Recognizing the pretentiousness ways to acquire this ebook **The Road Trip That Changed World Unlikely Theory Will Change How You View Culture Church And Most Importantly Yourself Mark Sayers** is additionally useful. You have remained in right site to start getting this info. get the The Road Trip That Changed World Unlikely Theory Will Change How You View Culture Church And Most Importantly Yourself Mark Sayers colleague that we offer here and check out the link.

You could purchase lead The Road Trip That Changed World Unlikely Theory Will Change How You View Culture Church And Most Importantly Yourself Mark Sayers or acquire it as soon as feasible. You could speedily download this The Road Trip That Changed World Unlikely Theory Will Change How You View Culture Church And Most Importantly Yourself Mark Sayers after getting deal. So, once you require the ebook swiftly, you can straight acquire it. Its fittingly unquestionably simple and appropriately fats, isnt it? You have to favor to in this flavor

KEY=MOST - ISAIAH FOLEY

The Road Trip that Changed the World The Unlikely Theory that will Change How You View Culture, the Church, and, Most Importantly, Yourself Moody Publishers Can't find no satisfaction? There's no shortage of prescriptions for restlessness out there: Seek adventure. Live your life. Don't hold back. Sound familiar? The Road Trip that Changed the World is a book challenging the contemporary conviction that personal freedom and self-fulfillment are the highest good. Like the characters in a Jack Kerouac novel, we've dirtied the dream of white picket fences with exhaust fumes. The new dream is the open road—and freedom. Yet we still desire the solace of faith. We like the concept of the sacred, but unwittingly subscribe to secularized, westernized spirituality. We're convinced that there is a deeper plot to this thing called life, yet watered-down, therapeutic forms of religion are all we choose to swallow, and our personal story trumps any larger narrative. This is the non-committal culture of the road. Though driving on freely, we have forgotten where we're headed. Jesus said His road is narrow. He wasn't some aimless nomad. He had more than just a half tank of gas—He had passion, objectives, and a destination. Do you?

The Road Trip that Changed the World SAMPLER The Unlikely Theory that will Change How You View Culture, the Church, and, Most Importantly, Yourself [Moody Publishers](#) Enjoy these SAMPLE pages from The Road that Changed the World- What if the problem is us? Sixty years ago a goatee beard would have gotten you beat up in a lot of places. Chin fuzz was the symbol of the Beats or Beatniks, a mid-century, marginal group who pioneered a new kind of lifestyle. Their approach to life was hedonistic, experiential, fluid, and individualistic. Their contradictory approach to spirituality combined a search for God with a search for 'kicks'. In 1947, these Beatnik heroes set out on a road trip across America re-writing the "life-script" of all future generations. Theirs was a new kind of lifestyle for a secular age. Their lives then (like so many of our lives now) were built upon experience, pleasure, mobility and self-discovery. They would also model a new approach to faith: desiring Christ, while still pursuing a laundry list of vices. Yet this dream would turn into a nightmare and the open road would lead back to an ancient half-forgotten path. This was a path trodden by millions of feet over thousands of years. It was a path that began with a single step of faith as a pilgrim named Abraham stepped away from a cynical culture. A path of devotion that would lead to a cross on a hill named Golgotha. **Dangerous Prayer Discovering a Missional Spirituality in the Lord's Prayer [Authentic Media Inc](#) Dangerous Prayer offers a strategy for fostering prayer and spirituality in mission that focuses on neighbourhood transformation and global needs using the Lord's Prayer as a radical blueprint. Sustainability in mission is not possible without prayer; vibrancy in prayer is not possible without mission. Christians on mission need a vibrant life of prayer in order to be effective yet to have a vibrant prayer life they need an outlet in mission. The Lord's Prayer offers a radical inspirational framework to help move Christians beyond praying just for themselves and to have their imaginations captured by the mission of God and concern for global needs. Jesus' words guide us to pray for God's Kingdom on earth, for restoration, for food for all who are hungry, for people to experience forgiveness and all that really is good news about Jesus. It is a dangerous prayer because of its counter-cultural and radical stance, and because it invites us to be, in part, the answer to our prayers. This book offers inspiring and practical approaches for unleashing the whole people of God for missional prayer and prayerful mission. **Wide-Awake in God's World Bible Engagement for Teenage Spiritual Formation in a Culture of Expressive Individualism [Wipf and Stock Publishers](#) In an expressivist culture, effective engagement must acknowledge teenagers' freedom to choose their own spiritual path. Yet, in an evangelical theology, faithful formation must hold on to biblical authority. As we seek to engage young people with the Bible, key questions need to be explored. Such questions include: how can pedagogical freedom be affirmed without undermining theological authority; and how can authority be asserted without diminishing personal freedom? This study explores a freedom-authority dialectic in theological dialogue with the educational philosophy****

