### KEY=TRUTH - ZAVIER MARSHALL

**The Truth About Diamonds A Novel** *Harper Collins* In her electrifying first novel, Nicole Richie tells the sensational story of Chloe Parker, a rock royalty princess and a card-carrying member of Hollywood's inner circle. At the age of seven, Chloe was adopted by a music superstar and his wife, transforming her life from rags to riches. What followed was a wild childhood distinguished by parties with movie stars and rock idols, run-ins with the press and the police, and a subsequent stint in rehab. Suddenly Chloe shoots to instant fame as a spokesmodel for a national ad campaign. When her long-lost birth father appears out of nowhere and her best friend betrays her, she must struggle to keep it all together -- her sobriety, her friendships, and her integrity despite the betrayals of those around her. Ultimately, Chloe comes spectacularly into her own, achieving stardom in her own right and finding true love. Through the eyes of the captivating Chloe and the talented voice of Nicole Richie, we are given a no-holds-barred look at Hollywood's new elite, behind the velvet ropes, inside star-studded premieres and parties. Whether they're doing the "circuit" (begin with shopping at Barneys New York, Marni, and Fred Segal, then end with the grilled vegetable salad at the Ivy), or ending up on the front page of your favorite weekly magazine, Chloe Parker and her fellow A-listers never fail to dazzle, their larger-than-life dramas more riveting than any reality show. **Priceless A Novel** *Simon and Schuster* Tall, blond, and willowy, this twenty-two-year-old seems to have everything going for her—she's rich and gorgeous, a talented singer, and has just returned to her Park Avenue penthouse after a year studying in Paris. But since her mother's tragic death years ago, her father, an extremely successful financier, has been her only family—and if she's being honest, her only true friend. All that changes when Jacob Williams is arrested on charges of fraud, and the SEC freezes the family's bank accounts. With her father in jail and her partying pals suddenly scarce, Charlotte escapes Manhattan and heads to the one place she doesn't think anyone will come looking: New Orleans. Determined to rebuild her life, Charlotte moves in with her beloved former nanny and finds a job in a local restaurant. Between trying to make ends meet and hiding from her past, she meets Kat, a fellow fashionista who introduces her to the best of the Big Easy's bohemian style. With Kat by her side, Charlotte begins to haunt nightclubs, securing singing gigs that soon begin to heat up—as does her friendship with a local boy, Jackson. But Charlotte's being followed by an angry stalker who wants nothing more than to destroy her for her father's crimes. And with Mardi Gras just around the corner, the masquerade has only just begun . . . From the stylish avenues of Manhattan and dark clubs of the French Quarter to the bright lights of Los Angeles, the multitalented Nicole Richie's scintillating tale shows that the very life you run from is the one that won't let you hide. **The Truth About Diamonds Your Heiress Diary Confess It All to Me** For the fans of her phenomenal international bestseller **CONFESSIONS OF AN HEIRESS** - at long last a journal in which you can plan and record the heiress life everyone can have - including 150 new colour photos, tips and hints from Paris, and more! This will be a journal in which aspiring heiresses can record their heiress moments, heiress hopes, and heiress progress. There will be a new introduction by Paris, and headings to include: "My plans and dreams, my secrets, my favorite designers, my favorite stores, my best dressed day, my worst dressed day, my career goals, the cutest guys I know, my ideal guy, my memories, my blessings". Paris tips and sidebars also will include posing tips, how to make an entrance and flirting tips. Paris is still totally HOT! Her movie "House of Wax" was released in May and "Pledge This" (her next movie) is scheduled to premiere later in 2005. "The Simple Life 3" averages more than 10 million viewers a week in the U.S (Network 7 currently screening) and rumours about a new co-star to replace Nicole Richie are already sparking interest in "The Simple Life 4." Paris has a fragrance deal and a jewelry line. She's engaged to Paris (Latsis). Paris is everywhere! Britney Spears' Heart to Heart Britney Spears makes success look simple. As Brit will tell you, though, success is hard work -- you need talent, belief in yourself, and someone else who believes in you. For Britney, that person has always been her mother, Lynne