KEY=SIX - DIAZ MATA

The Summer I Fell

CreateSpace *Riley Clifton can't remember a time when she wasn't a part of the Six, a group of rowdy boys who would do just about anything for her. Growing up alongside of six guys is never easy. Especially in high school. Falling in love with one of the Six? Even harder when Ace has a hold of her heart, and he doesn't even know it. Jake (Ace) Aceton has loved Riley for a long time, but has kept the secret oath of the Six. Riley was off limits. At least until after graduation. When he overhears Riley admitting to her best friend, Paige how she feels about him, Ace doesn't let his chance slip by. Riley, in his mind, has always been his. When her college plan falls through, and her future is left to the hands of fate, Riley finds herself scrambling to keep up with all the changes. But that's not the hardest part. The hardest part is saying good-bye, especially to Ace. Heartache, hard lessons, and a love deeper than her Alabama roots will threaten to crumble Riley's world as she waits for Ace's return. Will Riley and Ace's love be strong enough to hold them together when life tries to tear them apart?*

What My Mother Doesn't Know

Simon and Schuster *Sophie describes her relationships with a series of boys as she searches for Mr. Right.*

Sari, Not Sari

Simon and Schuster *This delightful debut rom-com follows the adventures of a woman trying to connect with her South Asian roots and introduces readers to a memorable cast of characters in a veritable feast of food, family traditions, and fun. Manny Dogra is the beautiful young CEO of Breakup, a highly successful company that helps people manage their relationship breakups. As preoccupied as she is with her business, she’s also planning her wedding to handsome architect Adam Jamieson while dealing with the loss of her beloved parents. For reasons Manny has never understood, her mother and father, who were both born in India, always wanted her to become an “All-American” girl. So that’s what she did. She knows next to nothing about her South Asian heritage, and that’s never been a problem—until her parents are no longer around, and an image of Manny that’s been Photoshopped to make her skin look more white appears on a major magazine cover. Suddenly, the woman who built an empire encouraging people to be true to themselves is having her own identity crisis. But when an irritating client named Sammy Patel approaches Manny with an odd breakup request, the perfect solution presents itself: If they both agree to certain terms, he’ll give her a crash course in being “Indian” at his brother’s wedding. What follows is days of dancing and dal, masala and mehndi as Manny meets the lovable, if endlessly interfering, aunties and uncles of the Patel family, and, along the way, discovers much more than she could ever have anticipated.*

Under the Surface

A bloodthirsty siren. A spellbound selkie. A vindictive witch... And a fiery redhead from Nashville willing to take them all on. Kaia has finally decided to put her parents' house on the market and let go of the memories it holds, but she didn't bargain for the secrets she uncovers there. Her whole world changes when she's plunged into a storm on the Atlantic with Sam, the enigmatic fisherman she just met at the bar. As they fight for their lives, Kaia discovers she's a siren, and Sam finds himself ready to break all his own rules for her. Though giving in to her instincts is easy-both in the ocean and in bed-the battle between her siren and human selves takes Kaia to the very edge of who she thinks she is. In the water, she spars with a merciless, territorial siren who wants something she can't give. On land, Sam reveals his own secrets to Kaia, including a curse that looms over him-a curse that could take him from her forever.Under the Surface is the first part of an adult paranormal romance series featuring sizzling love scenes, a witchy love triangle, and maritime legends come to life.

Sonya's Chickens

Tundra Books *A beautifully told story about love, loss and the circle of life from Ezra Jack Keats New Illustrator Award winner Phoebe Wahl. Warm, nostalgic illustrations capture the earthy feel of this book about a little girl's chicken who is stolen by a fox. Sonya raises her three chickens from the time they are tiny chicks. She feeds them, shelters them and loves them. Everywhere Sonya goes, her chicks are peeping at her heels. Under her care, the chicks grow into hens and even give Sonya a wonderful gift: an egg! One night, Sonya hears noises coming from the chicken coop and discovers that one of her hens has disappeared. Where did the hen go? What happened to her? When Sonya discovers the answers, she learns some important truths about the interconnectedness of nature and the true joys and sorrows of caring for another creature.*