of Maxine Greene. Greene's reflection on the arts and the imagination are brought into conversation with insights from Charles Taylor, Garret Green, and Nicholas Wolterstorff. As a work of practical theology, the book concludes with a framework to shape the purpose, content, and values for Bible engagement in contemporary youth ministry. **The Empowerment Pivot How God Is Redefining Our View of Normal** [Word Alive Press](#) What if I told you that God has a version of normal for your life that far exceeds your current experience? What if I told you that Jesus really meant it when he said, "Whoever believes in me will do the works I have been doing" (John 14:12)? What if I told you that the church was meant to convincingly demonstrate Jesus's supernatural presence to a skeptical world? This book invites you to make seven shifts towards God's eternal and infinite nature that render his manifest presence and empowerment in our lives and ministries... **God's version of normal. Will you dare to pivot towards Jesus and his version of normal for your life?** **How Soccer Explains the World An Unlikely Theory of Globalization** [Harper Collins](#) "An eccentric, fascinating exposé of a world most of us know nothing about. . . . Bristles with anecdotes that are almost impossible to believe." —New York Times Book Review "Terrific. . . . A travelogue full of important insights into both cultural change and persistence. . . . Foer's soccer odyssey lends weight to the argument that a humane world order is possible." — Washington Post Book World A groundbreaking work—named one of the five most influential sports books of the decade by Sports Illustrated—**How Soccer Explains the World** is a unique and brilliantly illuminating look at soccer, the world's most popular sport, as a lens through which to view the pressing issues of our age, from the clash of civilizations to the global economy. From Brazil to Bosnia, and Italy to Iran, this is an eye-opening chronicle of how a beautiful sport and its fanatical followers can highlight the fault lines of a society, whether it's terrorism, poverty, anti-Semitism, or radical Islam—issues that now have an impact on all of us. Filled with blazing intelligence, colorful characters, wry humor, and an equal passion for soccer and humanity, **How Soccer Explains the World** is an utterly original book that makes sense of our troubled times. **The Great American Road Trip** [Publications International](#) This book offers a lively and entertaining read for world- and armchair travelers alike. Consider such roadside treasures as the Cabazon Dinosaurs, Lucy the Elephant, Igloo City, and the world's largest killer bee. You just have to see them. If you're planning a fun trip on the open road, read this first . . . or better yet, bring it along. There are plenty of colorful (and weird) places that you wouldn't want to miss. Gorgeous photography and tongue-in-cheek text will steer you to some of the most garish, inelegant, and unbelievable sights in the United States! **Art and Climate Change (World of Art)** [Thames & Hudson](#) An overview of ecologically conscious contemporary art that responds to today's environmental crisis, from species extinction to climate change. **Art and Climate Change** collects a wide range of artistic responses to our current ecological emergency. When the future of life on Earth is threatened,

creative production for its own sake is not enough. Through contemporary artworks, artists are calling for an active, collective engagement with the planet in order to illuminate some of the structures that threaten biological survival. Exploring the meeting point of decolonial reparation and ecological restoration, artists are remaking history by drawing on the latest ecological theories, scientific achievements, and indigenous worldviews to engage with the climate crisis. Across five chapters, authors Maja and Reuben Fowkes examine these artworks that respond to the Anthropocene and its detrimental impact on the planet's climate, from scenes of nature decimated by ongoing extinction events and landscapes turned to waste by extraction, to art coming out of the communities most affected by the environmental injustice of climate change. Featuring a broad range of media, including painting, photography, conceptual, installation, and performance, this text also dives into eco-conscious art practices that have created a new kind of artistic community by stressing a common mission for creators all over the world. In this art history, the authors emphasize the importance of caring for and listening to marginalized and indigenous communities while addressing climate uncertainty, deforestation, toxicity, and species extinction. By proposing scenarios for sustainable futures, today's artists are reshaping our planet's history, as documented in this heavily illustrated book.

