To The Stars The Autobiography of George Takei Simon and Schuster Best known as Mr. Sulu, helmsman of the Starship Enterprise™ and captain of the Starship Excelsior, George Takei is beloved by millions as part of the command team that has taken audiences to new vistas of adventure in Star Trek®—the unprecedented television and feature film phenomenon. From the program's birth in the changing world of the 1960s and death at the hands of the network to its rebirth in the hearts and minds of loyal fans, the Star Trek story has blazed its own path into our recent cultural history, leading to a series of blockbuster feature films and three new versions of Star Trek for television. The Star Trek story is one of boundless hope and crushing disappointment, wrenching rivalries and incredible achievements. Star Trek means much more to George Takei than an extraordinary career that has spanned thirty years. For an American whose ideals faced such a severe test, Star Trek represents a shining embodiment of the American Dream—the promise of an optimistic future in which people from all over the world contribute to a common destiny. **To The Stars Autobiography of George Takei** Pocket Books/Star Trek Best known as Mr. Sulu, helmsman of the Starship Enterprise™ and Captain of the Starship Excelsior, George Takei is beloved by millions as part of the command team that has taken audiences to new vistas of adventure in Star Trek®--the unprecedented television and feature film phenomenon. The Federation honors the Klingon demands for extradition, and Kirk and the crew of the Starship Enterprise are drawn back to Earth. Adam Copeland On Edge Simon and Schuster Adam Copeland on Edge is more than an autobiography. It's what the author himself describes as "a mental picture" that he has long wanted to paint for the reader. It's also a dream—"one of many"—that he decided to realize while at home convalescing from potential career-ending neck surgery. And it's a journey that explores not only his life but also his innermost thoughts. Despite growing up with "a lot less materially than other people" in the small town of Orangeville, Ontario, Copeland recalls his formative years fondly. He remembers a loving mother who, while working multiple jobs just to pay the rent, nurtured her son's passion for Spider-Man comics and KISS albums. He also recalls the family tragedy that created a void in his life at nine years of age, and how that void was soon filled by the yellow-and-red-clad form of wrestling legend Hulk Hogan, whose intensity and personality "made me feel like I could accomplish anything." With vivid detail and sincerity, Copeland offers his thoughts about not only fulfilling his goals but also building upon them. While revisiting his greatest matches, he shares his actual surprise over winning the Intercontinental title for the first time; the anxiety he felt while splitting up with Christian and establishing a solo career; his eventual determination "to grab the damn ball out of someone's hands and take off" on SmackDown!; the distress of almost losing his long blond hair to Kurt Angle; his wonder over enjoying a brief Tag Team title reign with the icon who first inspired him; the simultaneous pain of a broken marriage and two ruptured discs in his neck; and the nervous energy of returning to Raw in March 2004 and setting his sights on the WWE World Heavyweight Championship.

The Cat Who Chose to Dream The Cat Who Chose to Dream shares the story of a cat's choice to be interned in a World War II internment camp as a gesture of loving support to the Japanese American family to whom he belongs. We witness through the cat's eyes the devastating condition of the camp as well as the sense of injustice he feels seeing his family go through this demoralizing experience. Young readers also share in the cat's triumph over feelings of hopelessness and anger, as they witness the cat's use of breathing and visualization exercises that help transport his creative mind to a place in his heart where he no longer feels encumbered and restrained, but self-empowered and free. Through the beautiful artwork of former internee, Jimmy Tsutomu Mirikitani, and the inclusion of therapeutic relaxation and visualization techniques, Child Psychologist Loriene Honda demonstrates how the imaginative mind can prove to be one's most powerful tool in surpassing adversity.