Agent Sonya

Moscow's Most Daring Wartime Spy

Crown *NEW YORK TIMES BESTSELLER • The “master storyteller” (San Francisco Chronicle) behind the New York Times bestseller The Spy and the Traitor uncovers the true story behind one of the Cold War’s most intrepid spies. “[An] immensely exciting, fast-moving account.”—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Foreign Affairs • Kirkus Reviews • Library Journal In 1942, in a quiet village in the leafy English Cotswolds, a thin, elegant woman lived in a small cottage with her three children and her husband, who worked as a machinist nearby. Ursula Burton was friendly but reserved, and spoke English with a slight foreign accent. By all accounts, she seemed to be living a simple, unassuming life. Her neighbors in the village knew little about her. They didn’t know that she was a high-ranking Soviet intelligence officer. They didn’t know that her husband was also a spy, or that she was running powerful agents across Europe. Behind the facade of her picturesque life, Burton was a dedicated Communist, a Soviet colonel, and a veteran agent, gathering the scientific secrets that would enable the Soviet Union to build the bomb. This true-life spy story is a masterpiece about the woman code-named “Sonya.” Over the course of her career, she was hunted by the Chinese, the Japanese, the Nazis, MI5, MI6, and the FBI—and she evaded them all. Her story reflects the great ideological clash of the twentieth century—between Communism, Fascism, and Western democracy—and casts new light on the spy battles and shifting allegiances of our own times. With unparalleled access to Sonya’s diaries and correspondence and never-before-seen information on her clandestine activities, Ben Macintyre has conjured a page-turning history of a legendary secret agent, a woman who influenced the course of the Cold War and helped plunge the world into a decades-long standoff between nuclear superpowers.*

A Very Merry Sixmas

Createspace Independent Publishing Platform *It's Christmas time in Opp, Alabama, and the Six have been given a little reprieve from the world of international intrigue. There's something special about the holiday season. Maybe it's the days filled with excitement and cheer, or the feelings of happiness and peace. Whatever it is, the Six plan to embrace it with full hearts. Grab your favorite beverage and get comfortable, because the Six, and their expanding family, have another story to share. Told from alternating points of view, A Very Merry SixMas will fulfill every reader's Christmas wish to hear from their favorite character one last time.*

Long for This World

A Novel

Simon and Schuster Pushcart Prize nominee Sonya Chung has displayed her stunning talent in her award-winning short fiction and essays. Now, she renders the compelling story of a troubled family straddling cultures, fleeing and searching, in her piercing and profoundly humane first novel. In 1953, on a small island in Korea, a young boy stows away on the ferry that is carrying his older brother and his wife to the mainland. Fifty-two years later, Han Hyun-kyu is on a plane flying back to Korea, leaving behind his own wife in America. It is his daughter, Jane a war photographer recently injured in a bombing in Baghdad and forced to return to New York who journeys to find him in the small town in South Korea where his brothers have settled. Here, father and daughter take refuge from their demons, flirt with passion, and, in the wake of tragedy, discover something deeper and more enduring than they could have imagined. Just as Monica Ali's *Brick Lane* introduced readers to a world that is both exotic and immediate, *Long for This World* illuminates the complexities and the richness of family bonds and establishes Chung as an exciting new voice in fiction.

Have a Little Faith in Me

Page Street Kids "Saved!" meets *To All the Boys I've Loved Before* in this laugh-out-loud romantic comedy that takes a meaningful look at consent and what it means to give it. When CeCe's born-again ex-boyfriend dumps her after they have sex, she follows him to Jesus camp in order to win him back. Problem: She knows nothing about Jesus. But her best friend Paul does. He accompanies CeCe to camp, and the plan—God's or CeCe's—goes immediately awry when her ex shows up with a new girlfriend, a True Believer at that. Scrambling to save face, CeCe ropes Paul into faking a relationship. But as deceptions stack up, she questions whether her ex is really the nice guy he seemed. And what about her strange new feelings for Paul—is this love, lust, or an illusion born of heartbreak? To figure it out, she'll have to confront the reasons she chased her ex to camp in the first place, including the truth about the night she lost her virginity.

Surrender

Candlewick Press "Sophisticated young readers will be awed by the delicate, measured, heartbreaking portrait that emerges." - *Kirkus Reviews* (starred review) As life slips away, Gabriel looks back over his brief twenty years, which have been clouded by frustration and humiliation. A small, unforgiving town and distant, punitive parents ensure that he is never allowed to forget the horrific mistake he made as a child. He has only two friends - his dog, *Surrender*, and the unruly wild boy, Finnigan, a shadowy doppelganger with whom the meek Gabriel once made a boyhood pact. But when a series of arson attacks grips the town, Gabriel realizes how unpredictable and dangerous Finnigan is. As events begin to spiral violently out of control, it becomes devastatingly clear that only the most extreme measures will rid Gabriel of Finnigan for good.