Spears, who is not just Britney's mama but also her best friend. **Confessions of an Heiress A Tongue-In-Chic Peek Behind the Pose** *Simon and Schuster* Socialite, fashion icon, television and movie star, recording artist and just plain celebrity: Twenty-two year old Paris Hilton is the great granddaughter of hotel magnate Conrad Hilton and is estimated to be worth \$30 million. The world first became aware of Paris Hilton through a Vanity Fair profile in 2000. Since then, she has graced the pages of countless magazines, newspapers, and tabloids; modeled on the runways of top designers; appeared on television shows as herself ('Saturday Night Live', MTV Music Awards) and as fictional characters (the new Sky One show 'Las Vegas'); had small parts in movies like 'The Cat in the Hat', 'Win a Date with Tad Hamilton' and the upcoming 'The Hillz'; has begun work on an album; and starred in a hit reality series, 'The Simple Life' (shown here on Channel 4). She has been romantically linked with current boyfriend Nick Carter of the Backstreet Boys, Rick Solomon (of the notorious sex tape), and Deryck Whibley of Sum 41. 'I think the biggest misconception about me is that I'm this spoiled brat. But I'm not. I'm the total opposite.' **150 Pounds A Novel of Waists and Measures** *Macmillan* A smartly-written novel by author, Kate Rockland, of two women starting at opposite ends of the scale--and finding compromise and friendship in their journey towards 150 pounds In the fast paced life of blogging, two women stand out: Alexis Allbright, of Skinny Chick, and Shoshana Weiner, who writes Fat and Fabulous. Both have over five million loyal readers. Both are hungry for success. But the similarities stop there. With over 100 pounds on the scale separating them, weight isn't their only difference. Alexis is a loner who is so bitchy the only person who can stand her company is her gay best friend Billy. She gives neurotic New Yorkers a run for their money with her strict daily workout routine, and weighing of food. Shoshana is Alexis's opposite. Living in Jersey with rowdy roommates, she is someone who "collects friends," as her mother puts it; and treasures a life of expanding circles...and waistlines. When both appear as panelists on a popular talk show, their lives intersect in ways neither could have imagined. In turns comedic, heartwarming--and familiar to any woman who's ever stepped on a scale--Alexis and Shoshana realize they have far more in common than either could have possibly imagined, and more importantly, something to offer. **Celebrity Chekhov Stories** by Anton Chekhov *Harper Collins* New Yorker editor and McSweeney's contributor Ben Greenman reshapes Russian literature's most celebrated stories around America's most popular pop culture icons, probing the deep complexities of Anton Chekov (not to mention those of Cruise or Kardashian). Thought-provoking and funny, these wryly re-imagined tales will be sure-fire favorites for every kind of reader, whether your favorite escapes are celebrity memoirs like L.A. Candy and The Truth about Diamonds, re-conceived classics like Wicked, literary parodies like Pride and Prejudice and Zombies, or masterpieces of fiction from authors like Tolstoy, Pushkin and Chekhov himself. **Best Bitch** *Summersdale* "I don't want other people to decide who I am. I want to decide that for myself." --Emma Watson Your best friend is your whole world: the bubbles in your champagne, the gurl to your power. She knows when your eyebrow game is on point, when it's time to party and when it's time to watch just one more episode of that show you love--and maybe order your fave pizza to go with it. Remind your baddest bitch just how much you love her with these sassy statements and empowering quotes. **Your Life in Color** *Hay House, Inc* Whether you are heading out to an important job interview or a pivotal first date, feeling empowered, confident, and ready are the key elements to success. **Internationally renowned psychic and cosmic life coach Dougall Fraser** draws from years of experience and observation to create a guide for utilizing the innate strength of colors in conjunction with your individual self. From white to gold to emerald green, every color has qualities that you can consciously draw strength and purpose from in order to support you in achieving your highest goals and dreams. Fraser explores each key color's unique spiritual and practical qualities, providing insight into its history and shadow sides, real-world personal and professional anecdotes, and exercises and inspiration to evoke each color's maximum power. His step-by-step plan will help you to integrate color energy into your daily life, from the inside out. **Unlock the full magnitude of your soul's potential by letting its true colors shine bold and bright!