Thou Shalt Not Road Trip [Penguin](#) From the award-winning author of *Five Flavors of Dumb* comes a novel featuring one crazy road trip full of rejection, redemption, and romance. Perfect for fans of John Green's *An Abundance of Katherines*, or Sara Zarr's *Once Was Lost*. Sixteen-year-old Luke's self-help book *Hallelujah* has become a national bestseller and his publisher is sending him on a cross-country book tour along the historic Route 66. Unfortunately for Luke, his irresponsible older brother Matt is coming along as chauffeur. When Matt offers to drive Luke's ex-crush, Fran, across the country too, things really get crazy. In this journey of self-discovery, Luke has to loosen up and discover what it truly means to have faith to win the girl he loves. "A highly readable balance of humor, heart, self-discovery, and shenanigans."—BCCB "Christian values are conveyed with humor, devoid of potentially preachy pitfalls."—School Library Journal "Features multifaceted teens whose faith is integrated with their thinking but doesn't define them completely . . . [A]n upbeat read with a unique premise, great settings, and just a little more."—Booklist

Electric Cars For Dummies [John Wiley & Sons](#) Drive into the 21st century in an electric car. With falling cost of ownership, expanded incentives for purchasing, and more model and body type options than ever, it may finally be time to retire the old gas-guzzler and dive into the world of electric car ownership. *Electric Cars For Dummies* is your guide to becoming lightning powered, reducing your carbon footprint, and saving money on gas while you do it. This book teaches you how to select the battery-charged vehicle that fits your need and budget. It also offers insight into how to maintain your electric car, including answering all your questions about charging your

vehicle. Calculate the total cost of ownership, prep your home to become one huge charger, and demystify the battery, the tune-ups and more. Learn the difference in cost of ownership and emissions between electric and gas-powered vehicles Explore your options and find an electric car that fits in your budget Know when and how to charge your vehicle, and what kind of maintenance it needs Figure out how to charge your car on the go This is the perfect book for new and would-be electric car owners looking for guidance on buying and maintaining one of these super sleek machines. Harry Truman's Excellent Adventure The True Story of a Great American Road Trip [Chicago Review Press](#) From Missouri to New York and back again, this work chronicles the amazing road trip of a former president and his wife and their amusing, failed attempts to keep a low profile. Going Places: A Reader's Guide to Travel Narrative A Reader's Guide to Travel Narrative [ABC-CLIO](#) Successfully navigate the rich world of travel narratives and identify fiction and nonfiction read-alikes with this detailed and expertly constructed guide. As you Life it - Work as usual. Life as unusual [BecomeShakespeare.com](#) Time is a queer commodity that is reconstructed in memories and deconstructed in regrets as it goes by. Most of us sleepwalk through our youth in trying to win some kind of an identity . Then we stumble upon middle age & scramble to preserve that identity . And suddenly, standing at mid-point , we realize that somewhere in this medley of all the artificial races we were enlisting in, we have quietly let go of our greatness. Partly by default , partly by design. The first pangs of urgency hit us. We know this is no dress rehearsal. It is our own life that is gliding past. We straighten up and reach for it. And try to snare it on print. This book is Ayon's attempt to capture his journey at intermission, narrated through a heterogeneous ensemble of his articles that take you through events, relationships, successes and failures which add up into the randomness of his life that he joins backwards into coherent stories. The Negro Motorist Green Book 1940 Edition [Colchis Books](#) The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race. Cities and Climate Change Responding to an Urgent Agenda [World Bank Publications](#) This book provides the latest knowledge and practice in responding to the challenge of climate change in cities. Case studies focus on topics such as New Orleans in the context of a fragile environment, a framework to include poverty in the cities and climate change discussion, and measuring

