KEY=STRANGER - BRYCE CANTU

The Stranger

Vintage *With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.*

Looking for The Stranger

Albert Camus and the Life of a Literary Classic

University of Chicago Press *"A National Book Award-finalist biographer tells the story of how a young man in his 20s who had never written a novel turned out a masterpiece that still grips readers more than 70 years later and is considered a rite of passage for readers around the world, "--NoveList.*

The Outsider

The Stranger

The Graphic Novel

Simon and Schuster *The day his mother dies, Meursault notices that it is very hot on the bus that is taking him from Algiers to the retirement home where his mother lived; so hot that he falls asleep. Later, while waiting for the wake to begin, the harsh electric lights in the room make him extremely uncomfortable, so he gratefully accepts the coffee the caretaker offers him and smokes a cigarette. The same burning sun that so oppresses him during the funeral walk will once again blind the calm, reserved Meursault as he walks along a deserted beach a few days later—leading him to commit an irreparable act. This new illustrated edition of Camus's classic novel The Stranger portrays an enigmatic man who commits a senseless crime and then calmly, and apparently indifferently, sits through his trial and hears himself condemned to death.*

The Outsider

Penguin Classics *'The sky seemed to rip apart from end to end to pour fire down upon me' Meursault will not conform. When his mother dies, he refuses to show his emotions simply to satisfy the expectations of others. And when he commits a random act of violence on a sun-drenched beach, his lack of remorse only compounds his guilt in the eyes of society and the law. Albert Camus' portrayal of a man confronting the absurdity of human life became a classic. Yet it is also a book filled with quiet joy in the physical world, and this new translation sensitively renders the subtleties and dreamlike atmosphere of The Outsider. A new translation by Sandra Smith*

Albert Camus's The Stranger

Barrons Educational Series Incorporated *A guide to reading "The Stranger" with a critical and appreciative mind encouraging analysis of plot, style, form, and structure. Also includes background on the author's life and times, sample tests, term paper suggestions, and a reading list.*

The Meursault Investigation

A Novel

Other Press, LLC *Best Translated Novel of the Decade - Lit Hub A New York Times Notable Book of 2015 — Michiko Kakutani, The Top Books of 2015, New York Times — TIME Magazine Top Ten Books of 2015 — Publishers Weekly Best Books of the Year — Financial Times Best Books of the Year "A tour-de-force reimagining of Camus's The Stranger, from the point of view of the mute Arab victims." —The New Yorker He was the brother of "the Arab" killed by the infamous Meursault, the antihero of Camus's classic novel. Seventy years after that event, Harun, who has lived since childhood in the shadow of his sibling's memory, refuses to let him remain anonymous: he gives his brother a story and a name—Musa—and describes the events that led to Musa's casual murder on a dazzlingly sunny beach. In a bar in Oran, night after night, he ruminates on his solitude, on his broken heart, on his anger with men desperate for a god, and on his disarray when faced with a country that has so disappointed him. A stranger among his own people, he wants to be granted, finally, the right to die. The Stranger is of course central to Daoud's story, in which he both endorses and criticizes one of the most famous novels in the world. A worthy complement to its great predecessor, The Meursault Investigation is not only a profound meditation on Arab identity and the disastrous effects of colonialism in Algeria, but also a stunning work of literature in its own right, told in a unique and affecting voice.*

The Stranger. Illustrated

Strelbytskyy Multimedia Publishing *The Stranger, also published in English as The Outsider, is a novella by French author Albert Camus. The title character is Meursault, an indifferent French settler in Algeria described as "a citizen of France domiciled in North Africa, a man of the Mediterranean, an homme du midi yet one who hardly partakes of the traditional Mediterranean culture." He kills an Arab man in French Algiers, who was involved in a conflict with one of Meursault's neighbors. Meursault is tried and sentenced to death. The story is divided into two parts, presenting Meursault's first-person narrative view before and after the murder, respectively. The theme and outlook are often cited as examples of Camus' philosophy, absurdism, coupled with existentialism; though Camus personally rejected the latter label.*

The Stranger - Albert Camus

Infobase Publishing *The condition of man is revealed as absurd in Camus's short novel.*

Camus: The Stranger

Cambridge University Press *Publisher Description*

The Stranger by Albert Camus a Critical Introduction (Revised Edition)