** **Fan-Tan** *Vintage* Fan-Tan is a hugely entertaining, swashbuckling romp, from one of the greatest actors of our time: Marlon Brando. The story of an eccentric early-twentieth-century pirate who sets out on the high seas from the Philippines to Shanghai, Fan-Tan follows the exploits of Anatole "Annie" Doultry, a larger-than-life character that Brando could have easily inhabited himself. When Annie saves the life of a Chinese prisoner in a Hong Kong prison, he's led to the mysterious and seductive Madame Lai Choi San—one of the most notorious gangsters in Asia—and here the true adventures begin. Years in the making with Brando's longtime collaborator, screenwriter and director Donald Cammell, Fan-Tan is a rollicking, delectable tale—and the last surprise from an ever-surprising legend. **Sweet Little Lies** *Harper Collins* After hitting the #1 spot on the New York Times list with her first novel, L.A. Candy, TV star Lauren Conrad continues the deliciously entertaining series about an ordinary girl leading an extraordinary life. Full of dishy details about young Hollywood that only an insider can reveal, this entertaining novel shows that lies are only as sweet as the people telling them. Jane Roberts was the average girl next door until she and her best friend, Scarlett Harp, landed their own reality show, L.A. Candy. Now the girls have an all-access pass to Hollywood's hottest everything. But there's more to life on camera than just parties and shopping.... When racy photos of Jane are leaked to the press, she finds herself at the center of a tabloid scandal. She turns to her co-star Madison Parker for help, unaware that Madison is scheming behind the scenes. She might be Jane's shoulder to cry on, but does Madison really have Jane's back? Scarlett's working on a scandal of her own. She's fallen for someone who's strictly off-limits—which means Scarlett has a big secret to keep...from the L.A. Candy cameras, the paparazzi staking out her apartment, even from her best friend. Of course, nothing stays secret for long for the stars of the newest hit TV series, and all this drama couldn't be better for ratings. But can Jane survive another season in the spotlight? **Sugar and Spice** *Harper Collins* Sugar and Spice...not everyone's nice. In the deliciously entertaining conclusion to the L.A. Candy series, New York Times bestselling author and star of the hit TV show **The Hills** Lauren Conrad pulls back the curtain on young Hollywood and shows that sometimes the real drama is behind the scenes. Fresh from being betrayed by one of her closest friends, new reality-TV celebrity Jane Roberts has learned a few lessons. Most important: know who to trust. And in Hollywood, that list is short. Although the press is intent on creating a tabloid war between her and ex-friend, current-costar Madison Parker, Jane just wants to take control of her life. She's started by swearing off guys and the drama that comes with them. But when her high school sweetheart Caleb and her unrequited L.A. crush Braden show up, both acting sweeter than ever, Jane has a hard timeremembering her no-boys rule.... Her best friend, Scarlett, has only one guy on her mind: her new boyfriend, Liam. The girl who once thought love was a four-letter word is now head over heels. The problem is, being on a hit reality show means hanging out with other guys on-camera, and Liam isn't too happy with pretending to play a bit part in her love life. Just when everything feels out of control, Jane makes a shocking discovery—one that changes everyone's definition of "reality" forever. **The March** A Novel *Random House Incorporated* Union General William Tecumseh Sherman's devastating march through Georgia and the Carolinas during the final years of the Civil War has a profound impact on the outcome of the war, in a richly textured, evocative historical novel that captures the full experience of the diverse characters caught up in the struggle. 