### WORLD RELIGIONS TODAY

---

Revealing the significance of religion in contemporary life, World Religions Today, Fourth Edition, explores major religious traditions--Judaism, Christianity, Islam, Hinduism, Buddhism, East Asian Religions, indigenous religions, and new religions--as dynamic, ongoing forces in the lives of individuals and in the collective experience of modern societies. This unique volume accomplishes two goals: it connects today's religions to their classical beliefs and practices and focuses on how these religions have responded to and been transformed by the modern world. The authors combine thorough coverage of the historical background of each religion with up-to-the-minute discussions of its current practices. The volume is enhanced by numerous pedagogical aids--text boxes, timelines, maps, illustrations, discussion questions, a comprehensive glossary of key terms, and suggestions for further reading--and more than 200 photographs. World Religions Today, Fourth Edition, is also available as two separate volumes: Religions of Asia Today, Second Edition (978-0-19-975949-1) Religions of the West Today, Second Edition (978-0-19-975950-7)

### **IS UNIVERSAL SALVATION BIBLICAL?**

---

*iUniverse* 1. You have heard it said that on the day of judgment only Christians will be saved and all others will be consigned to eternal damnation, but I say to you that the gospel proclaims salvation for the whole human race. 2. You have heard it said that non-Christians are strangers who will not enter the Kingdom of God, but I say to you that God enters our lives through the very presence of the stranger. 3. You have heard it said that heretics and sinners will have no place in the Kingdom of God, but I say to you that to reject even the least of these is to reject God and God's messiah. 4. You have heard it said that human beings can be saved in no other name than that of Jesus, but I say to you that the name "Jesus" means we are saved in the name of a God who cannot be named or imaged. 5. You have heard it said that only a chosen remnant can be saved, but I say to you that a saving remnant saves not itself but the whole human race of which it is a part. 6. You have heard it said that in the final judgment many will be consigned to the eternal fires, but I say to you, God's judgment is a refining fire which transforms and saves rather than destroys. The final truth is that our God is the savior of the whole human race and especially all believers (1Timothy 4:10).

### **GODS IN THE GLOBAL VILLAGE**

---

#### **THE WORLD'S RELIGIONS IN SOCIOLOGICAL PERSPECTIVE**

---

*SAGE Publications* In a world plagued by religious conflict, how can the various religious and secular traditions coexist peacefully on the planet? And, what role does sociology play in helping us understand the state of religious life in a globalizing world? In the Fourth Edition of *Gods in the Global Village*, author Lester Kurtz continues to address these questions. This text is an engaging, thought-provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order. Thoroughly updated to reflect recent events, the book discusses the role of religion in our daily lives and global politics, and the ways in which religion is both an agent of, and barrier to, social change.

### **THE SACRED PATHS**

---

#### **UNDERSTANDING THE RELIGIONS OF THE WORLD**

---

*Macmillan College* This book combines study of the dynamic historical development of each religious tradition with a comparative thematic structure. In this way, the book helps readers to explore each of the major religions as a unique and integral system of meaning and life. At the same time, readers are encouraged to discover and explore the nature of religious experience by comparing basic themes and issues common to all religions. Covering the religions arising from India, China, Japan, and the Mediterranean world, this book introduces the key dimensions of religious experience, outlining the basic human concerns that give rise to religious experience, such as origin and identity, ultimate reality, human nature, and the good life. For anyone interested in exploring the origins and development of the diverse religions of the world.

## **A WORLD RELIGIONS READER**

---

*John Wiley & Sons* A comprehensive and accessible textbook which explores the traditions and beliefs of the world's living religions – the fully updated and revised new edition *The World Religions Reader* is an inclusive, student-friendly examination of the history, teaching, practices, and appeal of the world's major religions. Covering both the fundamentals and complexities of each religious tradition, this popular textbook brings together significant texts from scriptures and scholars, as well as writings from philosophers and other significant thinkers throughout history. Students are provided with an introduction and overview of the tradition, taken through its primary texts, and presented with a text which seeks to persuade the student of the tradition's merits. This new edition has been thoroughly updated to be even more accessible for students new to interreligious engagement and to reflect current trends and developments in religions worldwide. Every chapter opens with a substantial overview which orients the new student and then flows into a carefully chosen set of texts - a regular textbook is now combined with a Reader. New content examines areas such as the Rastafarian tradition, while revised chapters cover secular humanism and indigenous and emerging religious traditions. The methodology of the book focuses on an empathetic approach – representing each tradition from the perspective of a conventional adherent – enabling students to develop understanding of each tradition and appreciate similarities and differences in their most typical forms. Invites students to study each tradition from the perspective of a follower, aiming to understand why the tradition is popular and powerful Explores representative passages, world-views, rituals and institutions,

ethical expressions and modern outlooks for each religion Features discussions of interfaith perspectives on the role of women in religious traditions and the impact of world events and politics on interfaith communication Encourages students to consider questions of truth, the relation of religion and society, and the changing nature of a tradition in the modern world Includes a complete set of pedagogical tools and instructor resources, including end-of-chapter fact sheets, topic summaries, key term sections, and essay and discussion questions The World Religions Reader, Fourth Edition is an ideal textbook for undergraduate and graduate courses in religion, especially for liberal arts and non-affiliated colleges, as well as general readers wishing to increase their knowledge of the world's religious traditions.

