However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators. **The Three-Year Itch (Mills & Boon Cherish)** HarperCollins UK Being snowbound with your husband... **1225 Christmas Tree Lane 1225 Christmas Tree Lane\Let It Snow** MIRA Beloved bestselling author Macomber takes readers back to Cedar Cove for this holiday volume. With one sniff, sex researcher Leigh Fromm recognizes that any offspring she might have with the mysterious stranger would have a better-than-average chance of surviving any number of impending pandemics. But when Leigh finds out that the handsome "someone" at her great aunt's wake is Prince Roman Habsburg von Lorraine of Austria, she suddenly doubts her instincts—not that she was intending to sleep with the guy. The royal house of Habsburg was once completely inbred, insanity and impotency among the highlights of their genetic pedigree. (The extreme "bulldog underbite" that plagued them wasn't called the Habsburg Jaw for nothing.) It doesn't matter that his family hasn't sat on a throne (other than the ones in their Toilette) since 1918, or that Austria is now a parliamentary democracy. Their lives couldn't be more different: Roman is routinely mobbed by paparazzi in Europe. Leigh is regularly mocked for having the social skills of a potted plant. Even if she suddenly developed grace, charm and a pedigree that would withstand the scrutiny of the press and his family, what exactly is she supposed to do with this would-have-been king of Austria who is in self-imposed exile in Denver, Colorado? **The Gifts** Manilla Press **Brooks Robinson** Chelsea House A biography of the Oriole third baseman whose lifetime fielding average is tops among third basemen in major league history. **Jet Set The People, the Planes, the Glamour, and the Romance in Aviation's Glory Years** Ballantine Books In October 1958, Pan American World Airways began making regularly scheduled flights between New York and Paris, courtesy of its newly minted wonder jet, the Boeing 707. Almost overnight, the moneyed celebrities of the era made Europe their playground. At the same time, the dream of international travel came true for thousands of ordinary Americans who longed to emulate the "jet set" lifestyle. Bestselling author and Vanity Fair contributor William Stadiem brings that Jet Age dream to life again in the first-ever book about the glamorous decade when Americans took to the skies in massive numbers as never before, with the rich and famous elbowing their way to the front of the line. Dishy anecdotes and finely rendered character sketches re-create the world of luxurious airplanes, exclusive destinations, and beautiful, wealthy trendsetters who turned transatlantic travel into an inalienable right. It was the age of Camelot and "Come Fly with Me," Grace Kelly at the Prince's Palace in Monaco, and Mary Quant miniskirts on the streets of Swinging London. Men still wore hats, stewardesses showed plenty of leg, and the beach at Saint-Tropez was just a seven-hour flight away. *Jet Set* reads like a who's who of the fabulous and well connected, from the swashbuckling "skycoons" who launched the jet fleet to the playboys, moguls, and financiers who kept it flying. Among the bold-face names on the passenger manifest: Juan Trippe, the Yale-educated WASP with the Spanish-sounding name who parlayed his fraternity contacts into a tiny airmail route that became the world's largest airline, Pan Am; couturier to the stars Oleg Cassini, the Kennedy administration's "Secretary of Style," and his social climbing brother Igor, who became the most powerful gossip columnist in America—then lost it all in one of the juiciest scandals of the century; Temple Fielding, the high-rolling high priest of travel guides, and his budget-conscious rival Arthur Frommer; Conrad Hilton, the New Mexico cowboy who built the most powerful luxury hotel chain on earth; and Mary Wells Lawrence, the queen bee of Madison Avenue whose suggestive ads for Braniff and other airlines brought sex appeal to the skies. Like a superfueled episode of *Mad Men*, *Jet Set* evokes a time long gone but still vibrant in American memory. This is a rollicking, sexy romp through the ring-a-ding glory years of air travel, when escape was the ultimate aphrodisiac and the smiles were as wide as the aisles. Praise for *Jet Set* "Aeronautics history, high times from the 1950s and '60s, incredibly versatile name-dropping (from Mrs. John Jacob Astor to Christine Keeler of the Profumo scandal) and Sinatra's 'Come Fly With Me' as a kind of theme song [all] connected to the glamorous days of air travel."—Janet Maslin, *The New York Times* "What a book William Stadium has written. . . . The Kennedys, the Rat Pack, Frank Sinatra, and early financiers like Eddie Gilbert are dealt with in depth. . . . I lived intimately through it all in the '50s, '60s, '70s, '80s, and '90s and I am yet to find a mistake in author Stadiem's amazing book. Order it now. All the players are here."—Liz Smith, syndicated columnist "William Stadiem sexes up the glory days of aviation in *Jet Set*. Fly me!"—Vanity Fair "William Stadiem's *Jet Set* takes you where no modern airliner can: to a time . . . when the means of travel was as exotic as the destination, and