150,000 first printing. **Hollywood, les diamants et moi (The Truth About Diamonds)** " Je sais bien ce que pensent certains : mais pourquoi cette fille écrit-elle un livre ? D'accord, elle a du style, elle a survécu aux rumeurs de la presse people, les photos de son casier judiciaire sont très réussies, et elle anime une émission télé à succès... Mais qu'a-t-elle vraiment accompli pour que ça vaille un livre ? Je vous dirai la même chose qu'à l'éditeur je n'ai que 24 ans ! J'ai des parents célèbres, une existence dorée, j'ai vécu trois arrestations et une cure de désintoxication, j'ai été la vedette d'une émission hyperconnue, j'ai commencé à enregistrer un album, je suis fiancée à un vrai canon... et je n'en suis même pas à la moitié de ma vie ! " **Avis aux fashionistas ! Découvrez tous les secrets du star-system de Hollywood, avec ses fêtes spectaculaires, ses boîtes tendances et ses virées shopping ! Suivez les folles**

aventures de deux jet-setteuses déjantées, pauvres petites filles de riches Nicole Richie et son amie Chloé Parker. Fêtes, drugs and rock'n roll, humour dévastateur et parfois très acide ! Toute ressemblance avec une personne existant ou ayant existé... est parfaitement voulue. *Confessions of a Guidette* *Simon and Schuster* A loud, wild, cuddly and in-your-face party girl with sky-high hair and a spray tan, the pint-size Snooki has emerged as the breakout star of the wildly successful Jersey Shore. She's been parodied on Saturday Night Live, appeared on almost every major talk show (including Leno and Conan), was featured in the New York Times, and has more than 300,000 followers on Twitter. Snooki also has attracted a slew of celebrity fans, like Leo DiCaprio, Sean "Diddy" Combs, Ashton Kutcher, Demi Moore, Zach Braff and Tinsley Mortimer. This attractively designed full colour book will feature tons of photos, tips, and fascinating details from American's favourite guidette and will be a must have for fans of Snooki and Jersey Shore. \* Snooki Style: The poof never dies; Waving, streaking and bangin' it - my other sick hairstyles; Why orange you tan; The guidette wardrobe - what to rock. \* Guidos, Gorillas & Juiceheads: What I look for in a gorilla; Different types of gorillas; How to break up with a guido so he isn't a stage-5 cling; Warning signs that the guy is a creeper; 5 sure signs a guy isn't a guido. \* How To Be a Guidette: The Guidette Pose; 12 things a guidette would never do; The Snictionary, or a Guidette's favourite words. *Confessions of a Shopaholic A Novel* *Delta* From the #1 New York Times bestselling author of *The Party Crasher* and *Love Your Life* comes "a hilarious tale . . . hijinks worthy of classic *I Love Lucy* episodes . . . too good to pass up." (USA Today) "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter."—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Becky Bloomwood has a fabulous flat in London's trendiest neighborhood, a troupe of glamorous socialite friends, and a closet brimming with the season's must-haves. The only trouble is, she can't actually afford it—not any of it. Her job writing at *Successful Saving* magazine not only bores her to tears, it doesn't pay much at all. And lately Becky's been chased by dismal letters from the bank—letters with large red sums she can't bear to read. She tries cutting back. But none of her efforts succeeds. Her only consolation is to buy herself something . . . just a little something. Finally a story arises that Becky actually cares about, and her front-page article catalyzes a chain of events that will transform her life—and the lives of those around her—forever. Praise for Sophie Kinsella and *Confessions of a Shopaholic* "Kinsella's Bloomwood is plucky and funny. . . . You won't have to shop around to find a more winning protagonist."—People "If a crème brûlée could be transmogrified into a book, it would be *Confessions of a Shopaholic*."—The Star-Ledger "A have-your-cake-and-eat-it romp, done with brio and not a syllable of moralizing. . . . Kinsella has a light touch and puckish humor."—Kirkus Reviews *Class with the Countess* How to Live with Elegance and Flair *Penguin* Provides advice on etiquette and modern social graces, covering the art of being oneself in any situation, ways to make other people comfortable, and the art of seduction. *A Shore Thing* *Simon and Schuster* Two cousins--carefree party girl Gia Spumanti and quiet athlete Bella Rizzoli--spend an adventurous summer in Seaside Heights, New Jersey. At Last The Final Patrick Melrose Novel *Picador* Now a 5-Part Limited Event Series on Showtime, Starring Benedict Cumberbatch and Blythe Danner A New York Times Notable Book of the Year • One of TIME's Top 10 Fiction Books of the Year • Named One of the best books of the Year by The Telegraph and Esquire Here, from the writer described by The Guardian as "our purest living prose stylist" and whom Alan Hollinghurst has called "the most brilliant English novelist of his generation," is a work of glittering social comedy, profound emotional truth, and acute verbal wit. At Last is also the stunning culmination of one of the great fiction enterprises of the past