the impact of GHG emissions. **Unlikely Fighter The Story of How a Fatherless Street Kid Overcame Violence, Chaos, and Confusion to Become a Radical Christ Follower** [Tyndale House Publishers, Inc.](#) Some memories are permanently seared into our childhood brains with a hot iron of adrenaline and fear. For five-year-old Greg, it was the memory of his ma walking back to the house after confronting his stepdad with a splintered, bloodied baseball bat in her hand. Greg Stier was raised in a family of bodybuilding, tobacco-chewing, fist-fighting thugs. He never knew his biological father because his mom had met his dad at a party; she got pregnant, and he left town. Though his mom almost aborted him, in a last-minute twist, Greg's life was spared for so much more. **Unlikely Fighter** is the incredible story of how God showed up in Greg's life--and how he can show up in yours as well. This is a memoir of violence and mayhem--and how God can transform everything. **Glad You're Here Two Unlikely Friends Breaking Bread and Fences** [Moody Publishers](#) When Craig Cooper and Walker Hayes met, Walker was an alcoholic atheist reeling from the backlash of a failed music career. Through their unlikely friendship, Craig's life demonstrated the love of Christ in a way that shattered Walker's misconceptions of Christianity, ultimately leading him down the path to a dramatic conversion. The two are now close as brothers, choosing to be next-door neighbors and ripped out the fence between their homes as a testament to the power of the gospel to break down barriers and unite people together in Christ. **Glad You're Here** helps us discover how building relationships, sacrificing for the good of others, and drawing near in times of need can lead to powerful transformation. Through story and biblical reflections, **Glad You're Here** helps readers see how God works in the everyday lives of those who love him. **The Unlikely Adventures of the Shergill Sisters A Novel** [HarperCollins](#) The author of the Reese Witherspoon Book Club selection **Erotic Stories for Punjabi Widows** follows her acclaimed America debut with this life-affirming, witty family drama—an Indian **This Is Where I Leave You**—about three Punjabi sisters embarking on a pilgrimage to their homeland to lay their mother to rest. The British-born Punjabi Shergill sisters—Rajni, Jezmeen, and Shirina—were never close and barely got along growing up, and now as adults, have grown even further apart. Rajni, a school principal is a stickler for order. Jezmeen, a thirty-year-old struggling actress, fears her big break may never come. Shirina, the peacemaking "good" sister married into wealth and enjoys a picture-perfect life. On her deathbed, their mother voices one last wish: that her daughters will make a pilgrimage together to the Golden Temple in Amritsar to carry out her final rites. After a trip to India with her mother long ago, Rajni vowed never to return. But she's always been a dutiful daughter, and cannot, even now, refuse her mother's request. Jezmeen has just been publicly fired from her television job, so the trip to India is a welcome break to help her pick up the pieces of her broken career. Shirina's in-laws are pushing her to make a pivotal decision about her married life; time away will help her decide whether to meekly obey, or to bravely stand up for herself for the first

time. Arriving in India, these sisters will make unexpected discoveries about themselves, their mother, and their lives—and learn the real story behind the trip Rajni took with their Mother long ago—a momentous journey that resulted in Mum never being able to return to India again. **The Unlikely Adventures of the Shergill Sisters** is a female take on the Indian travel narrative. "I was curious about how different the trip would be if it were undertaken by women, who are vulnerable to different dangers in a male-dominated society," Balli Kaur Jaswal writes. "I also wanted to explore the tensions between tradition and modernity in immigrant communities, and particularly how those tensions play out among women like these sisters, who are the first generation to be raised outside of India." Powerful, emotionally evocative, and wonderfully atmospheric, **The Unlikely Adventures of the Shergill Sisters** is a charming and thoughtful story that illuminates the bonds of family, sisterhood, and heritage that tether us despite our differences. Funny and heartbreaking, it is a reminder of the truly important things we must treasure in our lives.

