The Daily Show (The Book)

An Oral History as Told by Jon Stewart, the Correspondents, Staff and Guests

Grand Central Publishing **NEW YORK TIMES BESTSELLER** The complete, uncensored history of the award-winning *The Daily Show with Jon Stewart*, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show with Jon Stewart* brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show's* most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, *The Daily Show* has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Samurai Wind: Ukishima

Hydra Publications In the waning days of World War II, dying Japanese fighter pilot Minamoto Ichiro joins a kamikaze flight with plans to die honorably by sinking an American warship. At the last moment, however, Ichiro is plucked from his plane by Hachiman, the Japanese god of war. It seems Hachiman needs Ichiro to save the universe. Ichiro, now a samurai, finds himself in a parallel Japan-Nihon-where magic is real and Europeans have not yet arrived. He soon learns of Lord Taira, a warlord in league with dark forces. Taira has already stolen two of Nihon's sacred icons, the sacred jewel and sacred mirror. The warlord now only needs the sacred sword, the legendary Kusinagi, the Grass-Mower, in order to control the universe. But sword is in Ichiro's hands, as only a member of the powerful Minamoto clan can wield the sword safely. With the aid of a female ninja named Shizuka and Yukio, a naive young Buddhist monk, Ichiro must battle a series of evil forces, including dragons, undead warriors, river demons, a giant spider and a Dutch vampire sea captain in order to rescue the imprisoned young emperor. But rescuing the emperor is not enough. Ichiro soon realizes the only way to save the universe is to reach the Bridge of Heaven, located on the island of Hokkaido, the home of the barbarian Ainu. Only then can he hope to bring the sacred sword, the sacred mirror, and the sacred jewel together to restore the Emperor's power and divine status. Assuming, of course, that he can defeat Taira's naval forces and somehow close the demonic gateway through which the forces of chaos might escape to overwhelm everything. Muslims and Citizens

[Yale University Press](#) A groundbreaking study of the role of Muslims in eighteenth-century France From the beginning, French revolutionaries imagined their transformation as a universal one that must include Muslims, Europe's most immediate neighbors. They believed in a world in which Muslims could and would be French citizens, but they disagreed violently about how to implement their visions of universalism and accommodate religious and social difference. Muslims, too, saw an opportunity, particularly as European powers turned against the new French Republic, leaving the Muslim polities of the Middle East and North Africa as France's only friends in the region. In *Muslims and Citizens*, Collier examines how Muslims came to participate in the political struggles of the revolution and how revolutionaries used Muslims in France and beyond as a test case for their ideals. In his final chapter, Collier reveals how the French Revolution's fascination with the Muslim world paved the way to Napoleon's disastrous invasion of Egypt in 1798.

My Team

Choosing My Dream Team from My Forty Years in Baseball

Simon and Schuster Mantle or Mays? A-Rod or Jeter? Biggio or Morgan? Clemens, Maddux, and Randy Johnson -- or Pedro, Palmer, and Carlton? These are questions baseball fans can spend endless hours debating. Former All-Star pitcher and National League Manager of the Year Larry Dierker has his own opinions, and he shares them in *My Team*, his fascinating discussion of the greatest players he has seen in his four decades in the major leagues. Dierker selects twenty-five players for My Team and another twenty-five for the opposition, the Underdogs, or "Dogs." There are two players at each position, five starting pitchers, and four relievers. (When your starters are the likes of Roger Clemens, Greg Maddux, Bob Gibson, Tom Seaver, Nolan Ryan, and Juan Marichal, you don't worry about bullpen depth.) All are players that Dierker has played with or against or watched in his years as player, coach, manager, and commentator. Each athlete must have played at least ten years in the major leagues to qualify, and players are judged on their ten best seasons. Leadership skills and personality -- critical components of team chemistry -- are highly valued. So how is it possible to select two teams composed of outstanding ballplayers from the past forty years and not have room for

Sandy Koufax, Reggie Jackson, Carl Yastrzemski, or Cal Ripken Jr.? Dierker explains his choices, analyzing each position carefully, always putting the team ahead of the individual player. He provides statistics to back up his selections, and often relates personal anecdotes about the players. (From his first All-Star Game in 1969, Dierker offers a wonderful anecdote about Hank Aaron, by then an All-Star veteran.) My Team may start more debates than it settles, but Dierker's insights, and his passion for the game, will enlighten and fascinate true baseball fans.