CreateSpace *The Second Edition of this popular critical study has been significantly expanded and completely revised, making it the most thorough single-volume study of Camus' classic novel. A Critical Introduction places Camus' ideas in context. Part One shows the development of his thought in the early essays, the unpublished "A Happy Death", the plays "Caligula" and "The Misunderstanding", and the philosophical work "The Myth of Sisyphus". Building on this foundation, Part Two gives a detailed, consistent reading of "The Stranger". The aim throughout, is to explain the meaning that Camus intended his text to have, thus meeting the needs of both the general reader and the student up to graduate level. This guide is thought provoking and encourages the reader to develop their own ideas about interpreting the central themes of the text.*

Albert Camus's The Stranger

Critical Essays

Cambridge Scholars Publishing *Often marginalised on the sidelines of both philosophy and literature, the works of Albert Camus have, in recent years, undergone a renaissance. While most readers in either discipline claim Camus and his works to be 'theirs', the scholars presented in this volume tend to see him and his works in both philosophy and literature. This volume is a collection of critical essays by an international menagerie of Camus experts who, despite their interpretive differences, see Camus through both lenses. For them, he is a novelist/essayist who embodies a philosophy that was never fully developed due to his brief life. The essays here examine Camus's first published novel, The Stranger, from a variety of critical and theoretical perspectives, each drawing on the author's knowledge to present the first known critical examination in English. As such, this volume will shed new light on previous scholarship.*

Study Guide to The Stranger and Other Works by Albert Camus

Influence Publishers *A comprehensive study guide offering in-depth explanation, essay, and test prep for selected works by Albert Camus, winner of the Nobel Prize for Literature in 1957. Titles in this study guide include The Stranger, The Myth of Sisyphus, The Rebel, The State of Siege, The Misunderstanding, The Just Assassins, Requiem for a Nun, The Possessed, The First Man, The Fall, Exile and the Kingdom, The Plague, Caligula, Summer, Betwixt and Between, Nuptials, Letters to a German Friend, and Summer. As a notable French Algerian writer of philosophical literature in the early 1940s, Camus's essays, novels, and playwrights focused on his moralist political stance and brought absurdism to light in the era of twentieth-century philosophy. Moreover, Camus is said to have written "on every subject that demanded a position," which can be seen in his diverse literary works on ethics, humanity, and politics. This Bright Notes Study Guide explores the context and history of Camus's classic work, helping students to thoroughly explore the reasons they have stood the literary test of time. Each Bright Notes Study Guide contains: - Introductions to the Author and the Work - Character Summaries - Plot Guides - Section and Chapter Overviews - Test Essay and Study Q&As The Bright Notes Study Guide series offers an in-depth tour of more than 275 classic works of literature, exploring characters, critical commentary, historical background, plots, and themes. This set of study guides encourages readers to dig deeper in their understanding by including essay questions and answers as well as topics for further research.*

The Stranger

Infobase Publishing *An overview of the novel features a biographical sketch of the author, a list of characters, a summary of the plot, and critical and analytical views of the work.*

Storm Surge

Penguin *Aboard the USS Walker, Matt Reddy plans a raid against the Grik Empire while the Alliance fights their enemies' new weapons and tactics.*

The Wonderful Farm

Harper Collins *Marinette and Delphine live with their parents on an enchanted farm where all the animals talk.*

A White Heron

And Other Stories

Trond Knutsen

Maelstrom

Destroyermen

Penguin *The spectacular alternate military history saga continues in the third novel in the New York Times bestselling Destroyermen series... Lieutenant Commander Matthew Reddy, along with the men and women of the battleship Walker, are once again at war. Having sided with the peaceful Lemurians against the savage, reptilian Grik, they now find themselves scrambling to prepare for the attack that is sure to come. Meanwhile, the Japanese juggernaut Amagi, also trapped in this strange world, is under Grik control. Soon, they will have amassed a force that no amount of fire-power and technology will be able to stop. Reddy, his crew, his allies, and his loved ones face annihilation. But if there is one thing they have learned about their new world, it is that hope-and help-may just be over the horizon...*

CliffsNotes on Camus The Stranger

Cliffs Notes *The meaninglessness and randomness of life was a constant theme in Camus's writing. This story is absurd, yet touches a chord within the reader that surely will resonate for years to come. A man is condemned to beheading because he was indifferent at his mother's funeral. In prison he finds freedom and happiness. Death becomes his greatest moment of life.*

The Myth of Sisyphus and the Stranger by Albert Camus

Two Study Guides

Createspace Independent Publishing Platform *Need help understanding the writing of Albert Camus? Ray's Study Guides will meet your needs. This guide for students is aimed to support the study of the two texts, not to replace that study. The Myth of Sisyphus provides Camus' philosophical introduction to The Stranger. Introductions and commentaries keep readers on-track, but the questions are*

designed to get you thinking and talking and deepen your understanding.