Monarchs in a Changing World

Biology and Conservation of an Iconic Butterfly

Cornell University Press *Monarch butterflies are among the most popular insect species in the world and are an icon for conservation groups and environmental education programs. Monarch caterpillars and adults are easily recognizable as welcome visitors to gardens in North America and beyond, and their spectacular migration in eastern North America (from breeding locations in Canada and the United States to overwintering sites in Mexico) has captured the imagination of the public. Monarch migration, behavior, and chemical ecology have been studied for decades. Yet many aspects of monarch biology have come to light in only the past few years. These aspects include questions regarding large-scale trends in monarch population sizes, monarch interactions with pathogens and insect predators, and monarch molecular genetics and large-scale evolution. A growing number of current research findings build on the observations of citizen scientists, who monitor monarch migration, reproduction, survival, and disease. Monarchs face new threats from humans as they navigate a changing landscape marked by deforestation, pesticides, genetically modified crops, and a changing climate, all of which place the future of monarchs and their amazing migration in peril. To meet the demand for a timely synthesis of monarch biology, conservation and outreach, Monarchs in a Changing World summarizes recent developments in scientific research, highlights challenges and responses to threats to monarch conservation, and showcases the many ways that monarchs are used in citizen science programs, outreach, and education. It examines issues pertaining to the eastern and western North American migratory populations, as well as to monarchs in South America, the Pacific and Caribbean Islands, and Europe. The target audience includes entomologists, population biologists, conservation policymakers, and K-12 teachers.*

Master of None

Gallery Books *ONE UNLUCKY THIEF. ONE UNLIKELY GENIE. ONE VERY ODD COUPLE. Gavyn Donatti is the world’s unluckiest thief. Just ask all the partners he’s lost over the years. And when he misplaces an irreplaceable item he was hired to steal for his ruthless employer, Trevor—well, his latest bungle just might be his last. But then his luck finally turns: right when Trevor’s thugs have him cornered, a djinn, otherwise known as a genie, appears to save him. Unfortunately, this genie—who goes by the very non-magical name of “Ian”—is more Hellboy than dream girl. An overgrown and extremely surly man who seems to hate Donatti on the spot, he may call Donatti master, but he isn’t interested in granting three wishes. He informs Donatti that he is bound to help the thief fulfill his life’s purpose, and then he will be free. The problem is that neither Donatti nor Ian has any idea what exactly that purpose is. At first Donatti’s too concerned with his own survival to look a gift genie in the mouth, but when his ex-girlfriend Jazz and her young son get drawn into the crossfire, the stakes skyrocket. And when Ian reveals that he has an agenda of his own—with both Donatti and the murderous Trevor at the center of it—Donatti will have to become the man he never knew he could be, or the entire world could pay the price. . . .*

Casted

CreateSpace *Jade had spent the majority of her life running from the Triad. The Triad, are a powerful group, who would stop at nothing to obtain Jade and the missing spell book for leader, Lorenzo's, nefarious plans. And now that she has absorbed the highly coveted magic contained inside the missing book, there is nowhere left for her to hide. With the help of her friends, Jade steps out from the shadows and learns how to fight back. But no one is prepared for Elinor-the woman bound inside of the book that's trapped in Jade's mind. Now she not only needs to protect herself from the Triad, but from what's hiding inside her mind as well. Jade never expected the answer to it all would revolve around love. Edge is dark, mysterious, and a sworn member of the Triad. He also hides a secret past that threatens the thin line he walks between good and evil. Lives are at stake when Jade and Edge's two worlds collide. Can Jade learn to trust him when he says he is her pre-ordained and vows to do everything he can to protect her? But more importantly, can she trust herself and the woman in her mind?*

Darkest Highlander

A Dark Sword Novel

St. Martin's Paperbacks *Darkest Highlander Donna Grant In the acclaimed Dark Sword series, the darkest, fiercest warriors of Scottish legend finally meet their match—in the brave, fiery hearts of the women they cherish... For years, Broc has watched over her, protected her—and hidden his love for her. But when his beautiful Sonya, finds herself in a hopeless situation, the Highlander flies to her side to save her. Unfortunately, before the Druidess can thank him, Broc is captured by his enemy and destined for eternal pain... Sonya vows to help her noble warrior, though he is imprisoned in a mountain of pure evil—bound in chains of the darkest magic. With Sonya's own magic fading, she must summon the greatest power of all to save the man she loves. But even if these two hearts are united, will they be strong enough to defeat the heart of darkness? Or will their undying love doom them for all eternity...?*

Success Magazine

My Beloved World

Vintage *A “searching and emotionally intimate memoir” (The New York Times) told with a candor never before undertaken by a sitting Justice. This “powerful defense of empathy” (The Washington Post) is destined to become a classic of self-invention and self-discovery. The first Hispanic and third woman appointed to the United States Supreme Court, Sonia Sotomayor has become an instant American icon. In this story of human triumph that “hums with hope and exhilaration” (NPR), she recounts her life from a Bronx housing project to the federal bench, a journey that offers an inspiring testament to her own extraordinary determination and the power of believing in oneself. Here is the story of a precarious childhood, with an alcoholic father (who would die when she was nine) and a devoted but overburdened mother, and of the refuge a little girl took from the turmoil at home with her passionately spirited paternal grandmother. But it was when she was diagnosed with juvenile diabetes that the precocious Sonia recognized she must ultimately depend on herself. She would learn to give herself the insulin shots she needed to survive and soon imagined a path to a different life. With only television characters for her professional role models, and little understanding of what was involved, she determined to become a lawyer, a dream that would sustain her on an unlikely course, from valedictorian of her high school class to the highest honors at Princeton, Yale Law School, the New York County District Attorney’s office, private practice, and appointment to the Federal District Court before the age of forty. Along the way we see how she was shaped by her invaluable mentors, a failed marriage, and the modern version of extended family she has created from cherished friends and their children. Through her still-astonished eyes, America’s infinite possibilities are envisioned anew in this warm and honest book.*