The Ultimate Baseball Road Trip, 2nd A Fan's Guide to Major League Stadiums [Rowman & Littlefield](#) The most entertaining and comprehensive guide to every baseball fan's dream road trip—including every new ballpark since the 2004 edition—revised and completely updated!

Ultimate Baseball Road Trip A Fan's Guide to Major League Stadiums [Rowman & Littlefield](#) The most entertaining and comprehensive guide to every baseball fan's dream road trip—including every new ballpark since the 2004 edition—revised and completely updated!

Slow Travel and Tourism [Routledge](#) It is widely recognized that travel and tourism can have a high environmental impact and make a major contribution to climate change. It is therefore vital that ways to reduce these impacts are developed and implemented. 'Slow travel' provides such a concept, drawing on ideas from the 'slow food' movement with a concern for locality, ecology and quality of life. The aim of this book is to define slow travel and to discuss how some underlining values are likely to pervade new forms of sustainable development. It also aims to provide insights into the travel experience; these are explored in several chapters which bring new knowledge about sustainable transport tourism from across the world. In order to do this the book explores the concept of slow travel and sets out its core ingredients, comparing it with related frameworks such as low-carbon tourism and sustainable tourism development. The authors explain slow travel as holiday travel where air and car transport is rejected in favour of more environmentally benign forms of overland transport, which generally take much longer and become incorporated as part of the holiday experience. The book critically examines the key trends in tourism transport and recent climate change debates, setting out the main issues facing tourism planners. It reviews the potential for new consumption patterns, as well as current business models that facilitate hyper-mobility. This provides a cutting edge critique of the 'upstream' drivers to unsustainable tourism. Finally, the authors illustrate their approach through a series of case studies from around the

world, featuring travel by train, bus, cycling and walking. Examples are drawn from Europe, Asia, Australia and the Americas. Cases include the Eurostar train (as an alternative to air travel), walking in the Appalachian Trail (US), the Euro-Velo network of long-distance cycling routes, canoe tours on the Gudena River in Denmark, sea kayaking in British Columbia (Canada) and the Oz Bus Europe to Australia. **Disappearing Church From Cultural Relevance to Gospel Resilience** [Moody Publishers](#) When church and culture look the same... For the many Christians eager to prove we can be both holy and cool, cultural pressures are too much. We either compartmentalize our faith or drift from it altogether—into a world that’s so alluring. Have you wondered lately: Why does the Western church look so much like the world? Why are so many of my friends leaving the faith? How can we get back to our roots? **Disappearing Church** will help you sort through concerns like these, guiding you in a thoughtful, faithful, and hopeful response. Weaving together art, history, and theology, pastor and cultural observer Mark Sayers reminds us that real growth happens when the church embraces its countercultural witness, not when it blends in. It’s like Jesus said long ago, “If the salt loses its saltiness, it is no longer good for anything...” **How to Change Your Sex: A Lighthearted Look at the Hardest Thing You'll Ever Do** [Lulu.com](#) Lannie Rose changed her sex and now she explains how you can too! **How To Change Your Sex: A Lighthearted Look at the Hardest Thing You'll Ever Do** is an amusing and practical guide to everything you need to know for your sex change, from how to tell if you are transsexual, through venturing out in public in your new gender presentation (including which restroom to use!), to hormones and surgeries, to what to expect afterwards. Whether you are seriously considering changing your own sex, or if you have a friend or loved one who is going through the process, or even if you are just curious, you are bound to be entertained and informed by this handy little manual. Also, catch the free annotated audiobook PODCAST at www.lannierose.com/podcast. **Fiscal Year 2000 Climate Change Budget Authorization Request Hearing Before the Subcommittee on Energy and Environment of the Committee on Science, House of Representatives, One Hundred Sixth Congress, First Session, April 14, 1999** **Same Kind of Different As Me** **A Modern-Day Slave, an International Art Dealer, and the Unlikely Woman Who Bound Them Together** [Thomas Nelson](#) A dangerous, homeless drifter who grew up picking cotton in virtual slavery. An upscale art dealer accustomed to the world of Armani and Chanel. A gutsy woman with a stubborn dream. A story so incredible no novelist would dare dream it. It begins outside a burning plantation hut in Louisiana. . . and an East Texas honky-tonk . . . and, without a doubt, in the heart of God. It unfolds in a Hollywood hacienda . . . an upscale New York gallery . . . a downtown dumpster. . . a Texas ranch. Gritty with pain and betrayal and brutality, it also shines with an unexpected, life-changing love. This incredible retelling now includes an interview with the authors and a reader’s guide that is perfect for individual or group study. The most inspirational and