Camus and Sartre

The Story of a Friendship and the Quarrel that Ended It

University of Chicago Press *Until now it has been impossible to read the full story of the relationship between Albert Camus and Jean-Paul Sartre. Their dramatic rupture at the height of the Cold War, like that conflict itself, demanded those caught in its wake to take sides rather than to appreciate its tragic complexity. Now, using newly available sources, Ronald Aronson offers the first book-length account of the twentieth century's most famous friendship and its end. Albert Camus and Jean-Paul Sartre first met in 1943, during the German occupation of France. The two became fast friends. Intellectual as well as political allies, they grew famous overnight after Paris was liberated. As playwrights, novelists, philosophers, journalists, and editors, the two seemed to be everywhere and in command of every medium in post-war France. East-West tensions would put a strain on their friendship, however, as they evolved in opposing directions and began to disagree over philosophy, the responsibilities of intellectuals, and what sorts of political changes were necessary or possible. As Camus, then Sartre adopted the mantle of public spokesperson for his side, a historic showdown seemed inevitable. Sartre embraced violence as a path to change and Camus sharply opposed it, leading to a bitter and very public falling out in 1952. They never spoke again, although they continued to disagree, in code, until Camus's death in 1960. In a remarkably nuanced and balanced account, Aronson chronicles this riveting story while demonstrating how Camus and Sartre developed first in connection with and then against each other, each keeping the other in his sights long after their break. Combining biography and intellectual history, philosophical and political passion, Camus and Sartre will fascinate anyone interested in these great writers or the world-historical issues that tore them apart.*

Into the Storm

Penguin *Pursued by Japanese battleships, the USS Walker, a destroyer under the command of Lieutenant Commander Matthew Patrick Reddy, tries to lose the enemy by heading into a storm, only to become trapped in a primitive alternate world, populated by strange crea*

The Rebel

An Essay on Man in Revolt

Vintage *By one of the most profoundly influential thinkers of our century, The Rebel is a classic essay on revolution. For Albert Camus, the urge to revolt is one of the "essential dimensions" of human nature, manifested in man's timeless Promethean struggle against the conditions of his existence, as well as the popular uprisings against established orders throughout history. And yet, with an eye toward the French Revolution and its regicides and deicides, he shows how inevitably the course of revolution leads to tyranny. As old regimes throughout the world collapse, The Rebel resonates as an ardent, eloquent, and supremely rational voice of conscience for our tumultuous times. Translated from the French by Anthony Bower.*

Illustrated Study Guide to "The Stranger" by Albert Camus

Frédéric Lippold *This study guide on the novel "The Stranger" (L'Étranger, Albert Camus), written by a French native, contains around 60 pages (approximately 15,500 words) and over 50 illustrations to help understand the text. The summary of the work is complemented by an in-depth analysis, which goes straight to the point. This book note is designed to help you interpret the novel in a lively way and in a short time. The following chapters are covered: - Biography of Albert Camus and explanation of his work (with the description of his three cycles: Absurd, Revolt, Love); - Presentation and key points of the book (with a discussion of the meaning of the title, and a full list of the main and secondary characters); - Summary of each of the eleven chapters (14 pages with illustrations); - Literary aspects of the work; - Philosophical aspects and other characteristics of the work; - Suggested additional resources related to the book. NB: the novel written by Albert Camus is not included.*

The Stranger by Albert Camus

A Study Guide

The Stranger

Albert Camus

Resistance, Rebellion, and Death

Essays

Vintage *In the speech he gave upon accepting the Nobel Prize for Literature in 1957, Albert Camus said that a writer "cannot serve today those who make history; he must serve those who are subject to it." And in these twenty-three political essays, he demonstrates his commitment to history's victims, from the fallen maquis of the French Resistance to the casualties of the Cold War. Resistance, Rebellion and Death displays Camus' rigorous moral intelligence addressing issues that range from colonial warfare in Algeria to the social cancer of capital punishment. But this stirring book is above all a reflection on the problem of freedom, and, as such, belongs in the same tradition as the works that gave Camus his reputation as the conscience of our century: The Stranger, The Rebel, and The Myth of Sisyphus.*

Caligula and Three Other Plays

Vintage Also includes *The Misunderstanding*, *State of Siege*, and *The Just Assassins*. Translated by Stuart Gilbert.