Puberty explained—Discover what happens, when it happens, and why your body (and mind) is amazing in every way. Social skills—Learn how to stand up to peer pressure, stay safe on social media, and keep the right kind of friends. Self-care tips—Choose the right foods, exercises, and sleep schedule to keep your changing body at its best with advice you won't find in other puberty books for girls. This inclusive option in puberty books for girls is the ultimate guide to facing puberty with confidence.*

Stop Pretending

What Happened When My Big Sister Went Crazy

Harper Collins *It happens just like that, in the blink of an eye. An older sister has a mental breakdown and has to be hospitalized. A younger sister is left behind to cope with a family torn apart by grief and friends who turn their backs on her. But worst of all is the loss of her big sister, her confidante, her best friend, who has gone someplace no one can reach. In the tradition of The Bell Jar, I Never Promised You a Rose Garden, and Lisa, Bright and Dark comes this haunting first book told in poems, and based on the true story of the author's life. 2000 Best Books for Young Adults (ALA) and 2000 Quick Picks for Young Adults (Recomm. Books for Reluctant Young Readers)*

Dagger Hill

Swoon Reads *Stranger Things meets One of Us Is Lying in Devon Taylor's creepy paranormal mystery about four friends who find themselves hunted by a malevolent presence in their sleepy hometown. It knows your fear... Summer, 1989. Four best friends—Gabe, Kimberly, Charlie, and Sonya—are preparing for their last summer together before senior year, after which they'll all be splitting up to start college in different parts of the country. They make a promise to always find their way back to each other, no matter how far away from their sleepy Pennsylvania hometown they get. But their plans are destroyed when a plane crashes right on top of their favorite hangout outside of town—and right on top of them. In the catastrophic aftermath of the incident, Gabe, Sonya and Charlie are plagued by eerie visions and messages from an unknown watcher. They soon realize that the plane crash was no accident, and now they are being hunted by a sinister presence. And everyone is still searching for Kimberly, who has been missing ever since Gabe saw somebody wearing a gas mask carry her out of the woods the day the sky fell down on them... Praise for Dagger Hill: "A wild and satisfying romp through small town friendships, government conspiracies, bloody histories, long-kept secrets—and all of your deepest, darkest fears." —Katrina Leno, author of Horrid "Visceral ... a jolting read in the style of Stephen King—one with plenty of 1980s nostalgia and a tender LGBTQ romance." —Publishers Weekly*

The Body Is Not an Apology

The Power of Radical Self-Love

Berrett-Koehler Publishers *The Body Is Not an Apology The Power of Radical Self-Love Against a global backdrop of war, social upheaval, and personal despair, there is a growing sense of urgency to challenge the systems of oppression that dehumanize bodies and strip us of our shared humanity. Rather than feel helpless in the face of oppression, world-renowned activist, performance poet, and author Sonya Renee Taylor teaches us how to turn to the power of radical self-love in her new book, *The Body Is Not an Apology*. Radical self-love is the guiding framework that transforms the learned self-hatred of our bodies and the prejudices we have about other people's bodies into a vision of compassion, equity, and justice. In a revolutionary departure from the corporate self-help and body-positivity movement, Taylor forges the inextricable bond between radical self-love and social justice. The first step is recognizing that we have all been indoctrinated into a system of body shame that profits off of our self-hatred. When we ask ourselves, "Who benefits from our collective shame?" we can begin to make the distinction between the messages we are receiving about our bodies or other bodies and the truth. This book moves us beyond our all-too-often hidden lives, where we are easily encouraged to forget that we are whole humans having whole human experiences in our bodies alongside others. Radical self-love encourages us to embark on a personal journey of transformation with thoughtful reflection on the origins of our minds and bodies as a source of strength. In doing this, we not only learn to reject negative messages about ourselves but begin to thwart the very power structures that uphold them. Systems of oppression thrive off of our inability to make peace with bodies and difference. Radical self-love not only dismantles shame and self-loathing in us but has the power to dismantle global systems of injustice-because when we make peace with our bodies, only then do we have the capacity to truly make peace with the bodies of others*