emotionally gripping story of faith, fortitude, and friendship I have ever read. A powerful example of the healing, restorative power of forgiveness and the transformational, life changing power of unconditional love.—Mark Clayman, Executive Producer for the Academy Award-nominated *The Pursuit of Happyness* Denver Moore and Ron Hall's story is one that moved me to tears. The friendship that forms between these two men at a time when both were in great need is an inspiration to all of us to be more compassionate to everyone we come in contact with. This is truly a wonderful book!—Mrs. Barbara Bush

Some Unusual Incidents in Coast Guard History Don't Make Me Pull Over! An Informal History of the Family Road Trip [Simon and Schuster](#) "A lighthearted, entertaining trip down Memory Lane" (Kirkus Reviews), **Don't Make Me Pull Over!** offers a nostalgic look at the golden age of family road trips—before portable DVD players, smartphones, and Google Maps. The birth of America's first interstate highways in the 1950s hit the gas pedal on the road trip phenomenon and families were soon streaming—sans seatbelts!—to a range of sometimes stirring, sometimes wacky locations. In the days before cheap air travel, families didn't so much take vacations as survive them. Between home and destination lay thousands of miles and dozens of annoyances, and with his family Richard Ratay experienced all of them—from being crowded into the backseat with noogie-happy older brothers, to picking out a souvenir only to find that a better one might have been had at the next attraction, to dealing with a dad who didn't believe in bathroom breaks. Now, decades later, Ratay offers "an amiable guide...fun and informative" (New York Newsday) that "goes down like a cold lemonade on a hot summer's day" (The Wall Street Journal). In hundreds of amusing ways, he reminds us of what once made the Great American Family Road Trip so great, including twenty-foot "land yachts," oasis-like Holiday Inn "Holidomes," "Smokey"-spotting Fuzzbusters, twenty-eight glorious flavors of Howard Johnson's ice cream, and the thrill of finding a "good buddy" on the CB radio. An "informative, often hilarious family narrative [that] perfectly captures the love-hate relationship many have with road trips" (Publishers Weekly), **Don't Make Me Pull Over!** reveals how the family road trip came to be, how its evolution mirrored the country's, and why those magical journeys that once brought families together—for better and worse—have largely disappeared.

Perfect A Novel [Random House](#) A spellbinding novel that will resonate with readers of Mark Haddon, Louise Erdrich, and John Irving, **Perfect** tells the story of a young boy who is thrown into the murky, difficult realities of the adult world with far-reaching consequences. Byron Hemmings wakes to a morning that looks like any other: his school uniform draped over his wooden desk chair, his sister arguing over the breakfast cereal, the click of his mother's heels as she crosses the kitchen. But when the three of them leave home, driving into a dense summer fog, the morning takes an unmistakable turn. In one terrible moment, something happens, something completely unexpected and at odds with life as Byron understands it. While his mother seems not