sometimes more so.”—Town & Country **The First Lie** St. Martin's Press An e-original short story that sets the stage for bestselling author Diane Chamberlain's novel *Necessary Lies* (September 2013). *The First Lie* gives readers an early glimpse into the life of thirteen-year-old Ivy Hart. Advance praise for Diane Chamberlain's *Necessary Lies*: "It will steal your heart."—Katrina Kittle, author of *The Blessings of the Animals* "An emotional powerhouse." —Mary Alice Monroe, *New York Times* bestselling author of *Beach House Memories* "Enthralling...[it] transfixed me from the very first pages, and its vivid and sympathetic characters haunted me long after the last."—Christina Schwarz, *New York Times* bestselling author of *Drowning Ruth* **The Darkest Sin** Pan Macmillan 'Absolutely terrific' - Philip Gwynne Jones, author of the bestselling *Nathan Sutherland* series. 'D.V Bishop transports you to an utterly convincing 16th century Florence, where the best and worst of human nature constantly circle each other in this tense mystery' S. G. MacLean *Florence*. Spring, 1537. When Cesare Aldo investigates a report of intruders at a convent in the Renaissance city's northern quarter, he enters a community divided by bitter rivalries and harbouring dark secrets. His case becomes far more complicated when a man's body is found deep inside the convent, stabbed more than two dozen times. Unthinkable as it seems, all the evidence suggests one of the nuns must be the killer. Meanwhile, Constable Carlo Strocchi finds human remains pulled from the Arno that belong to an officer of the law missing since winter. The dead man had many enemies, but who would dare kill an official of the city's most feared criminal court? As Aldo and Strocchi close in on the truth, identifying the killers will prove more treacherous than either of them could ever have imagined . . . **The Darkest Sin** is an atmospheric historical thriller by D. V. Bishop, set in Renaissance Florence and is the sequel to *City of Vengeance*. **The Gate to Women's Country** A Novel Spectra "Lively, thought-provoking . . . the plot is ingenious, packing a wallop of a surprise . . . Tepper knows how to write a well-made, on-moving story with strong characters. . . . She takes the mental risks that are the lifeblood of science fiction and all imaginative narrative."—Ursula K. LeGuin, *Los Angeles Times* Since the flames died three hundred years ago, human civilization has evolved into a dual society: *Women's Country*, where walled towns enclose what's left of past civilization, nurtured by women and a few nonviolent men; and the adjacent garrisons where warrior men live—the lost brothers, sons, and lovers of those in *Women's Country*. Two societies. Two competing dreams. Two ways of life, kept apart by walls stronger than stone. And yet there is a gate between them. . . . "Tepper not only keeps us reading . . . she provokes a new look at the old issues."—*The Washington Post* "Tepper's cast of both ordinary and extraordinary people play out a powerful drama whose significance goes beyond sex to deal with the toughest problem of all, the challenge of surmounting humanity's most dangerous flaws so we can survive—despite ourselves."—Locus **The Swallows** A Novel Ballantine Books A teacher at a New England prep school ignites a gender war—with deadly consequences—in this dark and provocative novel by the bestselling author of *The Passenger* "Riveting . . . full of imagination and power."—Caroline Kepnes, author of *You and Providence* **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NEW YORK • WINNER OF THE ALA'S ALEX AWARD** When Alexandra Witt joins the faculty at Stonebridge Academy, she's hoping to put a painful past behind her. Then one of her creative writing assignments generates some disturbing responses from students. Before long, Alex is immersed in an investigation of the students atop the school's social hierarchy—and their connection to something called the Darkroom. She soon inspires the girls who've started to question the school's "boys will be boys" attitude and incites a resistance. But just as the movement is gaining momentum, Alex attracts the attention of an unknown enemy who knows a little too much about her—and what brought her to Stonebridge in the first place. Meanwhile, Gemma, a defiant senior, has been plotting her attack for years, waiting for the right moment. Shy loner Norman hates his role in the Darkroom, but can't find the courage to fight back until he makes an unlikely alliance. And then there's Finn Ford, an English teacher with a shady reputation, who keeps one eye on his literary ambitions and one on Ms. Witt. As the school's secrets begin to trickle out, a boys-versus-girls skirmish turns into an all-out war, with deeply personal—and potentially fatal—consequences for everyone involved. Lisa Lutz's blistering, timely tale of revenge and disruption shows us what can happen when silence wins out over decency for too long—and why the scariest threat of all might be the idea that sooner or later, girls will be girls. Praise for *The Swallows* "The Swallows is fast-moving, darkly humorous and at times shockingly vicious. The battle of the sexes within its pages couldn't be more compelling. . . . Lutz delivers a frantic, morbidly funny story."—BookPage "A decade before the #MeToo movement kicks off in full force, women are coming for the patriarchy in this big ol' novel, ripe with idiosyncratic characterization and memorable scenes."—Refinery29 **The Infirmary** A DCI Ryan Mystery Dark Skies Publishing ** THE PREQUEL TO THE #1 INTERNATIONAL BESTSELLER HOLY ISLAND AND NOW A MAJOR NEW AUDIBLE ORIGINALS DRAMA STARRING TOM BATEMAN, KEVIN WHATELY, HERMIONE NORRIS AND ALUN ARMSTRONG **No man is an island...In the stifling summer heat of 2014, a killer has been stalking the streets of Newcastle causing city-wide panic.
