The Ways of the Dead A Sully Carter Novel

Penguin "An exciting first novel that echoes the best writing of Pete Hamill and George Pelecanos, mixed with bits of The Wire and True Detective." —The Miami Herald The electrifying first novel in a new crime series from a veteran Washington, D.C., reporter Sarah Reese, the teenage daughter of a powerful Washington, D.C. judge, is dead, her body discovered in a slum in the shadow of the Capitol. Though the police promptly arrest three local black kids, newspaper reporter Sully Carter suspects there's more to the case. Reese's slaying might be related to a string of cold cases the police barely investigated, among them the recent disappearance of a gorgeous university student. A journalist brought home from war-torn Bosnia and hobbled by loss, rage, and alcohol, Sully encounters a city rife with its own brand of treachery and intrigue. Weaving through D.C.'s broad avenues and shady backstreets on his Ducati 916 motorcycle, Sully comes to know not just the city's pristine monuments of power but the blighted neighborhoods beyond the reach of the Metro. With the city clamoring for a conviction, Sully pursues the truth about the murders—all against pressure from government officials, police brass, suspicious locals, and even his own bosses at the paper. A wry, street-smart hero with a serious authority problem, Sully delves into a deeply layered mystery, revealing vivid portraits of the nation's capital from the highest corridors of power to D.C.'s seedy underbelly, where violence and corruption reign supreme—and where Sully must confront the back-breaking line between what you think and what you know, and what you know and what you can print. Inspired by the real-life 1990s

*Princeton Place murders and set in the last glory days of the American newspaper, *The Ways of the Dead* is a wickedly entertaining story of race, crime, the law, and the power of the media. Neely Tucker delivers a flawless rendering of a fast-paced, scoop-driven newsroom—investigative journalism at its grittiest.*

The Ways of the Dead

A Sully Carter Novel

Penguin "An exciting first novel that echoes the best writing of Pete Hamill and George Pelecanos." Miami Herald In the first installment of an electrifying new crime series, veteran journalist Neely Tucker transports readers to late 1990s Washington, D.C., and introduces an unforgettable, complex protagonist who weaves through the District's broad avenues and shady backstreets on his Ducati 916 in pursuit of the truth. Hardboiled newspaper reporter Sully Carter returns from war-torn Bosnia to encounter a city rife with its own brand of treachery and intrigue. The teenage daughter of a powerful judge has just been found dead in a slum in the shadow of the Capitol. The police promptly arrest three local black teens, but Sully knows they're innocent. With the city clamoring for a conviction, can he find the real killer before it's too late?

Media, Police, and the Invisibility of Black Women as Victims of Homicide

MSU Press Though numerous studies have been conducted regarding perceived racial bias in newspaper reporting of violent crimes, few studies have focused on the intersections of race and gender in determining the extent and prominence of this coverage, and more specifically how the lack of attention to violence against women of color reinforces their invisibility in the social structure. This book provides an empirical study of media and law enforcement bias in reporting and investigating homicides of African American women compared with their white counterparts. The author discusses the symbiotic relationship between media coverage and the

response from law enforcement to victims of color, particularly when these victims are reported missing and presumed to be in danger by their loved ones. Just as the media are effective in helping to increase police response, law enforcement officials reach out to news outlets to solicit help from the public in locating a missing person or solving a murder. However, a deeply troubling disparity in reporting the disappearance and homicides of female victims reflects racial inequality and institutionalized racism in the social structure that need to be addressed. It is this disparity this important study seeks to solve.

When Grief Comes

Finding Strength for Today and Hope for Tomorrow

Baker Books Sooner or later, each of us journeys through the valley of the shadow of death. Kirk H. Neely has been through that valley, including the unexpected death of his twenty-seven-year-old son. He has also been a pastor and counselor for forty years, helping others journey through their own experiences of grief. Full of compassion and wisdom, When Grief Comes helps readers understand how to come to terms with death, whether expected or sudden. It also walks readers through the process of grieving as we experience life as a series of attachments and separations. Through this journey of grief, readers will learn that God gives gifts of grace and symbols of hope to bring strength for today and bright hope for tomorrow.

Murder, D.C.

