THE WILD SIDE

R.K. Lilley **THE WILD SIDE ARE YOU READY TO TAKE A WALK?** Alasdair Masters is in a rut. He just hit forty, has been nearly celibate for the past year, and his life has turned into a daily sequence of lonely patterns that revolve around avoiding human contact. His tidy life is turned on its head when a hot young blonde at the gym that's been pseudo-stalking him decides to rock his world. A very young blonde. Way, way too young for him. The problem is, he can't seem to tell her no, and she just keeps coming back for more. It doesn't help that he's ninety percent sure she's a criminal, and still, he can't seem to turn her down. What is a dull introvert to do when a chaotic cyclone that oozes sexuality comes twisting into his life? At first, he thinks she'll give him a heart attack, but after his twenty-year marriage ended a year ago, he's been a little lost, and when she comes crashing into his life, he realizes that he's never felt more alive. Is a walk on the wild side just what he needs to get his life on track or a disaster in the making? Is it possible for someone that much younger to be just what he needs, or is she a fortune hunter, as everyone keeps telling him? Is it his hormones telling him that the mysterious younger woman is the one, or could it be more? This book is intended for readers 18 and up.

DAIR

R.K. Lilley **DAIR (THE WILD SIDE #3) ARE YOU READY FOR THE TRUTH?** I'd started writing everything about her down. I didn't want to forget. The color of her hair. The depth of her eyes. The stubborn shape of her jaw. The way her lips shaped words with such expression. The way her voice made my chest ache. The way she gave advice beyond her years. The way she listened like she cared about every word. The way she made me feel—Alive. Every curve and hollow of her body was recorded, in my mind, and now my hard drive. There was a bit of truth in every lie, and even if it had only been fed to me in the smallest increments, I wanted, needed to remember the real Iris. Because in the end, there was one irrefutable thing that I

couldn't deny. Hostage or hustler, sinner or saint, whatever she was or wasn't, whether she lied to my face or taunted me with hints of the truth, all of this seemed always to defer to the more pertinent fact at hand. She was mine. Inconceivably. Undeniably. Mine. After yet another shocking discovery, followed by a disturbing letter, Dair is almost certain Iris has left his life for good. He tries his best to move on. Easier said than done, and when an unexpected and dangerous opportunity arises for him to find out what happened to her, he doesn't hesitate to take it. As usual, with Iris, the answer leaves him more lost than the question. Every revelation is shrouded in mystery, and every disclosure leaves Dair more in the dark than ever. And when finally, the messy truth is revealed in its entirety, will he be ready for it? This is the final installment in Iris and Dair's story This book is intended for readers 18 and up.

Where has she gone? Alasdair Masters has more questions than answers about his new, too young obsession, and when he finds out she's been lying to him, from their first meeting to their last one, he's more confused than ever about her feelings, her intentions. And what's just as confusing are his own feelings. Has he turned something purely physical into something emotional in his own head? Is any of it mutual? The only thing he doesn't question is whether he'll keep going back for more. **DAIR** Me, I was simple. I was order. A very neat, efficient machine that ran on nothing but air. Me plus anyone else, well, that was another matter. And me plus Iris, that was a monster of a machine, with all gears going at different speeds, some spinning off their hinges, just going

BREAKING HIM

R.K. Lilley From internationally bestselling author R.K. Lilley comes a scorching new series with melt-the-pages tension and all-consuming angst. It's love, it's war and it's Scarlett and Dante's story. Scarlett It was the kind of relationship where I invested more than I had to spare. I gave it everything. And so when it failed, I lost myself. It changed me. He changed me. I went down with the ship. My soul, burnt embers in the aftermath. The fire of him ravaged it all. He burned me. Broke me. Scarlett had always dreamed big. She was headed straight for Hollywood. Destined for silver screen greatness. But in her wildest dreams she never imagined she'd be broke and single at twenty-eight, doling drinks at thirty-five thousand feet. She was a glorified waitress in the skies. It had been years since she'd seen him. But one day, there he sat, gazing intently at her, ready to set everything ablaze once more. Dante wanted her. Again. Sure, she'd play along...but this time, it was his turn. She was breaking him. After all, love is war. ----- Book one in the Love is War duet.

