His lip may be deflated and his left side paralyzed, but he knows. And he has made terrible mistakes. But he knows. He knows. We are lucky that way." Lucky That Way, a nuanced, richly engaging memoir, chronicles the joys and tribulations of a daughter who rediscovers her father as he nears the end of his life. Ernie Gerhardt, an artist and teacher, is largely estranged from his five children, but when he suffers a debilitating stroke, his daughter Pamela must fly to Las Vegas to tend to him. When she arrives to find Ernie newly and shockingly fragile, she is hit by an unexpected wave of tenderness. As she watches over him in intensive care, she recalls turning points in her family history—the early death of her mother and her father's turn to heavy drinking—and reflects on the idiosyncrasies that make an imperfect and unique family, on what it means to become old, on what happens when parents are no longer the caregivers but the cared-for, and on how a family copes with their responsibility to the elderly. Written in a crisp, engaging style, the story is less about the drudgery of finding the right mix of medicines, at-home caregivers, and rehabilitation centers and more about the emotional ramifications of caring for the sick under the weight of sometimes flawed attachments. People make mistakes, grow old, get sick, and pass on from this world. Lucky That Way examines the irritations and comforts of contemporary family bonds. Gerhardt sifts through the complicated, multi-layered relationships for both wry comedy and high drama and records a string of triumphs and mishaps as Ernie and his five adult children struggle to manage his life and find meaning before their time runs out. The emerging theme of imperfect humans struggling with life's great mysteries will strike a chord of recognition with the tens of thousands of Baby-Boomers and Gen-Xers who are currently facing similar circumstances with their elderly loved ones. Pamela Gerhardt's heartfelt story about a family coming to terms with their aging father's illness and imminent death takes readers on an emotional roller coaster that highlights love, loss, humor, and sadness. **Figure Study Made Easy** Subject Covered: The human figure is a three dimensional structure of solid blocks havingweight and to draw it convincingly you must learn how to create an illusion of solid form on a two dimensional sheet of paper. Excerpt: ... observes, " Whom He will, He hardeneth." He would not have added this unless, under the expression " raised thee up," he had meant to comprehend that purpose of God, by which Pharaoh was ordained to magnify, by his obstinacy, the redemption of God's people, Israel. For if any one should say, that Pharaoh's being "raised up" signified his being raised from above to the summit of kingly honour; that indeed is some part, but not the whole, of the matter. For the LXX. Greek interpreters have here used the same expression as that by which they render the verb Hiphil, derived from the radical Kum "to arise." Moreover, God is said to "raise up" that, which He causes, by an outstretched arm, as it were, to accomplish the end He has ordained. The Scripture here principally looks at the beginning, or first-cause, of that which it is recording; that it may ascribe the whole to God alone. In this same manner, God is also said to "raise up " prophets, and ministers of salvation; that no man might claim any of these things to himself, on the ground of his own industry. Therefore, the meaning of Moses has been faithfully expressed by the term, "raised up," if you will but so receive it; nor did Paul receive it otherwise. And most certainly, the expression "raised up" comprehends, not less distinctly than summarily, what he had touched upon, both concerning the elect, and the reprobate; since he is claiming for God the right and the power to have mercy on whom He will, and to harden whom He will, according to his own pleasure and purpose. The apostle therefore maintains, that the right of hardening, and of showing mercy, is in the power of God alone; and that no law can be imposed on him as a rule for his works; because no law or rule can be thought of, ... **Preacher's Pearl** The last of the single men of Pistol Ridge - A woman doctor trying to find home - A town that welcomes both.
