ETHEREAL QUEER

TELEVISION, HISTORICITY, DESIRE

Duke University Press In *Ethereal Queer*, Amy Villarejo offers a historically engaged, theoretically sophisticated, and often personal account of how TV representations of queer life have changed as the medium has evolved since the 1950s. Challenging the widespread view that LGBT characters did not make a sustained appearance on television until the 1980s, she draws on innovative readings of TV shows and network archives to reveal queer television's lengthy, rich, and varied history. Villarejo goes beyond concerns about representational accuracy. She tracks how changing depictions of queer life, in programs from *Our Miss Brooks* to *The L Word*, relate to transformations in business models and technologies, including modes of delivery and reception such as cable, digital video recording, and online streaming. In so doing, she provides a bold new way to understand the history of television.

KASHER IN THE RYE

THE TRUE TALE OF A WHITE BOY FROM OAKLAND WHO BECAME A DRUG ADDICT, CRIMINAL, MENTAL PATIENT, AND THEN TURNED 16

Grand Central Publishing Rising young comedian Moshe Kasher is lucky to be alive. He started using drugs when he was just 12. At that point, he had already been in psychoanalysis for 8 years. By the time he was 15, he had been in and out of several mental institutions, drifting from therapy to rehab to arrest to...you get the picture. But *KASHER IN THE RYE* is not an "eye opener" to the horrors of addiction. It's a hilarious memoir about the absurdity of it all. When he was a young boy, Kasher's mother took him on a vacation to the West Coast. Well it was more like an abduction. Only not officially. She stole them away from their father and they moved to Oakland, California. That's where the real fun begins, in the war zone of Oakland Public Schools. He was more than just out of control-his mother walked him around on a leash, which he chewed through and ran away. Those early years read like part Augusten Burroughs, part David Sedaris, with a touch of Jim Carrol...but a lot more Jewish. In fact, Kasher later spends time in a Brooklyn Hasidic community. Then came addiction... Brutally honest and laugh-out-loud funny, Kasher's first literary endeavor finds humor in even the most horrifying situations.

DISCIPLE IV

DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase *DISCIPLE* program and is prepared for those who have completed *BECOMING DISCIPLES THROUGH BIBLE STUDY*. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for *DISCIPLE IV: UNDER THE TREE OF LIFE*. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video segments emphasizes the simpler life of New Testament times.

HELPING YOU HELP YOUR LAND

THE DISTANCE BETWEEN LOST AND FOUND

Harper Collins Blending elements of Laurie Halse Anderson’s *Speak* and Gary Paulsen’s *Hatchet*, this gripping story from Kathryn Holmes was deemed “a page turner” by author Richard Peck and “an intense story of survival” by ALA Booklist in its starred review. Sophomore Hallie Calhoun has just endured the most excruciating six months of her life. Once the rumors about her and the preacher’s son, Luke, made their way around school, her friends abandoned her, and as a result, Hallie has completely withdrawn. Now on a hiking trip in the Smoky Mountains with the same people who have relentlessly taunted her, Hallie is pushed to her limit. Then Hallie, outgoing newcomer Rachel, and Jonah—Hallie’s former friend—get separated from the rest of the group. As days go by without rescue, their struggle for survival turns deadly. Stranded in the wilderness, the three have no choice but to trust one another in order to stay alive...and for Hallie, that means opening up about what really happened that night with Luke. From the catty atmosphere of high school to the unpredictable terrain of the mountains, this novel is a poignant, raw journey about finding yourself after having been lost for so long.