two decades in the life of the English novel. As readers of Edward St. Aubyn's extraordinary earlier works—Never Mind, Bad News, Some Hope, and the Man Booker Prize finalist *Mother's Milk*—are well aware, for Patrick Melrose, "family" has always been a double-edged sword. At Last begins as friends, relatives, and foes trickle in to pay final respects to his mother, Eleanor, an American heiress, Eleanor married into the British aristocracy, giving up the grandeur of her upbringing for "good works" freely bestowed on everyone but her own son, who finds himself questioning whether his transition to a life without parents will indeed be the liberation he had so long imagined. The service ends, and family and friends gather for a final party. Amid the social niceties and social horrors, Patrick begins to sense the prospect of release from the extremes of his childhood, and at the end of the day, alone in his room, the promise some form of safety...at last. High in the Clouds Imagine a land where all the animals are free . . . To the creatures of the woodland, the land of Animalia sounds like a dream - a tropical island where all the animals live in harmony. They are over-shadowed by a much more evil community; the polluted Megatropolis, whose dirty skyscrapers block the horizon. And then one day, Wirral the Squirrel's woodland is destroyed by developers and he is thrown into the nightmare world of Megatropolis. But Wirral believes in Animalia and he joins with Froggo, a world-class amphibian balloonist, and Wilhamina, a girl squirrel, to lead the enslaved animals of the city to a new life. So begins an exciting adventure through the mean streets of Megatropolis, over the sea and through the sky. Developed out of an exceptional fusion of creative talents, this story explodes onto every page. The plot is fast, furious and funny; the illustrations are full of rich depth and colour; and the characters live on long after you have turned the final page. It will delight children of all ages and is sure to become an enduring classic. 'Young audiences will delight in the clever wordplay and smartly-drawn comic characters.' Independent Ultimate Living *Creation House* This morning you woke up to a fresh start! You may not have known it at that moment, but the fact that you've opened this book tells me that you're looking for more in life. Even if you've just learned that your health is gone and your best days seem to be behind you, I'm here to tell you that there's still something more for you. *Hollywood Divorces* *Simon and Schuster* In her most scandalously titillating novel since the #1 bestselling *Hollywood Wives*, internationally renowned author Jackie Collins once again takes her readers behind the scenes and into the bedrooms of Hollywood's glamorous world of superstardom, where narcissism is a virtue, and fidelity means not sleeping with anyone less attractive than your spouse. *WHEN HOLLYWOOD WIVES WANT MORE, IT'S TIME FOR HOLLYWOOD DIVORCES* . . . the bestselling novel of lust, betrayal, and breakup in L.A., where fidelity means never sleeping with anyone less attractive than your spouse. Three glamorous women with ambitions fueling their inner fires— and agendas that may or may not include those they've vowed to love and honor. From the casting couch to superstardom, from the director's chair to worldwide acclaim, they go after what they want without guilt. Without regret. And never without scandal. Here are the relationship shockers that even the tabloids don't know: who's playing whom, who's getting dumped, and who's walking out the door. This is domestic drama like never before, as only the "EVER STYLIN'" (Publishers Weekly) Jackie Collins can tell it. *Little Kids, Big City* Tales from a Real House in New York City (with Lessons on Life and Love for Your Own Concrete Jungle) *Sterling & Ross Publishers* Stars of Bravo TV's *The Real Housewives of New York City*, Alex McCord and Simon van Kempen, have a hit show and a great book, *Little Kids, Big City*, a lighthearted and critically acclaimed he-said, she-said rant, about their experiences raising their two young children in the Big Apple. More of a Momoir (and Dadoir) covering the last 10 years of their lives, Alex & Simon write with a unique and humorous insight into the challenges facing parents today. They use their own hard-won experience as a springboard to discuss life before children and their determination not to have any, followed by their journey and eventual change of heart and the rollercoaster ride of having two children in two years in a seemingly non-child-friendly environment. Rather than a preachy, how-to