## **WHAT EVERYONE NEEDS TO KNOW ABOUT ISLAM**

---

*Oxford University Press* Since the terrorist attacks of September 11th, there has been an overwhelming demand for information about Islam, and recent events - the war in Iraq, terrorist attacks both failed and successful, debates throughout Europe over Islamic dress, and many others - have raised new questions in the minds of policymakers and the general public. This newly updated edition of What Everyone Needs to Know about Islam is the best single source for clearly presented, objective information about these new developments, and for answers to questions about the origin and traditions of Islam. Editor of The Oxford Encyclopedia of Modern Islam and The Oxford History of Islam, and author of The Future of Islam and many other acclaimed works, John L. Esposito is one of America's leading authorities on Islam. This brief and readable book remains the first place to look for up-to-date information on the faith, customs, and political beliefs of the more than one billion people who call themselves Muslims.

## **TERROR IN THE MIND OF GOD**

---

---

### **THE GLOBAL RISE OF RELIGIOUS VIOLENCE**

---

*Univ of California Press* Completely revised and updated, this new edition of *Terror in the Mind of God* incorporates the events of September 11, 2001 into Mark Juergensmeyer's landmark study of religious terrorism. Juergensmeyer explores the 1993 World Trade Center explosion, Hamas suicide bombings, the Tokyo subway nerve gas attack, and the killing of abortion clinic doctors in the United States. His personal interviews with 1993 World Trade Center bomber Mahmud Abouhalima, Christian Right activist Mike Bray, Hamas leaders Sheik Yassin and Abdul Aziz Rantisi, and Sikh political leader Simranjit Singh Mann, among others, take us into the mindset of those who perpetrate and support violence in the name of religion.

## **RELIGIONS OF ASIA IN PRACTICE**

---

---

### **AN ANTHOLOGY**

---

*Princeton University Press* The acclaimed volumes of *Princeton Readings in Religions* present the remarkable range of all that is encompassed in the practice of religions, across the centuries and across the world. *Religions of Asia in Practice: An Anthology* brings together into a single volume the most important and fascinating selections from the volumes on Buddhism, India, China, Tibet, and Japan to give an overview of how religions have been lived by both ordinary and extraordinary people throughout the continent of Asia. These materials--many of which had never before been translated into any Western language--include ritual manuals, hagiographical and autobiographical writings, popular commentaries, instructions to children, poetry, and folktales. Each is preceded by a substantial introduction in which the translator discusses the text's history and influence and guides the reader through points of potential difficulty and particular interest. The volume includes, in addition, clear and compelling introductions to each of the major traditions. *Religions of Asia in Practice: An Anthology* offers a fascinating look at the spectrum of religious practices in Asia over almost three millennia. As such, it is ideally suited for use as a textbook in courses on world or Eastern religions as well as for the general reader.

## **AFTER HEAVEN**

---

---

### **SPIRITUALITY IN AMERICA SINCE THE 1950S**

---

*Univ of California Press* The evolution of American spirituality over the past fifty years is the subject of Robert Wuthnow's engrossing new book. Wuthnow uses in-depth interviews and a broad range of resource materials to show how Americans, from teenagers to senior citizens, define their spiritual journeys. His findings are a telling reflection of the changes in beliefs and lifestyles that have occurred throughout the United States in recent decades. Wuthnow reconstructs the social and cultural reasons for an emphasis on a spirituality of dwelling (houses of worship, denominations, neighborhoods) during the 1950s. Then in the 1960s a spirituality of seeking began to emerge, leading individuals to go beyond established religious

institutions. In subsequent chapters Wuthnow examines attempts to reassert spiritual discipline, encounters with the sacred (such as angels and near-death experiences), and the development of the "inner self." His final chapter discusses a spirituality of practice, an alternative for people who are uncomfortable within a single religious community and who want more than a spirituality of endless seeking. The diversity of contemporary American spirituality comes through in the voices of the interviewees. Christians, Jews, Buddhists, Muslims, Hindus, and Native Americans are included, as are followers of occult practices, New Age religions, and other eclectic groups. Wuthnow also notes how politicized spirituality, evangelical movements, and resources such as Twelve-Step programs and mental health therapy influence definitions of religious life today. Wuthnow's landmark book, *The Restructuring of American Religion* (1988), documented the changes in institutional religion in the United States; now *After Heaven* explains the changes in personal spirituality that have come to shape our religious life. Moreover, it is a compelling and insightful guide to understanding American culture at century's end.

### **THE SACRED GAZE**

---

### **RELIGIOUS VISUAL CULTURE IN THEORY AND PRACTICE**

---

*Univ of California Press* "Sacred gaze" denotes any way of seeing that invests its object—an image, a person, a time, a place—with spiritual significance. Drawing from many different fields, David Morgan investigates key aspects of vision and imagery in a variety of religious traditions. His lively, innovative book explores how viewers absorb and process religious imagery and how their experience contributes to the social, intellectual, and perceptual construction of reality. Ranging widely from thirteenth-century Japan and eighteenth-century Tibet to contemporary America, Thailand, and Africa, *The Sacred Gaze* discusses the religious functions of images and the tools viewers use to interpret them. Morgan questions how fear and disgust of images relate to one another and explains how scholars study the long and evolving histories of images as they pass from culture to culture. An intriguing strand of the narrative details how images have helped to shape popular conceptions of

gender and masculinity. The opening chapter considers definitions of "visual culture" and how these relate to the traditional practice of art history. Amply illustrated with more than seventy images from diverse religious traditions, this masterful interdisciplinary study provides a comprehensive and accessible resource for everyone interested in how religious images and visual practice order space and time, communicate with the transcendent, and embody forms of communion with the divine. The Sacred Gaze is a vital introduction to the study of the visual culture of religions.