to have noticed, eleven-year-old Byron understands that from now on nothing can be the same. What happened and who is to blame? Over the days and weeks that follow, Byron's perfect world is shattered. Unable to trust his parents, he confides in his best friend, James, and together they concoct a plan. . . . As she did in her debut, *The Unlikely Pilgrimage of Harold Fry*, Rachel Joyce has imagined bewitching characters who find their ordinary lives unexpectedly thrown into chaos, who learn that there are times when children must become parents to their parents, and who discover that in confronting the hard truths about their pasts, they will forge unexpected relationships that have profound and surprising impacts. Brimming with love, forgiveness, and redemption, *Perfect* will cement Rachel Joyce's reputation as one of fiction's brightest talents. Praise for *Perfect* "Touching, eccentric . . . Joyce does an inviting job of setting up these mysterious circumstances, and of drawing Byron's magical closeness with Diana."—Janet Maslin, *The New York Times* "Haunting . . . compelling."—*Minneapolis Star Tribune* "[Joyce] triumphantly returns with *Perfect*. . . . As Joyce probes the souls of Diana, Byron and Jim, she reveals—slowly and deliberately, as if peeling back a delicate onion skin—the connection between the two stories, creating a poignant, searching tale."—*O: The Oprah Magazine* "Perfect touches on class, mental illness, and the ways a psyche is formed or broken. It has the tenor of a horror film, and yet at the end, in some kind of contortionist trick, the narrative unfolds into an unexpected burst of redemption. [Verdict:] Buy It."—*New York* "Joyce's dark, quiet follow-up to her successful debut, *The Unlikely Pilgrimage of Harold Fry*, could easily become a book club favorite. . . . *Perfect* is the kind of book that blossoms under thoughtful examination, its slow tendencies redeemed by moments of loveliness and insight. However sad, Joyce's messages—about the limitations of time and control, the failures of adults and the fears of children, and our responsibility for our own imprisonment and freedom—have a gentle ring of truth to them."—*The Washington Post* "There is a poignancy to Joyce's narrative that makes for her most memorable writing."—*NPR's All Things Considered* [The Flying Circus Simon and Schuster](#) "A novel about the beginning years of aviation"-- *Children's Past Lives How Past Life Memories Affect Your Child* [Bantam](#) Has your child lived before? In this fascinating, controversial, and groundbreaking book, Carol Bowman reveals overwhelming evidence of past life memories in children. Not only are such experiences real, they are far more common than most people realize. Bowman's extraordinary investigation was sparked when her young son, Chase, described his own past-life death on a Civil War battlefield--an account so accurate it was authenticated by an expert historian. Even more astonishing, Chase's chronic eczema and phobia of loud noises completely disappeared after he had the memory. Inspired by Chase's dramatic healing, Bowman compiled dozens of cases and wrote this comprehensive study to explain how very young children remember their past lives, spontaneously and naturally. In *Children's Past Lives*, she tells how to

distinguish between a true past life memory and a fantasy, offers practical advice to parents on how to respond to a past life memory, and shows how to foster the spiritual and healing benefits of these experiences. Perhaps the most moving, convincing, and best-documented evidence yet for life after death, *Children's Past Lives* will stand alongside the classics of Betty J. Eadie, Raymond Moody, and Brian Weiss in its power to comfort, uplift, and transform our thinking about life after death.

Crusin' the Fossil Freeway: An Epoch Tale of a Scientist and an Artist on the Ultimate 5,000-Mile Paleo Road Trip [Fulcrum Publishing](#) The travels of a paleontologist and an artist as they drive across the American West in search of fossils. Throughout their journey, they encounter "paleonerds" like themselves, people dedicated to finding everything from suburban T. rexes to ancient fossilized forests.

Railway World In which is Incorporated the United States Railroad and Mining Register *The Unlikely Voyage of Jack De Crow: A Mirror Odyssey from North Wales to the Black Sea* [Rowman & Littlefield](#) Mackinnon recounts his own fascinating journey from north Wales to the Black Sea in a small Mirror dinghy. A marvelous madcap adventure, told with verve and humor by the indefatigable 'captain.'

Philosophy and Climate Change [Oxford University Press](#) This volume illustrates the diverse ways that philosophy can contribute to conversations around climate change, and explores the ways in which thinking about climate change can help to illuminate a range of topics of independent interest to philosophers.