guide, Simon & Alex take the reader on a romp through the indignities and surprises that befell them. Their informative and often hair-raising stories of life in the concrete jungle make *Little Kids, Big City* a must-read for anyone who has ever had children, hated children or thought they might want to have them someday, as well as for any fan of their hit show. *Stories from Candyland* Confections from One of Hollywood's Most Famous Wives and Mothers *St. Martin's Press* Carole Gene Marer spent her girlhood dreaming of meeting Rock Hudson, but when she finally had the chance—on her second date with her future husband, television mogul Aaron Spelling—she was so shy she hid all night in the powder room. How Candy morphed from that quiet girl into a seemingly-confident, stylish trophy wife, mistress of the largest house in Los Angeles (70,000 square feet when you count the attic) is at the heart of *Stories from Candyland*. The life Candy created for her family—her husband and children Tori and Randy—was fabulous, over-the-top, and often magical. So what if California Christmases don't come with snow? Let's make some on the tennis court! How do we take a cross-country family vacation with a dad who doesn't fly? By private train car, of course (with an extra for the fifty-two pieces of luggage). The kids want to dress up for Halloween? No problem, why not call in Nolan Miller to design their costumes? Candy had a hand in some of the most beloved television shows of all time (she once stopped production on "Dynasty" because Krystle Carrington's engagement ring was not spectacular enough), has entertained half of Hollywood in epic fashion, and lives an enviable life. But under all the fun and showmanship lies a more interesting character, still wrestling with some of the insecurities of her ingénue self. Oprah threw her into a major panic with a discussion of hoarding. A lifelong humming habit evolved as a unique coping mechanism. And there's nothing like being defined as, "well, you know, complicated" by your daughter on television and in her own book. *Stories from Candyland* sparkles with glamour and grand gestures. But it also satisfies with some more intimate Candy concerns: why being a perfect wife and mother was so important to her, how cooking and cleaning can keep the home fires burning, why collections matter, and whether dogs are better judges of people than people are. Visit Candyland in these pages and get a glimpse of a generous, glittering world revealing many of its surprising and funny secrets for the first time. *Memoirs of an Ex-Prom Queen* A Novel *Macmillan* A sardonic portrayal of one white, middle-class Midwestern girl's coming-of-age, this novel takes a wry and prescient look at a range of experiences treated at the time as taboo or trivial. *The Art of Saying Goodbye* A Novel *Harper Collins* "Bache writes straight from the heart, peopling her pages with characters you will never forget." —Lee Smith, author of *Fair and Tender Ladies* "Ellyn Bache draws her characters from the inside." —Baltimore Sun Critically acclaimed author Ellyn Bache captivates with *The Art of Saying Goodbye*, a beautiful and poignant story of four suburban women who gain new insights and appreciations of their own lives when a much-loved neighbor falls gravely ill. In the tradition of Kristin Hannah's *Firefly Lane* and Marisa de los Santos's *Belong to Me*, Bache's *The Art of Saying Goodbye* is a beautiful and touching story of friendship, love, commitment, and self-discovery that will enthrall readers of Jodi Picault and Jill Barnett. *Make Death Love Me* *Random House* A Ruth Rendell mystery, first published in 1979 and shortlisted for the Edgar Allan Poe Award for best crime novel in 1980. Alan Groombridge is trapped. Husband to a woman he doesn't like, father to two children he never wanted, and manager of a tiny branch of the Anglian-Victoria bank, he is doomed to a life of domestic boredom and tedious routine. All that keeps him afloat is his one fantasy: stealing enough of the bank's money to allow him just one year of freedom - one year in which to live a different sort of life. But one day the bank is robbed, the manager and cashier disappear and what was once a place of dull and dreary repetition becomes the scene of a brutal, chilling nightmare that might never end... *Just For The Record* *Random House* In 2002, *Just For The Record* was the book that everyone was talking about. Then in 2003, repackaged in a new, compact mass-market format, *Just For The Record* did it all over again being one of the most read books of the year. Since the break up of the Spice Girls, Geri