IRIS

R.K. Lilley IRIS (THE WILD SIDE #2) ARE YOU READY FOR A TWIST? Who is

Iris? Where did she come from? Where has she gone? Alasdair Masters has more questions than answers about his new, too young obsession, and when he finds out she's been lying to him, from their first meeting to their last one, he's more confused than ever about her feelings, her intentions. ARRANGED

R.K. Lilley "I didn't read this book, I devoured it. Arranged marriage is one of my favorite tropes and RK Lilley completely blew it out of the water. Arranged is angsty, sexy, and heartbreaking. Immediately adding it to my future re-read list. Banks is my new favorite alpha bully." *Claire Contreras, New York Times Bestselling Author* "Fatally beautiful. Gut-tightening intensity. Off the charts sexual chemistry and a love story unlike any other. You will devour this tale by RK Lilley and only want more." *Audrey Carlan, #1 NYT Bestselling Author* "Classic RK Lilley with all the angst, steam, and edginess she does so damn well. I loved it!" *Kylie Scott, NYT & USA Today Bestselling Author* "Some books are simply better than others. This is one of those books. Calder Banks Castelo is a jerk of epic proportions. Jerk-alicious perfection. Banks and Noura together light the pages on fire. Sensual, angsty, exquisite. Don't miss it." *Jana Aston, New York Times Bestselling Author* There were rules in the cash-for-beauty game. The money held the power. The beauty followed the rules and jumped through the hoops. **THE BRIDE** I knew what everyone would think if they knew the truth about my marriage. They'd be shocked and appalled. And rightly so. I was a young, modern, independent woman, and I'd done the unthinkable. I'd sold my virginity to a spoiled, rich boy. To a stranger who didn't love me. And yes, I'd done it all for money. **THE GROOM** My bride was as gorgeous as she was unwelcome. As desirable as she was unwanted. I wanted nothing to do with her, but that didn't seem to matter exactly the second she got close enough to touch. I wanted her to hate me more than she loved the millions she'd sold herself for. I wanted to spurn her, but unfortunately, I wanted to f*ck her more. **ARRANGED** is a standalone erotic romance.

THE OTHER MAN

LourdesHe was brazen as hell from the moment I laid eyes on him. He was aggressive, and dominant, with mac truck arms, and a bar brawler voice. He was too good looking for his own good, with a hard jaw, and harder eyes. I'd always led a fairly peaceful life, but even I could tell at a glance that this man was dangerous. For so many reasons. Not the least of which being that rough, dirty, sheet-clawing sex fairly radiated off him. I'd thought I'd known how to handle every kind of man, but this one left me baffled. To say he wasn't my type was putting it lightly. But you couldn't tell that to my libido. Not even when I found out the truth. My lover had lied to me from the very start. Nothing about our meeting was a coincidence.

BREAKING HER

R.K. Lilley From internationally bestselling author R.K. Lilley comes a scorching new series with melt-the-pages tension and all-consuming angst. It's love, it's war and it's Scarlett and Dante's story. **DESTRUCTION. BETRAYAL. RUINATION. TRUE LOVE.** Breaking Her Book Two in the Love is War Duet. This is the conclusion of Scarlett and Dante's story. **SCARLETT** He had done it again. Ravaged me. Burned me. Broken me. Given me air, only to leave me gasping, writhing. But then something changed. Something that terrified and excited me both. Something that utterly destroyed me. Something that made me whole again. **DANTE** Our love was cursed from the start. She didn't know it but I did. All she knew was that I'd lied to her, betrayed her. Done unforgivable things. Unavoidable things. Yes, I had broken promises as surely as I had broken her heart. But, just as every war has casualties, and every lie has consequences—every bastard has his reasons.