The General and the Genius: Groves and Oppenheimer? The Unlikely Partnership that Built the Atom Bomb [Simon and Schuster](#) With a blinding flash in the New Mexico desert in the summer of 1945, the world was changed forever. The bomb that ushered in the atomic age was the product of one of history's most improbable partnerships. *The General and the Genius* reveals how two extraordinary men pulled off the greatest scientific feat of the twentieth century. Leslie Richard Groves of the Army Corps of Engineers, who had made his name by building the Pentagon in record time and under budget, was made overlord of the impossibly vast scientific enterprise known as the Manhattan Project. His mission: to beat the Nazis to the atomic bomb. So he turned to the nation's preeminent theoretical physicist, J. Robert Oppenheimer—the chain-smoking, martini-quaffing son of wealthy Jewish immigrants, whose background was riddled with communist associations—Groves's opposite in nearly every respect. In their three-year collaboration, the iron-willed general and the visionary scientist led a brilliant team in a secret mountaintop lab and built the fearsome weapons that ended the war but introduced the human race to unimaginable new terrors. And at the heart of this most momentous work of World War II is the story of two extraordinary men—the general and the genius.

Strange Days: Life in the Spirit in a Time of Upheaval [Moody Publishers](#) What in the world is going on? These days the world has everyone spinning. Weekly terrorist attacks. The refugee crisis. Transgender bathrooms. Academic safe spaces. Tensions with Russia. A perpetually uncertain economy. The list goes on. It's enough to make us crazy... or want to put our heads in the

sand. But we can't, because these are our times, and we must face them. So what many Christians are looking for is someone to communicate a way forward—someone who both understands culture and trusts the Bible. Mark Sayers is such a leader, one who “writes from the future.” He is a gifted cultural analyst who combines his biblical knowledge, curious mind, and pastoral heart to offer a guide to the times. *Strange Days* will help Christians slow down, get their bearings, and follow God with wisdom and tact in this wild world. “Take heart, for I have overcome the world,” Jesus said nearly 2,000 years ago. And that’s the message of *Strange Days*, the message the church needs today.

Deconstructing Travel Cultural Perspectives on Tourism [Rowman Altamira](#) **Arthur Asa Berger's Deconstructing Travel** is an engaging look into why people travel, examining travel and tourism as a cultural phenomenon through social, cultural, psychological, and economic forces. Starting off with classical expeditions in mythology, history, and literatures, Berger explores the role of travel in contemporary lives, from university travel-abroad programs to package tours and family vacations.

The Vertical Self How Biblical Faith Can Help Us Discover Who We Are in An Age of Self Obsession [Thomas Nelson](#) It's time for a return to Radical Holiness. Welcome to the 21st century where you can now purchase and exchange personalities, depending on mood and circumstance; where you are told that you can be anyone you want to be, and identity is no longer based in a sense of self but rather in the imagery you choose at that moment. The Bible contains a radically different way of understanding our identity. The path that God has chosen for us to discover who we really are is the path of holiness. The most exciting thing is that this path is not for otherworldly saints, rather it is a path of earthy, gutsy holiness. It's a path that is not about basing your life on this world or of shunning your desires. Instead, it is about bringing your hopes, your dreams, your brokenness, your desires, your humanness under the Lordship of Christ. By doing this we don't just discover a new way of living out our faith, we discover a liberating, revolutionary, life-embracing way of being truly human.

The Airbnb Story How Three Ordinary Guys Disrupted an Industry, Made Billions . . . and Created Plenty of Controversy [Houghton Mifflin Harcourt](#) "An engrossing story of audacious entrepreneurship and big-industry disruption, [this] is a tale for our times." —Charles Duhigg, author of Smarter Faster Better An investigative look into a beloved, disruptive, notorious start-up This is the remarkable behind-the-scenes story of the creation and growth of Airbnb, the online lodging platform that is now the largest provider of accommodations in the world. At first just the wacky idea of cofounders Brian Chesky, Joe Gebbia, and Nathan Blecharczyk, Airbnb has become indispensable to millions of hosts and travelers around the world. Fortune editor Leigh Gallagher presents the first nuanced, in-depth look at the Airbnb phenomenon—the successes and controversies alike—and takes us behind the scenes as the company's young CEO steers into increasingly uncharted waters. "A fast-paced, fun dive into one of the seminal firms of our time; through the tale of Airbnb, Leigh Gallagher shows us how the sharing economy can be a force for emotional connection—as well as for social and business disruption." —Rana Foroohar, Financial Times columnist and CNN global economic analyst