has continued to intrigue the media and the masses. But how many of the stories are true? *Just For The Record* reveals all. With particular focus on her personal battle to overcome the eating disorders that have plagued her since childhood, and the stark reality of weight obsession, Geri shares the facts about life after the girl band. This is Geri's story: revealing, frank, brutally honest, and at times shocking. *The Writing on My Forehead* LP A Novel *Harper Collins* From childhood, willful, intelligent Saira Qader broke the boundaries between her family's traditions and her desire for independence. A free-spirited and rebellious Muslim-American of Indo-Pakistani descent, she rejected the constricting notions of family, duty, obligation, and fate, choosing instead to become a journalist, the world her home. Five years later, tragedy strikes, throwing Saira's life into turmoil. Now the woman who chased the world to uncover the details of other lives must confront the truths of her own. In need of understanding, she looks to the stories of those who came before—her grandparents, a beloved aunt, her mother and father. As Saira discovers the hope, pain, joy, and passion that defined their lives, she begins to face what she never wanted to admit—that choice is not always our own, and that faith is not just an intellectual preference. *Shopgirl* A Novella *Hachette Books* One of our country's most acclaimed and beloved entertainers, Steve Martin has written a novella that is unexpectedly perceptive about relationships and life. Martin is profoundly wise when it comes to the inner workings of the human heart. Mirabelle is the "shopgirl" of the title, a young woman, beautiful in a wallflowerish kind of way, who works behind the glove counter at Neiman Marcus "selling things that nobody buys anymore . . ." Slightly lost, slightly off-kilter, very shy, Mirabelle charms because of all that she is not: not glamorous, not aggressive, not self-aggrandizing. Still there is something about her that is irresistible. Mirabelle captures the attention of Ray Porter, a wealthy businessman almost twice her age. As they tentatively embark on a relationship, they both struggle to decipher the language of love—with consequences that are both comic and heartbreaking. Filled with the kind of witty, discerning observations that have brought Steve Martin critical success, *Shopgirl* is a work of disarming tenderness. *Thrill* A Novel *Simon and Schuster* Jackie Collins' most outrageous, erotically charged New York Times bestseller is a sexy, shattering roller-coaster thrill ride! From chic New York and the exclusive Hamptons to the hungry heart of L.A., this high-suspense tale pulses with deadly obsessions and relentless desires in the seemingly perfect world of a gorgeous film actress. She could have any man -- but the one she can't resist is a mysterious lover with a shadowed past. As their jolting

affair skyrockets with electric passion, shocking secrets break through their hidden traps -- in a brilliantly twisting story that sparks with the explosive Jackie Collins touch. **The Perfume Burned His Eyes** *Akashic Books* An outer-borough boy moves to the foreign land of Manhattan and befriends Lou Reed, in a novel by the Emmy-winning actor and screenwriter: "A winner."—*Library Journal* Matthew is a sixteen-year-old living in Jackson Heights, Queens, in 1976. After he loses his two most important male role models, his father and grandfather, his mother uses her inheritance to uproot Matthew and herself to a posh apartment building in Manhattan. Although only three miles from his boyhood home, "the city" is a completely new and strange world. Soon, he befriends (and becomes a quasi-assistant to) Lou Reed, who lives with his transgender girlfriend in the same building. And the drug-addled, artistic/shamanic musician will eventually become an unorthodox father figure to Matthew, as he moves toward adulthood, adjusts to a new life, and falls head over heels for a girl wise beyond her years. "Imperioli can definitely write, and he gets high marks for the verisimilitude and empathy that he evokes."—*Booklist* (starred review) "A coming-of-age tale dashed with relatable angst and humor."—*Entertainment Weekly* "Some fictional trips into 1970s New York abound with nostalgia; this novel memorably opts for grit and heartbreak."