THE VETERINARIANS' GUIDE TO YOUR CAT'S SYMPTOMS

Villard The experts reveal how to interpret and understand your cat's symptoms and what steps to take to ensure its health. This comprehensive and practical book is designed to assist cat owners in understanding their pets' bodies and health based on signs and symptoms of disease, and in determining the most common medical problems that might cause particular symptoms. Adopting the "decision chart" format from popular symptom guides for human ailments, such as the American Medical Association's Guide to Your Family's Symptoms and Take Care of Yourself, five leading veterinarians have designed a user-friendly chart system that will guide a pet owner from noting the symptom and observing the cat's behavior to understanding the associated signs of an illness, the possible conditions, and the best steps to take. Filled with more than 150 charts in an easy-to-follow two-color format and medical drawings, The Veterinarians' Guide to Your Cat's Symptoms is the indispensable reference for cat owners. It not only considers the problems of sick and injured pets, but also addresses the needs of healthy animals. It has all the information a cat owner needs: , What a healthy cat should look like , Flow charts to the 200 most common symptoms , Behavioral issues, such as spraying and clawing , Emergency first aid, including transporting an injured cat , A glossary of veterinary diagnostic tests and medical terms. With this unique combination of medical information and advice, plus an innovative chart system, The Veterinarians' Guide to Your Cat's Symptoms will ensure that your cat really does have nine lives.

Written by practicing lawyers at the National Veterans Legal Services Program, this manual contains valuable insight and analysis from a team of experts on the front line of veterans law. Use their first-hand experience fighting for veterans' rights and their insider's view of the Department of Veterans Affairs to obtain the benefits your client earned. The Veterans Benefits Manual contains dozens of effective, battle-tested advocacy tips for veterans and advocates along with all the latest developments in veterans law. 2021-2022 Edition Editors: National Veterans Legal Services Program (NVLSP) Barton F. Stichman, Executive Director and co-founder of the National Veterans Legal Services Program Ronald B. Abrams, Special Counsel and Former Joint Executive Director of the National Veterans Legal Services Program Richard V. Spataro, Director of Training and Publications of the National Veterans Legal Services Program Stacy A. Tromble, Director of Court of Appeals for Veterans Claims Litigation of the National Veterans Legal Services Program The 2021-2022 edition of the Veterans Benefits Manual has been thoroughly updated with the important developments in veterans' law over the past year. The most significant new information in the recent edition of the Manual has been about the Veterans Appeals Improvement and Modernization Act of 2017 (AMA), which took effect on February 19, 2019. There is updated information in the 2021-2022 edition of the Manual about how the new modernized review system has been operating in practice. Most of that information appears in Chapters 12, 13, and 16. Highlights of the other updates include advocacy essentials such as: New advice for deciding which options to pursue to overcome BVA decisions denying legacy claims and claims subject to the new AMA system (Sections 14.1.1 and 14.1.2); Discussion of the recent changes to VA policies and procedures due to the COVID-19 pandemic (throughout Manual); A new section about how the BVA conducts virtual hearings (Section 13.4.3); New sections explaining why thousands of Vietnam veterans and their survivors are now entitled to millions of dollars in additional retroactive compensation for Agent Orange-related diseases (Sections 8.10, 8.11); Discussion of the VA's revisions to the disability rating schedule for musculoskeletal conditions (Section 5.2.9); A new section discussing the enhanced hearing procedures adopted by the Army Discharge Review Board and the thousands of Army veterans now entitled to have the Board reconsider their less than Honorable Discharges under more liberal review standards (Section 21.3.5); A new section about how military retirees become entitled to retroactive military retired pay as a direct result of a VA decision granting retroactive VA benefits (Section 8.12); Updated analysis of the rules governing entitlement to retroactive benefits based on service department records being added to the VA claims file after a final claim denial (Section 8.8.9); New guidance regarding entitlement to accrued benefits to reimburse individuals who bore the expense of a veteran's last illness or burial (Section 7.3.1.1.2); and Updates on eligibility for VA's Comprehensive Assistance for Family Caregivers and advocacy tips for those applying for monthly stipends (Section 10.13). Updated information about the duty to assist activities transferred from the Joint Services Records Research Center to the VA Records Research Center (Section 18.4); Advocacy tips for appealing BVA decisions that violate or improperly rely on provisions of the VA Adjudication Procedures Manual M21-1 (Section 14.5.9); Discussion of the recent case law on extraschedular disability ratings and schedular ratings for ankylosis of joints (Sections 5.3 and 5.2.1.6);
