THE COMPANY DIRECTOR

POWERS, DUTIES AND LIABILITIES

Jordans Pub The passing of the Companies Act 2006 has made it even vital that directors are fully aware of the extent of their responsibilities and the serious pitfalls which await those who are unprepared. The Company Director is essential reading for all company directors, company secretaries and their advisers. It provides comprehensive coverage, in a single volume, of the powers, legal obligations and responsibilities of executive and non-executive company directors. The complex relationships of directors with fellow directors, with the company, its employees and shareholders are fully explained. The 9th edition of this well respected and established work has been thoroughly updated to take account of the substantial changes introduced by the 2006 Act and the almost

complete restatement of the previous Acts which it contains. Combined with the other changes which have occurred since the last edition in 2000, the new material includes: Auditors powers and directors' duties Service agreements and indemnities corporate governance Relations and shareholders and s459 Narrative reporting Liabilities including wrongful and fraudulent trading Takeovers Financial assistance Capital Secretaries Constitution Directors duties/ Derivative actions REVIEWS "The chapters on powers and duties are, however, essential reading whilst the book will provide an authoritative source of reference on other questions." "Company Accountant" ... one of the vital sources of reference for directors "Accountancy Age" This comprehensive guide should be an essential part of a secretary's library "Administrator" an impressive volume which skilfully examines the law in clear language without losing sight of the practical difficulties facing directors across a whole range of issues "The Journal of the Law Society of Scotland" The guide is an accessible reference book for directors ... looks set to become one of the vital sources of reference for directors "Accountancy Age"

SHAREHOLDER'S LIABILITY

Comparative Law Yearbook Shareholder liability was once discussed only in terms of liability for the debts of the corporation in which the shareholders hold interest. That is now a shifting scene, influenced in the main by the emergence of shareholder activism and derivative litigation, with its attendant increase of risk for officers and directors, and "fee shifting" provisions in corporate bylaws, allowing corporations to seek legal fees from unsuccessful shareholder plaintiffs. In this edition of the Comparative Law Yearbook for International Business, practitioners from 10 jurisdictions examine recent developments in shareholder liability. The introductory chapter "Liability of Shareholders in Modern Company Law", sets the stage for reports from Argentina, Belgium, Brazil, Croatia, Germany, Indonesia, Mexico, Portugal, and the United States.

DUTIES AND RESPONSIBILITIES OF DIRECTORS AND COMPANY SECRETARIES IN NEW ZEALAND (4TH EDITION)

CCH New Zealand Limited It has never been more important for directors and management to have a clear understanding of directors' duties. Not only do we have a new, empowered, regulator in the form of the Financial Markets Authority, but the Courts are generating new case law, in the wake of the global financial crisis and finance company failures. This new edition of Duties and Responsibilities of Directors and Company Secretaries in New Zealand sets out in a clear and concise manner the duties imposed by law on directors and includes new commentary on the evolution of the interpretation by the courts and the regulators of these matters. Comprehensive indexes, cases and statute tables ensure relevant information is easily located.

THE LAW OF CORPORATIONS AND OTHER BUSINESS ORGANIZATIONS

Cengage Learning THE LAW OF CORPORATIONS AND OTHER BUSINESS ORGANIZATIONS, 6th Edition deciphers the complex substantive and procedural laws surrounding U.S. business entities today. Focusing on corporations, sole proprietorships, partnerships, limited liability partnerships, and limited liability entities, the text explains the law and the theory behind the law while providing practical information that the paralegal can use on the job. Financial structures, securities regulations, mergers, and bankruptcy round out the legal discussions, along with special attention paid to the Uniform Acts and Model Business Corporation Act as revised through 2007, which is the basis for most state business corporation acts in the United States. Special features include cites

for state statutes, excerpted cases, sample documents, paralegal profiles, chapter summaries, end-of-chapter exercises, practical advice, and much more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