MR. BEAUTIFUL

R.K. Lilley **MR. BEAUTIFUL (UP IN THE AIR #4) JAMES** She was my sin and my temple. I both worshipped and defiled there. Gloried and desecrated. Revered and debased. I've been remade four times in my life. It is a distinct feeling. Impossible to mistake. The very marked sensation of being unraveled and reknit into a new thing, a new person. It can be good or bad, helpful or harmful, but above all, it is unstoppable. I was remade when my parents died, went from a happy childhood, into navigating a very dark world, with endless responsibilities, surrounded by enemies, and despairingly alone. It happened again at the hands of a cowardly predator. I'd become angrier with that one, more cynical, and it undoubtedly turned me into the kinky f**k I was today. The third happened swiftly. One day I looked up into a pair of pale blue eyes and saw the other half of my soul. Checkmate. I went from a completely controlled existence, a life where I made every decision with cold calculation, to a man overcome with feelings

and emotions that were foreign but somehow wonderful. And all too soon after that cataclysmic change was this fourth one, this one where I begged a God I'd never entertained to spare the life of a woman that I could not live without. Mr. Beautiful is a continuation of the Up in the Air series, told from the male point of view, with POVs from James, Stephan, Tristan, Frankie, and Akira. This book is intended for readers 18 and up.

BAD THINGS

Danika hasn't had an easy life. Being insanely attracted to bad boys has never helped make it easier. One look at Tristan, and every brain cell she possessed went up in smoke. This man was trouble with a capital T. It was a given. She knew better. Bad boys were bad. Especially for her. Considering her history, it was crazy to think otherwise. So why did crazy have to feel so damn fine? For as long as she could remember, Danika had been focused on the future with single-minded purpose. Tristan came along and taught her everything there was to know about letting go, and living in the present. She fell, hard, and deep. Of course, that only made her impact with the ground that much more devastating. Bad Things is about Tristan and Danika, and their train wreck of a love story. This series can be read as a standalone, or with the Up in the Air trilogy. This book is intended for ages 18 and up.

YOUR FIERCE LOVE

Layla Hagen They say Blake Bennett is downright irresistible. They're mostly right. I've never had to work too hard to fill my bed. One smile is usually all it takes. I like it like that. With the men of my family dropping like flies into true love and marriage, it's nice to know one of us can still maintain the famous Bennett bachelor lifestyle. Even if they are starting to pressure me to join them. So how has Clara Abernathy managed to resist all my charms? Her sweetness and sass are a lethal combination, and I'm dying for just one taste. Our family has treated her like one of our own for years. After spending her life in group homes, we've given her a place to belong. And after she needs a place to stay, I offer her a literal home next door to me. Yeah, maybe hooking up with me would be crossing a line. Just a little. I know family friends are off-limits. She has professional conflicts on top of it. But she's filling a hole in me I didn't even know I had. Soon I have this bizarre compulsion to make her this happy too. I've always liked bending the rules, but will this be the one that finally breaks me?

YOUR ONE TRUE LOVE

Layla Hagen No one thinks "regrets" when they hear Daniel Bennett, but I have one big one. Ten years ago, I let go of the woman I loved. But I never stopped loving her. Not that I'd ever admit that out loud. No one wants to buy an adventure package from a guy who's still pining for the one that got away. But since when has anyone ever successfully kept a secret from

my family? My sisters naturally see a golden opportunity to matchmake. And as long as it's with Caroline Dunne, I'll play along. I built my business out of opportunities-I know full well one like this doesn't come along often. Our lives might be going in separate directions, but hasn't that been the case for ten years? The pull between us hasn't changed one bit. She won't let herself fall for me again. I won't let her get away a second time. If it takes everything I have, that's what I'll give. If I've learned anything, it's that when you've found your one true love, you can't give up. But can I convince her to give me a second chance?

LOVELY TRIGGER

BOOK THREE: TRISTAN & DANIKA THE IMPACT Tristan hit rock bottom, and no one felt the impact harder than Danika. She was forced to see, in the most brutal of ways, that love does not conquer all. Bruised, bloody, and broken she had to walk away. **THE AFTERMATH** Picking up the pieces of your life after a tragedy is a daunting prospect, and that's considering you still own all of the pieces. But what if you don't? What if someone else owns those pieces, and those pieces are a part of your soul? You dig deep and work with what you've got. That's what Danika told herself and believed, every single day, for years. Tristan and Danika's love had failed every test that life had thrown at them. She couldn't forget that, not for one second. And if those tests had been overly harsh, well, she wasn't one to wallow in self-pity. The failure was the thing she had to focus on. The failure was the lesson. She had no intention of working so hard to make it out of hell without learning that lesson well. **THE REUNION** Over six years after the night that changed everything, Danika finds herself forced to spend the weekend constantly in Tristan's company, as they attend the wedding of two of their dearest friends. It's been long enough that she feels they can be friendly again without it destroying her peace of mind, but just a small amount of time in his presence has her remembering something she had forced herself to forget: There'd been a reason she'd