A Sully Carter Novel

Penguin Washington, D.C., reporter Sully Carter returns in a thrilling murder mystery of race, wealth, and corruption, by the author of The Ways of the Dead When Billy Ellison, the son of Washington, D.C.'s most influential African-American family, is found dead in the Potomac near a violent drug haven, veteran metro reporter Sully Carter knows it's time to start asking some serious questions—no matter what the consequences. With the police unable to find a lead and pressure mounting for Sully to abandon the investigation, he has a hunch that there is more to the case than a drug deal gone bad or a tale of family misfortune. Digging deeper, Sully finds that the real story stretches far beyond Billy and into D.C.'s most prominent social circles. An alcoholic still haunted from his years as a war correspondent in Bosnia, Sully now must strike a dangerous balance between D.C.'s two extremes—the city's violent, desperate back streets and its highest corridors of power—while threatened by those who will stop at nothing to keep him from discovering the shocking truth. The follow-up to last year's acclaimed The Ways of the Dead, this gritty mystery showcases Tucker's talent for spot-on dialogue, authentic characters, and complex narrative.

Murder, D.c.

Penguin "The test of a crime series is its main character, and Sully is someone we'll want to read about again and again. . . . When the murder victim in the novel is identified as the young scion of one of the city's most wealthy and influential African American families, the story expands its themes of race and class, which lend it dimension." --Lisa Scottoline, The Washington Post Reporter Sully Carter returns in a thrilling murder mystery of race, wealth, and family secrets When Billy Ellison, the son of Washington, D.C.'s most influential African-American family, is found dead in the Potomac near a violent drug haven, reporter Sully Carter knows it's time to start asking some serious questions--no matter what the consequences. Riding the city's backstreets on his Ducati 916, Sully finds that the real story stretches far beyond Billy and into D.C.'s most prominent social circles. A hard drinker still haunted by his years as a war correspondent in Bosnia, Sully now must strike a dangerous balance between D.C.'s two extremes--the city's violent, depraved projects and its highest corridors of power--while

*threatened by those who will stop at nothing to keep him from discovering the shocking truth. The only person he can trust is his old friend Alexis, a talented photographer and fellow war zone junkie, who is as sexy as she is fearless, but even Alexis can't protect Sully from everyone who would rather he give up the story. Following the acclaimed first Sully Carter novel, *The Ways of the Dead*, this gritty mystery digs deeper into Sully's past while revealing how long-held secrets can destroy even the most powerful families. A Sully Carter Novel

*Penguin A Kirkus Reviews Best Thriller of 2016 "The test of a crime series is its main character, and Sully is someone we'll want to read about again and again." —Lisa Scottoline, *The Washington Post* "Fast-moving and suspenseful with an explosively violent conclusion." —Bruce DeSilva, *Associated Press* "Tucker's Sully Carter novels have quickly sneaked up on me as one of my favorite new series." —Sarah Weinman, *"The Crime Lady"* The riveting third novel in the Sully Carter series finds the gutsy reporter investigating a shooting at the Capitol and the violent world of the nation's most corrupt mental institution In the doldrums of a broiling Washington summer, a madman goes on a shooting rampage in the Capitol building. Sully Carter is at the scene and witnesses the carnage firsthand and files the first and most detailed account of the massacre. The shooter, Terry Waters, is still on the loose and becomes obsessed with Sully, luring the reporter into the streets of D.C. during the manhunt. Not much is known about Waters when he is finally caught, except that he hails from the Indian reservations of Oklahoma. His rants in the courtroom quickly earn him a stay at Saint Elizabeth's mental hospital, and the paper sends Sully out west to find out what has led a man to such a horrific act of violence. As Sully hits the road to see what he can dig up on Waters back in Oklahoma, he leaves his friend Alexis to watch over his nephew, Josh, who is visiting DC for the summer. Traversing central Oklahoma, Sully discovers that a shadow lurks behind the Waters family history and that the ghosts of the past have pursued the shooter for far longer than Sully could have known. When a local sheriff reveals the Waterses' deep connection with Saint Elizabeth's, Sully realizes he must find a way to gain access to the asylum, no matter the consequences.*

A unique literary creation. . . . an independent black woman who doesn't feel incomplete without a man; a maid unapologetic about her profession; and a deeply spiritual woman who finds solace speaking to the Ancestors. – The Boston Globe. It's hard enough making ends meet on the pittance Blanche White earns doing day work for genteel Southern families. But when her fourth bad check lands her a jail sentence, Blanche goes on the lam. She finds work at the summer home of a wealthy family with plenty of secrets of their own. When a dead body is discovered, Blanche is at the top of the suspect list. Determined to save herself, Blanche decides she must find the killer herself.