MERGERS & ACQUISITIONS: A PRACTITIONER'S GUIDE TO SUCCESSFUL DEALS

World Scientific The survival and prosperity of any corporation over the long term depend on the company's ability to grow and develop through a process of investment, restructuring, and redeployment. Since the late 19th century, mergers and acquisitions (M&As) have become an essential vehicle for corporate change, fuelled by synergies that could arise from expansion of sales and earnings, reduction in cost, and lower taxes and cost of capital. M&A transactions, however, are complex and risky and are affected by the state business cycle, financial conditions, regulations, and technology. Approximately two-thirds of all M&A deals fail. This book seeks to provide an effective and comprehensive framework, predominantly embedded in corporate finance, for achieving greater success. Written by academics and practitioners, it integrates business strategies with formal analysis relating to M&A deal making, providing a coherent statement on M&A by utilizing scholarly work with best practices by industry. The authors provide extensive analytical review and applications of the following critical M&A issues: valuation, leveraged buyouts, payment methods and their implications, tax issues, corporate governance, and the regulatory environment, including antitrust in M&A. The book globalizes the M&A model by extending it to cross-border business, risk and select hedging methods, and addresses postmerger integration. This book is intended as a reading text for a course in M&A for undergraduates and MBA programs, and for practitioners as a handbook.

INTERNATIONAL BANK AND OTHER GUARANTEES HANDBOOK

MIDDLE EAST AND AFRICA VOLUME

Kluwer Law International B.V. The International Bank and Other Guarantees Handbook provides a practical examination of the laws of 19 countries (and groups of countries) in the Middle East and Africa regions in respect to bank and other guarantees. It also contains, among other things, various guarantees forms. The aim of each country-specific chapter of the Handbook is to provide actionable information designed to guide legal or other practitioners in such jurisdiction. The editors, Mr. Yann Aubin, Mr. Jean-Claude Vecchiatto and Mr. Louis de Longeaux, deal with guarantees in an international context on a daily basis in the course of their respective positions as in-house lawyers of Fortune 500 multinational companies and partner of a multinational law firm. Yann Aubin is the Director of Legal Operations [and Deputy General Counsel] at Schlumberger based in Paris. He is the co-editor of the Export Control Laws and Regulations Handbook. Jean-Claude Vecchiatto is Vice President, Head of Corporate & Project Finance, Legal Affairs at the European Aeronautic Defence and Space Company, EADS, based in France and Germany. Louis de Longeaux is a partner with Orrick, Herrington & Sutcliffe law firm based in China, England, France, Germany, Italy, Japan, Russia, Taipei and USA. The International Bank and Other Guarantees Handbook is invaluable to any international trade professional (lawyer, finance manager, project manager, etc.) or entity with a need to know the specific requirements to be complied within the jurisdiction in question for the efficient use of bank or other related guarantees.

WHAT YOUR CPA ISN'T TELLING YOU

LIFE-CHANGING TAX STRATEGIES

Entrepreneur Press Tackling the fundamental question asked by all taxpayers – “How can I save on my taxes?,” attorney and CPA Mark Kohler empowers frustrated taxpayers to dismiss the common CPA jargon that their tax payment “is what it is” and ignore widely used tax talk like “you just make too much money.” Kohler reveals 8 life-changing tax principles, and teaches both wage earners and business owners how to apply fundamental, but underutilized tax strategies to achieve huge tax savings, greater wealth, and ultimately, a winning pursuit of the American Dream. Kohler presents wage earners with applicable strategies beyond writing off mortgage interest and contributing more to their IRA. Following the story of a typical family, tax payers discover the undeniable benefit of owning a side/or small business, how hiring their spouse and children can help their bottom line, the financial windfall that comes with owning rental real estate, and the secret success behind self directing their retirement plan, which is something 9 out of 10 CPAs don’t know or don’t talk about! Small business owners uncover new avenues for adding to their bottom line including how to save on health care and legitimate bookkeeping techniques that can put thousands back in their pocket—all illustrated through checklists, charts and templates available in the additional resources toolkit provided by Kohler.