gone through hell with this man, for this man, some true good to precede the bad. She shocks herself by quickly giving in to a hunger that she never imagined could still consume her. Even the best intentioned denial has a breaking point. **THE HARSH REALITY** After everything that's happened, the rise and the fall, the pain and the aftermath, can these two navigate the waters of acute regret, survive the trials of coming face to face with all that they have lost, and find the strength to try again?

ROCK BOTTOM

ROCK BOTTOM BOOK TWO: TRISTAN & DANIKA Their love had the power of a runaway freight train, and the potential to be just as destructive. The tempestuous sequel to *Bad Things* picks up where the first book left off. Reeling from a profound loss, Tristan and Danika struggle to pick up the pieces and build a life together, but the hard habits of a lifetime are not so easy to escape. *Rock Bottom* takes us on a dual point of view journey through addiction and desire, through love and agony, and answers the question we've been asking since these characters were introduced in *Grounded*: "What happened between Tristan and Danika?" **DANIKA** Even love couldn't cushion a fall like ours. My love for Tristan was so big that I felt consumed by it, and even so, it was not enough to overpower our combined demons. I struggled. I yelled and screamed. I scratched and kicked. I fought like hell, but even the most determined fighters have to stop before they break. No one could say I didn't fight for him. "I love you," I spoke softly into his ear. He gripped me harder. "I can't ever lose you, Danika. I'm not sure I'd survive it." "You've got me. And I'm not going anywhere. Not ever." I meant the words when I said them, but life had other plans for us. I'd have given my life for that fight. In fact, I very nearly did. **TRISTAN** She was the one. If I'd ever had a doubt, I didn't now. She was the one I'd be thinking about, longing for, until I took my last breath. If I lost her tomorrow, I'd pine for her like a lovesick fool. This was the kind of love that only hit you once in your life.

À NOS DÉMONS INTIMES

Grey Eagle Publications Ignazio Vitale n'est pas un homme bon. Je le soupçonne dès notre première rencontre, je sens le danger qui entoure cet homme. Il a une façon d'exiger l'attention, de prendre le contrôle, de savoir ce que je pense avant même que je le sache. C'est à la fois inquiétant et attirant. C'est sombre et redoutable. C'est tout ce que j'ai toujours voulu, et pourtant la dernière chose dont j'ai besoin. Une obsession. Il ne lui faut pas longtemps pour m'attirer dans sa toile, me charmer jusque dans son lit et me prendre au piège de sa vie, une vie dont j'ignore tout avant qu'il soit trop tard. Il a des secrets, des secrets que je ne peux percer et qui m'empêchent de partir, même si je le supplie de me laisser m'en aller. Je l'aperçois parfois dans ses yeux, cette noirceur terrifiante et fascinante à la fois. C'est un monstre dans un emballage somptueux, et ce que je découvre en le démasquant change absolument tout. J'ai envie de le haïr. Parfois même, j'y parviens. Et pourtant, ça ne m'empêche pas de l'aimer.

THE F LIST

The internet's most famous celebrities hate each other. Or, at least they think they do... There was a lot I did to get to this point, to get 42 million followers. Some of it I was proud of, most of it I wasn't. There was a group of us, all internet celebrities, and everyone wanted in, which is how six of us ended up living in this mansion, a camera always on, the public always watching. Two months and nine carefully scripted TV episodes that would

get us more of the three F's we were desperately chasing. Fame. Fortune. Followers. I knew my role. I was Emma, the unlikeable one. The dark villain with the devious smile. The package of dynamite that would blow up any chance of peaceful living and harmony. Cash knew his role. He was the good guy. The lovable one. The one that everyone, even the darkest cast member of them all, would fall in love with. They were supposed to just be roles. None of it was supposed to be real. My heart didn't get that memo.