The King in Yellow

Library of Alexandria Toward the end of the year 1920 the Government of the United States had practically completed the programme, adopted during the last months of President Winthrop's administration. The country was apparently tranquil. Everybody knows how the Tariff and Labour questions were settled. The war with Germany, incident on that country's seizure of the Samoan Islands, had left no visible scars upon the republic, and the temporary occupation of Norfolk by the invading army had been forgotten

in the joy over repeated naval victories, and the subsequent ridiculous plight of General Von Gartenlaube's forces in the State of New Jersey. The Cuban and Hawaiian investments had paid one hundred per cent and the territory of Samoa was well worth its cost as a coaling station. The country was in a superb state of defence. Every coast city had been well supplied with land fortifications; the army under the parental eye of the General Staff, organized according to the Prussian system, had been increased to 300,000 men, with a territorial reserve of a million; and six magnificent squadrons of cruisers and battle-ships patrolled the six stations of the navigable seas, leaving a steam reserve amply fitted to control home waters. The gentlemen from the West had at last been constrained to acknowledge that a college for the training of diplomats was as necessary as law schools are for the training of barristers; consequently we were no longer represented abroad by incompetent patriots. The nation was prosperous; Chicago, for a moment paralyzed after a second great fire, had risen from its ruins, white and imperial, and more beautiful than the white city which had been built for its plaything in 1893. Everywhere good architecture was replacing bad, and even in New York, a sudden craving for decency had swept away a great portion of the existing horrors. Streets had been widened, properly paved and lighted, trees had been planted, squares laid out, elevated structures demolished and underground roads built to replace them. The new government buildings and barracks were fine bits of architecture, and the long system of stone quays which completely surrounded the island had been turned into parks which proved a god-send to the population. The subsidizing of the state theatre and state opera brought its own reward. The United States National Academy of Design was much like European institutions of the same kind. Nobody envied the Secretary of Fine Arts, either his cabinet position or his portfolio. The Secretary of Forestry and Game Preservation had a much easier time, thanks to the new system of National Mounted Police. We had profited well by the latest treaties with France and England; the exclusion of foreign-born Jews as a measure of self-preservation, the settlement of the new independent negro state of Suanee, the checking of immigration, the new laws concerning naturalization, and the gradual centralization of power in the executive all contributed to national calm and prosperity. When the Government solved the Indian problem and squadrons of Indian cavalry scouts in native costume were substituted for the pitiable organizations tacked on to the tail of skeletonized regiments by a former Secretary of War, the nation drew a long sigh of relief. When, after the colossal Congress of Religions, bigotry and intolerance were laid in their graves and kindness and charity began to draw warring sects together, many thought the millennium had arrived, at least in the new world which after all is a world by itself.

Kira-Kira

Simon and Schuster kira-kira (kee' ra kee' ra): glittering; shining Glittering. That's how Katie Takeshima's sister, Lynn, makes everything seem. The sky is kira-kira because its color is deep but see-through at the same time. The sea is kira-kira for the same

reason. And so are people's eyes. When Katie and her family move from a Japanese community in Iowa to the Deep South of Georgia, it's Lynn who explains to her why people stop them on the street to stare. And it's Lynn who, with her special way of viewing the world, teaches Katie to look beyond tomorrow. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always something glittering -- kira-kira -- in the future. Luminous in its persistence of love and hope, Kira-Kira is Cynthia Kadohata's stunning debut in middle-grade fiction.

