- Lists of specifications for various disaster products so you can compare across brands and models and select the gear that is right for you
- Detailed feature articles for each gear type so you understand why the gear is essential before purchasing anything
- Reviews of specific gear and survival-related products

When you are prepared, you're not just hoping for the best, you're planning for the best possible outcome no matter what life throws at you. Begin preparing today. Attracting Wildlife to Your Backyard 101 Ways to Make Your Property Home for Creatures Great and Small [Simon and Schuster](#) **Many**

people think of wildlife as something distant, creatures living in natural forests and remote public preserves. But most wildlife in the United States isn't found in the distant wild. It lives on our private lands, in our very backyards. Because of this, America's ten million woodland owners are in fact at the forefront in protecting US wildlife for generations to come. But while most landowners want to help preserve the beauty of the natural environment, most are unsure where to begin. In *Attracting Wildlife to Your Backyard*, author and landowner Josh VanBrakle provides readers with 101 easy-to-follow activities and practical approaches to help do just that. Some projects include: Installing a bat box Making a food plot Identifying trees that attract wildlife Forming a brush pile Assessing a stream's health Building a pond Learning bird calls Planning a backyard scavenger hunt Complete with stunning wildlife photographs and an appendix of practical resources, *Attracting Wildlife to Your Backyard* is an essential read for anyone who cares about the environment. *Field & Stream* FIELD & STREAM, America's largest outdoor sports magazine, celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. *Vino Italiano Buying Guide The Ultimate Quick Reference to the Great Wines of Italy* [Clarkson Potter Publishers](#) An updated companion volume to *Vino Italiano* provides a convenient, consumer's guide to Italian wine, listing high-quality Italian wines that are available in the United States along with information about the winemaker, ratings of the wineries, descriptions of the wine, and other valuable consumer data. Original. 15,000 first printing. *Camera Trapping Guide Tracks, Sign, and Behavior of Eastern Wildlife* [Rowman & Littlefield](#) Using a specially made, inexpensive and rugged heat-detecting camera, you can view wildlife up close. *Camera Trapping Guide* gives you the trapping techniques and knowledge of animal behaviors so you can get the best possible photos and videos. Includes 37 species common to the eastern U.S. Large and small mammals, squirrels to bears, deer, and moose, plus birds and even the American alligator—are covered. With photos and range maps each entry gives details on physical characteristics, tracks and sign, diet, habitat, and breeding. Also included are specific camera trapping techniques pertinent to each animal. You'll learn the characteristics of the various cameras, where to place the camera and the camera settings to get best results, and how to minimize impacts on the environment. *Petersen's Hunting Guide to Whitetail Deer A Comprehensive Guide to Hunting Our Country's Favorite Big-Game Animal* [Simon and Schuster](#) Petersen's *Hunting Guide to Whitetail Deer* is packed with a wealth of valuable how-to information compiled by the foremost authorities in the sport. Guide [Macmillan Publishing Company](#) **Suggestions on the selection and care of hiking and camping articles supplement evaluations of packs, sleeping bags, tents, boots, and freeze-dried foods** **Outdoor Action and Adventure Photography** [CRC Press](#) **The difference between getting the shot and missing the shot comes down to split seconds and how you manage your gear and your technique. In Outdoor Action and Adventure Photography professional adventure sports photographer Dan Bailey shows readers how to react quickly to unfolding scenes and anticipate how the subject and the background might converge. Capturing those significant moments to produce powerful imagery that evoke the feel and mood of adventure requires specialized skills and a wide variety of creative ideas. This book teaches photographers how to think geometrically and how to pull together the elements that make for a successful shot, all while being immersed in the action. The practical manual will improve your technique for creating more compelling adventure imagery, whether you're shooting ultra-marathoners splattered in mud, rock climbers in a crevasse, or mountain bikers hurtling past you. In this book, you'll:**

- Discover the necessary equipment for shooting action, learn how to use it to its full potential, and develop a comprehensive adventure photography camera system that you can adapt to different shooting situations.
- Learn specific techniques and creative ideas that help you freeze the moment and create images that convey excitement, mood, and the feel of adventure.
- Learn advanced skills that can help you start defining your own particular style of action photography and create a "brand" of photography that's based around your passion and your vision.
- Examine case studies that break down the process for shooting different types of action subjects and see the nuts and bolts of how to create powerful imagery from start to finish.
