix) Penguin** A mysterious stranger sweeps a Scottish beauty off her feet in this enchanting novella of winter's passion and forbidden love... 1869: Isobel MacDonald is spending Christmas at her family's estate in the Scottish Highlands, enjoying her last holiday before she is married off. From the outside, the unnamed protagonist in NSFW appears to be the vision of success. She has landed an entry-level position at a leading TV network that thousands of college grads would kill for. And sure, she has much to learn. The daughter of a prominent feminist attorney, she grew up outside the industry. But she's resourceful and hardworking. What could go wrong? At first, the high adrenaline work environment motivates her. Yet as she climbs the ranks, she confronts the reality of creating change from the inside. Her points only get attention when echoed by male colleagues; she hears whispers of abuse and sexual misconduct. Her mother says to keep her head down until she's the one in charge—a scenario that seems idealistic at best, morally questionable at worst. When her personal and professional lives collide, threatening both the network and her future, she must decide what to protect: the career she's given everything for or the empowered woman she claims to be. Fusing page-turning prose with dark humor and riveting commentary on the truths of starting out professionally, Isabel Kaplan's NSFW is an unflinching exploration of the gray area between empowerment and complicity. The result is a stunning portrait of what success costs in today's patriarchal world, asking us: Is it ever worth it? **A Brew to a Kill Berkley** Clare Cosi, the manager of a Greenwich Village coffeehouse, must find the suspect in a hit-and-run killing when her delivery truck is implicated in the crime in this latest mystery in the best-selling series by the author of Murder by Mocha. At last, the ingenious Becky hits upon the idea of a reading group, and the book selected is a historical novel about nineteenth-century Cuba: the saga of an aristocratic dress-manufacturing clan, the Santa Cruz family. The novel is called . . . Playing with Light. Oddly, as they get ever deeper into the story of the Santa Cruzes—especially Tico and Lolo—strange things begin to happen to the reading group. Everyone seems to be . . . sucked in . . . and affected (not necessarily pleasantly) by the saga. (‘‘What’s for dinner, Mommy?’’ ‘‘Get a slice of salami out of the refrigerator, dear. Can’t you see I’m reading?’’) As two worlds, from two different centuries, begin to intertwine in odd ways, and her friends begin to . . . well, to disappear, actually . . . In 2007, Mary Anne returned from a humanitarian trip to Pakistan and Afghanistan suffering from what her doctors believed was a rare type of hepatitis. Months later she was diagnosed with a form of advanced pancreatic cancer, which is almost always fatal, often in six months or less. This is the inspiring true story of a son and his mother, who start a ‘‘book club’’ that brings them together as her life comes to a close. Over the next two years, Will and Mary Anne carry on conversations that are both wide-ranging and deeply personal, prompted by an eclectic array of books and a shared passion for reading. Their list jumps from classic to popular, from poetry to mysteries, from fantastic to spiritual. The issues they discuss include questions of faith and courage as well as everyday topics such as expressing gratitude and learning to listen. Throughout, they are constantly reminded of the power of books to comfort us, astonish us, teach us, and tell us what we need to do with our lives and in the world. Reading isn't the opposite of doing; it's the opposite of dying. Will and Mary Anne share their hopes and concerns with each other—and rediscover their lives—through their favorite books. When they read, they aren't a sick person and a well person, but a mother and a son taking a journey together. The result is a profoundly moving tale of loss that is also a joyful, and often humorous, celebration of life: Will's love letter to his mother, and theirs to the printed page. An acquaintance of Clare's elegant employer—and fellow member of an exclusive Gotham circle known as "The Ladies Who Brunch"—invited Clare to her posh hotel to sample gourmet wedding cakes. The pair took a stroll after their indulgent tasting and, according to security camera footage, a masked figure snatched the hotel heiress at gunpoint with Clare looking on. Must be cheerful, enthusiastic and selfless--bordering on masochistic. Must relish sixteen-hour shifts with a deliberately nap-deprived preschooler. Must love getting thrown up on, literally and figuratively, by everyone in his family. Must enjoy the delicious anticipation of ridiculously erratic pay. Mostly, must love being treated like fungus found growing out of employers Hermès bag. Those who take it personally need not apply. Who wouldn't want this job? Struggling to graduate from NYU and afford her microscopic studio apartment, Nanny takes a position caring for the only son of the wealthy X family. She rapidly learns the insane amount of juggling involved to ensure that a Park Avenue wife who doesn't work, cook, clean, or raise her own child has a smooth day. When the Xs' marriage begins to disintegrate, Nanny ends up involved way beyond the bounds of human decency or good taste. Her tenure with the X family becomes a nearly impossible mission to maintain the mental health of their four-year-old, her own integrity and, most importantly, her sense of humor. Over nine tense months, Mrs. X and Nanny perform the age-old dance of decorum and power as they test the limits of modern-day servitude. Written by two former nannies, *The Nanny Diaries* deftly punctures the glamour of Manhattan's upper class. **The Hemingway Book Club of Kosovo Penguin** A moving testimony to the power of literature to bring people together in even the most difficult of circumstances. In the spring of 1999, the world watched as more than 800,000 Kosovo Albanians poured over Kosovo's borders, bringing with them stories of torture, rape, and massacre. One year later, Paula Huntley's husband signed on with the American Bar Association to help build a modern legal system in this broken country, and she reluctantly agreed to accompany him. Deeply uncertain as to how she might be of any service in a country that had seen such violence and hatred, Huntley found a position teaching English as a Second Language to a group of Kosovo Albanians in Prishtina. A war story, a teacher's story, but most of all a story of hope, *The Hemingway Book Club of Kosovo* is the journal Huntley kept in scattered notebooks or on her laptop over the eight months that she lived and worked in Kosovo. When Huntley asked her students if they would like to form an American-style "book club," they jumped at the idea. After stumbling upon a stray English-language copy of Ernest Hemingway's *The Old Man and the Sea*, Huntley proposed it as the club's first selection. The simple fable touched all the students deeply, and the club rapidly became a forum in which they could discuss both the terrors of their past and their dreams for the future. *The Hemingway Book Club of Kosovo* is a compelling tribute to the resilience of the human spirit. **A**

Praise for Rebecca Chance: 'If you're a fan of Jilly Cooper, you'll LOVE Rebecca Chance' Vina Jackson, Sunday Times bestselling author of the *EIGHTY DAYS* series 'Mix a martini and prepare to leave ordinary life behind! Pure escapism' Stella Knightley **Kiss Me Not Emma Hart** What do you do when you're the reigning kissing booth champion but the only person you want to kiss is your best friend's brother? Let me make this clear right here, right now: I, Halley Dawson, do not care that Preston Wright is kissing other women. Not a lick. Not at all. Nuh-uh-freakin'-uh. I do care that he's doing it six feet away from me behind a gaudy velvet curtain--making him my competition in this year's kissing contest. Why do I care, you ask? Because I've had an unfortunate crush on the insufferable idiot since I was sixteen years old, but I also know it's never going to happen. He's the Creek Falls bachelor to die for, and I'm the Creek Falls racoon lady who puts peanut butter sandwiches out for them every night. I'm not going to let him break my four-year-long reign--no matter how many times he breaks the rules and slides the curtain across to do the one thing he's not allowed to: Kiss me. **Bad Rep CreateSpace** A New York Times Bestseller "Who gives a damn about their reputation?