Charcoal Joe

An Easy Rawlins Mystery

Vintage Crime/Black Lizard Walter Mosley's indelible detective Easy Rawlins is back, with a new detective agency and a new mystery to solve. Picking up where his last adventures in Rose Gold left off in L.A. in the late 1960s, Ezekiel "Easy" Rawlins finds his life in transition. He's ready—finally—to propose to his girlfriend, Bonnie Shay, and start a life together. And he's taken the money he got from the Rose Gold case and, together with two partners, Saul Lynx and Tinsford "Whisper" Natly, has started a new detective agency. But, inevitably, a case gets in the way: Easy's friend Mouse introduces him to Rufus Tyler, a very old man everyone calls Charcoal Joe. Joe's friend's son, Seymour (young, bright, top of his class in physics at Stanford), has been arrested and charged with the murder of a white man from Redondo Beach. Joe tells Easy he will pay and pay well to see this young man exonerated, but seeing as how Seymour literally was found standing over the man's dead body at his cabin home, and considering the racially charged motives seemingly behind the murder, that might prove to be a tall order. Between his new company, a heart that should be broken but is not, a whole raft of new bad guys on his tail, and a bad odor that surrounds Charcoal Joe, Easy has his hands full, his horizons askew, and his life in shambles around his feet.

Alta California

From San Diego to San Francisco, A Journey on Foot to Rediscover the Golden State

*Catapult This national bestseller chronicles one man's 650-mile trek on foot from San Diego to San Francisco—sure to appeal to readers of naturalist works like Edward Abbey's *Desert Solitaire*, Paul Thoreau's *On the Plain of Snakes*, and Mark Kenyon's *That Wild Country*. In 1769, an expedition led by Gaspar de Portolá sketched a route that would become, in part, the famous El Camino Real. It laid the foundation for the Golden State we know today, a place that remains as mythical and captivating as any in the world. Despite having grown up in California, Nick Neely realized how little he knew about its history. So he set off to learn it bodily, with just a backpack and a tent, trekking through stretches of California both lonely and urban. For twelve weeks, following the journal of expedition missionary Father Juan Crespí, Neely kept pace with the ghosts of the Portolá expedition—nearly 250 years later. Weaving*

natural and human history, Alta California relives Neely's adventure, while telling a story of Native cultures and the Spanish missions that soon devastated them, and exploring the evolution of California and its landscape. The result is a collage of historical and contemporary California, of lyricism and pedestrian serendipity, and of the biggest issues facing California today—water, agriculture, oil and gas, immigration, and development—all of it one step at a time. "Rich in little-known history . . . Up the Santa Barbara and San Luis Obispo county coasts, then inland into the Salinas Valley to Monterey Bay. Somewhere along here, the owl moons and woodpeckers do something you might not have thought possible in 2019: they make you fall, or re-fall, in love with California, ungrudgingly, wildfires and insane housing prices and all . . . What a journey, you think. What a state." —San Francisco Chronicle

Men We Reaped

A Memoir

A&C Black '...And then we heard the rain falling, and that was the drops of blood falling; and when we came to get the crops, it was dead men that we reaped.' Harriet Tubman In five years, Jesmyn Ward lost five men in her life, to drugs, accidents, suicide, and the bad luck that can follow people who live in poverty, particularly black men. Dealing with these losses, one after another, made Jesmyn ask the question: why? And as she began to write about the experience of living through all the dying, she realized the truth--and it took her breath away. Her brother and her friends all died because of who they were and where they were from, because they lived with a history of racism and economic struggle that fostered drug addiction and the dissolution of family and relationships. Jesmyn says the answer was so obvious she felt stupid for not seeing it. But it nagged at her until she knew she had to write about her community, to write their stories and her own. Jesmyn grew up in poverty in rural Mississippi. She writes powerfully about the pressures this brings, on the men who can do no right and the women who stand in for family in a society where the men are often absent. She bravely tells her story, revisiting the agonizing losses of her only brother and her friends. As the sole member of her family to leave home and pursue high education, she writes about this parallel American universe with the objectivity distance provides and the intimacy of utter familiarity.

Blanche Cleans Up

A Blanche White Mystery

Cutting Edge Publishing Blanche White returns to Farleigh, North Carolina for the summer to help her best friend with her catering business. It's a homecoming rich with the potential for new romance and fraught with the pain of facing the man who raped her at knife-point years ago but was never prosecuted for the crime. Shortly after Blanche arrives, a young woman is murdered and the clues point to the rapist. Blanche investigates, determined not to let him get away with another crime; nor is she willing to let his money-hungry sister marry a sweet, mentally challenged man for his wealth. With her usual persistence, feisty wit, and indomitable spirit, her quest for the truth reveals the racism and sexism that still permeate the new south, but also the conflicts that divide her own family; and that might prevent her from accepting the love she so richly deserves.