—*Kirkus Reviews* **The Rules According to JWOWW** *Shore-Tested Secrets on Landing a Mint Guy, Staying Fresh to Death, and Kicking the Competition to the Curb* *Harper Collins* One of the stars of MTV's smash hit series *The Jersey Shore*, Jennifer "JWOWW" Farley lays down *The Rules According to JWOWW*, offering a new spin on the dos and don'ts of dating, from "smushing" guys to avoiding booty calls to finding the guy of your dreams. The book includes empowering advice for a new generation of self-assured young women, as JWOWW shares her "shore-tested secrets on landing a mint guy, staying fresh to death, and kicking the competition to the curb." **Celebrate A Year of British Festivities for Families and Friends** *Michael Joseph* Celebrate by Pippa Middleton is a fully illustrated and beautifully designed book packed with recipes, crafts and inspirational ideas. Beginning with autumn and ending with summer, Celebrate is a one-stop guide to entertaining throughout the British year. It contains a myriad of personal tips, favourite recipes and useful decorating ideas. Practical but full of fun, it guides readers through the planning stages to the events themselves, from Christmas and Easter to a show-stopping New Year's Eve and from children's parties, family birthdays, lazy weekend brunches and picnics on the beach to a quiet supper at home with friends. In Celebrate, Pippa Middleton provides easy and affordable ideas for a successful celebration and offers charming and little-known facts and historical anecdotes for each occasion. The result is a cornucopia of information that is fascinating, inspiring and wonderfully accessible. **True Whit** *Designing a Life of Style, Beauty, and Fun* *Harper Collins* Whitney Port shares personal stories, beauty and fitness secrets, and tried-and-true advice on everything girls need to know to start their lives out with style Fashion trendsetter, MTV reality star, and clothing designer Whitney Port learned to navigate her new independent life in New York with grace, style, and a sense of humor. From backstabbing coworkers and bitchy bosses to long-distance boyfriends and a daring new career in fashion, Whitney managed to handle it all. Intimate and honest, Whitney opens up about everything from fashion and beauty to romance and careers. She dishes on: her experiences working at Teen Vogue, People's Revolution, and Diane von Furstenberg; finding love and trying to make it work; and life in front of the cameras. Whitney shares her unique style philosophy, including when to break the rules, her family's influence on her sense of style, and her perfect outfits for any occasion—from meeting your guy's parents to wowing an interviewer for a job. Whitney also details what young women really want to know, like what to eat when the mid-afternoon munchies strike, how to throw an impromptu party, and how to hide a hangover. With hundreds of photos and chock-full of must-have lists and style favorites, this colorful scrapbook features pics from Whitney's personal photo albums and from major moments in her life, including on the runway, at her private birthday bash, and out on the town with friends. And for the first time, Whitney shares the true reality of an emerging fashion designer, highlighting her creative process, sketches, and fabrics. Through personal stories and private snapshots, fans will get to see a side of her that the cameras don't capture. This is Whitney Port revealed. **101 Amazing Facts about Nicole Richie** *Andrews UK Limited* Are you the world's biggest Nicole Richie fan? Throughout her career, Cameron Diaz has been a role model for millions of women. By her own candid admission, though, this fit, glamorous, but down-to-earth star was not always health-conscious. Learning about the inseparable link between nutrition and the body was just one of the life-changing lessons that has fed Cameron's hunger to educate herself about the best ways to feed, move, and care for her body. In *The Body Book*, she shares what she has learned and continues to discover about nutrition, exercise, and the mind/body connection. Grounded in science and informed by real life, *The Body Book* offers a comprehensive overview of the human body and mind, from the cellular level up. From demystifying and debunking the hype around food groups to explaining the value of vitamins and minerals, readers will discover why it's so important to embrace the instinct of hunger and to satisfy it with whole, nutrient-dense foods. Cameron also explains the essential role of movement, the importance of muscle and bone strength and why we need to sweat a little every day. *The Body Book* does not set goals to reach in seven days or thirty days or a year. It offers a holistic, long-term approach to making consistent choices and reaching the ultimate goal: a long, strong, happy, healthy life. **My Best Friend's Life** *HarperCollins UK* Want what she's got?