All Shook Up

How Rock 'n' Roll Changed America

Oxford University Press *The birth of rock 'n roll ignited a firestorm of controversy--one critic called it "musical riots put to a switchblade beat"--but if it generated much sound and fury, what, if anything, did it signify? As Glenn Altschuler reveals in All Shook Up, the rise of rock 'n roll--and the outraged reception to it--in fact can tell us a lot about the values of the United States in the 1950s, a decade that saw a great struggle for the control of popular culture. Altschuler shows, in particular, how rock's "switchblade beat" opened up wide fissures in American society along the fault-lines of family, sexuality, and race. For instance, the birth of rock coincided with the Civil Rights movement and brought "race music" into many white homes for the first time. Elvis freely credited blacks with originating the music he sang and some of the great early rockers were African American, most notably, Little Richard and Chuck Berry. In addition, rock celebrated romance and sex, rattled the reticent by pushing sexuality into the public arena, and mocked deferred gratification and the obsession with work of men in gray flannel suits. And it delighted in the separate world of the teenager and deepened the divide between the generations, helping teenagers differentiate themselves from others. Altschuler includes vivid biographical sketches of the great rock 'n rollers, including Elvis Presley, Fats Domino, Chuck Berry, Little Richard, Jerry Lee Lewis, and Buddy Holly--plus their white-bread doppelgangers such as Pat Boone. Rock 'n roll seemed to be everywhere during the decade, exhilarating, influential, and an outrage to those Americans intent on wishing away all forms of dissent and conflict. As vibrant as the music itself, All Shook Up reveals how rock 'n roll challenged and changed American culture and laid the foundation for the social upheaval of the sixties.*

None of the Above

HarperCollins *A groundbreaking story about a teenage girl who discovers she's intersex . . . and what happens when her secret is revealed to the entire school. Incredibly compelling and sensitively told, None of the Above is a thought-provoking novel that explores what it means to be a boy, a girl, or something in between. What if everything you knew about yourself changed in an instant? When Kristin Lattimer is voted homecoming queen, it seems like another piece of her ideal life has fallen into place. She's a champion hurdler with a full scholarship to college and she's madly in love with her boyfriend. In fact, she's decided that she's ready to take things to the next level with him. But Kristin's first time isn't the perfect moment she's planned—something is very wrong. A visit to the doctor reveals the truth: Kristin is intersex, which means that though she outwardly looks like a girl, she has male chromosomes, not to mention boy "parts." Dealing with her body is difficult enough, but when her diagnosis is leaked to the whole school, Kristin's entire identity is thrown into question. As her world unravels, can she come to terms with her new self?*

Child of God

Vintage *In this taut, chilling novel from the bestselling, Pulitzer Prize-winning author of The Road, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance. "Like the novelists he admires—Melville, Dostoyevsky, Faulkner—Cormac McCarthy has created an imaginative oeuvre greater and deeper than any single book. Such writers wrestle with the gods themselves." —Washington Post*

The Plague

Vintage *"Its relevance lashes you across the face." —Stephen Metcalf, The Los Angeles Times • "A redemptive book, one that wills the reader to believe, even in a time of despair." —Roger Lowenstein, The Washington Post* *A haunting tale of human resilience and hope in the face of unrelieved horror, Albert Camus' iconic novel about an epidemic ravaging the people of a North African coastal town is a classic of twentieth-century literature. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate*

triumph when it was published in 1947, *The Plague* is in part an allegory of France's suffering under the Nazi occupation, and a timeless story of bravery and determination against the precariousness of human existence.

Camus at Combat

Writing 1944-1947

Princeton University Press For the first time in English, "Camus at Combat" presents all of Camus' World War II resistance and early postwar writings published in "Combat," the resistance newspaper where he served as editor-in-chief and editorial writer between 1944 and 1947.

People Policy

Australia's Population Choices

UNSW Press This lively and readable contribution to the optical debate on Australia's population and immigration policy (or lack of it) comes from one of the country's best known and most authoritative environmental writers. *People Policy* contains a wide-ranging, multidisciplinary, informative review of the background to, studies on and approaches to population policy. It draws heavily on submissions to the House of Representatives' committee of inquiry into Australia's population (the Jones Inquiry), which the author served as a consultant. Ever assertive and controversial, yet backing up his points with facts and figures, Doug Cocks puts the case for stabilising Australia's population through powerful arguments drawn from environmental, ecological, economic, social and quality-of-life considerations, balancing his personal views by outlining the full range of cases to be made and choices facing the country. *People Policy* is for general readers with environmental, green, political and social interests relating to human population studies; it has a glossary of demographic terms to assist lay readers. Being fully referenced with an extensive bibliography, it is also useful for students taking demography, population studies, population & human resources, and human ecology units in Geography, Environmental Studies, Demography, Population Studies, Social Policy, and Urban and Regional Planning programs. It will also interest demographers, planners and policymakers dealing with migration, social and economic development, and urban and regional planning.