The Insanity File

The Case of Mary Todd Lincoln

SIU Press In 1875 Robert Todd Lincoln caused his mother, Mary Todd Lincoln, to be committed to an insane asylum. Based on newly discovered manuscript materials, this book seeks to explain how and why. In these documents—marked by Robert Todd Lincoln as the "MTL Insanity File"—exists the only definitive record of the tragic story of Mary Todd Lincoln's insanity trial. The book that results from these letters and documents addresses several areas of controversy in the life of the widow of Abraham Lincoln: the extent of her illness, the fairness of her trial, and the motives of those who had her committed for treatment. Related issues include the status of women under the law as well as the legal and medical treatment of insanity. Speculating on the reasons for her mental condition, the authors note that Mrs. Lincoln suffered an extraordinary amount of tragedy in a relatively few years. Three of her four sons died very young, and Abraham Lincoln was assassinated. After the death of her son Willie she maintained a darkly rigorous mourning for nearly three years, prompting the president to warn her that excessive woe might force him to send her to "that large white house on the hill yonder," the government hospital for the insane. Mrs. Lincoln also suffered anxiety about money, charting an exceptionally erratic financial course. She had spent lavishly during her husband's presidency and at his death found herself deeply in debt. She had purchased trunkfuls of drapes to hang over phantom windows. 84 pairs of kid gloves in less than a month, and \$3,200 worth of jewelry in the three months preceding Lincoln's assassination. She followed the same erratic course for the rest of her life, creating in herself a tremendous anxiety. She occasionally feared that people were trying to kill her, and in 1873 she told her doctor that an Indian spirit was removing wires from her eyes and bones from her cheeks. Her son assembled an army of lawyers and medical experts who would swear in court that Mrs. Lincoln was insane. The jury found her insane and in need of treatment in an asylum. Whether the verdict was correct or not, the trial made Mary Lincoln desperate. Within hours of the verdict she would attempt suicide. In a few months she would contemplate murder. Since then every aspect of the trial has been criticized—from the defense attorney to the laws in force at the time. Neely and McMurtry deal with the trial, the commitment of Mary Todd Lincoln, her release, and her second trial. An appendix

features letters and fragments by Mrs. Lincoln from the "Insanity File." The book is illustrated by 25 photographs.

Or Give Me Death

A Novel of Patrick Henry's Family

Houghton Mifflin Harcourt Patrick Henry, the famous statesman, has a secret: He keeps his wife in the cellar. Slowly losing her mind, Sarah Henry has become a danger to herself and her children. But daughter Anne has a secret of her own: She knows which child will inherit their mother's madness. Told from the point of view of the Henry children, this compassionate tale explores the possibility that Patrick Henry's immortal cry of "Give me liberty, or give me death," which roused a nation to arms, was first spoken by his wife as she pleaded for her own freedom. Includes a reader's guide.

Crime Fiction since 1800

Detection, Death, Diversity

Bloomsbury Publishing Since its appearance nearly two centuries ago, crime fiction has gripped readers' imaginations around the world. Detectives have varied enormously: from the nineteenth-century policemen (and a few women), through stars like Sherlock Holmes and Miss Marple, to newly self-aware voices of the present - feminist, African American, lesbian, gay, postcolonial and postmodern. Stephen Knight's fascinating book is a comprehensive analytic survey of crime fiction from its origins in the nineteenth century to the present day. Knight explains how and why the various forms of the genre have evolved, explores a range of authors and movements, and argues that the genre as a whole has three parts - the early development of Detection, the growing emphasis on Death, and the modern celebration of Diversity. The expanded second edition has been thoroughly updated in the light of recent research and new developments, such as ethnic crime fiction, the rise of thrillers in the serial-killer and urban collapse modes, and feel-good 'cozies'. It also explores a number of fictional works which have been published in the last few years and features a helpful glossary. With full references, and written in a highly engaging style, this remains the essential short guide for readers of crime fiction everywhere!
